INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Participants of
Viant Puerto Rico, Inc. Employees Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of Viant Puerto Rico, Inc. Employees Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section-

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Viant Puerto Rico, Inc. Employees Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2023 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H Part IV Line 4(i) Schedule of Assets (Held at the End of the Year) as of June 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is

derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2022 Financial Statements

The 2022 financial statements of the Plan were audited by predecessor auditors. As permitted by ERISA Section 103(a)(3)(C) pursuant 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated April 13, 2023, indicated that the audit evidence and the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

1. DESCRIPTION OF THE PLAN

The following description of the Viant Puerto Rico, Inc. Employees Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a complete description of the Plan’s provisions.

General – On July 1, 1998, Viant Medical Puerto Rico, Inc. (the “Sponsor”), formerly known as Med Tech Puerto Rico, Inc., adopted a Profit-Sharing Plan in the form of the Master Defined Contribution Retirement Plan. On May 2018, the Plan’s sponsor name change to Viant Puerto Rico, Inc. Effective August 1, 2020, the Plan’s sponsor changed the plan name to Viant Puerto Rico Inc. Employees Retirement Plan and the adoption agreement signed by the Plan assigned Oriental Bank as the trustee for an indefinite period of time.

Eligibility – The Plan covers all full-time employees of the Sponsor who are eighteen years or older with a service requirement of six months computed using the Hours of Service Method, as described in the Master Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions – Employer is required to make a matching contribution of 25% up to a stated percentage of 5% of the participants’ compensation. Each year, participants may contribute up to \$15,000 of their pre-tax wages to the Plan subject to the applicable income tax regulations not exceeding the maximum deferral specified by local law. Participants must complete six months of services to be eligible for matching contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers contributions) subject to the conditions and limitations set forth in the Plan agreement. Participants direct all of the investments of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants.

Each year the Sponsor may make contributions to the Plan in one or more installments out of its net earnings, as defined in Section 6.2c(3) of the Plan Agreement, for any Plan year, in such amounts as the Sponsor may determine, if any.

Vesting – Participants are vested immediately in their contributions plus actual earnings thereon and become vested in the Sponsor’s contributions, including profit sharing contributions.

VIAANT PUERTO RICO, INC. EMPLOYEES RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

The vesting schedule is as follows:

Years of Service	Vesting Percentage
1 year	20%
2 years	40%
3 or more years	100%

Forfeited Accounts – Effective July 1, 2008, forfeited non-vested accounts should be allocated to participants' accounts during the Plan year in the proportion that a participant's account balance bears to the total Plan assets. Prior to such date, forfeited non-vested accounts were used to reduce related Plan expense. As of June 30, 2023 and 2022, forfeited non-vested accounts totaled \$6,504 and \$4,590, respectively.

Notes receivable from participants – Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their account balance. The loans are secure by the balance in the participant's account and bear interest at an average of the rate charged on similar loans under similar circumstances. Such rate shall be updated as of the first business day of each calendar month and shall remain unchanged through each calendar month. Interest rate as of June 30, 2023 ranged from 4.25% to 9.25%. Principal and interest is paid through payroll deduction. A \$25 loan application fee is charged to the participant's account.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2023 and 2022. If a participant does not make loan repayments and the plan administrator considers the participant's loan to be in default, the loan balance, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits – On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant's vested account balance, or a direct rollover to an individual retirement account or to another qualified plan.

The Plan also provides for certain withdrawals during employment, as follows:

- a) **Normal retirement age** – A participant will be fully vested and may retire after the latter of: reaching age 59 1/2 or the fifth-anniversary of the date he or she became a participant.

VIAANT PUERTO RICO, INC. EMPLOYEES RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

- b) **Disability retirement** – A participant will be fully vested and may retire prior to normal retirement age upon becoming disable.

If the participant terminates his employment before reaching his normal or early retirement age, becoming disable or dying, the participant shall be allowed to apply for an early distribution of his plan benefits.

Hardship Withdrawals – Under the provisions of the Plan, participants are permitted to make hardship withdrawals out from the participant's pre-tax, catch-up, match and rollover contributions. Such withdrawal is only permitted if: a) financial hardship is demonstrated, b) the withdrawal is approved by the Plan Administrator and c) such withdrawal is allowable under the Puerto Rico Income Tax Code.

The Puerto Rico Department of Treasury issued the Internal Revenue Circular Letter No. 22-13 of September 27, 2022 (the "Circular Letter"), which established the rules applicable to distributions of retirement plans and individual retirement accounts ("IRAs") related to damages caused by hurricane Fiona in September 18, 2022. Financial relieve will be provided by an approved special legislation that allows for certain eligible withdrawals during a specific period and subject to a preferential tax treatment, as established by the Puerto Rico Department of Treasury Administrative Order No.22-08 ("DA 22-08"). Pursuant to AD 22-08, the eligible withdrawals are allowed during the period from October 6, 2022 through June 30, 2023. Special distributions were subject to taxation as follows:

- The first \$10,000 distributed within the term established by the Secretary, and after a Declaration of a Disaster by the Governor of Puerto Rico, will be excluded from the definition of gross income, pursuant to Code Section 1031.01(b)(18), and will not be subject to any type of withholding at source ("Excluded Amount");
- Any distribution in excess of the first \$10,000 will be subject to a special 10% tax, in lieu of any other tax imposed by the Code, including the Alternate Basic Tax, as long as the total distributions made during the term established by the Secretary does not exceed \$100,000;
- In aggregate, the total distributions from a Retirement Plan or an IRA Account will not exceed the limit of \$100,000 during the period established by the Secretary through a general communication.

Participant Accounts – Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and, (b) Plan investments' results. Allocation of the Plan investment's result is based on participant's account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies used by the Plan follows:

Basis of Accounting – The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of changes in net assets available for benefits during the reporting periods. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 4 to the Financial Statements for additional disclosures related to fair value measurements.

The Plan investment return includes interest income, gains and losses on sales of investments and unrealized appreciation or depreciation of investments. The financial statements reflect the net appreciation or depreciation in the fair value of the Plan's investments. This net appreciation or depreciation consists of realized gains and losses calculated as the difference between proceeds from a sales transaction and cost, and unrealized gains and losses calculated as the change in the fair value between beginning of the year (or purchase date if later) and the end of the year.

Payment of benefits – Benefits payments to participants are recorded when paid.

Administrative expenses – The Plan Sponsor is responsible for the general administration of the Plan and for carrying out the provisions thereof. Plan expenses such as legal, auditing and advisory fees are paid by the Plan Sponsor. Certain transaction charges are deducted from the Participant's accounts.

Benefits Payable – The Plan accounts for benefits payable in accordance with the guidance provided by the AICPA Audit and Accounting Guide, Audit of Employee Benefits Plans. This guidance requires that benefits payable to person who have withdrawn from participation in a defined contribution plan be disclosed in the notes to the financial statements rather than recorded as a liability of the Plan.

VIAANT PUERTO RICO, INC. EMPLOYEES RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

Risks and uncertainties – The Plan invest in various investments securities, which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associates with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term that such changes can materially affect participants' account balances, and the amounts reported in the financial statements of net assets available for benefits. The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across all participant-directed fund elections.

3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan Administrator has elected the method of compliance as permitted by ERISA Section 103(a)(3)(C) pursuant by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Oriental Bank, the trustee of the Plan, has certified as to the completeness and accuracy of all investments reflected on the accompanying statement of net assets available for benefits as of June 30, 2023 and 2022, and the supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2023; the investment fair value measurement; and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended June 30, 2023.

Each investment is subject to market risk. The degree of market risk varies by investment type based upon the nature of the applicable underlying net assets. The Plan's maximum exposure to accounting loss from such investments is represented by the amounts appearing in the statements of net assets available for benefits.

4. FAIR VALUE MEASUREMENTS

The FASB's authoritative guidance on Fair Value Measurement and Disclosures, establishes a framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active market that the plan has the ability to access.

VIAANT PUERTO RICO, INC. EMPLOYEES RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

Level 2 - Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Model based techniques in which inputs or assumptions to the valuation methodology are unobservable in the market and significant to the fair value measurement. Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumption about risk).

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds – Share Prices/Net Assets Values reported on the Plan are generally obtained from a file feed from the National Securities Clearing Corporation, and/or directly from the fund house, or a secondary pricing source, such as Interactive Data Corporation. The mutual funds held by the Plan are deemed to be actively traded and are classified as Level 1.

Group annuity contract – adjusted from fair value to contract value. At June 30, 2023, fair value approximated contract value, and is classified as level 2 assets.

These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use

VIAANT PUERTO RICO, INC. EMPLOYEES RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023 and 2022:

June 30, 2023				
	Level 1	Level 2	Level 3	Total
Value on interest of registered securities:				
Key Guaranteed Potfolio Fund	\$ -	\$ 80,720	\$ -	\$ 80,720
Mutual funds	2,334,570	-	-	2,334,570
Total investments	\$ 2,334,570	\$ 80,720	\$ -	\$ 2,415,290

June 30, 2022				
	Level 1	Level 2	Level 3	Total
Value on interest of registered securities:				
Key Guaranteed Potfolio Fund	\$ -	\$ 71,574	\$ -	\$ 71,574.0
Mutual funds	2,346,852	-	-	2,346,852
Total investments	\$ 2,346,852	\$ 71,574	\$ -	\$ 2,418,426

5. GROUP ANNUITY CONTRACT

The Plan has a fully benefit responsive group annuity contract with Empower Annuity Insurance Company of America ("Empower") that invests contributions in the Key Guaranteed Portfolio Fund; a general account product.

The value of the Plan assets in the Key Guarantee Portfolio Fund in respect of the participant account will be determined as a value of (a) plus (b) minus (c) where:

- (a) All contributions and participant account value allocated by or on behalf of the participant to the Key Guaranteed Portfolio Fund;
- (b) all interest credited to the Key Guaranteed Portfolio Fund Value;
- (c) Is the sum of:
 - 1. Any amounts distributed; and
 - 2. Any transfers from the Key Guaranteed Portfolio Fund; and
- (d) any applicable changes and fees.

The contract has a guaranteed interest rate, the effective annual interest rate will never be less than 1%.

At June 30, 2023 and 2022, Empower informed that the fair value approximates contract value and as such, no adjustments were necessary to the accompanying statements of net assets available for benefits.

VIAANT PUERTO RICO, INC. EMPLOYEES RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS

6. EXCESS PARTICIPANT CONTRIBUTION

The Plan complies with the Average Deferral Percentage (“ADP”) test for the years ended June 30, 2023 and 2022 Plan year. Excess contributions amounting to \$5,701 and \$1,187 were recorded as a liability in the 2023 and 2022 accompanying statements of net assets available for benefits.

7. PARTY-IN-INTEREST TRANSACTION

The Company as plan sponsor provides certain administrative expenses, Empower Trust Company, LLC, such as recordkeeping services, Oriental Bank – trust division, the Trustee of the Plan and audit services for the Plan at no cost to the Plan’s participants.

8. PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Sponsors have the right under the Plan to reduce, suspend or discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan terminates, the interest of each participating employee in the Plan shall be fully vested and such termination shall not reduce the interest of any participating employee, or their beneficiaries accrued under the Plan up to the date of such termination.

9. TAX STATUS

The Plan is exempt from Puerto Rico income taxes as per the New Puerto Rico Code (“New PR Code”), which was approved effective for taxable years starting after December 31, 2011.

The Plan administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Management has evaluated the Plan’s tax positions and concluded that the Plan has maintained its tax-exempt status and has taken no uncertain tax positions that require adjustment to the financial statements.

In Puerto Rico, the tax laws permit examination of the Plan Sponsors’ income tax returns for up to four years after the initial return is filed. The tax years of the Plan Sponsors with respect to the Plan that remain open for examination are from 2019 to 2023.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

FASB's authoritative guidance for reporting purposes requires participant loans to be classified as notes receivable from participants and measured at their unpaid principal balance plus any accrued but unpaid interest. However, notes receivable from participants are considered investments for Form 5500 reporting purposes.

11. SUBSEQUENT EVENTS

The Plan Administrator evaluated subsequent events through April 12, 2024, the date on which the financial statements were available to be issued. There are no other material subsequent events that would require disclosure in the Plan's financial statements.
