INDEPENDENT AUDITOR'S REPORT

The Plan Trustees of
UNLV Medicine 401(K) Plan
Las Vegas, Nevada

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of UNLV Medicine 401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of June 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UNLV MEDICINE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the UNLV Medicine 401(k) Plan (the Plan) is provided for general information purposes only. Plan participants should refer to the Plan document for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined contribution plan covering qualified employees of UNLV Medicine (the Employer) who are not classified as leased employees. The Plan was established July 1, 2017 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan has implemented certain directives, where applicable, of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which contain several provisions affecting retirement plans in the areas of distributions and loans. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service guidance.

Eligibility

Employees are eligible to participate in the Plan and receive employer contributions if they have completed 250 hours of service within the first 3 months of employment and have attained the age of 21. Any employee who has completed one year of service shall be deemed to have met this service requirement. The service requirement is waived for any eligible employee employed on July 1, 2017. Employees may enter the Plan on the first day of the month coinciding with or next following the date they satisfy the eligibility requirements.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Employer's matching contributions, as well as allocations of the Employer's discretionary contribution, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant's earnings, account balances or specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Each participant may direct their contributions into any one or combination of available investment options. Participants may elect to allocate their elective deferrals between pre-tax contributions or after-tax designated Roth contributions. Participants may change their investment options at will.

UNLV MEDICINE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2023 AND 2022

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Contributions

The Plan provides for voluntary contributions by its participants and matching contributions by the Employer. Participants may elect to defer up to 100% of their annual compensation, as defined by the Plan, up to an annual dollar limitation in accordance with the Internal Revenue Code. In addition, the Plan allows participants, attaining the age of 50 to make catch up contributions not to exceed an annual dollar limitation in accordance with the Internal Revenue Code. The Plan allows participants to designate contributions as Roth contributions. For the Plan year ending June 30, 2023, Roth contributions of \$299,429 are included in participant contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers), as defined in the Plan's provisions.

The Employer has the option of making matching, safe harbor, and discretionary contributions. The Employer matching contribution and the safe harbor contribution benefits all employees who meet the eligibility requirements of the Plan. To share in a discretionary Employer contribution, employees must have been employed on the last day of the Plan year and have completed 1,000 hours during the Plan year. For the Plan year ending June 30, 2023, the Employer made a safe harbor contribution in an amount equal to 3% of eligible compensation.

Vesting

Participants are immediately vested in their salary deferral contributions and Employer safe harbor contributions and actual earnings thereon. Participants are vested in Employer matching and discretionary contributions and actual earnings thereon after completing three years of credited service. Participants also become fully vested upon reaching the age of 65, becoming totally and permanently disabled, or death.

Forfeitures

Upon withdrawal from the Plan, a participant's non-vested portion of Employer matching and discretionary contributions and earnings is considered a forfeiture. Forfeitures are used to pay Plan expenses or to reduce Employer contributions to the Plan. At June 30, 2023 and 2022, the forfeited non-vested account totaled \$65 and \$10, respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account. The loan interest rate is set at 1% above Prime rate. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years, unless the proceeds of the loan were used to acquire the participant's residence, in which the Plan administrator may permit a longer repayment term. A participant may have no more than one outstanding note at any one time.

UNLV MEDICINE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2023 AND 2022

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits

Participants or their beneficiary may elect to receive either a lump-sum amount or partial withdrawals equal to the value of their vested interest in the participant's account upon the participant's retirement, death or disability. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. A terminated employee with a balance of less than \$5,000 may be automatically paid out by the Plan upon termination. Any terminated participants with a balance greater than \$5,000 may elect to retain their monies in the Plan. Distributions may be made at the participant's election prior to termination upon attainment of age 59 ½ or hardship as defined in the Plan document. The participant's designated beneficiary is entitled to a death benefit distribution equal to the participant's vested account balance.

Administrative Expenses

Administrative expenses of the Plan are paid by the Employer or from the Plan, as provided by the Plan document. Investment related expenses are included in net appreciation of fair value of investments. Expenses that are paid directly by the Employer are excluded from these financial statements.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Presentation

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the participant and deducted from loan proceeds. Delinquent notes receivable are recorded as distributions based upon the terms of the Plan document.

UNLV MEDICINE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2023 AND 2022

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation or depreciation in fair value of investments is reported in the statement of changes in net assets available for benefits and consists of the realized gains and losses and the unrealized appreciation or depreciation of these investments.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3. PARTY-IN-INTEREST

Notes receivable from participants qualify as party-in-interest transactions.

NOTE 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to un-observable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted price for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

UNLV MEDICINE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2023 AND 2022

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts: Valued at the NAV of shares held by the Plan at year end as calculated by the funds. The NAV is based on the market value of the fund's underlying investments. The NAV of the common collective trusts are not publicly traded but are available to current investors. For common collective trusts held in target date retirement funds, NAV is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Common collective trusts	\$ 429,002	\$ -	\$ 429,002	\$ -

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

	<u>1,650,503</u>	<u>\$ 1,257,397</u>	<u>\$ 393,106</u>	<u>\$ -</u>
Investments measured at NAV as practical expedient	<u>5,691,514</u>			
Total investments	<u>\$ 7,342,017</u>			

NOTE 5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6. CERTIFIED INFORMATION

Reliance Trust Company held Plan investment assets as of June 30, 2023 and 2022 and for the year ended June 30, 2023. Reliance Trust Company has supplied the Plan administrator with a certification as of June 30, 2023 and 2022, that the fair value and information included in the supplemental schedules for the following Plan assets are complete and accurate.

	<u>2023</u>	<u>2022</u>
Certified amounts:		
Mutual funds	\$ 1,447,187	\$ 1,257,397
Common collective trusts	6,712,741	6,084,620
Notes receivable from participants	<u>152,621</u>	<u>150,813</u>
Total	<u>\$ 8,312,549</u>	<u>\$ 7,492,830</u>

Reliance Trust Company also certified to the completeness and accuracy of \$744,475 of net appreciation in fair value of investments, \$47,081 of interest and dividend income and \$7,943 of interest income on notes receivables from participants for the year ended June 30, 2023.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2023 AND 2022

NOTE 7. TAX STATUS OF THE PLAN

The Plan uses a prototype plan document sponsored by Automated Data Processing, LLC, which received an opinion letter from the Internal Revenue Service (IRS) dated October 6, 2020, stating that the prototype document satisfies the applicable provisions of the Internal Revenue Code. The Plan itself has not received a determination letter from the IRS. Although the Plan document has been amended since receiving the prototype plan document opinion letter, Plan management believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes is included in the Plan's financial statements.

NOTE 8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through April 10, 2024, the date the financial statements were available to be issued.

NOTE 9. TERMINATION OF PLAN

Although it has not expressed any intent to do so, the Employer has the right under the Plan to amend or terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.
