INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Hawaii Tapers Annuity Plan

Opinion

We have audited the accompanying financial statements of Hawaii Tapers Annuity Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Hawaii Tapers Annuity Plan as of June 30, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hawaii Tapers Annuity Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hawaii Tapers Annuity Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hawaii Tapers Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hawaii Tapers Annuity Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4i, Schedule of Assets (Held at End of Year) as of June 30, 2023, and Schedule H, Line 4j, Schedule of Reportable Transactions for the year ended June 30, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HAWAII TAPERS ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Hawaii Tapers Annuity Plan (Plan) provides only general information. Participants should refer to the Plan document for more complete information.

General

The Hawaii Tapers Annuity Plan is a defined contribution plan established on July 1, 1981, covering employees of employers subject to the collective bargaining agreements between the International Union of Painters and Allied Trades, Drywall Tapers, Finishers and Allied Workers Local Union 1944, AFL-CIO and the Hawaii Wall and Ceiling Industry Association of Hawaii. The Plan provides for retirement, death, and disability benefits. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is administered by a Board of Trustees which is comprised of an equal number of Union Trustees and Employer Trustees. The Board of Trustees has overall responsibility for the operation and administration of the Plan. The Plan's investment consultant assists the Board of Trustees in determining the appropriateness of the Plan's investments and monitors investment performance.

Individual Account

Each individual account is credited with a participant's contribution and an allocation of (a) contributions, (b) plan investment income, and (c) plan administrative expenses. Allocations are made as of June 30 and in accordance with the rules and regulations of the Plan.

Participant

Under the Plan, employees for whom employer contributions have been made for more than 300 hours during the past 12-month period beginning on June 30, are eligible to participate in the Plan. After becoming eligible to participate in the Plan, an employee remains eligible as long as he is credited with 301 hours for the Plan year.

Retirement Benefits

In general, benefits are payable under either one of the following methods or a combination thereof:

- a. One lump-sum settlement; or
- b. Payments in equal monthly or quarterly installments over a period not exceeding ten (10) years, after first having segregated the aggregated amount thereof in a special account; or
- c. The purchase of a life annuity contract containing certain annuity options for married participants.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Death and Disability Benefits

Upon the death of a participant before retirement, his individual account is paid to his designated beneficiary or beneficiaries. In the event of total disability, the participant is entitled to the amount in his individual account.

Termination of Participation Benefits

Effective January 1, 1997, the eligibility for termination of participation provision was lowered from 24 consecutive months to 12 consecutive months.

Forfeiture

Effective July 1, 2005, individual accounts will not be forfeited or deposited in the Fund and used for administrative expenses. Individual accounts shall remain active and be assessed a share of net earnings and administrative expenses as otherwise required by the Plan.

Plan Termination

In the event the Plan terminates, all obligations shall first be satisfied. The Board of Trustees shall thereupon use the remaining trust assets to provide Plan benefits in a manner permitted by ERISA for so long as trust assets permit.

Funding Policy

All benefits to the Plan are financed entirely by the employers as described in the collective bargaining agreement, and earnings thereon. The contribution rate increased from \$11.75 per hour effective January 3, 2021, to \$12.25 per hour effective January 1, 2023. No contribution is required of any employee. The minimum funding requirements of ERISA have been satisfied for the plan years ended June 30, 2023 and 2022.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

HAWAII TAPERS ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by its investment consultant, managers, and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Employers' Contributions Receivable

Employers' contributions receivable represents amounts owed by employers for hours worked by covered employees as of June 30, 2023 and 2022. No provision has been made for doubtful accounts.

Payment of Benefits

Benefits are recorded when paid.

Allocation of Administrative Expenses

Certain expenses incurred for the benefit of the Plan and the Hawaii Tapers Health & Welfare, Market Recovery, Retiree Health Reimbursement, Vacation, Drywall Trade Promotion and District Council 50 Joint Apprenticeship & Training Plans are allocated to the respective plans based upon the amount of net assets determined as of the Plan's last annual audited financial statements or a more frequent basis as determined by the Board of Trustees.

Subsequent Events

Subsequent events have been evaluated through April 5, 2024, which is the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

HAWAII TAPERS ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at June 30, 2023 and 2022.

Interest bearing cash: Valued at cost which equals fair value.

Money market funds: Valued at the daily closing price as reported by the fund. The money market fund is an open-ended fund that is registered with the Securities and Exchange Commission. This fund is required to publish its daily net asset value (NAV) and to transact at that price. The money market funds are deemed to be actively traded.

Registered investment companies: Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

BNY Mellon U.S. REIT Fund – Class 2 and BNY Mellon AFL-CIO SL Stock Index Fund (Common collective trusts): Valued at net asset value (NAV) per unit. The Bank of New York Mellon (BNY Mellon) shall determine the total market value of the assets in the fund through recognized automated pricing services or counterparties, which are subject to review and approval by BNY Mellon. Any fees, expenses, charges and other liabilities incurred or accrued are subtracted from the total market value of assets. The resulting value shall be the NAV of the fund. The value of a unit shall be calculated by dividing the NAV on a valuation date by the total number of units outstanding on that date. This is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

HAWAII TAPERS ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

BlackSand Capital Opportunity Fund I, L.P. and BlackSand Capital Opportunity Fund II, L.P.: The estimate of the fair value of the Plan's limited partnership interests in the Funds set forth below is based on the General Partner's estimate of the amount that the limited partners would receive (i) if the real estate held by the entities in which the Fund has invested were sold for fair value in an orderly liquidation, and the liquidation proceeds were distributed to the owners of such entities, and (ii) the Fund were to liquidate and distribute the liquidation proceeds to its partners. Such estimate does not include any discounts for lack of control or lack of marketability of the Fund's interests or the time and costs required to complete the liquidation process. The estimated fair value of the underlying real estate was determined based on discounted cash flow analysis, market comparisons, third party appraisals and/or other relevant factors. Development projects were valued based on cost and any recognized gains.

NOTE 4 – BLACKSAND CAPITAL OPPORTUNITY FUND I, L.P.

In December 2011, the Plan obtained a limited partnership interest in BlackSand Capital Opportunity Fund I, L.P. ("Fund I"). Fund I was formed for the purpose of investing in operating real estate and real estate related assets within the geographical limits of the State of Hawaii. The term of Fund I, unless earlier dissolved, wound up and terminated, shall continue in effect through the close of business on the tenth anniversary of the final closing, which period may be extended for up to two consecutive additional one-year periods from such anniversary as determined by the general partner. Limited partners generally may not sell, transfer, or pledge their Interests except as permitted by the Partnership Agreement and with the consent of the General Partner. The Plan made a commitment of \$2,500,000. As of June 30, 2023 and 2022 the Plan's unfunded commitment was \$144,187.82.

NOTES TO FINANCIAL STATEMENTS

NOTE 5 – BLACKSAND CAPITAL OPPORTUNITY FUND II, L.P.

In February 2018, the Plan obtained a limited partnership interest in BlackSand Capital Opportunity Fund II (BSCOF II). BSCOF II was formed for the purpose of investing in operating real estate and real estate-related assets primarily in the State of Hawaii. The term of the Fund, unless earlier dissolved, shall continue in effect through the close of business on the tenth anniversary of the final closing, which period may be extended for up to two consecutive additional one-year periods from such anniversary as determined by the general partner. Limited partners generally may not sell, transfer or pledge their interests except as permitted by the Partnership Agreement and with the consent of the General Partner. The Plan made a commitment of \$7,500,000. As of June 30, 2023 and 2022 the Plan's unfunded commitment was \$3,277,540.81 and \$4,868,822.95, respectively.

NOTE 6 – BNY MELLON U.S. REIT FUND – CLASS 2

In September 2020, the Plan entered into a Participation Agreement with Bank of New York Mellon (BNY Mellon) to participate in the BNY Mellon U.S. REIT Fund – Class 2 (Fund). The Fund's investment objective is to maximize total return by following principal investment strategies. The Fund's principal investment strategies are investing substantially all of its assets in publicly traded equities securities of companies in the real estate industry, including but not limited to real estate investment trusts, real estate operating companies and similar entities.

NOTE 7 – BNY MELLON AFL-CIO SL STOCK INDEX

In November 2020, the Plan entered into a Participation Agreement with Bank of New York Mellon (BNY Mellon) to participate in the BNY Mellon AFL-CIO SL Stock Index (Index). The Index's investment objective is to track the performance of the Standard & Poor's 500 Index. In meeting this objective, the Index will seek to match the performance of the index by investing in a portfolio of large capitalization equity securities. The Fund is constructed to mirror the index to provide long-term capital growth. The assets of the Fund may be invested in securities, including exchange traded funds and mutual funds, and a combination of other collective funds that together are designed to track the performance of the Index.

HAWAII TAPERS ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 8 – INCOME TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service dated August 17, 2015, stating that the Plan is qualified under the Internal Revenue Code (IRC) and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving this determination letter. However, the Plan administrator believes that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. For the Plan year ended June 30, 2023 and 2022, the Plan did not pay any unrelated business income taxes. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Board of Trustees have not identified any uncertain tax positions as of June 30, 2023 and 2022.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Various trustees of the Hawaii Tapers Annuity Plan also serve as trustees of the Hawaii Tapers Market Recovery, Vacation, Health and Welfare, Retiree Health Reimbursement, Drywall Trade Promotion and District Council 50 Joint Apprenticeship and Training Plans.

The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party in interest transactions under ERISA.

HAWAII TAPERS ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 11 – CONCENTRATION OF CREDIT RISK

Financial instruments that potentially expose the Annuity Plan to concentrations of credit risk consist primarily of cash and cash equivalents. The Annuity Plan maintains its cash and cash equivalents in deposit accounts and money market funds which may not be federally insured, may exceed federally insured limits, or may be insured by an entity other than an agency of the federal government. The Annuity Plan has not experienced any losses in such accounts.

NOTE 12 – PLAN AMENDMENTS

On August 3, 2022, the Board of Trustees executed Amendment No. 3 to the 2014 Restatement of the Hawaii Tapers Annuity Plan. Amendment No. 3 amended various sections related to a Participant's Mandatory Commencement date, effective January 1, 2020, in accordance with the Setting Every Community Up for Retirement Enhancement Act of 2019. Amendment No. 3 also amended various sections related to death benefits, effective January 1, 2022.

Participants should refer to the Plan document for a more complete description of the Plan's provisions.
