Independent Auditor's Report

To the Plan Administrator of
Kennedy-Donovan Center, Inc. Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We were engaged to perform an audit of the financial statements of Kennedy-Donovan Center, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Kennedy-Donovan Center, Inc. Retirement Savings Plan's 2023 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from the qualified institutions as of and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2023 Financial Statements

We do not express an opinion on the accompanying financial statements of Kennedy-Donovan Center, Inc. Retirement Savings Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2023 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2023 Financial Statements

As described in Note 10 to the financial statements, Kennedy-Donovan Center, Inc. Retirement Savings Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Basis for Disclaimer of Opinion on the 2023 Financial Statements (Continued)

Further, as described in Note 11 to the financial statements, the Kennedy-Donovan Center, Inc. Retirement Savings Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts have been determined by the Plan Administrator and have been summarized in Note 11. The related income and distributions have not been determined. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kennedy-Donovan Center, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Our responsibility is to conduct an audit of Kennedy-Donovan Center, Inc. Retirement Savings Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2023 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Kennedy-Donovan Center, Inc. Retirement Savings Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules, Form 5500, Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions for the year ended June 30, 2023 and Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of June 30, 2023, are presented for purposes of additional analysis and are not a required part of the 2023 Financial Statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2023 Financial Statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

Other Matters (Continued)

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 Financial Statements of Kennedy-Donovan Center, Inc. Retirement Savings Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Further, the Kennedy-Donovan Center, Inc. Retirement Savings Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, the predecessor auditors were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions. Their report dated April 12, 2023, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the Plan had excluded from investments in the statements of net assets available for benefits certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans, and the effects of these excluded annuity and custodial accounts and the related income and distributions were not determinable.

KENNEDY-DONOVAN CENTER, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements
June 30, 2023 and 2022

1. DESCRIPTION OF THE PLAN

The following description of the Kennedy-Donovan Center, Inc. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a 403(b) defined contribution plan covering all eligible employees of Kennedy-Donovan Center, Inc. (the Plan Sponsor). The Plan Administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan Sponsor's Board of Directors. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b. Eligibility

All employees are eligible to participate in the Plan on the first day of employment with the Plan Sponsor. The Plan excludes those employees who normally work fewer than 20 hours per week and nonresident aliens. Participants may also be eligible for the Plan Sponsor's discretionary matching and nonelective contributions upon reaching the age of twenty-one, completing 1,000 hours of service during the plan year and if employed at the Plan Sponsor on the last day of the plan year. Employees covered by a collective bargaining agreement are excluded from receiving the Plan Sponsor's discretionary matching and nonelective contributions.

c. Contributions

Each year, participants upon being hired may contribute a percentage up to 100% of pre-tax annual compensation, subject to annual Internal Revenue Service (IRS) limitations as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover contributions). The Plan allows for participants to make post-tax (Roth) contributions. Participants direct investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor may make discretionary matching and nonelective contributions based on Plan Sponsor approval, which is determined annually. For the year ended June 30, 2023, the discretionary matching contribution was equal to a 100% match of a participant's deferrals up to 2% of eligible compensation and totaled \$131,094. For the year ended June 30, 2023, the Plan Sponsor did not contribute any discretionary nonelective contributions.

d. Participant Accounts

Each participant's account is credited with the participant's contributions, the Plan Sponsor's discretionary matching and nonelective contributions, if applicable, and the Plan earnings or losses and is charged with an allocation of administrative expenses paid by the Plan. Allocations are based on the participant's earnings or losses or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

e. Vesting

Participants are immediately vested in their voluntary contributions, as well as actual earnings thereon. Participants are vested in their Plan Sponsor discretionary matching and nonelective contributions upon achieving three years of service. Participants become fully vested upon death, disability, or reaching early retirement age.

1. DESCRIPTION OF THE PLAN (Continued)

f. Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The maximum term of the loan is 5 years, unless used for the purchase of a primary residence, in which case the term of the loan is determined at the time the loan is granted. The loans bear interest at the prime rate plus 1%. Participants may only have two loans outstanding at any given time. Principal and interest are paid ratably through payroll deductions.

g. Plan Loans

The Plan allows participants to borrow directly from The Lincoln National Life Insurance Company (Lincoln), the qualified institution, with their account balance acting as collateral. Participants may borrow a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The minimum loan allowed is \$1,000. Principal and interest are paid directly to Lincoln by the participant. These loans are not Plan assets and totaled \$1,089 at June 30, 2022. There were no plan loans at June 30, 2023.

h. Payment of Benefits

The Plan provides for a normal retirement benefit to be paid to participants who have reached the age of 65, with an option for early retirement upon reaching the age of 55. Upon termination of service, a participant may receive a lump-sum or partial payments that equal to the value of their vested account balance. The Plan requires balances up to \$5,000 to be paid out to participants upon termination. There are also retirement benefits available upon disability and death. Beneficiaries are entitled to receive benefit payments on behalf of the participant upon the death of the participant.

The Plan allows in-service withdrawals upon attainment of age 59 ½. A participant may also request a withdrawal upon demonstration to the Plan Administrator that they are suffering a "hardship". Hardship is defined in applicable regulations promulgated or to be promulgated pursuant to the applicable section of the Internal Revenue Code (IRC) or standards established by the Secretary of the Treasury or their delegate.

i. Forfeitures

Forfeitures represent non-vested Plan Sponsor contributions forfeited by participants who terminate their employment or who withdraw from the Plan. Forfeitures are retained by the Plan and are used to reduce future Plan Sponsor contributions and plan expenses. The Plan had \$1,138 and \$9,552 of unallocated forfeitures as of June 30, 2023 and 2022, respectively. The Plan Sponsor used \$3,635 of forfeitures to reduce Plan Sponsor discretionary matching contributions during fiscal year 2023.

j. SECURE Act 2.0

On December 29, 2022, the Consolidated Appropriations Act of 2023, which included SECURE Act 2.0, was executed. SECURE Act 2.0 contains over ninety new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2023 financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Plan prepares its financial statements in accordance with generally accepted accounting principles (U.S. GAAP) established by the Financial Accounting Standards Board (FASB). References to U.S. GAAP in these notes are to the FASB Accounting Standards Codification (ASC).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's variable annuities and mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fully-benefit-responsive guaranteed investment contract is reported at contract value (see Note 9). The Plan Administrator determines the Plan's valuation policies utilizing information provided by the qualified institutions. See Note 4 for discussion on fair value measurements.

Investment contracts held by a defined contribution plan are required to be reported at fair value except for fully-benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully-benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowances for credit losses have been recorded as of June 30, 2023. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. As of June 30, 2023, there were no defaulted loans.

Payment of Benefits

Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and processing of distributions, recordkeeping and investment advisory services are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of investments. Certain expenses of maintaining the Plan are paid via an Administrative Fee Credit Account (AFCA) balance. The AFCA is funded by revenue Ascensus, LLC as agent for Ascensus Trust Company (collectively, Ascensus), a qualified institution, receives that exceeds its revenue requirements for the Plan (see Note 7). For the year ended June 30, 2023, the AFCA account balance totaled \$1,212 and is held in a mutual fund account. As of June 30, 2022, there was no AFCA account balance.

Subsequent Events

Subsequent events have been evaluated through April 11, 2024, which is the date the financial statements were available to be issued. There were no events that met the criteria for recognition or disclosure in the financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S QUALIFIED INSTITUTIONS

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus and Lincoln, the qualified institutions, have certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying statements of net assets available for benefits as of June 30, 2023 and 2022, and the supplemental schedule, Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of June 30, 2023, and the related investment transactions and investment income and interest income on notes receivable from participants reported in the accompanying statement of changes in net assets available for benefits for the year ended June 30, 2023.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to certified investment information, except for comparing such certified investment information included in the accompanying financial statements and supplemental schedule Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of June 30, 2023.

4. FAIR VALUE MEASUREMENT

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. *Fair Value Measurement* establishes a hierarchy of the valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (also referred to as observable inputs). The fair value hierarchy is as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

KENNEDY-DONOVAN CENTER, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements
June 30, 2023 and 2022

4. FAIR VALUE MEASUREMENT (Continued)

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price and, accordingly, these investments are valued using observable inputs. The mutual funds held by the Plan are deemed to be actively traded.

Variable annuities: The variable annuities are valued at the accumulation unit value, which is computed daily as the number of accumulation units held is multiplied by the accumulation unit value, using NAV as a practical expedient. The accumulation unit value is first established when a new fund position is established and is then determined daily based on the NAV of shares of the underlying fund, plus the fund's dividends and less the account's separate charges. Transactions occur daily in and out of the accounts. As of June 30, 2023 and 2022, the Plan had no plans to sell the variable annuities at amounts different from NAV.

There have been no changes in the methodologies used at June 30, 2023 and 2022.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. FAIR VALUE MEASUREMENT (Continued)

The following tables present by level, within the fair value hierarchy, the Plan's investments at fair value as of June 30:

Description	2023			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 6,234,210	\$ -	\$ -	\$ 6,234,210
Variable annuities, at NAV				488,269
Total investments, at fair value				\$ 6,722,479

Description	2022			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 5,075,578	\$ -	\$ -	\$ 5,075,578
Variable annuities, at NAV				552,713
Total investments, at fair value				\$ 5,628,291

In accordance with the fair value measurement guidance, the following table presents the category, fair value, redemption frequency, and redemption notice period for the Plan's investments, the fair values of which are estimated using the NAV per share as of June 30:

Category	Fair Value		Redemption Frequency (if currently eligible)	Redemption Notice Period
	2023	2022		
Variable annuities:				
Large cap funds (a)	\$ 276,892	\$ 229,309	Daily	Daily
Index fund (b)	108,347	124,009	Daily	Daily
Global/international funds (c)	33,780	68,681	Daily	Daily
Balanced funds (d)	32,627	92,804	Daily	Daily
Small cap funds (e)	18,754	26,203	Daily	Daily
Target date funds (f)	9,392	3,044	Daily	Daily
Real estate fund (g)	8,477	8,663	Daily	Daily
Total variable annuities, at fair value	\$ 488,269	\$ 552,713		

- (a) These funds invest in various types of domestic stocks and bonds in the large capitalization groups to seek long-term growth of capital and income.
- (b) This fund invests in investments that mirror the established market indexes.
- (c) The funds' investment objective is to provide growth of capital by investing in financial service companies, foreign companies and mid to small-cap companies.
- (d) These funds seek to allocate assets among equity, bond and money market funds based on their predetermined glide path as the fund approaches its target date, becoming more conservative prior to retirement, as time elapses.
- (e) These funds invest in various types of domestic stocks seeking long-term capital growth.

Notes to Financial Statements

4. FAIR VALUE MEASUREMENT (Continued)

- (f) These funds seek the highest total return over time with an increased emphasis on capital preservation as the target date approaches. Thereafter, an emphasis will be placed on high current income with a secondary focus on capital appreciation.
- (g) This investment seeks maximum long-term total return, with capital appreciation as a secondary objective.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all accrued benefits shall be paid to participants in accordance with the provisions of the Plan.

6. TAX STATUS

The Plan Sponsor has obtained an opinion letter dated January 1, 2018, in which the IRS stated that the restated prototype plan document was in compliance with applicable requirements of the IRC. The Plan Administrator timely adopted the restated prototype plan. The Plan Administrator believes that the Plan is currently being operated in accordance with the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, transactions with investment funds managed and held by the qualified institutions are considered party-in-interest transactions. During 2023, the Plan paid the qualified institutions fees related to the administration of participant loans and processing of distributions, recordkeeping and investment advisory service fees totaling \$43,898, which is presented net of the \$1,079 AFCA revenue generated in the accompanying statement of changes in net assets available for benefits.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investments, which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that these changes could materially affect the amounts reported in the statements of net assets available for benefits.

9. GUARANTEED INVESTMENT CONTRACT

The Plan has a fully-benefit-responsive guaranteed investment contract with Lincoln. Lincoln maintains the contributions in a general account. The account is credited with participant contributions and investment income and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

KENNEDY-DONOVAN CENTER, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements
June 30, 2023 and 2022

9. GUARANTEED INVESTMENT CONTRACT (Continued)

Because the guaranteed investment contract is fully-benefit-responsive, contract value is the relevant measure attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported by the qualified institutions, represents contributions made under the contract, plus earnings or losses, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal of all or a portion of their investment at contract value. The contract limits the percentage of the investment for periodic elective transfers to variable investments within the Plan during any twelve-month period.

The contract is guaranteed against loss of principal, minus all withdrawals, including charges and adjustments. The guarantee is based on the ability of Lincoln to meet its financial obligations from the general assets of Lincoln. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 3%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the Plan to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable or not occurring.

10. PARTICIPANT ACCOUNT BALANCES

In November 2007, the Department of Labor (DOL) issued amended regulations eliminating an exemption granted to 403(b) plans from the annual Form 5500 reporting, disclosure and audit requirements under Part 1 of Subtitle B of Title I of ERISA, as amended. The DOL acknowledged in its Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, that full annual reporting compliance "may not be possible" and "the guiding principle must be to ensure that the appropriate efforts are made to act reasonably, prudently, and in the interest of the Plan's participants and beneficiaries". Notwithstanding the DOL's specific recognition of the "compliance challenges" engendered by its new requirements, U.S. GAAP provides no such relief requiring all contracts and qualified institution accounts to be included and maintained.

Prior to the amended regulations and the amendment of the Plan document, the Plan was not viewed as a separate reporting entity. Historically, the Plan was viewed as a collection of individual accounts with which participants could engage in a range of actions with limited involvement, if any, by the Plan Sponsor. Accordingly, various accounting and payroll records related to the Plan's 403(b) annuity contracts and qualified institution accounts issued to employees prior to January 1, 2009, were not required to be maintained by the Plan, nor were they required to be maintained or retained by service providers at the Plan level. Consequently, the Plan's financial statements have been prepared based on the available records, which were accessed using reasonable means and then analyzed by the Plan Sponsor. As certain reports were not available dating back to the inception of the Plan, the effect, if any, on the completeness of opening balances, and thus on the accuracy of the Plan's financial statements, cannot be determined at this time.

11. EXCLUDED ASSETS (UNAUDITED)

The Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded from the accompanying statement of changes in net assets available for benefits. U.S. GAAP requires that these accounts and the related income and distributions be included in the accompanying financial statements. The amount of these excluded annuity and custodial accounts as determined by the Plan Administrator at June 30, 2023 and 2022 are approximately \$162,000 and \$149,000, respectively. The effects of these excluded annuity and custodial accounts related to income and distributions has not been determined at this time.

12. RECONCILIATION TO THE IRS FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the IRS Form 5500 as of June 30, 2022:

13. DELINQUENT PARTICIPANT CONTRIBUTIONS

During fiscal year 2022, the Plan Sponsor failed to segregate and remit in a timely manner certain participant contributions (salary reduction amounts) and loan repayments from its assets within the required time period as specified by the United States DOL Reg. 2520.3012. Failure to segregate and remit contributions within the specified time period is a prohibited transaction. The Plan Sponsor remitted the delinquent deferrals and loan repayments during fiscal year 2022. The Plan Sponsor computed the lost earnings on these fiscal year 2022 deferrals and loan repayments, and subsequently made a contribution for lost earnings to the Plan during fiscal year 2023.

14. RECLASSIFICATION

Certain amounts in the 2022 financial statements have been reclassified to conform with the 2023 presentation.
