INDEPENDENT AUDITOR'S REPORT

To the Participants and the Employer Administrative Committee
The Massey Companies 401(k) Profit Sharing Plan
Alcoa, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Massey Companies 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at year end as of June 30, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

THE MASSEY COMPANIES 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of The Massey Companies 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all full-time employees of The Massey Companies: Massey Construction, Inc., Massey Electric, Inc. (see Note 9), Massey Shared Services, LLC, TNT Powder Coating, LLC, and Aethon Equine Specialties, LLC (collectively, the "Company") who have completed 6 months of eligible service and are age 18 or older. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA). The Employer Administrative Committee, as the Plan Administrator, is responsible for oversight of the Plan; and has overall responsibility for investments, accounting for assets and allocations to participants' accounts. The Committee has delegated these functions to the custodian and the third-party administrator, Empower Trust Company, LLC and Tennessee Pension Administrators, respectively.

Contributions - Each year, participants may contribute up to the maximum percentage allowable not to exceed limits of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The deferral percentage automatically increases by 1% each January 1st until it reaches the Plan's automatic increase maximum of 10%, unless changed by the participant. The employer may make a matching contribution equal to a discretionary percentage of the participant's elective deferrals. During the year ended June 30, 2023, the Company contributed a matching contribution of 33% of the participant's elective deferrals for participants employed on the last day of the Plan year. Additional profit sharing amounts may be contributed at the option of the Company. There were no profit sharing contributions made in 2022. Contributions are subject to certain Internal Revenue Service limitations.

Participant Accounts - Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit which can be provided from the participant's vested account.

Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contributions portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of Benefits - On termination of service due to death, disability or retirement, a participant or a beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or purchase an annuity. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Account balances less than \$5,000 will be automatically distributed in a lump sum payment.

Forfeited Accounts - At June 30, 2023 and 2022, forfeited non-vested accounts totaled \$2,609 and \$2,512, respectively. These accounts will be used to pay administrative expenses. For the year ended June 30, 2023, forfeitures of \$3,883 were used to pay administrative expenses.

See Independent Auditor's Report.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. For Plan years 2020 to 2023, the Plan did not distribute excess contributions to applicable participants by the regulatory deadline of 2.5 months after the Plan's year-end, which subjected the plan sponsor to a 10% tax penalty on the total amount refunded for each Plan year.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events - The Plan has evaluated subsequent events through April 12, 2024, which is the date the financial statements were available to be issued, and has determined that there are no subsequent events that require disclosure.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Federal Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

Money Market Fund: Valued at the daily closing price as reported by the fund. The money market fund held in the Plan is an open-ended mutual fund that is registered with the Securities and Exchange Commission. The fund is required to publish its daily net asset value (NAV) and to transact at that price. The money market fund held by the Plan is deemed to be actively traded.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at estimated fair value as of June 30, 2023 and 2022:

	Assets at Estimated Fair Value			
	Level 1	Level 2	Level 3	Total
As of June 30, 2023				
Money Market Fund	\$ 1,145,323	\$ 0	\$ 0	\$ 1,145,323
Mutual Funds	16,250,929	0	0	16,250,929
Total Assets at Fair Value	<u>\$ 17,396,252</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 17,396,252</u>
As of June 30, 2022				
Money Market Fund	\$ 1,087,484	\$ 0	\$ 0	\$ 1,087,484
Mutual Funds	13,996,909	0	0	13,996,909
Total Assets at Fair Value	<u>\$ 15,084,393</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 15,084,393</u>

For the year ended June 30, 2023, there were no transfers between Levels 1 and 2, and there were no transfers in or out of Level 3.

NOTE 4 - INFORMATION CERTIFIED BY THE CUSTODIANS

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under such election, the Plan Administrator has obtained certifications from Empower Trust Company, LLC, the current custodian, and Great-West Trust Company, LLC, the former custodian, that the investment information in the accompanying financial statements and the supplemental schedule, with respect to investments and related investment activity, except for the classification of investments by level, is complete and accurate as of June 30, 2023 and 2022, and for the year ended June 30, 2023. The information certified by the custodians is presented based upon their certifications and is summarized below.

	2023	2022
Investments at Fair Value	\$ 17,396,252	\$ 15,084,393
Investment Income:		
Net Appreciation in Fair Value of Investments	\$ 1,072,317	N/A
Interest and Dividends	\$ 696,074	N/A

See Independent Auditor's Report.

NOTE 5 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Empower Trust Company, LLC is the custodian of the Plan and qualifies as a party-in-interest. Fees paid to Empower totaled \$24,370 for the year ended June 30, 2023.

Tennessee Pension Administrators, LLC is the third-party administrator of the Plan and qualifies as a party-in-interest. Fees paid to Tennessee Pension Administrators totaled \$14,277 for the year ended June 30, 2023.

Home Federal Bank of Tennessee is the corporate trustee of the Plan and qualifies as a party-in-interest. Fees paid to Home Federal Bank of Tennessee totaled \$31,727 for the year ended June 30, 2023.

The Plan Sponsor provides the Plan with certain accounting, auditing and administrative services for which no fees are charged to the Plan.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 7 - TAX STATUS

The Plan Sponsor adopted a non-standardized pre-approved plan sponsored by Tennessee Pension Administrators, LLC. The pre-approved plan received its latest determination letter in June 2020. Although the Plan has not applied for its own determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - PARTIAL PLAN TERMINATIONS

Cherokee Millwright was sold in October 2017 resulting in a partial plan termination. Effective October 29, 2017, the Plan was amended to remove Cherokee Millwright as an adopting employer. This amendment affected approximately 100 participants, 82 of whom have taken distributions from the Plan totaling approximately \$2,580,000 since 2017. Approximately \$970,000 remains payable to affected participants at June 30, 2023. Participants took distributions of approximately \$29,000 during the year ended June 30, 2023. All participants affected by the partial plan termination became fully vested in their accounts prior to distributions being taken.

Massey Electric, Inc. was sold in February 2023 resulting in a partial plan termination. Effective February 28, 2023, the Plan was amended to remove Massey Electric as an adopting employer. This amendment affected approximately 70 participants. Approximately \$1,500,000 remains payable to affected participants at June 30, 2023. Participants took distributions of approximately \$530,000 during the year ended June 30, 2023. All participants affected by the partial plan termination became fully vested in their accounts prior to distributions being taken.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investments which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
