Independent Auditors' Report

To the Plan Administrator of the
Stanford Sierra Youth & Families 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Stanford Sierra Youth & Families 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of June 30, 2023, and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Stanford Sierra Youth & Families 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023, and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Stanford Sierra Youth & Families 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Stanford Sierra Youth & Families 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in

accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Stanford Sierra Youth & Families 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Stanford Sierra Youth & Families 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of June 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(B) PLAN**

Notes to Financial Statements

June 30, 2023 and 2022

Note 1 – Description of Plan

The following description of the Stanford Youth Solutions 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan, a defined contribution savings plan intended to qualify under Section 401(a) and related provisions of the Internal Revenue Code, was established effective November 28, 1985. Effective February 1, 2017, the plan was amended to include automatic enrollment by employees.

In July 2019, the Organization has acquired all assets and liabilities of Sierra Forever Families (SFF), a nonprofit organization, and acquired a defined 401(k) contribution plan that covered all eligible SFF employees. The SFF 401(k) plan was terminated effective June 30, 2020.

Effective July 1, 2020, the 403(b) Plan was renamed as “Stanford Sierra Youth & Families 403(b) Plan” and was restated to include all former employees of SFF that were paid out from the defined 401(k) contribution plan and were automatically enrolled in the 403(b) Plan.

The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination or financial hardship. The Plan covers all employees of Stanford Youth Solutions (Stanford) who meet certain eligibility requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), and subsequent laws.

Contributions – Participants may contribute any percentage of their annual compensation, as defined in the Plan, up to the maximum limit permitted by the Internal Revenue Code. In addition, participants qualifying for age-based provisions may contribute additional catch-up deferrals. Participants may also contribute amounts representing distributions from other eligible retirement plans. The Plan currently offers various mutual funds as investment options for participants. The Plan includes an auto-enrollment provision whereby upon hire all employees are automatically enrolled in the plan, with a default deferral rate set at 4% of eligible compensation, but employees may opt out of salary deferrals. Contributions are automatically invested in a designated balanced fund until changed by the participant. Plan earnings are allocated to all participant-directed accounts, with each participant having a separate and distinct basis for earnings allocations, and may be valued at any time during the year.

**STANFORD SIERRA YOUTH & FAMILIES
403(B) PLAN**

Notes to Financial Statements

June 30, 2023 and 2022

Note 1 – Description of Plan (continued)

Employer contributions are discretionary and are determined based on the availability of funds. To be eligible for discretionary contributions, employees must have completed three months of service with Stanford, be employed on the last day of the plan year and have completed 1,000 hours of service during the plan year. In the years ended June 30, 2023 and 2022, the plan sponsor made a matching contribution equal to 100% of participants' deferrals up to 4% of salary.

Participants' accounts – Each participant's account is credited with the participant's contributions, Stanford's discretionary contributions, if any, and the Plan's earnings. Investment allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer contribution portion of their accounts is based on years of continuous services. A participant is 100% vested after six years of credited service.

Forfeited accounts – At June 30, 2023 and 2022, forfeited non-vested accounts included in net plan assets totaled \$46,421 and \$33,710, respectively. Amounts of participants' forfeited non-vested accounts are applied to reduce employer discretionary contributions. For the year ended June 30, 2023 and 2022, employer contributions were reduced by \$19,935 and \$8,825 from forfeited non-vested accounts, respectively. For the year ended June 30, 2023 and 2022, forfeitures incurred were \$21,208 and \$26,790, respectively.

Investments – Investments are directed by the individual participants. Investment elections may be changed at any time.

Payment of benefits – Upon attaining the age of 59 ½, disability or on termination of service, a participant is entitled to receive a complete distribution of their account in a single sum. Hardship withdrawals are also available.

403(B) PLAN**

Notes to Financial Statements

June 30, 2023 and 2022

Note 2 – Summary of Significant Accounting Policies

Notes receivable from participants – Participants may borrow up to 50% of their account balances, with a minimum of \$1,000 and a maximum of \$50,000. The notes are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are repaid ratably through payroll deductions.

Other – \$253,347 and \$91,988 of Plan assets are allocated to participants who, as of June 30, 2023, and 2022, respectively, are no longer employed by the Plan sponsor.

Basis of accounting – The financial statements of the Plan are prepared under the accrual method of accounting.

Notes receivable from participants – Loans to participants are reported at their unpaid balances plus any accrued but unpaid interest. A loan that is in default is treated as a taxable distribution from the Plan for the entire outstanding balance of the loans (a "deemed distribution"). For the year ended June 30, 2023, deemed distributions were \$21,941, and were included in distributions on the statement of changes in net assets available for benefits. For the year ended June 30, 2022, deemed distributions were \$3,047.

Investment valuation and income recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair value measurements – Generally accepted accounting principles provide a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets, and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs consist of estimates using the best information available when there is little or no market, and have the lowest priority.

**STANFORD SIERRA YOUTH & FAMILIES
403(B) PLAN**

Notes to Financial Statements

June 30, 2023 and 2022

Note 2 – Summary of Significant Accounting Policies (continued)

Fair value measurements (continued) – The Plan is required to measure investments at fair value, and uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Investment contracts held by a defined-contribution plan are required to be reported at fair value.

Administrative expenses – Plan expenses may be paid by the employer, but if not paid by the employer shall be paid by the plan and allocated to all participants' accounts. Investment related expenses are included in net appreciation of fair value of investments.

Payments of benefits – Benefits are recorded when paid to participants.

Use of estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Reclassifications – certain beginning balance accounts were reclassified to conform to current year presentation.

Subsequent events – Subsequent events were evaluated through April 11, 2024, the date the financial statements were available to be issued.

Note 3 – Information Prepared and Certified by the Custodian

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at June 30, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended June 30, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company, a custodian of the plan.

Note 4 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits, using the following measurements:

Level 1 Fair Value Measurements – the fair value of mutual funds is based on quoted net assets values of the shares as reported by the fund. The mutual funds held by the Plan are open end mutual funds registered with the U. S. Securities and Exchange

Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Level 2 Fair Value Measurements – the fair value of the fixed annuity fund is calculated using daily reported values, based on the valuation method disclosed in the annuity contract, as calculated by the provider.

The following table sets forth by level, within the fair market value hierarchy, the Plan's assets at fair value as of June 30, 2023:

	Total	Level 1	Level 2
Cash	\$ 75,049	\$ 75,049	\$ -
Mutual Funds	5,680,455	5,680,455	-
	<u>\$ 5,755,504</u>	<u>\$ 5,755,504</u>	<u>\$ -</u>

The following table sets forth by level, within the fair market value hierarchy, the Plan's assets at fair value as of June 30, 2022:

	Total	Level 1	Level 2
Cash	\$ 33,952	\$ 33,952	\$ -
Mutual Funds	4,301,024	4,301,024	-
	<u>\$ 4,334,976</u>	<u>\$ 4,334,976</u>	<u>\$ -</u>

Note 5 – Income Tax Status

The Plan (Adoption Agreement and Basic Plan Document) has not been approved by the Internal Revenue Service. 403(b) plans currently are not required to submit plans to the Internal Revenue Service for determination. However, the Plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code Section 403(b). The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

Generally accepted accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 – Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7 – Plan Amendment and Termination

The Company may amend, terminate or merge the Plan at any time. However, no such action may permit any part of Plan assets to be used for any purpose other than the exclusive benefit of participants and beneficiaries or cause any reduction in the amount credited to the participant account.

The Company has not expressed any intent to terminate the Plan.

Notes to Financial Statements

Note 8 – Related Party Transactions

Certain plan investments are managed by the Plan's third party administrators and custodian. Transactions with these parties therefore qualify as party-in-interest transactions. Fees paid by the plan for the investment management services were \$34,450 and \$10,470 for the years ended June 30, 2023 and 2022, respectively.

Note 9 – Reconciliation to Form 5500

On the Form 5500, the plan administrator reports delinquent participant loans as deemed distributions at the time the disbursement occurs. In the financial statements, however, the Plan reports delinquent loans for terminated participants as a deemed distribution at the time the distributable event occurs, in accordance with accounting principles generally accepted in the United States of America. The following is a reconciliation of net assets available for benefits per financial statements at June 30, 2023, to Schedule H of Form 5500:

Note receivable from participants	\$ 18,581
Loans in default - terminated participant	15,182

Net assets available for benefits per financial statements	\$ 6,143,468
