Independent Auditor's Report

To the Plan Administrator of
403(b) Thrift Plan of Cooperative for Human Services, Inc.:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(b) Thrift Plan of Cooperative for Human Services, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan of Cooperative for Human Services, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of Cooperative for Human Services, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Cooperative for Human Services, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Cooperative for Human Services, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Cooperative for Human Services, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Form 5500, Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions for the year ended June 30, 2023, and Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of June 30, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(B) THRIFT PLAN OF COOPERATIVE FOR HUMAN SERVICES, INC.

Notes to Financial Statements
June 30, 2023 and 2022

1. DESCRIPTION OF PLAN

The following description of the 403(b) Thrift Plan of Cooperative for Human Services, Inc. (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering eligible employees of Cooperative for Human Services, Inc. (the Company) (the Plan Sponsor) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Sponsor's Board of Directors are responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

b. Eligibility

All employees of the Company are eligible to participate in the Plan, except non-resident aliens with no U.S. income, independent contractors, leased employees, and those employees who are regularly scheduled to work fewer than 20 hours of service per week. Employees are eligible to enroll in the Plan on the date they begin working for the Company. Effective July 1, 2022, all employees are eligible to participate in the Plan, except non-resident aliens with no U.S. income. The other employee classifications are no longer excluded. There are no minimum age or service requirements.

Employees are eligible for the discretionary matching contribution after one year of service and reaching the age of 21 years or older.

c. Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, subject to certain Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make after-tax (Roth) contributions, or contribute amounts representing distributions from other qualified defined contribution plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled into the Plan, unless they affirmatively elect not to participate in the Plan. The Plan automatically enrolls participants at a pre-tax deferral rate of 1% of eligible compensation.

The Plan allows the Company to set a discretionary matching contribution rate. During Plan year 2023, the Company matched participant contributions at 50% up to 4% of gross compensation. Discretionary matching contributions totaled \$156,400 for the year ended June 30, 2023.

d. Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's discretionary matching contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements
June 30, 2023 and 2022

1. DESCRIPTION OF PLAN (Continued)

e. Vesting

Participants are fully vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contributions plus actual earnings thereon is based on years of continuous service. A participant is fully vested in the Company's discretionary matching contributions after three years of credited service based upon a three-year cliff schedule. Participants become fully vested upon death or disability.

f. Payment of Benefits

The Plan provides for a normal retirement benefit to be paid to participants who have reached the age of 65, or early retirement of 55. Upon termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested account balance, periodic installments over a period not to exceed the life expectancy of the participant or beneficiary, or an annuity option that is available under the applicable funding vehicle. The Plan requires balances up to \$1,000 be paid out to participants upon termination, and requires balances from \$1,000 to \$5,000 be rolled over to an Individual Retirement Account (IRA).

The Plan allows in-service withdrawals upon attainment of age 59½. A participant may request a withdrawal upon demonstration to the Plan Administrator that they are suffering a "hardship" which is defined in applicable regulations promulgated or to be promulgated pursuant to the applicable section of the Internal Revenue Code (IRC) or standards established by the Secretary of the Treasury or their delegate.

g. Participant Loans

The Plan allows for participants to borrow directly from Mutual of America Life Insurance Company (Mutual of America) up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The minimum loan allowed is \$1,000. Loans are collateralized by the participant's account balance and repayments of principal and interest are paid back to Mutual of America. There were \$8,353 and \$16,232 of participant loans outstanding to Mutual of America as of June 30, 2023 and 2022, respectively, which are included in the guaranteed investment contract in the accompanying statements of net assets available for benefits acting as collateral against these loans.

h. Forfeited Accounts

Forfeitures represent non-vested Company discretionary matching contributions forfeited by participants who terminate their employment or who withdraw from the Plan. Forfeitures are reallocated to active participants based on the ratio that the participant's compensation bears to the total compensation of all participants. There were no forfeitures reallocated during the year ended June 30, 2023. There were \$32,019 and \$18,909 of unallocated forfeitures as of June 30, 2023 and 2022, respectively.

i. SECURE Act 2.0

On December 29, 2022, the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0 was executed. SECURE Act 2.0 contains over ninety new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2023 financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Plan prepares its financial statements in accordance with generally accepted accounting principles (U.S. GAAP) established by the Financial Accounting Standards Board (FASB). References to U.S. GAAP in these notes are to the FASB Accounting Standards Codification (ASC).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The separate accounts are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Units held by the Plan in these separate accounts are based on each fund's daily Net Asset Value (NAV) as a practical expedient which is considered by the Plan Administrator to be the best approximation of fair value. The guaranteed investment contract is valued at contract value as it is fully-benefit-responsive. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and Mutual of America, the qualified institution of the Plan. See Note 4 for discussion of fair value measurement.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully-benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully-benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of Plan loans and benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of investments.

Subsequent Events

Subsequent events have been evaluated through April 12, 2024, which is the date the financial statements were available to be issued. There were no events that met the criteria for recognition or disclosure in the financial statements.

Notes to Financial Statements

3. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S QUALIFIED INSTITUTION

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America, a qualified institution, has certified to the completeness and accuracy of all investments in the accompanying statements of net assets available for benefits as of June 30, 2023 and 2022, and the supplemental schedule, Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of June 30, 2023, and the related investment transactions and investment income reported in the accompanying statement of changes in net assets available for benefits for the year ended June 30, 2023.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to certified investment information, except for comparing such certified investment information included in the accompanying financial statements and supplemental schedule, Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of June 30, 2023.

4. FAIR VALUE MEASUREMENT

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. *Fair Value Measurement* establishes a hierarchy of the valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (also referred to as observable inputs). The fair value hierarchy is as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

403(B) THRIFT PLAN OF COOPERATIVE FOR HUMAN SERVICES, INC.

Notes to Financial Statements
June 30, 2023 and 2022

4. FAIR VALUE MEASUREMENT (Continued)

Following is a description of the valuation methodology used for assets measured at fair value:

Separate accounts: The separate accounts equal the number of participation units owned in the subaccount multiplied by the unit value of the participation unit. The unit values of participation units in the subaccounts are determined by Mutual of America based on the value of the underlying mutual fund held in the subaccount, minus the fund's liabilities, which are the contract charges imposed by Mutual of America, divided by the number of participation units outstanding. This value is also commonly referred to as the NAV of the participation units, which is considered by Plan management to be a practical expedient to determine fair market value. The NAV is used as a practical expedient to estimate the fair value, unless it is probable that all or a portion of the separate account will be sold for an amount different from NAV. As of June 30, 2023 and 2022, the Plan had no plans to sell the separate accounts at amounts different from NAV. The daily charges imposed on these subaccounts for any valuation period are equal to the daily mortality and expense risk charge and the daily administrative charge multiplied by the number of calendar days in the valuation period. The value of each accumulation unit is published each business day. There are no unfunded commitments from participants in the Plan who invest in these accounts.

There has been no change in the methodology used at June 30, 2023 and 2022.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient to determine fair market value, have not been classified in the fair value hierarchy.

The following table presents the category, fair value, redemption frequency, and redemption notice period for the Plan's investments and respective fair values of which are estimated using the NAV per share as a practical expedient as of June 30:

	Fair Value		Redemption Frequency (if currently eligible)	Redemption Notice Period
	2023	2022		
Separate accounts:				
Target Date/Asset Allocation (a)	\$ 3,227,181	\$ 2,364,343	Daily	Daily
Small/Mid U.S. Equity (b)	298,135	238,455	Daily	Daily
Large U.S. Equity (c)	127,660	99,600	Daily	Daily
International Equity (d)	5,501	3,795	Daily	Daily
Fixed Income Fund (e)	152	76	Daily	Daily
Total separate accounts, at fair value	\$ 3,658,629	\$ 2,706,269		

- (a) These funds' objectives are to seek the highest total return over time with an increased emphasis on capital preservation as the target date approaches. Thereafter, an emphasis will be placed on high current income with a secondary focus on capital appreciation.

Notes to Financial Statements
June 30, 2023 and 2022

4. FAIR VALUE MEASUREMENT (Continued)

- (b) These funds invest mostly in common stocks of small capitalization companies, foreign securities, and derivative instruments. The mid-cap funds invest primarily in common stocks of established U.S. companies that have above-average potential for capital growth. These funds also may invest in other securities, including convertibles, warrants, preferred stocks, corporate and government debt, bank loans, and options.
- (c) These funds seek to provide investment results that correspond to the performance of the Standard & Poor's Composite Index of 500 stocks. The funds invest primarily in common stocks that are included in the S&P 500 Index in the order of their weightings in the Index, and may also purchase futures contracts on the Index.
- (d) The fund invests predominantly in the stocks of companies located outside the United States and is expected to diversify its assets in countries across developed and emerging markets. In selecting stocks, the fund's advisors evaluate foreign markets around the world and choose large-, mid-, and small-capitalization companies considered to have above-average growth potential. The fund uses multiple investment advisors.
- (e) The fund invests in various types of debt securities to achieve a long-term rate of return while preserving capital.

5. GUARANTEED INVESTMENT CONTRACT

The Plan has a guaranteed investment contract with Mutual of America. Contributions are held in the Mutual of America general account and are maintained in a group annuity account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is considered fully-benefit-responsive and is presented at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. However, there are certain events that limit the Plan's ability to transact at contract value with the insurance company. Such events include the following: (1) premature termination of the contract by the Plan, (2) plant closings, (3) layoffs, (4) Plan termination, (5) bankruptcy, and (6) early retirement incentives. The insurance company may not terminate the contract at any amount less than contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the insurance company. Such interest rates are reviewed on a quarterly basis for resetting. The crediting interest rate was 1% for 2023, and is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a monthly basis for resetting.

6. INCOME TAX STATUS

The Plan Sponsor has obtained an opinion letter dated March 31, 2017, in which the IRS stated that the restated prototype plan document was in compliance with applicable requirements of the IRC. The Plan Administrator timely adopted the restated prototype plan. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is currently being operated in accordance with the IRC.

403(B) THRIFT PLAN OF COOPERATIVE FOR HUMAN SERVICES, INC.

Notes to Financial Statements
June 30, 2023 and 2022

6. INCOME TAX STATUS (Continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested and all accrued benefits shall be paid to participants in accordance with Plan provisions.

8. PARTY-IN-INTEREST TRANSACTIONS

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, transactions with investment funds managed and held by the Plan's qualified institution and fees paid to the qualified institution are considered party-in-interest transactions. During fiscal year 2023, the Plan paid the qualified institution administrative fees of \$803.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that these changes could materially affect the amounts reported in the statements of net assets available for benefits.

10. DELINQUENT PARTICIPANT CONTRIBUTIONS

During Plan year 2023 and 2022, the Plan Sponsor failed to segregate and remit in a timely manner certain participant contributions (salary reduction amounts) and loan repayments from its assets within the required time period as specified by the United States DOL Reg. 2520.3012. Failure to segregate and remit contributions within the specified time period is a prohibited transaction. The Plan Sponsor intends to take corrective action during 2024.
