Opinion

We have audited the accompanying financial statements of the Health Benefit Plan for the Employees of Southwest LTC, Ltd., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in benefit obligations and net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the benefit obligations and net assets available for benefits of the Health Benefit Plan for the Employees of Southwest LTC, Ltd. as of June 30, 2023 and 2022, and the changes in its benefit obligations and net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Health Benefit Plan for the Employees of Southwest LTC, Ltd. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Health Benefit Plan for the Employees of Southwest LTC, Ltd.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

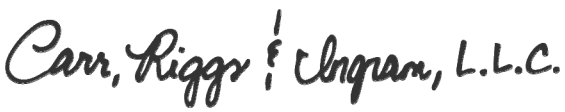

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Health Benefit Plan for the Employees of Southwest LTC, Ltd.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Health Benefit Plan for the Employees of Southwest LTC, Ltd.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1: DESCRIPTION OF THE PLAN

The following description of the Health Benefit Plan for the Employees of Southwest LTC, Ltd. (the Plan) provides only general information. Refer to Plan documents for a more complete description of Plan provisions.

General

Southwest LTC, Ltd. (the "Company" or "Sponsor") established the Plan and related trust effective as of June 1, 2007. The Plan is a defined contribution health and death benefits plan covering full-time active employees of the Company who elect to participate, and their covered dependents. The Plan is subject to the provisions of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan.

Effective July 1, 2022, the Plan document was restated primarily to incorporate all previous plan amendments. The restated Plan document did not have a significant effect on Plan provisions; however, it changed the name of the Plan to the "Health Benefit Plan for the Employees of Southwest LTC, Ltd."

Some administrative functions are performed by employees of the Sponsor. No compensation is remitted to the Sponsor for these services.

Eligibility

Employees may become a participant of the Plan when they have reached 60-days of service and work at least 30 hours per week. Dependent coverage is available at the election of the participant. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Benefits

The Plan provides health benefits (medical, hospital, surgical, major medical, and prescription drugs) and death benefits to eligible participants. Health claims of active participants are processed by IMS Marketing, Inc. (IMS), but the responsibility for payments to participants and providers is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Contributions

The Sponsor and participants contribute specified amounts based on applicable monthly premiums for the respective benefit elections of the participants. COBRA contribution amounts are determined annually by the Plan's actuary. Employees may contribute specified amounts, determined annually by management in conjunction with the Plan's actuary, to extend coverage to eligible dependents.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured medical and prescription benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

Use of Estimates

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, benefit obligations and changes therein, health claims incurred but not reported (IBNR), claims payable and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits at commercial banks.

Restricted Cash

Amounts included in restricted cash represent those required to be set aside by the Plan's agreement with IMS for the settlement of claims payable.

Receivables

Receivables represent amounts owed to the Plan for sponsor contributions, participant contributions, stop-loss insurance reimbursements receivable, and refunds, which are expected to be collected within twelve months. Receivables are presented in the statements of benefit obligations and net assets available for benefits net of an allowance for doubtful accounts. At June 30, 2023 and 2022, Plan management considered all receivables to be fully collectible; accordingly, no allowance for doubtful accounts was required.

Benefit Payments

Health claims submitted and approved for payment are processed by IMS and paid from the Plan's cash restricted for settlement of claims payable.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Refunds

Refunds due from the Plan's Pharmacy Benefits Manager are recorded when earned. Pharmacy rebates totaling $53,778 and $299,889 have been netted with claims paid in the accompanying statements of changes in benefit obligations and net assets available for benefits for the years ended June 30, 2023 and 2022, respectively.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

Estimated Health Claims Incurred But Not Reported

Plan obligations for health claims incurred but not reported are estimated by the Plan's management based on information provided by the Plan's actuary. The Plan's actuary prepares their estimate in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrator. These amounts are paid by the Plan only if claims are submitted and approved for payment.

Stop-Loss Insurance

Insurance coverage consists of medical specific and aggregate stop-loss. The Plan has split funded specific stop-loss insurance, which provides coverage on individual claims paid in excess of a $150,000 deductible per person in the years of coverage for 2023 and 2022. For the 2023 and 2022 years of coverage, the first $100,000 of aggregate claims in excess of specific stop-loss deductibles are reimbursed by the carrier, the next $118,000, in excess of deductibles is the responsibility of the Plan, and amounts in excess of $218,000, are reimbursed by the carrier. The maximum coverage for specific insurance is unlimited for the 2023 and 2022 Plan years for any one covered individual's lifetime. Aggregate stop-loss insurance provides coverage on aggregate claims paid based on an aggregate monthly factor and the number of covered units. The maximum coverage for aggregate insurance is $1,000,000 for 2023 and 2022.

Premiums for stop-loss insurance are included in insurance in the accompanying statements of changes in benefit obligations and net assets available for benefits. For the years ended June 30, 2023 and 2022, stop-loss refunds totaling $4,027 and $100,000, respectively, have been netted with claims paid in the accompanying statements of changes in benefit obligations and net assets available for benefits.

Expenses

Expenses attributable to the general Plan administration were paid by the Plan. For the years ended June 30, 2023 and 2022, the Plan paid $207,117 and $234,607, respectively, in third-party administration fees to IMS which are included in service fees in the accompanying financial statements.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, April 11, 2024 and determined there were no events that occurred that required disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Note 3: TAX STATUS

On June 1, 2007, the Plan Sponsor established a trust which was created for the sole purpose of providing health and welfare benefits to eligible participants of the Plan. The Plan has not applied for tax exempt status pursuant to Section 501(c)(9) of the Internal Revenue Code. Management is continuing the Plan as a taxable trust. The Plan has no taxable income for the years ended June 30, 2023 and 2022; therefore, no provision for income tax expense was provided for the years ending June 30, 2023 and 2022.

Tax positions are recognized only if it is “more likely than not” that the tax position be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax position is recorded. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4: CONCENTRATIONS

Financial instruments that subject the Plan to concentrations of credit risk consist principally of cash and cash equivalents. The Plan has cash deposits with financial institutions at June 30, 2023 and 2022 in excess of federally insured limits of $0 and $56,080, respectively.

Note 5: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

As described in Notes 1 and 2, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

Note 6: PLAN TERMINATION

Although the Plan has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to, and contributions required of, participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits. No assets of the Plan may revert to the Plan Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 7: UNCERTAINTIES

Plan obligations for health claims in process and claims incurred but not reported are estimated by the Plan's management. These amounts are paid by the Plan only if claims are submitted and approved for payment. The reserve was developed using processed claims through January 31, 2024, adjusted by expected completion factors, and then subtracting paid claims and claims expected to be recovered under specific stop-loss contracts from the incurred claims estimate. The expected completion factors were derived from the Plan's claim experience. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.
