INDEPENDENT AUDITORS' REPORT

**To the Committee
WesTech Engineering, Inc. Employee Stock Ownership Plan
Salt Lake City, Utah**

Opinion

We have audited the accompanying financial statements of WesTech Engineering, Inc. Employee Stock Ownership Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets in liquidation as of June 30, 2022 and 2021, and the related statements of changes in net assets in liquidation for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets in liquidation of the Plan as of June 30, 2022 and 2021, and the changes in its net assets in liquidation for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As described in Note 2 of the financial statements, the governing body of WesTech Engineering, Inc. Employee Stock Ownership Plan approved a plan of liquidation, and management determined that liquidation is imminent. As a result, the Plan has changed its basis of accounting from the accrual basis used in the 2020 financial statements to the liquidation basis used in presenting the 2021 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule (Schedule 1) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WESTECH ENGINEERING, INC. EMPLOYEE STOCK OWNERSHIP PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2022 and 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the WesTech Engineering, Inc. (the Sponsor) Employee Stock Ownership Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A. General - The Plan is a defined contribution plan covering all full-time employees of the Sponsor who have attained the age of twenty-one, have completed one year of service and worked a minimum of 1,000 hours. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Due to plan liquidation, the Plan is frozen and no longer accepting new participants.
- B. Contributions - The Plan is a defined contribution plan under which a separate individual account is established for each participant. The Sponsor may make contributions to the Plan in an amount determined in its sole discretion. Generally, contributions are made in the form of cash or stock. If the Sponsor makes a contribution in the form of cash, the Trustee generally will use the cash to purchase the Sponsor's stock or other assets as determined by the Trustee. Contributions are subject to certain limitations. The Plan does not allow participant contributions. The Plan allows for a portion of the matching contributions that would be made to the Sponsor's 401(k) Plan to be made to the Plan. As a result, the Sponsor made matching contributions over 3%, but not exceeding 4%, of each participant's compensation which was deposited in each participant's 401(k) account into the Plan. Due to plan liquidation, the Plan is no longer making additional contributions.
- C. Participant Accounts - Each participant's account is credited with allocations of (a) the Sponsor's contributions and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D. Vesting - A participant vests in the Sponsor's contribution portion of the participant's account plus earnings thereon based on years of continuous service. Due to purchase of the Plan as stated in Note 8, all participant accounts vested immediately at 100%.
- E. Forfeited Accounts - Forfeited balances are allocated to participants in the same manner as employer contributions.
- F. Payment of Benefits - On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a five year period in the form of cash equal to the value of the participant's vested interest in his or her account. Payments are based on the participant's account balance as of the June 30 fiscal year end. For termination of service due to other reasons, a participant's stock portion account balance is converted over to cash investments, where it remains until the payment occurs.

WESTECH ENGINEERING, INC. EMPLOYEE STOCK OWNERSHIP PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2022 and 2021

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

- G. Put Option - The employer stock that is held by the Plan is not readily tradable on an established market. Under federal income tax regulations, the employer stock includes a put option. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the fair market value of the stock. The Company can pay for the purchase with interest over a period of five years. The purpose of the put option is to ensure that the participant has the ability to ultimately obtain cash.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Principles

The Plan's financial statements are presented on the liquidation basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation

Investments are reported at fair value. Fair value is defined as the amount that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The following hierarchy prioritizes the inputs to valuation methodologies used to measure fair value:

- Level 1 inputs, which have the highest priority, are quoted prices for identical assets in active markets.
- Level 2 inputs are observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets in active markets or quoted prices for identical or similar assets in markets that are not active.
- Level 3 inputs, which have the lowest priority, are unobservable inputs that reflect the Plan's own assumptions, consistent with reasonably available assumptions made by other market participants.

The fair value of the Sponsor company common stock held by the Plan is valued at fair value based upon an independent appraisal. This appraisal was based upon an income valuation technique consistent with prior years. The appraiser took into account historical and projected cash flows and net income, return on assets, return on equity, market comparables and estimated fair value of the company assets and liabilities.

WESTECH ENGINEERING, INC. EMPLOYEE STOCK OWNERSHIP PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2022 and 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Dividend Income

Dividend income is accrued on the ex-dividend date.

Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported on the average cost method. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment Management Expenses

Investment management expenses are paid by the Plan and are netted against investment income. In addition, recordkeeping fees of the Plan are paid by participants through a reduction in their investment balances. Significant administrative expenses of the Plan are paid by the Sponsor.

Benefit Payments

Benefit payments are recognized when paid.

Subsequent Events

Management of the Plan has evaluated subsequent events through April 5, 2023, which is also the date the financial statements were available to be issued. Except as noted in Note 8, no subsequent events were noted during this evaluation that require recognition or disclosure in these financial statements.

NOTE 3 - FAIR VALUE MEASUREMENTS

The fair value measurements for the Plan's investments are as follows:

		Fair Value Measurement			
<u>2022</u>	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Money market funds	<u>\$ 296,145</u>	<u>\$ 296,145</u>	<u>\$ -</u>	<u>\$ -</u>	
		Fair Value Measurement			
<u>2021</u>	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Money market funds	<u>\$26,997,541</u>	<u>\$26,997,541</u>	<u>\$ -</u>	<u>\$ -</u>	

Gains (realized and unrealized) included in changes in net assets in liquidation are reported in net increase in fair value of investments.

WESTECH ENGINEERING, INC. EMPLOYEE STOCK OWNERSHIP PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2022 and 2021

NOTE 4 - PLAN TERMINATION

The Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances. See Note 8 for information about purchase of the Sponsor and liquidation of the Plan in the subsequent period.

NOTE 5 - INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Sponsor by a letter dated October 15, 2015 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in accordance with the requirements to qualify for tax-exempt status.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets in liquidation.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

During the plan year, the Plan entered into a loan and pledge agreement with the Sponsor in order to segregate accounts for separated participants. The loan helped the Plan to reallocate balances of separated participants from shares of common stock of the Sponsor to other investments. The shares of common stock were reallocated within the Plan from separated participants to active participants. The Sponsor loaned the Plan \$1,291,183 in order to reallocate the shares. Repayment of the loan was made in one bulk payment on March 16, 2021, as per the loan agreement.

NOTE 8 - PURCHASE OF THE PLAN SPONSOR

On March 1, 2021, the Sponsor and JS&S (Water Holdings) Inc., a subsidiary of John Swire & Sons Limited (Swire), signed a Membership Interest Purchase Agreement for the sale of the Sponsor to Swire. As part of the transaction, all participant stock balances in the Plan will be converted to cash and liquidated. As of July, 7, 2022, all Plan assets had been distributed to participants.
