Cantaloupe, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Cantaloupe, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of June 30, 2023 and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of Delinquent Participant Contributions for the Year Ended June 30, 2023 and supplemental schedule of Assets (Held at End of Year) as of June 30, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated April 17, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022

supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of Plan

The following description of the Cantaloupe, Inc. 401(k) Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was established effective July 1, 1997 covering all eligible employees of USA Technologies, Inc. (the "Plan Sponsor"). Effective April 15, 2021, the Plan Sponsor amended and restated its articles of incorporation to change its name from USA Technologies, Inc. to Cantaloupe, Inc. and effective July 1, 2021, the Plan changed its name to Cantaloupe, Inc. 401(k) Plan.

There is no age and service requirement to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Once eligible, participants may enroll in the Plan and change their deferral at any time subject to certain Internal Revenue Code ("IRC") limitations. Each year, participants may contribute up to 100 percent of their eligible compensation, as defined in the Plan. These deferrals may be made as either pretax or Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor may contribute a discretionary matching contribution or a discretionary profit-sharing contribution to the Plan. The matching or profit-sharing contributions may be established at any level or omitted if so chosen. The Plan Sponsor may also elect to contribute a safe harbor matching contribution for any Plan Year. The safe harbor matching contribution will be equal to 100 percent of the participant's contribution up to the first three percent of compensation and 50 percent of the next two percent of compensation. During the year ended June 30, 2023, the Plan Sponsor elected to make a safe harbor matching contribution to the Plan. No discretionary matching contribution or profit-sharing contribution was made to the Plan. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Plan Sponsor's contributions (matching, profit sharing and safe harbor matching), as well as allocations of Plan earnings. Participant accounts are charged with withdrawals and an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Cantaloupe, Inc. 401(k) Plan

Notes to Financial Statements

Vesting and Forfeitures

Participants are vested immediately in their contributions and the Plan Sponsor's safe harbor matching contributions plus actual earnings thereon. A participant is 100 percent vested in the Plan Sponsor's matching and profit-sharing contributions after one year of credited service.

Forfeitures resulting from the non-vested portion of the Plan Sponsor's contributions shall be used to restore account balances, used to pay Plan expenses or used to reduce future Plan Sponsor contributions. There was no forfeiture balance as of June 30, 2023 and 2022.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at prime plus 1 percent at the date of origination. There is no maximum number of loans at any time. Payments (principal and interest) are made through payroll deduction from each regular paycheck over a period of 5 years or less with the exception of loans to purchase a primary residence, which may have a longer term.

Benefits Paid to Participants

On termination of service due to death, disability, retirement, or other reasons, a participant or his or her beneficiary will receive a lump sum payment equal to the value of the participant's vested interest in his or her account. Additionally, if the participant reaches age 59 ½, or under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reports amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (see Note 4). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Cantaloupe, Inc. 401(k) Plan

Notes to Financial Statements

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are recorded as distributions based on the terms of the plan document.

Benefits Paid to Participants

Benefits payments to participants are recorded upon distribution. There were no participants, who elected to withdraw from the Plan, but had not yet been paid at June 30, 2023 and 2022, respectively.

Administrative Expenses

Certain officers of the Plan Sponsor act as the trustees and the Plan Sponsor has contracted with John Hancock Life Insurance Company (U.S.A.) (“John Hancock”) to act as the insurance company and a third-party administrator to process and maintain the records of participant data.

Administrative expenses incurred for administering the Plan are paid by the Plan Sponsor or the Plan, as provided in the Plan document. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Participants also pay administrative costs for loans, distributions and qualified domestic relation orders.

Excess Contributions Payable

The Plan is required to return contributions received during the Plan year in excess of the IRC limits. There were no excess contributions due to participants as of June 30, 2023 and 2022.

3. Certified Investment Information

Information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule of assets (held at end of year), including investments and notes receivable from participants held at June 30, 2023 and 2022, and net appreciation in fair value of investments and interest income on notes receivable from participants for the year ended June 30, 2023, was prepared by or derived from information prepared by John Hancock, the insurance company of the Plan and furnished to the Plan administrator. The Plan administrator has obtained certifications from the insurance company that such information is complete and accurate.

4. Fair Value Measurements

Accounting Standard Codification 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Cantaloupe, Inc. 401(k) Plan

Notes to Financial Statements

Pooled separate accounts are valued based on the net asset value (“NAV”) of the units held by the Plan at the end of the year. The NAV is determined by John Hancock and is not publicly quoted. The NAV is primarily based on the quoted market prices of the underlying investments held in the account and is adjusted for liabilities and fees. The NAV per unit is used as the practical expedient to estimate fair value. In accordance with GAAP, the pooled separate accounts using NAV as the practical expedient to measure fair value have not been classified in the fair value hierarchy. The fair value of the pooled separate accounts as of June 30, 2023 and 2022, is \$15,275,726 and 11,367,636, respectively.

Fair Value of Investments that Calculate NAV

The following table summarizes the pooled separate accounts measured at fair value based on NAV per unit as of June 30, 2023 and 2022.

Investment Strategy	Fair Value at June 30, 2023	Fair Value at June 30, 2022	Redemption Frequency	Redemption Notice Period
Asset allocation	\$ 10,751,346	\$ 7,759,095	Daily+1	Daily
Equity	4,179,157	3,367,429	Daily+1	Daily
Fixed income	345,223	241,112	Daily+1	Daily

There are no unfunded commitments. Participants may redeem their investments daily and all redemptions are settled one day after redemption notice.

5. Tax Status

Effective July 1, 2021, the Plan has adopted a non-standardized pre-approved profit-sharing plan that received an opinion letter from the IRS dated June 30, 2020, which states that the document satisfies the applicable provisions of the IRC.

Although the non-standardized pre-approved profit-sharing plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan itself has not received a determination letter from the IRS, however the Plan administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC, and therefore no provision for income tax has been included in the Plan’s financial statements.

6. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their accounts.

Cantaloupe, Inc. 401(k) Plan

Notes to Financial Statements

7. Related-party Transactions and Exempt Party-In-Interest Transactions

John Hancock manages certain Plan investments. Therefore, these transactions qualify as exempt party-in-interest transactions. Notes receivable from participants also qualify as exempt party-in-interest transactions.

Fees paid by the Plan for investment management services are included as a reduction of the return earned on each pooled separate account. Fees paid by the Plan for certain record keeping services and administrative services amounted to \$79,487 for the year ended June 30, 2023. Certain employees of the Plan Sponsor who are involved in the administration of the Plan are participants in the Plan. No such employees receive compensation from the Plan.

8. Risks and Uncertainties

The Plan provides various investment options to its participants. Investment securities are exposed to various risks, such as, interest rate, credit and market risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near future and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

9. Late Remittances

During the year ended June 30, 2023, participant contributions and loan repayments totaling \$2,913, were not remitted by the Plan Sponsor within the appropriate time period as prescribed by the Department of Labor Regulations. These transactions constitute prohibited transactions as defined by ERISA.

10. Subsequent Events

The Plan has evaluated subsequent events through April 15, 2024, the date the financial statements were available to be issued. No events occurred that require additional disclosure or adjustments to the Plan's financial statements.
