INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Oregon Education Association 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Oregon Education Association 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Oregon Education Association 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2023 and as of June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Oregon Education Association 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Oregon Education Association 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Oregon Education Association 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Oregon Education Association 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Oregon Education Association 401(k) Plan
Notes to Financial Statements
June 30, 2023 and 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of Oregon Education Association 401(k) Plan (the “Plan”) are prepared on an accrual basis in accordance with accounting principles generally accepted in the United States of America. Under this method of accounting, contributions and investment income are recorded when earned and expenses are recorded when incurred.

Estimates

The preparation of financial statements requires the Plan administrator to make estimates and assumptions affecting certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan’s investments are stated at fair value and are held by Fidelity Management Trust Company (the “Trustee”), which has been designated as both the Trustee and custodian. Investment transactions are recorded on a trade date basis. Gains and losses on sales of investments are based on the average cost method. The net appreciation in the fair value of investments in the accompanying statement of changes in net assets available for benefits includes the total change in unrealized gains (losses) of investments held at year-end plus realized gains (losses) on investments sold during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued interest.

Payment of Benefits

Benefits are recorded when paid.

2. DESCRIPTION OF PLAN

The following brief description of the Plan is provided for information purposes only. Participants should refer to the Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan was established effective July 1, 1976. The Plan is a defined contribution plan covering substantially all employees of Oregon Education Association (“Plan Sponsor”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Internal Revenue Code of 1986 (the “Code”), as amended.

Eligibility Requirements

The Plan covers all employees of the Plan Sponsor who have attained the age of 18. An eligible participant may enter the Plan after the first pay period following their date of hire immediately following meeting the eligibility requirements.

Contributions

Contributions to the Plan are comprised of deferral contributions, matching contributions, and non-elective employer contributions. Each year, participants may make deferral contributions up to 100% of compensation, up to a maximum amount as prescribed by the Internal Revenue Service (“IRS”), as defined in the Plan. The limit for deferral contributions during calendar years 2023 and 2022 was \$22,500 and \$20,500, respectively. The catch-up contributions for participants over age 50 is \$7,500 for 2023 and \$6,500 for 2022. Participants age 50 and older may make additional catch-up contributions subject to IRS limits.

Oregon Education Association 401(k) Plan
Notes to Financial Statements
June 30, 2023 and 2022

Participants who are covered by the collective bargaining agreements between the Plan Sponsor and the Professional Staff Organization ("PSO") and Associate Staff Organization ("ASO") shall receive a 5% employer safe harbor contribution into the Plan. Employer contributions made for Management or Confidential employees are nonelective contributions. Employer contributions made during the year ended June 30, 2023 was \$470,311.

Participants may transfer to the Plan accounts part or all of an "eligible rollover distribution" received from a prior employer's qualified Plan.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Principal and interest are paid ratably through payroll deductions. Note terms are up to five years. Four notes per participant may be outstanding at a time. The notes are secured by the balance in the participant's account and the interest rate will be based on the rates available for similar loans from commercial lending institutions. At June 30, 2023, the interest rates on outstanding loans ranged from 4.25% to 5.25%, with maturities through 2034.

Participant Accounts

Each participant's account is credited with the participant's pre-tax, the Plan Sponsor's contributions, and an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. Participants may change their investment options as often as permitted under the investment vehicles they choose.

Vesting

Participant accounts are fully vested at all times.

Payment of Benefits

In the event of termination of employment, retirement, death, or disability, all of the participant's vested contributions and earnings thereon will be paid at the participant's option (subject to spousal consent) either in a lump-sum distribution or over a specified period in equal cash installments. Participants with vested balances less than \$1,000 on June 30, 2023, will receive an automatic lump sum payment of benefits.

Administrative Expenses

The Trustee's fees and other expenses relating to the administration of the Plan were paid directly by the Plan Sponsor and are not included in the accompanying financial statements. Fees relating to notes receivable from participants are paid by the Plan through participant deductions and are reflected as administrative expenses. Administrative expenses amounted to \$590 for the year ended June 30, 2023. In addition, certain investment related expenses have been offset with net appreciation in the fair value of investments and are not readily determinable.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE AND CUSTODIAN

Fidelity Management Trust Company, the Trustee and Custodian of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investments and notes receivable from participants information reflected on the accompanying statements of net assets available for benefits as of June 30, 2023 and 2022, the statement of changes in net assets available for benefits for the year ended June 30, 2023, and the supplemental schedule of assets (held at year of year) as of June 30, 2023.

4. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Such inputs include quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes to Financial Statements
June 30, 2023 and 2022

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Registered Investment Companies and Interest-Bearing Cash: Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

Self-Directed Brokerage: Included in the self-directed brokerage accounts are common stocks, preferred stocks, registered investment companies, and interest-bearing cash. Such investments are valued at quoted market prices in active markets at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30:

2023				
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ 467,014	\$ -	\$ -	\$ 467,014

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are registered investment companies managed by the Trustee as defined by the Plan. In addition, the Plan paid fees to the Trustee for administrative expenses of \$590 during the year ended June 30, 2023. These transactions and notes receivable from participants qualify as party in interest transactions. Investment fees paid to the Trustee are offset against investment income and are not readily determinable.

6. INCOME TAX STATUS

The Plan is qualified under provisions of the Internal Revenue Code ("IRC") and is exempt from federal income taxes.

Notes to Financial Statements
June 30, 2023 and 2022

The Plan obtained its latest determination letter, dated November 3, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) of the Internal Revenue Code and was, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving the determination letter. Discrimination testing was not completed as of the date of the issuance of these financial statements and the impact on the Plan's tax status is not determinable as of the date of these financial statements. However, the Plan believes that the effect of discrimination testing would not result in a change in the tax status of the plan in the current period.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

7. RISKS AND UNCERTAINTIES

The Plan provides for investments in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

8. PLAN TERMINATION

Although the Plan Sponsor has not expressed any intent to do so, it has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain 100% vested in their accounts.

9. SUBSEQUENT EVENTS

In preparing these financial statements, management of the Plan has evaluated events and transactions that occurred after June 30, 2023 for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through April 12, 2024, the date the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure.
