## **REPORT OF INDEPENDENT AUDITOR**

TO THE PLAN ADMINISTRATOR

THE LEAGUE FOR THE HANDICAPPED, INC.

SAFE HARBOR 401(K) PROFIT SHARING PLAN

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

I have performed audits of the financial statements of The League for the Handicapped, Inc. Safe Harbor 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of and for the years ended June 30, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In my opinion, based on my audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

I conducted my audits in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am required to be independent of the Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

**Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held as of June 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(the Plan Sponsor). The Plan was established July 1, 1981 as a money purchase plan and was converted to a profit sharing plan effective April 1, 2010. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The following description of the Plan only provides general information. Participants should refer to the Plan agreement or the Summary Plan Description for a more complete description of the Plan's provisions.

### **PARTICIPATION**

Employees of the Plan Sponsor who have completed one year of service, as defined, are eligible to participate in the Plan. The plan entry dates are January 1, April 1, July 1, and October 1 of each year.

### **CONTRIBUTIONS**

Participants may elect to defer a specified percentage of pre-tax compensation, as defined, not to exceed Internal Revenue Code limitations.

The Plan Sponsor makes safe harbor non-elective contributions in an amount equal to 5% of eligible participant compensation, as defined.

In addition, the Plan Sponsor may make discretionary non-elective contributions. These contributions are allocated on a pro-rata basis among eligible participants. For the years ended June 30, 2023 and 2022, the Plan Sponsor made discretionary contributions in an amount equal to 5% of eligible participant compensation.

**FORFEITURES**

Participants who leave the Plan Sponsor with less than five years of service forfeit the non-vested portion of the Plan Sponsor's discretionary contributions. Forfeitures are available to pay plan expenses or offset future Plan Sponsor contributions. Approximately \$2,500 and \$17,200 of forfeitures were utilized to offset Plan Sponsor contributions for the years ended June 30, 2023 and 2022, respectively. At June 30, 2023, the Plan had approximately \$900 of forfeited balances available.

**NOTES RECEIVABLE FROM PARTICIPANTS**

Participants may obtain loans up to the lesser of \$50,000 (reduced by the highest outstanding loan balance in the previous year less any current outstanding loan balance), or 50% of the participants' eligible, non-forfeitable accrued benefit. In addition, participants may only have two loans outstanding, generally at a maximum five-year term (thirty years for principal residence loans). Loans are subject to a minimum of \$1,000, and bear interest at a rate based upon prevailing market rates.

**PLAN TERMINATION**

The Plan Sponsor intends to continue the Plan indefinitely, but reserves the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of termination, participants will become fully vested in their accrued benefits.

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**2. SIGNIFICANT ACCOUNTING POLICIES**

**BASIS OF ACCOUNTING**

The accounting records are maintained on the accrual basis.

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

**VALUATION OF INVESTMENTS**

The Plan's investments are recorded at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 3 for further discussion of fair value measurements.

**NOTES RECEIVABLE FROM PARTICIPANTS**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of June 30, 2023 and 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

**USE OF ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts and disclosures reported in the financial statements. Actual results may differ from management's estimates and assumptions.

**SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events through the audit report date, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

**3. FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) Accounting Standards Codification 820 *Fair Value Measurements* (ASC 820) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The financial instruments' fair value measurement level is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 - Other significant observable inputs (including quoted prices in active markets for similar financial instruments), or other inputs that are observable or can be corroborated by observable market data.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

Following is a description of the valuation methodologies used for assets measured at fair value.

- Pooled separate accounts – The Plan's units of participation are valued using net asset value as a practical expedient, as reported by the investment manager. These net asset values generally represent amounts at which units are redeemed on a regular basis.
- Registered investment companies – Fair value is based on quoted net asset values of the shares held by the Plan.
- Unallocated life insurance contracts – Valued at the cash surrender value as determined in accordance with the terms of the respective contracts.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**4. INVESTMENTS**

Except for the investment information related to life insurance contracts, the investment information disclosed in the accompanying financial statements and schedule, including investments held at June 30, 2023 and 2022, and net investment gain (loss) from pooled separate accounts & registered investment companies and interest income for the years then ended, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate (certified investment information). Certifications were provided by Great-West Life Insurance & Annuity Company as attorney-in-fact for Massachusetts Mutual Life Insurance Company (Mass Mutual) for the period July 1, 2021 to June 30, 2022, Reliance Trust Company for the period July 1, 2022 through October 28, 2022, and Empower Trust Company & Mass Mutual for the period October 29, 2022 through June 30, 2023 (qualified institutions).

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**5. CONTRACTS WITH INSURANCE COMPANIES**

Guaranteed Investment Contract

The Plan entered into a fully benefit-responsive guaranteed investment contract with Mass Mutual. The guaranteed rates of return on the account are updated semi-annually (annually through December 2021), subject to a 3.00% minimum. The crediting rate on contributions was 3.00% for the years ended June 30, 2023 and 2022.

As the guaranteed investment contract is fully benefit responsive, it is recorded at contract value as determined by Mass Mutual. Contract value represents contributions made under the contract, plus interest at the contract rate, less funds used to pay Plan benefits and the administrative expenses.

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with Mass Mutual. The Plan administrator believes the occurrence of such events that would also limit the Plan's ability to transact at contract value with Plan participants is not probable.

**5. CONTRACTS WITH INSURANCE COMPANIES (CONTINUED)**

Pooled Separate Accounts

While the contract allows Mass Mutual to defer payment of withdrawals from certain pooled separate account investment options, no such restrictions were implemented at June 30, 2023. At June 30, 2023, there were no unfunded commitments related to these investments and units could be redeemed on a daily basis.

Unallocated Life Insurance Contracts

Subject to Internal Revenue Code limits, participants may elect to purchase life insurance coverage from their aggregate contributions. These life insurance contracts are unallocated, and the cash surrender value of such contracts is included in Plan assets. Though the Plan is the named owner and beneficiary of the insurance policies, any proceeds from death benefits or surrender of the contract shall be for the benefit of the insured participant (or insured participant's designated beneficiary).

**6. PARTY-IN-INTEREST TRANSACTIONS**

Certain of the Plan's investments were held in pooled separate accounts, guaranteed investment contracts and life insurance contracts managed by Mass Mutual, a custodian of the Plan. Therefore, these transactions and account balances qualify as party-in-interest.

The Plan incurs various management fees for its investments in pooled separate accounts and registered investment companies. Such management fees are included in the net investment return. Certain third-party administration services are paid indirectly from the sharing of these investment management fees. The custodian also provides revenue credits which are deposited into a separate expense holding account and are utilized to pay third-party investment advisory services.

Through December 2021, plan-level administration expenses attributable to Mass Mutual were reimbursed indirectly from sharing of investment management fees. Starting December 2021, an asset-based fee is deducted from participant accounts to cover these recordkeeping costs.

Other direct expenses paid from Plan assets include loan initiation & maintenance fees, withdrawal fees and third-party administrator fees. Any services not paid by the Plan were provided at the expense of the Plan Sponsor.

**7. TAX STATUS**

The Plan has received an opinion letter from the Internal Revenue Service dated June 7, 2021, stating that the written form of the underlying pre-approved plan document is qualified under Section 401(a) of the Internal Revenue Code (the "Code"), and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the Code. Therefore, the related trust is exempt from taxation.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan has identified certain administrative operational errors and is currently taking necessary corrective action in accordance with the IRS Employee Plans Compliance Resolution System. The Plan Sponsor believes these actions will maintain the tax-exempt status of the Plan and will not have a material effect on the financial statements. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan Sponsor has concluded that as of June 30, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or additional disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Sponsor believes it is no longer subject to tax examinations for reporting years prior to 2020.
