REPORT OF INDEPENDENT ACCOUNTANTS

The Board of Directors

Retirement Savings Plan for Employees of Janus Youth Programs, Inc.:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Retirement Savings Plan for Employees of Janus Youth Programs, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Retirement Savings Plan for Employees of Janus Youth Programs, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- The information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Retirement Savings Plan for Employees of Janus Youth Programs, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Retirement Savings Plan for Employees of Janus Youth Programs, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Retirement Savings Plan for Employees of Janus Youth Programs, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Retirement Savings Plan for Employees of Janus Youth Programs, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) on pages 13 and 14 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT SAVINGS PLAN FOR EMPLOYEES OF
JANUS YOUTH PROGRAMS, INC.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED JUNE 30, 2023

1. Description of the Plan

The following is a brief description of the Retirement Savings Plan for Employees of Janus Youth Programs, Inc. (the “Plan”), and is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan for the exclusive benefit of employees of Janus Youth Programs, Inc. (“Janus”). The plan sponsor is Janus and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Janus is the plan administrator. The Standard Insurance Company (“The Standard”) is the Plan’s custodian and contract administrator and, as such, has the responsibility for managing the Plan’s assets, subject to the direction of the plan administrator.

Plan Contributions – Participants may contribute a portion of their compensation by means of payroll deductions, subject to certain discrimination tests prescribed by the Internal Revenue Code and other limitations specified in the Plan. Janus may make a discretionary matching contribution equal to a uniform percentage of salary deferrals. Each year, Janus will determine the amount of the discretionary percentage. There were no matching contributions made for the Plan year ended June 30, 2023. In addition, each year, Janus may make a discretionary profit-sharing contribution to the Plan. During the year ended June 30, 2023, profit-sharing contributions equal to 2.0% of each employee’s salary were contributed to the Plan on behalf of all participating employees. Employer discretionary profit-sharing contributions totaled \$132,032 for the year ended June 30, 2023.

Participants’ Accounts – Each participant’s account is credited with the participant’s contributions and allocation of (a) Janus’ contributions, and (b) Plan earnings; and charged with an allocation of administrative expenses. Allocations are based on each participant’s earnings or account balance, as defined. The benefit to which the participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting – A participant’s account is self-directed, and is immediately 100% vested. A participant’s vested and non-forfeitable equity shall be paid at such a time and in such amounts as determined by the plan administrator; however, payment must commence no later than the date provided by the Plan.

Notes Receivable from Participants – Loans are permitted with the approval of the Plan administrator. Participants may borrow a minimum of \$1,000 up to a maximum of \$50,000, or 50% of their vested account balance, whichever is less. Any loan by its terms requires that repayment (both principal and interest) be amortized in equal payments, over a period not to exceed five years, except if the loan is for the purchase of a primary residence. The outstanding loans are secured by the balance of the participant’s account and bear interest at rates ranging from 3.25% to 8.0%, which are commensurate with commercially reasonable rates determined by the custodian at the time of the loan.

Payment of Benefits – Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the vested interest in his or her account, or installments over a period of not more than the assumed life expectancy of the participant. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Eligibility Requirements – All qualified employees of Janus Youth Programs are eligible to participate in the Plan for the purposes of salary deferrals on their date of hire. A qualified employee may enter the Plan on the first day of the month coinciding with, or following, the date of hire. In order to qualify for employer contributions, a qualified employee must be over 19 years of age and have completed 12 months and 1,000 hours of service. All employees are qualified to enter the Plan, except for certain non-resident aliens who have no earned income from sources within the United States, and leased employees.

Plan Termination – Although it has not expressed any intent to do so, Janus has the right to terminate the Plan, subject to the provisions of ERISA.

Administrative Expenses – The Plan's assets are used to pay certain administrative expenses. Certain fees related to investment transactions are deducted directly from participant accounts. Janus may, at its discretion, pay certain administrative fees related to contributions on behalf of the Plan.

Party-in-Interest Transactions – Certain Plan investments are managed by The Standard. The Standard is the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for recordkeeping and investment management services amounted to \$45,523 during the plan year ended June 30, 2023, and were paid directly by the plan sponsor. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Tax Status – The Plan has adopted a prototype Plan document, and is relying on the prototype sponsor's opinion letter from the Internal Revenue Service dated March 31, 2014. The letter states that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code. Although the prototype plan has been amended since receiving the opinion letter, Janus believes that the Plan is designed and currently is being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of June 30, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, currently, there are no audits in progress for any tax periods.

2. Summary of Accounting Policies

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates – The preparation of the Plan's financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. In the opinion of management, such differences, if any, would not be significant.

Investments – Investments are reported at fair value. Net appreciation (decline) in the fair value of investments consists of the realized gains or losses and the unrealized appreciation (decline) of those investments. Security transactions are recorded on a trade date basis.

Contract with Insurance Company – The Plan has entered into an investment contract, the Standard Stable Asset A fund, with The Standard Insurance Company, the custodian. Net deposits invested in the Standard Stable Asset A fund become part of The Standard's general account, and there are no particular segregated or identifiable assets of The Standard ascribed to the Plan's Standard Stable Asset A fund. Net deposits and interest credited to the fund become liabilities to The Standard on the Plan's behalf. Contract value represents contributions and interest, less withdrawals and administrative expenses. The Standard Stable Asset A fund is included in the financial statements at the June 30, 2023 and 2022 contract values, as reported to the Plan by The Standard. The crediting interest rates were 1.47% and 1.53% for Plan years ending June 30, 2023 and 2022, respectively. The crediting interest rate is based on a formula agreed upon with the issuer and is reviewed on a quarterly basis for resetting. In accordance with the agreement between The Standard and Janus, quarterly crediting rates will never fall below 1%.

Certain events may limit the ability of the Plan to transact at contract value with The Standard. Such events include termination of the contract, spin-offs, divestitures, lay-offs, corporate relocation, partial or total Plan termination, retirement incentive programs, and the liberalization of Plan withdrawal or transfer rules. Upon occurrence of any of these events, a fair value adjustment or other withdrawal restrictions may apply.

The Standard may terminate the contract with 30 days' advance written notice to the contract owner for reasonable cause, which includes the contract owner's failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets of at least \$25,000, Plan disqualification, or failure to adopt the Plan in a reasonable period of time. Upon termination by The Standard, a market value adjustment may apply.

Risk and Uncertainties – Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Notes Receivable from Participants – Notes receivable from participants are reported at their unpaid principal balances plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of June 30, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant's note receivable is recorded as a benefit payment, based on the terms of the Plan document.

Payment of Benefits – Benefits are recorded when paid.

Concentration of Credit Risk – All of the Plan's assets are invested in pooled separate accounts and a guaranteed investment contract with a registered insurance company.

Subsequent Events – Subsequent events have been evaluated by management through April 3, 2024, which is the date the financial statements were available to be issued.

Other Significant Accounting Policies – Other significant accounting policies are set forth in the financial statements and the following notes.

3. Information Prepared and Certified by the Custodian

The Plan has obtained certification from The Standard Insurance Company that the information provided by them is complete and accurate. The information certified by them includes:

- Details and summaries of investments at fair value and other assets as of June 30, 2023 and 2022;
- Details and summaries of the net increase in the fair value of Plan investments during the year ended June 30, 2023; and
- Details and summaries of interest and dividends during the year ended June 30, 2023.

4. Investments

As of June 30, 2023 and 2022, the Plan's investments were held in 19 pooled separate accounts and one investment contract. The underlying assets of these investments are as follows:

	2023	2022
Investments in pooled separate accounts, <i>at fair value (note 6)</i>	\$ 4,219,220	3,598,589
Investment contract, <i>at contract value (note 5)</i>	524,942	492,406
Total investments	\$ 4,744,162	4,090,995

The following summarizes investments by investment category as of June 30, 2023 and 2022:

	2023	2022
Mutual funds:		
Intermediate-term bond	\$ 1,001,078	889,124
Balanced	174,667	162,295
Large-blend	850,993	713,128
Large-capitalization	498,943	36,680
Small-capitalization	261,231	217,649
Foreign large-growth	596,637	495,068
Foreign mid-growth	21,507	17,299
Large-value	436,822	382,962
Large-growth	—	363,920
Mid-capitalization	338,453	284,787
Real estate investment trusts	38,889	35,677
Guaranteed investment contract	524,942	492,406
Total investments	\$ 4,744,162	4,090,995

5. Investment Contract

The Standard reported contract value as the appropriate measurement for the guaranteed interest fund for reporting and financial statement purposes, and that contract value approximates fair value. The Standard is not an entity regulated or registered in such a manner that it is subject to the requirements of the Investment Company Act of 1940, the Small Business Company Act of 1958, or similar requirements.

6. Fair Value Measurements

Included in the accompanying financial statements are certain financial instruments carried at fair value. The fair value of an asset is the amount at which that asset could be bought or sold in a current transaction between willing parties, that is, other than in a forced or liquidation sale; similarly, the fair value of a liability is the amount at which the liability could be transferred in a current transaction between willing parties. Fair values are based on quoted market prices when available.

When market prices are not available, fair value is generally estimated using discounted cash flow analyses, incorporating current market inputs for similar financial instruments with comparable terms and credit quality.

All financial assets and liabilities carried at fair value have been classified, for disclosure purposes, based on a hierarchy defined under generally accepted accounting principles. The hierarchy gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets and liabilities and the lowest ranking to fair values determined using methodologies and models with unobservable inputs, as follows:

- *Level 1* – Values are unadjusted quoted prices for identical assets and liabilities in active markets accessible at the measurement date.
- *Level 2* – Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices from those willing to trade in markets that are not active, or other inputs that are observable or can be corroborated by market data for the term of the instrument. Level 2 also includes units in funds which only invest in financial assets classified as Level 1, have no redemption gates or lock-up periods, and for which there have been recent transactions at the published monthly net asset value.

- *Level 3* – Certain inputs are unobservable (supported by little or no market activity) and significant to the fair value measurement.

At June 30, 2023, pooled separate accounts are measured at Level 2. The fair value of the pooled separate accounts is based on the value of the underlying assets, which consists of mutual funds. All underlying assets are valued daily. The daily price is considered the selling price for transfers and withdrawals, and is calculated each day the principal market is open.

7. Prohibited and Non-Exempt Transactions

During the plan year ended June 30, 2023, the employer was delinquent in remitting to the Plan's custodian certain participant contributions totaling \$45,469 within the time period set forth in the Department of Labor's plan asset regulation at 2510.3-102. Because of the delinquent remission, participant accounts must be credited with the amount of lost earnings.

The \$73,387 in delinquent remittances reported for the plan year ended June 30, 2022 were corrected on April 13, 2023 by crediting participant accounts with lost earnings totaling \$101.
