INDEPENDENT AUDITOR'S REPORT

Trustees of the
Apalachee Center, Inc. Retirement Plan
Tallahassee, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Apalachee Center, Inc. Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended June 30, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,

misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of June 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

APALACHEE CENTER, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Apalachee Center, Inc. Retirement Plan ("the Plan") provides only general information as amended. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of Apalachee Center, Inc. ("the Employer") who have completed 1,000 service hours within a 12 month measurement period and are age 18 or older. The Plan was established July 1, 1975 as a money purchase pension plan and was subsequently amended effective November 2, 1998 and January 1, 2002. Effective January 18, 2007, the Apalachee Center, Inc. Pension Plan and Trust Agreement was frozen and merged into the Apalachee Center, Inc. Retirement Plan, a profit sharing plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's investment assets were under the trustee responsibility of Branch Banking and Trust Company (BB&T). Effective March 1, 2021, the Plan's investment assets were transferred under the trustee responsibility of Ascensus Trust Company (Ascensus), and the Plan was amended and restated effective May 1, 2021.

Contributions - Contributions to the Plan are discretionary. For the years ended June 30, 2023 and 2022, the Employer contributed 6% of compensation for each participant to the Retirement Plan. The Employer also makes discretionary matching contributions of employee elective deferrals to a 403(b)7 plan. For the years ended June 30, 2023 and 2022, the Employer did not make matching contributions.

Participant Accounts - Each participant has a separate Directed Investment Account which is credited with the employer's contributions. The Directed Investment Account is also charged or credited, as appropriate, with the net earnings, gains, losses and expenses, as well as appreciations or depreciations in market value during each Plan year attributable to such account. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account. Benefits are recorded when paid.

Vesting - Employer contributions are 20% vested when the participant attains two years of service and increase at a rate of 20% per year thereafter until they are fully vested after six years of service.

Distribution of Benefits to Participants - On termination of employment, death and/or total disability, a participant may elect to receive either a lump-sum amount equal to the vested value of his or her account, or payment in monthly, quarterly, or annual cash installments over a period not to exceed the participant's life expectancy or the joint life expectancy of the participant and the designated beneficiary.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN (continued)

Forfeited Accounts - The Plan utilizes forfeited account balances to first reduce the employer's administrative expenses and secondly to reduce the employer's contribution. For the years ended June 30, 2023 and 2022, administrative expenses and employer contributions were reduced by \$24,850 and \$41,889, respectively, from forfeited non-vested accounts.

Administration of Plan Assets - Trustee fees are paid from forfeited non-vested participant accounts. In the event that forfeitures are not sufficient, the fees are paid directly by the Employer. For the years ended June 30, 2023 and 2022, trustee fees paid from forfeitures were \$24,850 and \$41,889, respectively. No trustee fees were paid directly by the Employer. Certain administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan.

Plan Termination - Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The purpose of the Plan is to accumulate Employer contributions and earnings on Plan assets for the payment of benefits to participants. Significant accounting policies of the Plan are as follows:

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Investments - Investments of the Plan are stated at fair value as reported by the trustee, Ascensus at June 30, 2023 and 2022, respectively (See Note 1). Any change in unrealized appreciation or market loss is fully recorded as income or loss in the year of change. See Note 3 for discussion of fair value measurements.

The Plan invests in various mutual funds comprised of investment securities including U.S. Government securities, corporate debt instruments, and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Plan Benefits.

Net Appreciation (Depreciation) – Net appreciation (depreciation) in fair value of investments includes both realized gains and losses on dispositions of investments and unrealized gains and losses reflecting adjustments to fair value.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of Benefits – Benefits are recorded when paid.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 3 - INVESTMENTS AND FAIR VALUE MEASUREMENTS

Plan contributions were invested in various retirement investment accounts for the fiscal years ended June 30, 2023 and 2022.

All information on Plan investment assets and related investment income transactions has been prepared and certified as both complete and accurate by Ascensus as trustee.

Fair Value Measurement and Disclosures Topic of the FASB Accounting Standards Codification establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the Fair Value Measurement and Disclosures Topic are described as follows:

- Level 1:* Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
- Level 2:* Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Observable inputs include quoted prices for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs.
- Level 3:* Inputs that are unobservable inputs for the asset or liability. Unobservable inputs are those that reflect the plan's own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances.

NOTE 3 - INVESTMENTS AND FAIR VALUE MEASUREMENTS (continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

Mutual funds: Valued at the daily closing price by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust funds: The Morley Stable Value Fund, Resources Divers Risk Mitigation, Resources Diversified Equity, and Resources Diversified Fixed are funds valued at the net asset value of units of the funds collective trusts. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the funds will sell the investments for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust(s), the issuer reserves the right to require a 12 month advance notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

At June 30, 2023 and 2022, assets measured at fair value on a recurring basis were as follows:

	Fair Value Measurements at Reporting Date			
	Fair Value	Level 1	Level 2	Level 3
2023				
Mutual Funds	\$ 2,861,908	\$ 2,861,908	-	-
Common Collective Trust Fund *	<u>7,765,497</u>			
Total Investments	<u><u>\$ 10,627,405</u></u>			
2022				
Mutual Funds	\$ 2,336,629	\$ 2,336,629	-	-
Common Collective Trust Fund *	<u>7,100,828</u>			
Total Investments	<u><u>\$ 9,437,457</u></u>			

* Certain investments that were measured at net asset value per share (or its equivalent), such as the Plan's Common Collective Trust Funds – Morley Stable Value Fund, Resources Divers Risk Mitigation, Resources Diversified Equity, and Resources Diversified Fixed have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for plan benefits.

NOTE 3 - INVESTMENTS AND FAIR VALUE MEASUREMENTS (continued)

The following table summarizes investments measured at fair value based on NAV per share as of June 30, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

2023	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common collective trust funds –				
Morley Stable Value Fund	\$ 259,470	n/a	Daily	12 months
Resources Divers Risk Mitigation	\$ 1,353,027	n/a	Daily	12 months

APALACHEE CENTER, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 4 – PARTICIPANT DIRECTED ACCOUNTS

Each participant has the ability to direct the investment of his or her account balance under the Plan. Participants who make no active investment election will default to having personalized portfolios managed by OneDigital for a fee. Such fees are deducted from the participant's account on a quarterly basis. OneDigital management fees for the years ended June 30, 2023 and 2022 were \$30,709 and \$34,021, respectively. To the extent participants and beneficiaries direct investments under the Plan, ERISA relieves trustees from liability for any loss resulting from such direction.

NOTE 5 – PARTIES-IN-INTEREST

During each of the Plan years ended June 30, 2023 and 2022, the Plan Sponsor absorbed the following fees:

	<u>2023</u>	<u>2022</u>
Audit Fees	\$ 19,580	\$ 20,972

These expenses are not included in the Statements of Changes in Net Assets Available for Plan Benefits, as they have been absorbed by the Employer.

NOTE 6 - TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service (IRS) made a favorable determination of the Plan and stated that the Plan, as then designed, is in compliance with the applicable requirements of the *Internal Revenue Code*. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the U.S. require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities. There are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for the years prior to 2019.

NOTE 7 - EVALUATION OF SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through April 10, 2024, the date which the financial statements were available to be issued.
