INDEPENDENT AUDITORS' REPORT

To the Plan Trustee
Profit Sharing and Savings Plan for Employees of
Cranesville Block Co., Inc., and Affiliated Companies
Amsterdam, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Profit Sharing and Savings Plan for Employees of Cranesville Block Co., Inc., and Affiliated Companies, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended June 30, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Profit Sharing and Savings Plan for Employees of Cranesville Block Co., Inc., and Affiliated Companies' financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022 and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Profit Sharing and Savings Plan for Employees of Cranesville Block Co., Inc., and Affiliated Companies and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Profit Sharing and Savings Plan for Employees of Cranesville Block Co., Inc., and Affiliated Companies' ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Profit Sharing and Savings Plan for Employees of Cranesville Block Co., Inc., and Affiliated Companies' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Profit Sharing and Savings Plan for Employees of Cranesville Block Co., Inc., and Affiliated Companies' ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of June 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Profit Sharing and Savings Plan for Employees of Cranesville Block Co., Inc., and Affiliated Companies (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering full time employees of participating employers who have one year of service, 1,000 hours worked and are age 18 or older, excluding employees covered by any collective bargaining agreements and non-resident aliens with no U.S. income. The Plan is subject to the provisions of ERISA. The Trustees are responsible for the oversight of the Plan.

The Plan was amended effective August 1, 2017, to allow ROTH elective deferral contributions.

As of June 30, 2023 and 2022, participating employers (affiliated companies) in the Plan include:

Cranesville Block, Co., Inc.
Fulmont Ready Mix Co., Inc.
Cranesville Aggregate Companies, Inc.
Cranesville Management Co., Inc.
Glens Falls Ready Mix, Inc.
Cranesville Properties, LLC
Eastern Materials, LLC
Capital District Concrete Batching, Inc.

Contributions

Contributions are subject to Internal Revenue Service (IRS) limitations. The following contributions are allowed by the Plan:

1. Employee Contributions

The Plan allows pre-tax and Roth elective deferrals. Each year, participants may make contributions of up to 100% of pretax annual compensation, as defined in the Plan. Participants who have obtained age 50 before the end of the Plan year are eligible to make catch-up “contributions.” Eligible employees may also contribute amounts representing rollovers or transfers from other qualified plans. Participants may also contribute amounts representing distributions from other qualified plans.

2. Employer Discretionary Contributions

The amount of the annual contribution to the Plan by the employer is determined by the Companies’ Board of Directors. The contribution is not to exceed the maximum amount allowable as a deduction under Section 404 of the Internal Revenue Code. For the years ended June 30, 2023 and 2022, the Companies made gross discretionary profit-sharing contributions of \$304,927 and \$261,130, respectively. For the years ended June 30, 2023 and 2022, forfeitures of \$23,558 and \$8,795, respectively, were used to offset the gross discretionary profit-sharing contributions as per the Plan document.

CRANESVILLE BLOCK CO., INC., AND AFFILIATED COMPANIES**

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN – (CONTINUED)

3. Qualified Nonelective Contributions

The amount of the annual contribution to the Plan by the employer is determined by the Companies' Board of Directors. The Companies did not make a qualified non-elective contribution for years ending June 30, 2023 and 2022.

Investment Options – Participant-Directed

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants who do not select an investment option(s) have their contributions invested in the applicable Principal Lifetime Target-Date Fund based on the definition of normal retirement date under the Plan, until such time that the participant makes an investment direction election.

Participants may change their investment options daily.

Participant Accounts

Each participant's account is credited with the participant's contributions, as well as allocations of the Companies' discretionary contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant compensation or account balances, as defined in the Plan document. Participants in the Plan pay a maintenance fee which is deducted annually from their account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferrals plus actual earnings thereon. Vesting in the remainder of their accounts is determined using the elapsed time method, which determines vesting by using the total of an employee's countable periods of service without regard to hours of service and according to the following vesting schedule:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans must bear a reasonable interest rate and repayment may not exceed a period of more than five years, unless the purpose of the loan is for the purchase of a participant's principal residence, then up to a ten year repayment period may be permitted. The loans are secured by the balance in the participant's account and a participant can only have one loan outstanding at any time. Principal and interest are paid ratably through payroll deductions. Loan interest rates are set at prime plus 2% at the time the loan request is submitted. A fee is paid by each participant who borrows from the Plan.

NOTE 1 – DESCRIPTION OF PLAN – (CONTINUED)

Payment of Benefits

At a time when payment of benefits is to begin, the administrator may direct the Trustee to distribute the participant's vested account balance either in a lump-sum amount, a fixed period installment or a fixed payment installment option. If applicable, the installment option payments must meet the minimum distribution requirements. Certain hardship distributions of a participant's deferred contributions are allowable in accordance with the Plan documents. A participant may withdraw rollover contributions at any time. In addition, when participants attain age 59½ and are still working, they may withdraw any part of their vesting account from all contribution sources. Normal retirement age is 65.

Operating Expense

All expenses of maintaining the Plan are paid by the Plan.

Forfeited Accounts

At June 30, 2023 and 2022, forfeited nonvested accounts totaled \$20,433 and \$-0-, respectively. These accounts will be used to reduce the current year employer contribution. Forfeitures may be used to offset plan expenses or offset employer contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. No reserve for credit losses have been recorded as of June 30, 2023 and 2022.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustee determines the Plan's valuation policies utilizing information provided by the Custodian. See Note 4 for discussion of fair market value measurements. Other investments are valued at prices determined by the custodian to represent the fair valuation thereof on the annual valuation date.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED)

Investment Valuation and Income Recognition – (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributes in the subsequent plan year excess contributions to the applicable participant. For plan years ended June 30, 2023 and 2022, there were no excess contributions payable.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 – CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held at June 30, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends for the years then ended, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by The Principal Trust Company, (the Custodian of the Plan) and Principal Life Insurance Company.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and additional financial information.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2023 AND 2022

NOTE 4 – FAIR VALUE MEASUREMENTS – (CONTINUED)

Level 3 Inputs to the valuation methodology that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimizes the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts: Valued at net asset value (NAV) per share based on quoted market prices of underlying investments except as otherwise noted.

Collective Investment Trusts: These investments are valued at the NAV of units of the collective trust fund. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective investment trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

During the year ended June 30, 2023, there were no transfers of financial instruments in or out of Level 3.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023 and 2022.

	<u>Assets at Fair Values as of June 30, 2023</u>

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2023 AND 2022

NOTE 5 – PLAN TERMINATION

Although they have not expressed any intent to do so, the employers have the right under the Plan to discontinue its contributions and at any time to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, complete or partial, participants would become 100% vested in their employer contributions.

NOTE 6 – TAX STATUS

The Plan is a Principal Financial Group prototype plan and relies on the prototype determination letter dated March 31, 2014, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code and constitutes a qualified plan under Section 401(a). Although the Plan has been amended since receiving the determination letter, the Plan administrator and Plan custodian believe the plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – DUE TO PAST PARTICIPANTS

At June 30, 2023 and 2022, \$1,279,073 and \$1,020,199, respectively, was allocated to accounts of persons who had terminated employment but had not yet been paid their Plan balances. At June 30, 2023, this balance consisted of \$233,719 in participant accounts who had terminated employment in the current plan year and \$1,045,354 in participant accounts who terminated employment in Plan years ending June 30, 2022 and earlier.

NOTE 8 – HISTORICAL COSTS

Department of Labor Regulation 2520.103-11(d) allows the exclusion of historical cost data for participant-directed investments on Schedule H, Line 4i.

NOTE 9 – RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of common collective trusts and pooled separate accounts which are owned and managed by the Principal Life Insurance Company. The Principal Life Insurance Company was appointed the record keeper and custodian effective January 1, 2014. Fees paid to the Principal Life Insurance Company by the Plan amounted to \$48,336 and \$52,091 for the years ended June 30, 2023 and 2022, respectively.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits.
