CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Allied Workers Local 48 Annuity Plan
Goodlettsville, Tennessee

Opinion

We have audited the financial statements of the **Allied Workers Local 48 Annuity Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of **Allied Workers Local 48 Annuity Plan** as of June 30, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements Section of our report. We are required to be independent of **Allied Workers Local 48 Annuity Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Allied Workers Local 48 Annuity Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Allied Workers Local 48 Annuity Plan's** internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Allied Workers Local 48 Annuity Plan's** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules for the years ended June 30, 2023 and 2022, together referred to as "supplemental information", are presented for the purpose of additional analyses and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS

ALLIED WORKERS LOCAL 48 ANNUITY PLAN

JUNE 30, 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the **Allied Workers Local 48 Annuity Plan** provides only general information. Participants should refer to the Plan Document for a complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

1. **General** - The Plan was established November 4, 2011, as a result of a collective bargaining agreement between the Union and various employers to provide retirement benefits to eligible participants. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan is financed by employer contributions as specified in the collective bargaining agreement and earnings from investments. The Board of Trustees is responsible for all aspects of the administration and operation of the Plan.
2. **Contributions/Funding policy** - Each month, the employers of the participants make contributions to the Plan based on the collective bargaining agreement. The collective bargaining agreement currently provides for contributions of \$2.50 and \$2.75 per hour worked by journeymen and contributions ranging from \$1.51 to \$2.20 per hour worked by apprentices. Participants direct the investment of their contributions into various investment options offered by the Plan.
3. **Participant accounts** - On the valuation date, each participant's account is credited with the contributions made for that participant plus an allocation of investment income earned during the period minus an allocation of the Plan's operating expenses for the period. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. **Vesting** - Participants are vested upon attainment of at least 450 hours service within twelve months from the first month of a participant's employment.
5. **Forfeitures** - Contributions forfeited are used to offset Fund operating expenses. For the years ended June 30, 2023 and 2022, forfeited non-vested accounts totaled \$0.

**ALLIED WORKERS LOCAL 48
ANNUITY PLAN**

JUNE 30, 2023

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

6. **Retirement benefits** - Retirement benefits under the Plan are payable under one of three options selected by the participant:
- a. **Automatic form** - Unless the participant elects otherwise, the Trustees are required to purchase from a legal reserve life insurance company a single premium nontransferable contract under which monthly benefits are payable to an unmarried participant for the remainder of their lifetime in an amount equal to the actuarial equivalent of the balance accumulated in the participant's account. If the participant is married, the Trustees are required to purchase from a legal reserve life insurance company a single premium nontransferable joint and 50% survivor contract in an amount equal to the actuarial equivalent of the balance accumulated in the participant's account.
 - b. **Single lump sum payment** - A participant may elect in writing (if the participant is married, the spouse's written consent witnessed by a Notary Public or Plan Representative is required to make this election) to have the balance of their accumulated account paid to them in a single lump sum payment.
 - c. **Optional payments** - A married participant may elect in writing with their spouse's consent to receive quarterly, semi-annual or annual payments over a period certain not to exceed five years.
7. **Pre-Retirement death benefits** - In the event that a participant dies before their account has been paid to them, the balance accumulated in the participant's account will be payable to the spouse of the participant. The spouse will receive the balance of the account in the form of a single lifetime annuity unless the spouse elects to receive the account in the form of a single lump sum payment. If the participant is unmarried at the time of their death, their beneficiary shall be entitled to receive the balance of the participant's individual account in the form of a single lump sum payment.
8. **Disability benefits** - In the event a participant becomes totally and permanently disabled prior to their normal retirement date they shall be entitled to a distribution of their full accumulated account balance in one of the forms outlined under retirement benefits as described above.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

**ALLIED WORKERS LOCAL 48
ANNUITY PLAN**

JUNE 30, 2023

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

9. **Termination of employment** - Under certain circumstances where the employment of a participant with an employer has terminated for twenty-four (24) consecutive calendar months before a participant is eligible for early retirement or delayed early retirement, the participant may apply for a distribution of the entire balance of their account.

Regardless of any other provisions contained in the Plan to the contrary, if a participant's accumulated share is more than \$100 and does not exceed \$1,000 at the time a benefit becomes payable, such benefit or distribution shall automatically be paid in the form of a single lump sum payment.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. **Basis of accounting** - The accompanying financial statements have been prepared using the accrual basis of accounting.
- B. **Investment valuation and income recognition** - The Plan's investments are reported at fair value except for the group annuity contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the value stipulated in the contract. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by its investment advisors and custodians. See Note 8 for a discussion of contract value measurements. See Note 9 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Realized gains and losses include the Plan's gains and losses on investments sold during the year. Unrealized gains and losses include the Plan's gains and losses on investments held during the year and as of the year end.

- C. **Use of estimates** - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein; and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

- D. **Payment of benefits** - Benefits are recorded when paid.
- E. **Administrative expenses** - The Plan's expenses are paid by the Plan.
- F. **Subsequent events** - The Plan has evaluated subsequent events through February 20, 2024, the date the financial statements were available to be issued.

NOTE 3 - INVESTMENT INCOME, REALIZED GAINS/LOSSES, UNREALIZED GAINS/LOSSES, SCHEDULE OF INVESTMENT ASSETS REQUIRED TO BE REPORTED BOTH ACQUIRED AND DISPOSED OF WITHIN THE PLAN YEAR AND SCHEDULE OF REPORTABLE TRANSACTIONS

As allowed by the U.S. Department of Labor (DOL) and the Internal Revenue Service (IRS), John Hancock has elected not to include historical cost on their statements of activity. The DOL and IRS allow Funds with participant-directed investment programs to exclude historical cost data from the Form 5500 and the audited financial statements. Consequently, we have combined the investment income, realized gains/losses and unrealized gains/losses into one figure under "Additions" on the Statement of Changes in Net Assets Available for Benefits because John Hancock combines these items on their statements and we do not have any information that separately identifies these categories.

Historical cost has been omitted for the participant-directed investments on the Schedule of Assets Required to be Reported Both Acquired and Disposed of Within the Plan Year. Also, the DOL and IRS allow omission of participant-directed investment transactions that would otherwise be reported on the Schedule of Reportable Transactions from the Form 5500 and audited financial statements. We have omitted these transactions from this Schedule.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

**ALLIED WORKERS LOCAL 48
ANNUITY PLAN**

JUNE 30, 2023

NOTE 4 - PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect. However, in the event of termination and in order to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than for the exclusive benefit of the employees or their eligible dependents. In the event the Fund terminates, the net assets of the Fund will be allocated as prescribed by ERISA and its related regulations. Participants should refer to the Agreement and Declaration of Trust for a complete description of the Plan's termination provisions.

NOTE 5 - INCOME TAX STATUS

The Internal Revenue Service has advised that the Plan and Trust qualify under the applicable sections of the Internal Revenue Code. The Plan obtained its latest determination letter on August 13, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related Trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - EMPLOYER CONTRIBUTIONS RECEIVABLE

Employer contributions receivable represents the total of employers' contribution reports that were applicable to the periods prior to July 1st which were received during a period of time following the close of the year. These amounts do not reflect any amounts due from employers who are contractually liable to the Plan that have failed to file the required reports of covered workers in their employ during the period under review.

NOTE 7 - INVESTMENT APPRECIATION (DEPRECIATION)

During the year ended June 30, 2023, the Fund's investments (including investment income, realized gains/losses, and unrealized gains/losses) appreciated in value by \$913,209 as follows:

Common/Collective trust	\$ 1,085
Mutual funds	<u>912,124</u>
	<u>\$913,209</u>

NOTE 8 - COMMON/COLLECTIVE TRUST AT CONTRACT VALUE

The Plan invests in the John Hancock Stable Value Fund which is a common/collective trust (CCT) primarily invested in guaranteed investment contracts (GICs) and security backed investment contracts (SBICs). These investment contracts are fully benefit-responsive.

The contracts meet the fully benefit-responsive investment contract criteria and, therefore, are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by John Hancock Retirement Plan Services, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 9 - FAIR VALUE MEASUREMENTS

The Fund's investments are reported at fair value in the accompanying Statement of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Fund believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE 9 - FAIR VALUE MEASUREMENTS (CONTINUED)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. The underlying assets are traded in active markets.

Pooled separate accounts: The underlying assets of the PSAs are valued at the closing price reported in the active market in which the investments are traded. However, the net asset values of the PSAs are not publicly quoted.

The following tables set forth, by level within the fair value hierarchy, the Fund's investments at fair value as of June 30, 2023 and 2022:

	Assets at Fair Value as of June 30, 2023

NOTE 10 - PARTICIPANT-DIRECTED INVESTMENT PROGRAM

The Plan contains a participant-directed investment program which is managed by John Hancock Retirement Plan Services and consists of the following common/collective trust (CCT) and mutual funds (MF): (1) John Hancock Stable Value Fund (CCT); (2) American Funds 2010 Target Date Retirement Fund (MF); (3) American Funds 2020 Target Date Retirement Fund (MF); (4) American Funds 2025 Target Date Retirement Fund (MF); (5) American Funds 2030 Target Date Retirement Fund; (6) American Funds 2035 Target Date Retirement Fund (MF); (7) American Funds 2040 Target Date Retirement Fund (MF); (8) American Funds 2045 Target Date Retirement Fund (MF); (9) American Funds 2050 Target Date Retirement Fund (MF); (10) American Funds 2055 Target Date Retirement Fund (MF); (11) American Funds 2060 Target Date Retirement Fund (MF); (12) American Funds 2065 Target Date Retirement Fund (MF); (13) American Funds New World Fund (MF); (14) Baird Mid Cap Growth Fund (MF); (15) Harbor Small Cap Value Fund (MF); (16) John Hancock Bond Fund (MF); (17) Pioneer Core Equity Fund (MF); (18) T. Rowe Price Integrated U.S. Small-Mid Cap Core Equity Fund (MF); (19) Vanguard 500 Index Fund Admiral Shares (MF); (20) Vanguard Explorer Fund Admiral Shares (MF); (21) Vanguard Growth Index Fund Admiral Shares (MF); (22) Vanguard LifeStrategy Conservative Growth Fund (MF); (23) Vanguard LifeStrategy Moderate Growth Fund (MF); (24) Vanguard Mid-Cap Index Fund Admiral Shares (MF); (25) Vanguard Small-Cap Index Fund Admiral Shares (MF); and (26) Vanguard Small-Cap Value Index Fund Admiral Shares (MF).

Effective July 1, 2022, the Trustees agreed to convert from John Hancock's Signature Platform to the John Hancock Total Return Solution Platform (as depicted above).

NOTE 12 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Allied Workers Local 48 is a local union doing business in the Atlanta Georgia Area. Consequently, concentration of the employers contributing to the Annuity Plan in the Atlanta Georgia Area subjects the Fund to the risks associated with the economy in this area.

NOTE 13 - CONCENTRATION RISK

During the year, Vulcan Industrial (22.1%), Headrick Insulation (21.7%), Caldwell Insulation (14.7%), and Action Insulation Services (10.5%) contributed 69.0% of all contributions made to the Plan. A withdrawal by these employers would have a significant impact upon the Plan.

NOTE 14 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

As described in Note 2, the Plan paid all expenses related to operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA. Of note, Southern Benefit Administrators, Inc., is the Plan's third-party administrator; First Horizon Bank is the custodian of the Plan's checking account; Morgan Stanley Wealth Management is the Plan's investment consultant; and John Hancock is the Plan's investment manager and benefits payer.

FEE AND EXPENSE INFORMATION

The following table shows fee and expense information for the plan's investment options. The Total Annual Operating Expenses are expenses that reduce the rates of return of the investment option. This table also shows any redemption fees charged by an investment option upon the sale or exchange of shares and the minimum number of days one must hold the investment in order to avoid a redemption fee.

Expense ratio (gross) does not include fee waivers or expense reimbursements which result in lower actual cost to the investor.

The cumulative effect of fees and expenses can substantially reduce the growth of your retirement savings. Visit the Department of Labor's Web site for an example showing the long-term effect of fees and expenses at <https://www.dol.gov/agencies/ebsa/laws-and-regulations/laws/pension-protection-act/investing-and-diversification>. Fees and expenses are only one of many factors to consider when you decide to invest in an option. You may also want to think about whether an investment in a particular option, along with your other investments, will help you achieve your financial goals.

PLAN-RELATED INFORMATION

PLAN ADMINISTRATIVE EXPENSES

The plan may pay service providers for administrative services rendered during the year, such as recordkeeping and investment advisory services. Service providers may offset the fees they would otherwise charge with revenue sharing payments that the service provider receives in connection with plan investment options, otherwise their service fees may be paid from a segregated account under the plan and/or may be charged against participants' or beneficiaries' accounts on a pro rata basis, per capita basis, or as a specific dollar amount, subject to the terms of the plan. In some circumstances, portions of such payments may be credited back to your account. Any amounts charged or credited against your account will be disclosed online and in your statement on a quarterly basis.

ACCESS TO INFORMATION

As a participant in the plan, you have the right to request paper copies, free of charge, of any information required to be available on the plan website. This includes past and current statements. To request this, you can contact a John Hancock participant service representative at 833-388-6466 from 08:00 a.m. to 10:00 p.m. Eastern time on New York Stock Exchange business days. For your protection, all calls to our representatives are recorded. In addition, your past and current statements are available through our secure website at mylife.jhrps.com/statements.

The following fees are applicable. If any of these fees apply to you, they will appear on your quarterly account statement.
