Towson, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Sheppard Pratt Health System Thrift Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of June 30, 2023 and 2022 and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit section of our report. We are required to be independent of Sheppard Pratt Health System Thrift Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sheppard Pratt Health System Thrift Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sheppard Pratt Health System Thrift Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sheppard Pratt Health System Thrift Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The Supplemental Schedule of Assets (Held as of End of Year) as of June 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Sheppard Pratt Health System Thrift Plan
Notes to Financial Statements
June 30, 2023 and 2022

Note 1. Description of Plan

The following description of the Sheppard Pratt Health System Thrift Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all benefit eligible employees of the Sheppard Pratt Health System (the Company), as defined by the Plan. Sheppard Pratt Physicians, P.A. is a participating employer. The Plan was established on January 1, 1983 and participants may enter the Plan immediately upon commencement of employment or as soon as administratively feasible thereafter. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

There are no participant contributions made to this Plan. The Company may make contributions to the Plan. The Plan allows for discretionary match and nonelective contributions in the Plan. In order to share in the contribution, participants must work at least 1,000 hours in the Plan year and be employed on the last day of the year. Contributions are calculated and awarded on an annual basis.

The Plan recorded a receivable of \$1,337,839 and \$1,096,435, respectively, net of forfeitures, for the discretionary retirement account contribution in the accompanying statement of net assets available for benefits as of June 30, 2023 and 2022.

The Company determines the discretionary matching contribution each year for those who participate in the Sheppard Pratt Health System Tax Sheltered Annuity Program. Participants must be eligible as defined in the Plan document, be employed on the last day of the Plan year and complete 1,000 hours of service during the Plan year to receive this contribution. The Company did not make a discretionary contribution for the year ended June 30, 2023.

Participant Accounts

Each participant's account is participant-directed and is credited with allocations of the Company's contributions and plan earnings (losses) and is charged with benefit payments and transaction fees related to distributions. Allocations were based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants vest in all Company contributions and earnings thereon based on years of credited service, as defined by the Plan, according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	25%
3	50%
4	75%
5 or more	100%

Sheppard Pratt Health System Thrift Plan
Notes to Financial Statements
June 30, 2023 and 2022

Participants become 100% vested in accounts regardless of years of service when a participant reaches early or normal retirement age, dies or becomes disabled.

Payment of Benefits

Upon termination of service, death, disability, retirement, early retirement, a participant, or their beneficiary, in the event of death, is entitled to a distribution of their vested account balance. Distributions may be made either in a lump sum or, in the case of required minimum distributions, on an installment basis. If a participant's account balance is \$5,000 or less upon termination, the balance will be automatically forced out of the Plan and paid as soon as practicable after complying with applicable Federal income tax withholding laws. Hardship distributions are not allowed in the Plan. In all cases, certain income tax penalties may apply to withdrawals or distributions prior to reaching early retirement. Distributions are subject to the applicable provisions of the Plan agreement. As of June 30, 2023 and 2022, there were no net assets of the Plan allocated to participants who had elected to withdraw from the Plan but had not received such distributions prior to Plan year-end.

Forfeitures

Forfeitures of non-vested Company contributions and excess Company contributions due to corrections may be applied to reduce Company contributions, pay Plan expenses, or restore participant accounts depending upon the source of the funds. Funds credited into the Plan's expense accounts through a revenue sharing arrangement may be used to pay Plan expenses. Forfeiture of a participant's non-vested balance will occur in the Plan year the participant receives a distribution of their vested balance or if they do not receive a distribution after five consecutive one year breaks in service. Excess Company contributions due to corrections occur when a correction is made to reduce a participant's account. As of June 30, 2023 and 2022, available forfeitures totaled \$270,012 and \$52,750, respectively, excess Company contributions totaled \$1,739 and \$1,722, respectively, and the balance in the expense budget account totaled \$3,831 and \$3,831, respectively. During the year ended June 30, 2023, forfeitures totaling approximately \$210,000 were used to reduce Company contributions.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 3 for discussion of fair value measurements.

Investments in fully benefit-responsive investment contracts are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Sheppard Pratt Health System Thrift Plan
Notes to Financial Statements
June 30, 2023 and 2022

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded upon distribution.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan document. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Expenses relating to specific participant transactions (distributions) are charged directly to the participant's account. Expenses relating to investment advisory and account maintenance services are allocated ratably to participants.

Subsequent Events

Effective July 1, 2023, Fidelity Investments became the Plan's record keeper and custodian. As of June 30, 2023, the Plan's investments held by the previous custodian were liquidated and were in the process of being transferred to Fidelity Investments. On July 1, 2023, Fidelity received the funds and amounts were invested as directed by the plan sponsor. As of the same date, the Plan was amended and restated to suspend contributions and freeze entry into the plan.

The Plan has evaluated subsequent events through April 12, 2024, the date the financial statements were available to be issued and determined there were no other material events that warrant disclosure.

Note 3. Fair Value Measurements

Fair value, as defined under GAAP, is an exit price representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include:

Level 1: Observable inputs such as quoted prices in active markets.

Level 2: Inputs other than quoted prices in active markets that are directly or indirectly observable.

Level 3: Unobservable inputs about which little or no market data exists, therefore, requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

There have been no changes in methodologies used at June 30, 2023 and 2022. Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds

Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

Sheppard Pratt Health System Thrift Plan
Notes to Financial Statements
June 30, 2023 and 2022

Interest in insurance company general account

Valued based on deposits, plus interest credited under the terms of the contract, less any withdrawals.

The following table sets forth by level within the fair value hierarchy the Plan's assets accounted for at fair value on a recurring basis as of June 30, 2022:

	Assets at Fair Value as of June 30, 2022			
	Level 1	Level 2	Level 3	Total
Interest in insurance company	\$ -	\$ 58,303	\$ -	\$ 58,303
Mutual funds	<u>28,478,287</u>	<u>-</u>	<u>-</u>	<u>28,478,287</u>
Total assets at fair value	<u>\$ 28,478,287</u>	<u>\$ 58,303</u>	<u>\$ -</u>	<u>\$ 28,536,590</u>

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4. Unaudited Information Certified by Custodian

The accompanying financial statements include the following unaudited information as of June 30, 2023 and 2022 and for the year ended June 30, 2023 that was obtained from data prepared and certified to be complete and accurate by the Plan's custodian:

	2023	2022
Investments at fair value	\$ -	\$ 28,536,590
Investment at contract value	\$ -	\$ 836,008
Noninterest bearing cash	\$ 30,036,600	\$ -
Net appreciation in fair value of investments	\$ 3,188,328	
Interest and dividends	\$ 544,072	

Note 5. Investment Contract with Insurance Company

The Plan held a traditional investment contract. This contract met the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer was contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuers or otherwise. The crediting interest rate was based on a formula agreed upon with the issuers, but it may not have been less than zero.

Sheppard Pratt Health System Thrift Plan
Notes to Financial Statements
June 30, 2023 and 2022

The Plan's ability to have received amounts due in accordance with the fully benefit-responsive investment contracts was dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limited the ability of the Plan to transact at contract value with the issuers. Such events include the following: (1) amendments to the plan document (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) premature termination of the contracts, (4) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (5) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator did not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, before termination date.

In addition, certain events allowed the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material representation or (4) a material amendment to the agreements without the consent of the issuer.

Note 6. Exempt Party-in-Interest Transactions

Certain plan assets were invested in funds managed by Transamerica Financial Life Insurance Company Inc., the custodian of the Plan during the year ended June 30, 2023. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. These transactions qualify as exempt party-in-interest transactions.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 8. Tax Status

The Plan adopted a non-standardized pre-approved profit-sharing plan with deferral arrangement, which received a favorable opinion letter dated June 30, 2020 from the Internal Revenue Service (IRS). The Plan has been amended since receiving the latest determination letter; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statement.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. Given the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of June 30, 2023 and 2022.

Sheppard Pratt Health System Thrift Plan
Notes to Financial Statements
June 30, 2023 and 2022

The Plan is subject to routine audits by IRS and Department of Labor; however, there are currently no audits for any periods in progress.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
