INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
PAC-12 Enterprises, LLC Access Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of PAC-12 Enterprises, LLC Access Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of PAC-12 Enterprises, LLC Access Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of PAC-12 Enterprises, LLC Access Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management, is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PAC-12 Enterprises, LLC Access Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PAC-12 Enterprises, LLC Access Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PAC-12 Enterprises, LLC Access Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PAC-12 Enterprises, LLC Access Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation, Transactions and Income Recognition

General

Investments are carried at fair value, which is determined, presented and disclosed in accordance with Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") 820, *Fair Value Measurements and Disclosures*. Under FASB ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date.

FASB ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of PAC-12 Enterprises, LLC Access Plan (the "Plan"). Unobservable inputs reflect the Plan's assumptions about inputs that market participants would use in pricing the investments developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels, based on the inputs, as follows:

Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Valuations based on quoted prices in markets that are not active, quoted prices for similar investments in active markets, or model-based valuations for which all significant assumptions are observable and can be corroborated by observable market data.

Level 3 - Valuations based on unobservable inputs that are supported by little or no market activity and are significant to the overall fair value measurement. Values are determined using proprietary pricing models, discounted cash flow models that include the investment entities' own judgments and estimations, or some other pricing method using unobservable inputs.

Inputs and Valuation Methods

In determining fair value, FASB ASC 820 allows various valuation approaches. The specific methods used for each of the Plan's investment classes are presented below.

Collective trust funds: The collective trust funds are invested in benefit-responsive contracts or other common/collective trust funds and are valued based on the net asset value as a practical expedient.

Mutual funds: The fair value of the mutual funds is based on quoted market prices in active markets (Level 1).

Pooled separate accounts: The pooled separate accounts may invest in equities, fixed income, mutual funds and other types of investments and are valued based on the net asset value as a practical expedient.

Valuation Methods, Consistency

The valuation techniques used in the accompanying financial statements have been consistently applied.

Notes to Financial Statements
December 31, 2022 and 2021

Transactions and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable

Participant and employer contributions due but not paid prior to year-end are recorded as contributions receivable. Allowance for uncollectible accounts is considered unnecessary and is not provided.

Administrative Expenses

PAC-12 Enterprises, LLC (the "Plan Sponsor" or "Company" or "Plan Administrator") provides administrative services at no cost to the Plan. Administrative expenses are paid by the Plan if, and to the extent that, the Plan Sponsor does not pay such expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payment of Benefits

Benefits are recorded when paid. Benefits payable to participants who have requested distribution from the Plan, which have not yet been paid, are not accrued. At December 31, 2022 and 2021, there were no unpaid benefits to participants.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Such investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty with respect to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits. Also refer to Note 9, Subsequent Events.

2. DESCRIPTION OF THE PLAN

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the Company. The Plan is subject to the provisions of Section 401(a) of the Internal Revenue Code of 1986 and the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

PAC-12 Enterprises, LLC Access Plan
Notes to Financial Statements
December 31, 2022 and 2021

Effective January 1, 2015, the Company created a new plan for eligible “Network/Enterprises” employees, the PAC-12 Enterprises, LLC Generation Plan (the “Generation Plan”). Also, effective January 1, 2015, the plan name of the PAC-12 Enterprises 401(k) Plan from the preceding year was changed to PAC-12 Enterprises, LLC Access Plan (the “Access Plan”). As of that date, eligible “freelancers,” as defined in the Generation and Access Plans, are included in the Generation and Access Plans (as applicable). In conjunction with this plan split, the Access Plan was amended and restated, effective January 1, 2015. The primary changes resulting from the restatement include the removal of options for participant loans, Roth deferral elections and safe harbor matching contributions. Additionally, participant account balances of “Network/Enterprises” employees were transferred to the Generation Plan, as applicable and as required under the plans’ terms. During 2022 and 2021, \$70,073 and \$374,287, respectively, was transferred to the Generation Plan.

Participant Contributions

Participants may elect to defer any whole percentage of their compensation in the form of pre-tax deferrals, not to exceed the dollar limits set by law. The limits were \$20,500 and \$19,500 for 2022 and 2021, respectively. If the participant was age 50 or older by the end of the Plan year, he or she could elect to defer additional amounts, called “catch-up contributions,” to the Plan, limited to \$6,500 for the years ended December 31, 2022 and 2021. Rollover contributions from other qualified plans are permitted by the Plan.

Employer Contributions

The Company may make a discretionary matching contribution equal to a uniform percentage of salary deferrals. Each year the Company will determine the amount of the discretionary percentage. For the years ended December 31, 2022 and 2021, the discretionary percentage was equal to 100% of deferrals that were not over 3% of eligible compensation, plus 50% of deferrals over 3%, but not over 5% of eligible compensation. Additionally, the Company may, at its discretion, make a profit-sharing contribution, which participants will proportionally share. No profit-sharing contributions were made for the years ended December 31, 2022 and 2021.

Participant Accounts

Participants may direct their accounts among a variety of funds and may change their investment options at any time. Each participant’s account is credited with the participant’s contribution and allocations of Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their participant contributions, previously contributed safe harbor matching contributions and discretionary matching contributions plus actual earnings thereon.

Distributions

Distributions will be made to each participant upon retirement, death or disability, or termination of employment. A participant will receive either a lump sum or a rollover amount equal to the value of the vested portion of the account balance. The Plan allows for automatic lump-sum distributions of participant account balances that do not exceed \$5,000. Hardship withdrawals and in-service withdrawals are also allowed by the Plan, if certain criteria are met.

December 31, 2022 and 2021

3. TAX STATUS

The Plan adopted a Volume Submitter Plan Document, which received an opinion letter from the Internal Revenue Service dated June 30, 2020, indicating that the form of the Volume Submitter Plan is designed in accordance with applicable sections of the Internal Revenue Code (the "IRC"). The Plan has since been amended; however, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable provisions of the IRC and the Plan continues to be tax- exempt; therefore, no provision for income taxes has been included in the accompanying financial statements.

Management has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. PRIORITIES UPON TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the Plan's participants will be fully vested in all benefits earned to date.

5. INVESTMENTS AT FAIR VALUE HIERARCHY

In accordance with FASB ASC 820, assets measured at fair value on a recurring basis, based on their fair value hierarchy at December 31, 2022 and 2021, are as follows:

6. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

No auditing procedures were performed by the independent auditor as permitted by ERISA Section 103(a)(3)(C) with respect to information certified as complete and accurate by Principal Trust Company, (the "Trustee"), except for comparing such information with the information reported in the financial statements. Based on information provided and certified by the Trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA at December 31, 2022 and 2021. Accordingly, the Trustee has certified to the completeness and accuracy of:

Investments reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, as well as the supplemental schedule of assets (held at year end) as of December 31, 2022.

Net appreciation (depreciation) in fair value of investments, and dividend and interest income reflected on the accompanying Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2022 and 2021.

7. INVESTMENTS IN CERTAIN ENTITIES THAT CALCULATE NET ASSET VALUE

The following is a summary of the Plan's commitments and investments in certain entities that calculate net asset value, as of December 31, 2022 and 2021:

<u>Investment Type/Name</u>	<u>Fair Value at December 31,</u>			<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
	<u>2022</u>	<u>2021</u>			
Collective trust funds					
Principal Stable Value Institutional Fund	\$ 100,658	\$ 80,323 {a}		Daily	None
Principal Life Time Funds	<u>2,479,470</u>	<u>2,576,331</u> {a}		Daily	None
Total collective trust funds	2,580,128	2,656,654

	<u>\$ 2,892,315</u>	<u>\$ 2,995,454</u>			

There were no unfunded commitments as of December 31, 2022 and 2021.

{a} This investment is a direct filing entity with the Department of Labor; therefore, information regarding the investment's strategy is not disclosed.

8. PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in collective trust funds, mutual funds and pooled separate accounts managed by Principal Trust Company, the custodian of the Plan. Any purchases or sales of these investments, while considered party-in-interest transactions under ERISA regulations, are permitted under provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Fees paid to Principal Trust Company for administrative and investment advisory services are paid directly by the Plan Sponsor.

9. PROHIBITED TRANSACTION

During 2022, the Plan Sponsor failed to remit certain employee contributions totaling \$169 within the period prescribed by the Department of Labor.

10. SUBSEQUENT EVENTS

Significant changes in the landscape of college sports and in particular conference realignment significantly impacted the Pac-12 Conference (the parent company of Pac-12 Enterprises, LLC, "the Plan Sponsor") during 2023, resulting in 10 of 12 of the Pac-12 Conference member institutions announcing that they will be joining a different collegiate athletic conference in August 2024. It is anticipated that the Plan Sponsor will continue as a corporate entity beyond August 2024, and the Pac-12 Conference is working with their remaining members to evaluate and refine the going forward scope of the organization. As of the date of the release of the financial statements, the Plan Sponsor believes the Plan will continue in full force and has no intention of terminating it.

In preparing these financial statements, management of the Plan has evaluated events and transactions that occurred after December 31, 2022 for potential recognition or disclosure in the financial statements. These events were evaluated through April 11, 2024, the date the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure.
