INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Matosantos Commercial Corp.
Employee Benefit Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Matosantos Commercial Corp. Employee Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Matosantos Commercial Corp. Employee Benefit Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Matosantos Commercial Corp. Employee Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Matosantos Commercial Corp. Employee Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Matosantos Commercial Corp Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Matosantos Commercial Corp. Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter **Supplemental Schedules Required by ERISA**

The supplemental schedules of "Form 5500, Schedule H, line 4i – Schedule of Assets (Held at June 30, 2023)" is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CODA PROFIT SHARING RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2023 and 2022**

1) Plan Description

The following brief description of the Matosantos Commercial Corp. CODA Profit Sharing Retirement Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

- A) General - The Plan was established on July 1, 1996 as a savings plan to provide benefits upon retirement, disability, or death to participating employees. The Plan has adopted the Oriental Group Trust Master Prototype Defined Contribution Plan covering all employees of the entity as described below. Oriental Group Trust is the Trustee for the Plan. The Plan qualifies under Section 1081 of the Puerto Rico Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by Matosantos Commercial Corp. (“the Employer”). Other relevant information follows:

Plan year	:	June 30
Normal retirement	:	Attainment of age 60
Early retirement	:	Attainment of age 50
Eligibility	:	Employees of Matosantos Commercial Corp. and Euro-Caribe Packing Company, Inc. who have completed one (1) year of service and are at least 21 years old, excluding leased and union employees.
Plan entry dates	:	The first day of the 1 st , 4 th , 7 th , or 10 th , month of the Plan year.

- B) Contributions - The Plan provides for contributions to be made by the Employer and by participants, as follows:

Elective deferrals contributions - Pre-tax contributions are limited to \$15,000 during the Plan year.

In addition, total annual contributions made by the Employer and each participant are limited to the lesser of \$49,000 or the total compensation paid by the Employer to participants during the Plan year.

NOTES TO FINANCIAL STATEMENTS
June 30, 2023 and 2022**

1) Plan Description, Continued

Employer matching contributions - The Employer will make matching contributions equal to \$0.50 per \$1.00 up to 6% of basis compensation. Participants may make catch-up contributions to the Plan.

Participant rollover contributions - Any eligible employee, whether a participant or not, may contribute its assets to the Plan if the contribution is a rollover transferred directly from another qualified plan.

Voluntary employee contributions - Participants are permitted to make contributions in an amount equal to 10% of compensation for the plan year.

- C) Participant accounts - Individual accounts are maintained for each Plan participant to reflect the participant's and Employer's contributions, as well as the participant's share of the Plan's income and any related expenses. Allocations are based on the proportion that each participant's account balance bears to the total of all participants' account balances. Participants may not withdraw funds from their accounts until they qualify for benefit payments under the Plan, except for specific circumstances included in the Plan Document.
- D) Investment options - Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds as investment options for participants.
- E) Notes receivable from participants - Participants may borrow from their accounts a minimum of \$2,500 up to the lesser of \$50,000 or 50% of their account balances. The \$50,000 limit is reduced by the participant's highest outstanding loan balance in the past twelve (12) months. The Plan allows a participant to have only one (1) loan outstanding at any time. The loan is secured by the balance of the participant's account and bear interest at a rate equal to one percentage point higher than the prime rate. This rate is set on June 30 of each year and remains constant throughout the life of the loan. The loan must be repaid over a period not to exceed five (5) years. The loan is repaid ratably through payroll deductions and allocated to the various investment funds based on the participant's contribution percentages. The administration of participant loans is handled by the record keeper.
- F) Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. A participant is 100% vested in the Employer contributions after six (6) years of credited service.

NOTES TO FINANCIAL STATEMENTS
June 30, 2023 and 2022**

1) Plan Description, Continued

- G) Payment of benefits - Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest or annual installments over a fixed period of time. For termination of service for other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution. A participant, who has not reached the retirement age but has not terminated his employment with the Employer, can withdraw all or any portion of his or her vested aggregate account balances.
- H) Forfeitures - Forfeitures represent non-vested portions of contributions of the Employer on the day of the participant's death or termination. Forfeited balances are used to pay administrative expenses and reduce the Employer's contributions.

2) Summary of Significant Accounting Policies

- A) Basis of accounting - The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP) in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosures under the ERISA.
- B) Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C) Notes receivable from participants - Are measured at their unpaid principal balance plus any accrued but unpaid interest. As of June 30, 2023 and 2022, interest rate on outstanding loans ranges between 4.25% and 9%.
- D) Investment valuation and income recognition - The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Mutual funds are valued at net asset value (NAV) of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

2) Summary of Significant Accounting Policies, Continued

- E) Contributions - Are recorded following the accrual method of accounting.
- F) Benefits - Benefit payments to participants are recorded upon distribution.
- G) Administrative expenses - Administrative expenses are recorded when incurred.
- H) Fair value measurements - The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The levels of fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

5) Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

6) Tax Status

The Plan constitutes a qualified plan, exempt from income tax under the Puerto Rico Internal Revenue Code of 2011 (PRIRC), as amended. The Puerto Rico Treasury Department has determined and informed the Employer in a letter dated August 12, 2014, that the Plan is designed in accordance with applicable sections of the PRIRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination of taxing authorities. The Plan Administrator evaluated the tax positions taken by the Plan and concluded that the Plan as of June 30, 2023 and 2022, had maintained its tax-exempt status and had taken no uncertain tax positions that would require adjustment or disclosures to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements.

7) Party-in-Interest Transaction

Matosantos Commercial Corp. and Euro Caribe Packing Company, Inc. are a party-in-interest, as defined by ERISA. There were no prohibited party interest investments or transactions as of June 30, 2023 and 2022 and for the years then ended.

8) Risks and Uncertainties

The Plan's investments are exposed to various risks, such as interest rate, market conditions and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

9) Participants' Withdrawals

On September 27, 2022, the Secretary of the Treasury signed the Administrative Determination 22-08 that details temporary changes to the rules for emergency hardship withdrawals from retirement plans qualified in Puerto Rico by reason of the situation caused by the Hurricane Fiona. The effective date of these temporary changes is from October 6, 2022 to December 31, 2022. As a result of those provisions, the Plan experienced an unusual activity in the area of benefits paid to participants during the year ended June 30, 2023.

10) Subsequent Events

The Plan Administrator has evaluated subsequent events through April 12, 2024, the date on which the financial statements were available to be issued. Based on this evaluation, management has determined there were no material events or transactions that would require adjustment to, or disclosure, in the accompanying financial statements through such date.
