Part I	Asset and Liability Statement
1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. Round off amounts to the nearest dollar. MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Asbestos Workers Local No. 24
Defined Contribution Pension Plan

Opinion

We have audited the financial statements of the Asbestos Workers Local No. 24 Defined Contribution Pension Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with the accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year and Schedules of Administrative Expenses, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements. The Supplemental Schedule of Assets Held at End of Year is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Supplemental information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**ASBESTOS WORKERS LOCAL 24
DEFINED CONTRIBUTION PENSION PLAN**

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2023 AND 2022

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Asbestos Workers Local No. 24 Defined Contribution Pension Plan (the Plan), provides only general information purposes only. Participants should refer to the Plan's governing documents for more complete information.

General - The Plan is a collectively bargained multiemployer defined contribution retirement plan covering both asbestos workers, pursuant to collective bargaining agreements between the International Association of Heat and Frost Insulators and Asbestos Workers Local 24, Washington, D.C. (Local 24) and employers, and certain other employees who are not covered by such collective bargaining agreements. The Plan was established on January 1, 1985 under an agreement between Local 24 and certain employers of asbestos workers. The Plan is operated and administered by six Trustees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Benefits - The Plan provides for normal retirement at age 65 and early retirement at ages 55-64. The Plan also provides for disability retirement, death and hardship withdrawal benefits upon meeting certain preconditions. The Plan also allows for withdrawals upon meeting certain requirements upon termination.

Participant Accounts - Each participant's account is increased with the contributions received on behalf of the participant, decreased by any distribution to or on behalf of the participant and is adjusted for any allocation of Plan earnings and Plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Each participant's account is valued in accordance with the Plan Document. Upon reaching an account balance of \$500, participants are provided the ability to direct the investment of contributions and their account balance into certain investment choices provided by the Plan. At the May 2019 board meeting, the Trustees approved to suspend the \$500 account balance minimum and all of the contributions received for a participant will be transferred into the participant's account with the Plan's investment manager, Prudential Retirement Insurance and Annuity Company. The Plan currently offers various pooled separate accounts, a registered investment company, and an insurance contract as investment options for participants. As of June 30, 2022, there was still a portion of participant account balances that had not been transferred to the Plan's investment manager.

To allow for certain disbursements, including for administrative expenses of the Plan, certain liquid assets are maintained, the value of which is not allocated to participants' accounts.

NOTE 1. DESCRIPTION OF THE PLAN (continued)

Vesting - All participants are vested 100% in their account balance on the date they complete an hour of employment covered by the Plan for which a contributing employer is required to contribute to the Plan on their behalf.

Payments of Benefits - A participant who is eligible to receive retirement benefits may elect to receive benefits in various forms, including a lump sum amount equal to the value of their account.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Recognition of Income - Investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). The pooled separate accounts are valued at market value on the last business day for the year, as established by the insurance company and registered investment company is valued at market value or net asset value of the fund on the last business day of the year. The common collective trust is valued at market value on the last business day for the year, as established by the trust.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Funding Policy and Revenue Recognition - The Plan is funded entirely by employer contributions. Participants do not contribute to the Plan. All contributions are made in accordance with collective bargaining agreements in effect between the employers and Local 24. These agreements provide that employers contribute to the Plan on behalf of each covered employee on the basis of a fixed rate per hour. Employer contributions are accounted for as exchange transactions. The contributions are due on a monthly basis.

Employers' contributions receivable represents amounts due under the term of collective bargaining agreements. Employer contributions are recorded in the period in which the hours giving rise to the contribution are worked. The Plan uses the allowance method to account for uncollectible accounts receivable. The allowance for doubtful accounts is based upon prior years' experience and management's estimate of possible bad debts.

Payment of Benefits - Benefits are recognized upon distribution.

NOTE 3. PRIORITIES UPON TERMINATION

Although it has not expressed any intent to do so, the Board of Trustees has the right under the Plan to discontinue contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination of the agreement and declaration of trust, the assets remaining are to be used to provide for the payment of any and all of the obligations of the Plan. Such payments shall be for the exclusive benefit of the participants, their dependents or beneficiaries, and administrative expenses of the Plan. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Board of Trustees may determine.

NOTE 4. TAX STATUS

The Plan obtained its latest determination letter on December 8, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

NOTE 5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE 5. FAIR VALUE MEASUREMENTS (continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the years ended June 30, 2023 and 2022, there were no transfers in or out of level 1, 2, or 3.

There have been no changes in valuation methodologies at June 30, 2023 and 2022.

	Fair Value Measurements at June 30, 2023			
	Total	Level 1	Level 2	Level 3
Registered investment company	\$ 301,643	\$ 301,643	\$ -	\$ -
Total assets in fair value hierarchy	301,643	<u>\$ 301,643</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured as NAV	<u>21,346,633</u>			
Total investments	<u>\$ 21,648,276</u>			

	Fair Value Measurements at June 30, 2022			
	Total	Level 1	Level 2	Level 3
Registered investment company	\$ 268,174	\$ 268,174	\$ -	\$ -
Total assets in fair value hierarchy	268,174	<u>\$ 268,174</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured as NAV	<u>19,103,043</u>			
Total investments	<u>\$ 19,371,217</u>			

In accordance with Subtopic 820-10, investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 5. FAIR VALUE MEASUREMENTS (continued)

The unfunded commitments and redemption information for the investments, as of June 30, 2023 and 2022, are as follows:

Each Day One Fund seeks to achieve its objective by investing in a combination of mutual funds in the PGIM fund family (each, an “Underlying Fund”).

The Dryden S&P 500 Index Fund’s objective is to provide investment results that approximate the performance of the Standard and Poor’s Composite 500® Index. The Fund invests in domestic common stock, international equity, cash equivalents and fixed income securities.

The International BLD/Wellington Fund’s investment objective is to provide long-term total returns in excess of the MSCI All Country World ex US Index. The Fund’s invests in international equity, cash and US equity.

The investment objective of the Prudential Lifetime Aggressive Fund, Prudential Lifetime Balance Fund and Prudential Lifetime Growth Fund is to consistently outperform its benchmark over full market cycles. The Funds are members of the Lifetime family of Funds. The Funds’ portfolios are structured as a fund of Funds investing in Fixed Income - Domestic Funds, Equity U.S. Large Cap, Equity - U.S. Mid/Small Cap and Equity Global/International Funds.

NOTE 5. FAIR VALUE MEASUREMENTS (continued)

The SA T. Rowe Price Growth Strategy II's investment objective is to seek to provide long-term growth of capital through investments in stocks. The Fund invests in at least 80% of its net assets (including any borrowings for investments purposes) in the common stocks of a diversified group of growth companies.

The Small Cap Growth Times Square Fund objective is to achieve long term capital appreciation. The Fund's invests in international equity, cash and US equity.

The Small Cap Value Silvercrest Asset Management Fund's investment objective is to utilize a philosophy of careful risk management, preservation of capital and a disciplined approach to valuation. The Fund's portfolio consists of cash and US equity.

NOTE 6. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a traditional fully benefit-responsive investment contract with Prudential Retirement Insurance and Annuity Company (Prudential). Prudential maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed by the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Prudential, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at June 30, 2023 and 2022, was \$1,476,829 and \$1,422,540, respectively. Prudential is contractually obligated to repay the principal and interest at specified interest rates that are guaranteed to the Plan. The crediting rate is based on factors established by Prudential. The crediting rate is reviewed periodically for resetting, as defined in the contract. As of June 30, 2023, no events have occurred that would provide for termination of the contract or a fair value adjustment to apply.

NOTE 6. INVESTMENT CONTRACT WITH INSURANCE COMPANY (continued)

Certain events limit the Plan's ability to transact at contract value with Prudential. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different than contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that the occurrence of any such value event, would limit the Plan's ability to transact at contract value with Plan participants or the issuer, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 7. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan shared certain administrative expenses with the Asbestos Workers Local No. 24 Medical Fund (Medical Fund), the Asbestos Workers Local No. 24 Defined Benefit Plan (DB Plan), and the Asbestos Workers Local No. 24 Apprenticeship Fund (Apprentice Fund). These expenses are allocated based upon pro-rata percentages. As of June 30, 2022, the Plan owed \$13,888 to the related Plans for expenses not allocated between the Funds.

Certain employers made contribution payments into the Medical Fund that were for the Plan. As of June 30, 2023 and 2022, \$217,542 and \$266,134, respectively, was due from the Medical Fund to the Plan.

Certain plan investments are pooled separate accounts, registered investment company and guaranteed investment contract managed by Prudential. Prudential is one of the custodians, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. These transactions have been denoted as such on the supplemental schedule of assets held at end of year.

During the years ended June 30, 2023 and 2022, the Plan paid administrative fees of \$120,387 and \$118,169, to Prudential, respectively.

The common collective trust was managed by State Street Global Advisors. State Street Global Advisors was one of the custodians, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. These transactions were denoted as such on the supplemental schedule of assets held at end of year. During the years ended June 30, 2023 and 2022, the Plan paid administrative fees of \$0 and \$55, to State Street Global Advisors, respectively.

**NOTE 7. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS
(continued)**

The transactions above qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 8. CONCENTRATION OF RISK

Contributions from four employers accounted for 51% of total contributions received by the Plan during the year ended June 30, 2023. Contributions from three employers accounted for 54% of total contributions received by the Plan during the year ended June 30, 2022. If contributions from these employers were to cease, it could have a significant impact on the Plan and its net assets available for benefits.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as economic, interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through March 26, 2024, the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
