INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
401(K) Profit-Sharing Plan for Employees of Jewish Family and
Community Services

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of 401(K) Profit-Sharing Plan for Employees of Jewish Family and Community Services (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP); and
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes at June 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with

GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(K) PROFIT-SHARING PLAN FOR EMPLOYEES OF JEWISH FAMILY AND COMMUNITY SERVICES

NOTES TO FINANCIAL STATEMENTS

1. PLAN DESCRIPTION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of 401(K) Profit-Sharing Plan for Employees of Jewish Family and Community Services (the "Plan") provides only general information. Participants should refer to the plan document, which is amended from time to time to reflect changes in laws applicable to employee benefit plans, for a more complete description of the Plan's provisions.

General - The Plan was established effective July 1, 2000, and restated as recently as January 1, 2022. The Plan is a defined contribution plan qualified under Section 401(k) of the Internal Revenue Code (IRC) and covers substantially all eligible employees of Jewish Family and Community Services (the "Sponsor"), unless specifically excluded, who meet specified age and service requirements. Employees are eligible to participate on the first day of the calendar month after meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in assets and liabilities at the dates of the financial statements and the reported amounts of changes in assets and liabilities available for benefits during the reporting period. Actual results could differ from these estimates.

Contributions - Participants may elect to make pre-tax or after-tax (Roth, effective July 1, 2022) contributions to the Plan of up to 100% of their compensation, subject to certain limitations under the Internal Revenue Code. Employee contributions are recorded in the period during which the Sponsor makes payroll deductions from the participant's earnings. Effective July 1, 2022, new hires are automatically enrolled in the Plan with a contribution rate of 1% of eligible compensation with scheduled increases of 1% on the first day of each subsequent plan year up to a maximum of 4%, except for participants that make an alternative election or decline to participate in the Plan. The Plan also accepts rollover contributions from other qualified plans. Contributions in excess of allowable amounts are reflected as refundable contributions.

The Sponsor may elect to make profit-sharing contributions to the Plan. Profit sharing contributions are allocated to participants in the same proportion as a participant's compensation bears to the total of all participants' compensation. Sponsor profit-sharing contributions are recorded by the Plan for the periods ending June 30 and December 31, if

approved by the Sponsor, at an annual rate of 4% of total eligible participant compensation. Profit sharing contributions were \$175,637 for the year ended June 30, 2023.

Participant Accounts - Participants direct the investment of their account balances and contributions and may change their elections at any time. Each participant's account is credited with the participant's contribution and an allocation of the Sponsor's contribution and Plan earnings. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options - Upon enrollment in the Plan, a participant may direct contributions among various investment options including various mutual funds and Mutual of America's Interest Accumulation Account (see Note 2). Participants may change their investment options at any time.

Vesting - Participants are vested in their voluntary contributions immediately and profit sharing contributions based upon a 1-5 year graded schedule. Effective July 1, 2022, the Plan was amended to define one year of service as 975 service hours.

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 and over	100%

Payment of Benefits - On termination of service due to death, disability, retirement, or other reasons, and subject to certain restrictions, a participant or designated beneficiary may elect to receive either a lump-sum equal to the vested value of his or her account, a rollover to another qualified plan or individual retirement account, or partial withdrawals, subject to applicable tax withholding requirements. Hardship distributions are permitted by the plan, and effective July 1, 2022, QNECs and QMACs are eligible for hardship distributions. All distributions are subject to the provisions of the Plan.

Forfeitures - Forfeitures represent the non-vested benefits remaining in the Plan for all terminated employees. Forfeitures are used to reduce employer matching contributions and pay plan expenses. As of June 30, 2022, forfeitures of \$2,539 were available. During the year ended June 30, 2023, there were additional forfeitures of \$5,978; \$3,746 were used for expenses during the year ended June, 30 2023, leaving an available balance in the forfeitures account at June 30, 2023 of \$4,771. The available forfeiture balance is included in investments on the statements of net assets available for benefits.

Notes Receivable From Participants - The Plan does not permit participant loans.

Administrative Expenses - The Plan's expenses are paid by the Sponsor or by the Plan as provided by the plan agreement.

Investment Valuation and Income Recognition - Investments are carried at their fair value based on published quotations or, in the absence of readily ascertainable market values, at such values as the custodian determines. The Plan presents net appreciation or depreciation in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation or depreciation on these investments, in the statement of changes in assets available for benefits. Gains and losses on securities sold or redeemed are determined on the basis of specific identification. Purchases and sales of securities are recorded on a trade-date basis. Dividend and interest income is recorded as earned.

The guaranteed investment contract is reported at contract value (see Note 2).

Fair Value Measurements - U.S. GAAP establishes a framework for measuring fair value of financial assets. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs are not quoted prices in active markets but they are observable either directly or indirectly.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan invests in mutual funds, which are measured at fair value based upon the quoted market value of the shares held by the Plan at year end (level 1 input). There have been no changes to this methodology at June 30, 2023 and 2022.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan administrator believes its valuation methods are appropriate and consistent with other market participants,

the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting dates.

Risks and Uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent Events - Management has evaluated subsequent events through April 11, 2024, the date which the financial statements were available to be issued.

2. INVESTMENTS

At June 30, 2023 and 2022, investments include an investment contract within Mutual of America's (Mutual) General Account, the Interest Accumulation Account which is a stable value investment with a guaranteed rate of return and a guarantee of principal. The investment is provided through a group annuity contract issued by Mutual to the Plan. Investments in this account are stated at contract value and are considered fully benefit responsive.

Because the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the assets available for benefits attributable to the group annuity contract. Contract value, as reported to the Plan by Mutual, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Under the contract, a fixed interest rate is established at the discretion of Mutual and all assets invested in the Interest Accumulation Account are credited with that rate. Mutual assumes market, credit, and interest rate risks for the assets supporting the Interest Accumulation Account and guarantees principal and credited interest on such allocations. Mutual resets guaranteed rates at their discretion. The average yield earned by the Plan and the average interest rate credited to participants for the year ended June 30, 2023 was 0.925%. Contract values were \$437,891 and \$429,503 at June 30, 2023 and 2022, respectively.

3. CERTIFIED FINANCIAL INFORMATION

The custodian of the Plan has certified that the following data included in the accompanying financial statements is complete and accurate:

- Investments, as shown in the statements of net assets available for benefits as of June 30, 2023 and 2022.

- Net investment income, as shown in the statement of changes in net assets available for benefits for the year ended June 30, 2023.
- The schedule of assets held for investment purposes as of June 30, 2023, as shown on the accompanying schedule.

4. PLAN TERMINATION

Although it has not expressed any intention to do so, the Sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of termination, all participants shall become 100% vested in their accounts. The assets of the Plan will be distributed by the custodian in accordance with the trust agreement in a uniform and nondiscriminatory manner.

5. INCOME TAX STATUS

The Plan is a non-standardized defined contribution plan for which the custodian has obtained a favorable opinion letter dated November 30, 2020 in which the Internal Revenue Service states that the Plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has since been amended, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, the administrator believes that the Plan is qualified and the related trust is tax-exempt.

Management believes that there is no liability related to uncertain tax positions at June 30, 2023 or 2022. The Plan is no longer subject to tax examinations for years prior to 2020.

6. RELATED PARTIES AND PARTIES-IN-INTEREST

Mutual of America serves as the custodian of the Plan and provides access to the Plan's investment options. Accordingly, Mutual of America is considered a party-in-interest under ERISA. All of these transactions are considered exempt party-in-interest transactions under ERISA.

Neither the administrator nor the employees of the Sponsor of the Plan receive any compensation from the Plan.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
