Independent Auditors' Report

To the Board of Directors of
BASIS Educational Group Retirement Plan
Scottsdale, Arizona

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of BASIS Educational Group Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022 and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS EDUCATIONAL GROUP RETIREMENT PLAN

Notes to the Financial Statements

June 30, 2023 and 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of BASIS Educational Group Retirement Plan (the "Plan"), provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established by BASIS Educational Ventures, LLC. (the "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Administration: The plan administrator is responsible for oversight of the Plan. The plan administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Employer's Board of Directors. The Plan's custodian, Vanguard Fiduciary Trust Company ("Vanguard"), is responsible for the custody and management of the Plan's assets and also acts as the third-party administrator who processes and maintains the records of participant data.

Eligibility: Employees become eligible and can contribute elective deferrals on the first day of the calendar month next following the date the employee completes 120 hours of service in a one month period. Employees become eligible to receive Employer contributions once they have completed 780 hours of service in a six month period. Employees will begin receiving Employer contributions on the first day of the first month of the plan year, or, the first day of the seventh month of the plan year coinciding with or next following the date the employee satisfies the eligibility requirements.

Plan Contributions: There are two types of salary deferral options available to participants: Pre-tax 401(k) deferrals and post-tax ROTH 401(k) deferrals. Eligible participants making pre-tax deferrals may contribute a percentage of pretax compensation or a specified dollar amount of pretax compensation, up to the lesser of 90% of their compensation or the maximum allowable under the Internal Revenue Code. Eligible participants making post-tax ROTH deferrals have their deferrals made on an after-tax basis. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation. Bonus compensation is excluded from both participant elective deferral elections and automatic enrollment elections unless a separate additional election for elective deferrals from bonus compensation is made by the participant. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Employer has elected to make safe harbor contributions to the Plan. For the Plan years ended June 30, 2023 and 2022, the safe harbor contributions equal 100% of the first 3% of compensation.

BASIS EDUCATIONAL GROUP RETIREMENT PLAN

Notes to the Financial Statements

June 30, 2023 and 2022

NOTE 1 - DESCRIPTION OF PLAN (continued)

The Employer has elected to make matching contributions to the Plan. For the Plan years ended June 30, 2023 and 2022, the matching contributions for employees who have less than five years of service, equal 50% of the compensation deferred by participants that is between 3% and 5% of compensation. The matching contributions for employees who have five years of service or more, equal 100% of the compensation deferred by participants that is between 3% and 9%. The total amount of matching contributions allocated to a participant considered "highly compensated," as defined, will not exceed 1% of compensation.

The employer may also elect to make non-elective profit share contributions to the Plan. Each plan year the Board of Directors will determine the amount of the employer base contribution (if any) that will be made for all eligible participants. Contributions will be allocated to the accounts of eligible participants on a basis to be determined by the Board of Directors. This employer base contribution will be made whether or not the employee is making contributions. There were no discretionary non-elective profit share contributions to the Plan for the years ended June 30, 2023 and 2022.

Participants direct the investment of contributions into various investment options offered by the Plan.

Participant Accounts: Each participant's account is credited with the participant's contributions, the Employer's contributions, and allocations of Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. Income is allocated daily based on the shares in the participant's account. The benefit to which a participant is entitled is the benefit that can be provided by the participant's account.

Vesting: Participants are immediately 100% vested in their voluntary contributions and any Employer contributions, plus earnings thereon.

Distributions: Upon retirement, disability or death, a participant or beneficiary receives the entire amount credited to the participant's account in either a lump sum or, at the participant's election, in annual installments. Upon termination, other than by retirement, disability, or death, a participant becomes eligible to receive the current value of the participant's vested account in a lump-sum payment.

Notes Receivable from Participants: Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance held with Vanguard. Principal and interest is repaid ratably through payroll deductions. Note terms are up to five years, except for notes to fund the purchase of a principal residence, for which the note may be repaid over a reasonable period that may exceed five years. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the plan administrator. At June 30, 2023 and 2022, the interest rate charged was 8.25% and 3.25%, respectively. Delinquent notes receivable are reclassified as distributions based upon the terms of the plan document.

BASIS EDUCATIONAL GROUP RETIREMENT PLAN

Notes to the Financial Statements

June 30, 2023 and 2022

NOTE 1 - DESCRIPTION OF PLAN (continued)

Forfeited Accounts: At June 30, 2023 and 2022, the balance of forfeited non-vested accounts resulting from overpayments of Employer contributions totaled \$8,855 and \$3,164, respectively. For the years ended June 30, 2023 and 2022, there were \$0 in forfeitures used to reduce employer administrative expenses to the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared on the accrual basis of accounting, except for the distributions paid to participants, which are presented on the cash basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of certain assets, liabilities, and disclosures. Accordingly, the actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments consists of the realized gains or losses and the unrealized appreciation or depreciation of those investments.

Distributions: Distributions are recorded when paid. At June 30, 2023 and 2022, there were no benefits processed and approved for payment, but not paid.

Expenses: Certain administrative expenses of the Plan may be paid by the Employer. Other expenses may be paid from Plan assets and are deducted from participant accounts in accordance with the plan document.

NOTE 3 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN CUSTODIAN

Vanguard, the custodian, has reported and certified as to the completeness and accuracy of the investment information for purposes of preparing the financial statements and supplemental schedule related thereto. This information includes investments held and notes receivable from participants at June 30, 2023 and 2022 and net appreciation/(depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended June 30, 2023. In accordance with the procedures stated in 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the audit of an independent public accountant need not extend to any statement or information prepared and certified by the custodian. The plan administrator, therefore, has instructed the independent public accountants to exclude the information certified by the custodian from the scope of their audit.

NOTE 5 - FAIR VALUE MEASUREMENTS

The Plan applies FASB Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*. FASB ASC 820 provides the framework for measuring fair value and the disclosures about fair value measurements of assets and liabilities. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 5 - FAIR VALUE MEASUREMENTS (continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

Mutual Funds: Investments in the funds are valued at the NAV per share at the close of each business day as reported by each fund, which values its securities at fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023 and 2022:

Investments at fair value as of June 30, 2023:

Investment Type	Total	Level I	Level II	Level III
Mutual funds	<u>\$ 75,650,991</u>	<u>\$ 75,650,991</u>		
Total investments at fair value	<u>\$ 75,650,991</u>	<u>\$ 75,650,991</u>		

Investments at fair value as of June 30, 2022:

Investment Type	Total	Level I	Level II	Level III
Mutual funds	<u>\$ 61,260,519</u>	<u>\$ 61,260,519</u>		
Total investments at fair value	<u>\$ 61,260,519</u>	<u>\$ 61,260,519</u>		

NOTE 6 - PLAN TAX STATUS

The Plan has not requested a determination letter or tax ruling from the Internal Revenue Service that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan's trustee has furnished the Plan with an opinion letter dated June 30, 2020, relating to their Prototype Non-Standardized Profit Sharing Plan. Plan management believes the Plan is currently designed and operated in compliance with applicable requirements of the Internal Revenue Code.

NOTE 6 - PLAN TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

NOTE 8 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Plan investments are with Vanguard, who is the custodian as defined by the Plan. Any purchases and sales of these funds are done in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Fees paid by the Plan to Vanguard and related companies for investment management, are deducted from earnings and included in the statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments. Other administrative fees are paid by the Employer on behalf of the Plan.

NOTE 9 - SUBSEQUENT EVENTS

The Plan evaluated all events or transactions that occurred after June 30, 2023, through April 8, 2024, the date the Plan issued these financial statements.
