INDEPENDENT AUDITORS' REPORT

To The Board of Directors
Community Resources Staten Island, Inc. 403(b) Plan
Staten Island, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Community Resources Staten Island, Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Community Resources Staten Island, Inc. 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Mutual of America Life Insurance Company as of April 30, 2023 and as of June 30, 2022, and for the period from July 1, 2022 to April 30, 2023, and from Voya Retirement Insurance and Annuity Company as of June 30, 2023 and for the period from May 1, 2023 to June 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community Resources Staten Island, Inc. 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Resources Staten Island, Inc. 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Community Resources Staten Island, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Resources Staten Island, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of June 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To The Board of Directors
Community Resources Staten Island, Inc. 403(b) Plan
Staten Island, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Community Resources Staten Island, Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Community Resources Staten Island, Inc. 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Mutual of America Life Insurance Company as of April 30, 2023 and as of June 30, 2022, and for the period from July 1, 2022 to April 30, 2023, and from Voya Retirement Insurance and Annuity Company as of June 30, 2023 and for the period from May 1, 2023 to June 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community Resources Staten Island, Inc. 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Resources Staten Island, Inc. 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Community Resources Staten Island, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Resources Staten Island, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of June 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMMUNITY RESOURCES STATEN ISLAND, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

Note 1 - Description of Plan

The following description of the Community Resources Staten Island, Inc. 403(b) Plan (the "Plan"), formerly known as 403(b) Thrift Plan of Staten Island Aid for Retarded Children, Inc. d/b/a Community Resources, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established on January 1, 1985, and restated on May 1, 2023, is a defined contribution plan covering all salaried and hourly employees of Community Resources Staten Island, Inc. (the "Sponsor"). Employees are eligible upon hire to begin making elective deferrals to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Board of Directors is responsible for oversight of the Plan. The Board of Directors determines the appropriateness of the Plan's investment offerings and monitors investment performance. Prior to May 1, 2023, the custodian and recordkeeper of the Plan was Mutual of America Life Insurance Company ("MOA"). Effective May 1, 2023, Voya Retirement Insurance and Annuity Company ("Voya") became the custodian and recordkeeper of the Plan.

Contributions

Each year, participants may contribute up to 100% of eligible annual compensation, as defined in the Plan, provided that such contributions do not exceed the limitations under the Internal Revenue Code (the "Code") of \$22,500 for 2023 and \$20,500 for 2022, plus a maximum of \$7,500 for 2023 and \$6,500 for 2022 in catch-up contributions for participants who have attained age 50 before the end of the Plan year. Contributions may be made as a pre-tax deferral or after-tax (Roth) deferral. Highly compensated employees are subject to additional limits set forth in the Code. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation, with an automatic escalation provision that automatically increases participant deferral rates by 1% each year until contributions reach 6% of eligible compensation. These contributions are invested in a designated balanced fund until changed by the participant.

The Sponsor may make discretionary employer contributions. Eligibility requirements for participants to receive discretionary employer contributions include a minimum age requirement of 21 and a minimum of 1,000 hours of eligible service during the plan year. Employer contributions are invested as directed by the participant. In 2023, the Sponsor made employer contributions of \$841,949.

Note 1 - Description of Plan (cont'd.)

Participant Accounts

Each participant's account is credited with the participant's contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are 100% vested in the employer contribution portion of their accounts upon completion of three years of vesting service. In addition, a participant becomes 100% vested in all allocated employer contributions upon death, disability, or the attainment of age 65 while employed by the Sponsor.

Participants are 100% vested in the employer contribution portion of their accounts upon completion of three years of vesting service.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account. The loans are secured by the balance in the participant's account and bear a reasonable interest rate, as defined by the Plan. Principal and interest are paid ratably through monthly payroll deductions over a period not to exceed five years unless the funds are used to acquire a principal residence, in which case the maximum repayment period is ten years.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive either an amount equal to the value of the participant's vested interest in his or her account as a lump-sum distribution or have the account balance converted to an annuity. The Plan also allows certain withdrawals at age 59½ and hardship withdrawals.

At June 30, 2023 and 2022, forfeited non-vested accounts, which are used to reduce future employer contributions, totaled \$0. For the year ended June 30, 2023, the Sponsor's contributions were reduced by \$29,523 from forfeited non-vested accounts.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

COMMUNITY RESOURCES STATEN ISLAND, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Directors determines the Plan's valuation policies utilizing information provided by the Plan's investment advisers. See Note 5 for a discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2023 and 2022. Delinquent notes receivable from participants are reclassified as distributions once the participant is no longer employed by the Sponsor. The interest rate on loans outstanding at June 30, 2023 was 4.60%.

Prior to May 1, 2023, notes receivable from participants were not separately stated as an asset on the statement of net assets available for benefits, as they were loans borrowed directly from MOA that were collateralized by the participants' vested account balances. At June 30, 2022, \$251,126 was outstanding. The collateral of 120% of the loan balances was transferred from the separate account funds to the general account fund. Loan interest rates were variable at prevailing interest rates and could be increased or decreased by MOA. At June 30, 2022, the interest rate on loans was 3.25%. Principal and interest were paid ratably by the participant directly to MOA.

Payment of Benefits

Benefits are recorded when paid.

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of loans or benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation or depreciation in fair value of investments. Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan.

Note 3 - Information Certified By Custodians

The following information, including investments and notes receivable from participants at June 30, 2023 and 2022, and investment income and interest income on notes receivable from participants for the year ended June 30, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America Life Insurance Company, the custodian of the Plan through April 30, 2023, and Voya Retirement Insurance and Annuity Company, the custodian of the Plan effective May 1, 2023. The information certified by Mutual of America Life Insurance Company was as of April 30, 2023 and as of June 30, 2022, and for the period from July 1, 2022 to April 30, 2023. The information certified by Voya Retirement Insurance and Annuity Company was as of June 30, 2023 and for the period from May 1, 2023 to June 30, 2023.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

Note 4 - Guaranteed Income Fund

The Plan invests in a guaranteed income fund with Voya Retirement Insurance and Annuity Company, which maintains the contributions in a general account. Because certain events limit the ability of the Plan to transact at contract value with the issuer, the Plan has determined that the guaranteed income fund is not fully benefit-responsive. Therefore, it is presented on the face of the statements of net assets available for benefits at fair value.

The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The crediting interest rate is based on a formula agreed upon with the issuer and is reviewed periodically for resetting.

Note 5 - Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at June 30, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

COMMUNITY RESOURCES STATEN ISLAND, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

Note 5 - Fair Value Measurement (cont'd.)

Guaranteed income fund: The Plan invests in a guaranteed income fund with Voya Retirement Insurance and Annuity Company, which maintains the contributions in a general account. Because certain events limit the ability of the Plan to transact at contract value with the issuer, the Plan has determined that the guaranteed income fund is not fully benefit-responsive. Therefore, it is presented on the face of the statements of net assets available for benefits at fair value.

General account fund: MOA's general account (i.e., the Interest Accumulation Account) is part of MOA's general assets, which are segregated from the separate accounts. The general account, which is comparable to a cash equivalent, includes liquid assets and is not subject to any form of interest rate adjustments, "haircut" or loading charge. The crediting interest rate is a current rate determined by MOA from time to time. MOA bears the full investment risk for the amounts participants allocate to the general account. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at the account value. The amount included in the financial statements is the accumulated contribution, plus interest credited, less administrative expenses, which approximates fair value.

Separate account funds: MOA's separate accounts value investments at fair value in accordance with U.S. GAAP. Fair value is an estimate of the price the separate accounts would receive upon selling a security in an orderly, arm's-length transaction. The investments of separate accounts consist solely of investments in mutual funds registered with the Securities and Exchange Commission and are carried at the net asset value at which the mutual fund shares are actively traded.

MOA is the custodian of assets of the separate accounts and handles the collection and distribution of proceeds of shares of the underlying funds bought and sold by the separate accounts. The account value is represented by accumulation units. Each subaccount's accumulation unit has a different value, based on the value of the subaccount's investment in shares of the related underlying fund and the charges deducted from the separate accounts. To determine the change in a subaccount's accumulation unit value from the close of one valuation day to the close of the next valuation day ("Valuation Period"), an accumulation unit change factor is used.

For subaccounts that invest in shares of the Mutual of America Investment Corporation funds, the accumulation unit change factor for each subaccount for any Valuation Period is:

- (a) the ratio of (i) the share value of the underlying fund at the end of the current Valuation Period adjusted by the cumulative dividend multiplier for the current Valuation Period, to (ii) the share value of the underlying fund at the end of the preceding Valuation Period, adjusted for the cumulative dividend multiplier for the preceding Valuation Period, divided by,
- (b) 1.000000 plus the component of the annual rate of total separate account charges against the subaccount's assets for the number of days from the end of the preceding Valuation Period to the end of the current Valuation Period.

COMMUNITY RESOURCES STATEN ISLAND, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

Note 5 - Fair Value Measurement (cont'd.)

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at June 30, 2023 and 2022. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. For the year ended June 30, 2023, there were no transfers between Levels 1 and 2 and no transfers in or out of Level 3.

	<u>Assets at Fair Value at June 30, 2023</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Investments, at fair value:				
Mutual funds	\$ 9,474,364	\$ -	\$ -	\$ 9,474,364
Guaranteed income fund	-	1,718,864	-	1,718,864
Total Investments at Fair Value	<u>\$ 9,474,364</u>	<u>\$ 1,718,864</u>	<u>\$ -</u>	<u>\$ 11,193,228</u>

	<u>Assets at Fair Value at June 30, 2022</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Separate account funds	<u>\$ 8,859,946</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,859,946</u>
General account fund (a)				<u>2,965,554</u>
Total Investments at Fair Value				<u>\$ 11,825,500</u>

MOA's general account ("Interest Accumulation Account") includes liquid assets and is not subject to any form of interest rate adjustments, "haircut" or loading charge. The general account is comparable to a cash equivalent and is therefore exempt from the hierarchy leveling requirements of FASB ASC Subtopic 820-10.

Note 6 - Related Party Transactions and Party-In-Interest Transactions

Certain Plan investments are shares of funds managed by Voya, the custodian and recordkeeper of the Plan. Therefore, the transactions related to these investments qualify as party-in-interest transactions.

Notes receivable from participants also qualify as party-in-interest transactions.

COMMUNITY RESOURCES STATEN ISLAND, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 8 - Tax Status

The Plan has been designed to qualify under Section 403(b) of the Code. The terms of the Plan have been prepared to conform to the sample language provided by the Internal Revenue Service in Revenue Procedure 2007-71 and the draft Listing of Required Modifications issued April 4, 2009. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b). The Plan administrator and Sponsor believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that at June 30, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset, or require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The following is a reconciliation of the net decrease in net assets available for benefits per the financial statements for the year ended June 30, 2023 to the net loss per Schedule H of the Form 5500 for the year ended June 30, 2023:

	<u>2023</u>
Net decrease in net assets available for benefits per the financial statements	\$ (401,180)
Adjustment for 2022 employer contributions receivable	<u>(841,949)</u>
Net loss per the Form 5500	<u>\$ (1,243,129)</u>

Note 11 - Subsequent Events

The Plan administrator has evaluated all events or transactions that occurred after June 30, 2023 through April 11, 2024, which is the date that the financial statements were available to be issued. During this period, there were no material subsequent events requiring disclosure.
