| Part I | Service Provider Information (see instructions) |
|--------|-------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

## **Independent Auditors' Report**

To the Administrative Committee of  
Mountain 401(k) Plan  
Prestonsburg, Kentucky

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements**

We have performed an audit of the accompanying financial statements of the Mountain 401(k) Plan, (formerly known as "Mountain Plus Services Retirement Plan") (the "Plan") an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of June 30, 2023 and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements ("2023 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of June 30, 2023, and for the year ended June 30, 2023 stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### **Opinion on the 2023 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2023 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Mountain Plus Services Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Prior Period Financial Statements**

The financial statements as of and for the year ended June 30, 2022, were audited by Strothman and Company, who merged with LBMC, PC as of November 1, 2023. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated April 10, 2023, indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with GAAP, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Responsibilities of Management for the 2023 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2023 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2023 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Other Matter – 2023

The supplemental schedule of assets (held at end of year) as of June 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Mountain 401(k) Plan

June 30, 2023 and 2022

#### Note A--Description of Plan

The following description of the Mountain 401(k) Plan, (formerly known as "Mountain Plus Services Retirement Plan") (the "Plan") provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General--The Plan is a single-employer, 401(k) plan (defined contribution plan), sponsored by Mountain Plus Services, Inc. (the "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility--An employee is eligible to become a participant in the Plan upon the attainment of age 21. Prior to July 1, 2021, an employee was eligible to become a participant in the Plan upon the completion of 500 hours and six months of service, or the completion of one year of service, and the attainment of age 21.

Employee Contributions--Each year, participants may contribute up to 100% of pretax annual compensation as defined in the Plan, subject to Internal Revenue Service ("IRS") limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various investment options for participants. Participants who have attained age 50 before the close of the Plan year are eligible to make catch-up contributions. All newly eligible employees employed on or after July 1, 2021 will be deemed to have made an automatic deferral contribution election in the amount of 3% of their compensation, unless they affirmatively elect not to participate. Effective July 1, 2021, participants have the option to designate all or a portion of their elective deferrals as Roth deferrals. The Plan has an auto-enrollment feature at 3% of pre-tax annual compensation for new hires after July 1, 2021.

Employer Contributions--For employees of Mountain Plus Services, Inc., the Employer makes a matching contribution equal to 100% of the employee's elective deferral each payroll period, not to exceed 5% of the employee's eligible compensation. Employees of Mountain Comprehensive Care Center, Inc. a related entity sharing common ownership and management, are not eligible to receive the employer contributions.

Participant Accounts--Each participant's account is credited with the participant's contributions and allocations of (a) the Employer's contributions, and (b) the Plan's earnings or losses and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Mountain 401(k) Plan

June 30, 2023 and 2022

#### Note A--Description of Plan--Continued

Vesting--Participants are immediately vested in their contributions plus actual earnings thereon. Vesting of Employer contributions excludes service prior to the initial effective date of the plan or a predecessor plan (as defined in Regulations 1.411(a)-5(b)(3)).

Vesting in the Employer's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service as follows:

| <u>Service Years</u> | <u>Vested<br/>Percentage</u> |
|----------------------|------------------------------|
| 1                    | 0%                           |
| 2                    | 25%                          |
| 3                    | 50%                          |
| 4                    | 75%                          |
| 5                    | 100%                         |

Forfeited Accounts--At June 30, 2023 and 2022, forfeited nonvested accounts totaled \$203,898 and \$87,762, respectively. These accounts may be used to reduce future employer contributions or pay Plan expenses. Forfeitures used for the years ended June 30, 2023 and 2022 were \$89,078 and \$23,799 respectively.

Benefits--Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's entire interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In the event of financial hardship, the Plan may allow a participant to withdraw all or any part of the vested portion of the participants account.

Net assets available for benefits include vested amounts allocable to the accounts of person who have withdrawn from participation.

Corrective Distributions Payable--Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability on the statements of net assets available for benefits. This amounted to \$53,791 and \$49,984 of excess contributions as of and for the years ended June 30, 2023 and 2022, respectively. The Plan distributed the 2023 excess contributions to the applicable participants at various dates from December 2023 to February 2024. The Plan distributed the 2022 excess contributions to the applicable participants at various date from December 2022 to February 2023.

## Notes to Financial Statements

### Mountain 401(k) Plan

June 30, 2023 and 2022

#### Note B--Summary of Significant Accounting Policies

The Plan follows generally accepted accounting principles as outlined in the Financial Accounting Standards Board's ("FASB") *Accounting Standards Codification* ("ASC"). Significant accounting policies are as follows:

Basis of Accounting--The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment Valuation and Income Recognition--Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan presents in the accompanying statements of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses on those investments. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments--Benefits are recorded when paid.

Administrative Expenses--Certain administrative services are provided by the Employer at no cost to the Plan and certain administrative costs incurred by the Plan are paid by the Employer.

Use of Estimates--The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Subsequent Events--Events that occur after the statement of net assets available for benefits date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the statement of net assets available for benefits date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the statement of net assets available for benefits date require disclosure in the accompanying notes to the financial statements. Management evaluated the activity of the Plan through April 11, 2024, the date the financial statements were available to be issued.

### Mountain 401(k) Plan

June 30, 2023 and 2022

#### Note C--Summary of Financial Data Certified by the Custodian

The June 30, 2023 and 2022 statements of net assets available for benefits, the investment activities included on the statements of changes in net assets available for benefits for the years then ended, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by Community Trust and Investment Company (the "Custodian") in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The information certified includes total cash and investments of \$13,227,792 and \$9,153,498 at June 30, 2023 and 2022, respectively, interest and dividends of \$263,439 and \$1,093,249 for the years ended June 30, 2023 and 2022, respectively, and net appreciation (depreciation) in fair value of investments of \$1,089,327 and (\$2,825,869) for the years ended June 30, 2023 and 2022, respectively.

#### Note D--Fair Value Measurements

FASB ASC 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1--Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2--Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3--Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

### Note D--Fair Value Measurements--Continued

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for asset's measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

*Money Market Fund:* Valued at quoted price for similar assets at year end in an active market.

*Mutual Funds:* Valued at the net asset value ("NAV") of shares held by the Plan at year end in an active market.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the fair value of investments:

|                                         | Fair Value Measurements Using the following inputs |                   |             |                      |

## Notes to Financial Statements

### **Mountain 401(k) Plan**

June 30, 2023 and 2022

#### **Note D--Fair Value Measurements--Continued**

Gains and losses (realized and unrealized) included in changes in the statements of net assets available for benefits for the years ended June 30, 2023, and 2022, are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended June 30, 2023 and 2022, there were no significant transfers between Level 1 and 2 and no transfers into or out of Level 3.

#### **Note E--Tax Status and Uncertain Tax Positions**

The Employer adopted a non-standardized prototype plan which received a favorable opinion letter from the IRS on June 30, 2020 which stated that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the opinion letter. However, the Plan's Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress

#### **Note F--Termination of the Plan**

Although the Plan has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Employer contributions. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan Administrator may determine.

## Notes to Financial Statements

### **Mountain 401(k) Plan**

June 30, 2023 and 2022

#### **Note G--Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

#### **Note H--Related Party and Party-in-Interest Transactions**

Fees paid by the Plan for investment management and administrative services to Community Trust and Investment Company and Massachusetts Mutual Retirement Services were \$104,829 and \$35,280 for the years ended June 30, 2023 and 2022, respectively.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

#### **Note I--Transfer of Assets into the Plan**

Effective July 1, 2021, Mountain Plus Services merged the assets of Mountain Comprehensive Care Center, Inc.'s 401K Plan into this plan. Assets transferred over were \$263,045.
