Independent Auditor's Report

Plan Administrator
Hitachi Astemo Indiana, Inc. Savings & Retirement Plan
Greenfield, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hitachi Astemo Indiana, Inc. Savings & Retirement Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and December 31, 2022, and the related statements of changes in net assets available for benefits for the period January 1, 2023 through June 30, 2023 and the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and December 31, 2022, and for the periods then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Hitachi Astemo Indiana, Inc. Savings & Retirement Plan

Notes to Financial Statements

June 30, 2023 and December 31, 2022

Note 1: Description of the Plan

General

The following description of the Hitachi Astemo Indiana, Inc. Savings & Retirement Plan (Plan) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

The Plan is a defined-contribution plan sponsored by Hitachi Astemo Indiana, Inc. (Company) for the benefit of its employees who have attained the age of 18 and met eligibility requirements. There is no service requirement for participation in the Plan, but there is a one-year service requirement to receive employer contributions. Participating employers in the Plan include Hitachi Astemo Greenfield, LLC and Hitachi Astemo Capac, LLC. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Effective January 1, 2022, the Plan was amended to change its name from Keihin North America, Inc. Savings and Retirement Plan to Hitachi Astemo Indiana, Inc. Savings and Retirement Plan. This amendment did not change any provisions of the Plan. Due to the Capac plant no longer existing, Hitachi Astemo Capac, LLC was also removed from being a participating employer.

Through April 1, 2022, Prudential Bank & Trust, FSB (Prudential) served as the trustee of the Plan and Prudential Retirement Insurance and Annuity Company (PRIAC) served as trustee for the Principal Preservation Separate Account. Effective April 1, 2022, Empower Annuity Insurance Company of America (Empower) acquired Prudential Bank & Trust, FSB and Prudential Retirement Insurance and Annuity Company and became the trustee of the Plan.

Effective July 1, 2023, the Plan merged into the Hitachi Employee 401(k) Retirement Plan. Assets were valued as of June 30, 2023 before the transfer. The blackout period was from June 27, 2023 to July 23, 2023. During this period, participants were unable to direct, diversify, or withdrawal the assets held in their accounts. No assets were left in the Hitachi Astemo Indiana, Inc. Savings & Retirement Plan after this merger. The final period of reporting for the Plan is the period January 1, 2023 through June 30, 2023.

Contributions

The Plan permits eligible employees through a salary deferral election to make annual contributions of up to 90% of eligible compensation. Employee rollover contributions are also permitted.

The Company makes matching contributions of 100% of the employees' salary deferral up to 3% of employees' compensation and 50% of the next 3% of the employees' salary deferral. Company profit-sharing contributions are discretionary as determined by the Company's Board of Directors.

Hitachi Astemo Indiana, Inc. Savings & Retirement Plan

Notes to Financial Statements June 30, 2023 and December 31, 2022

There were no profit-sharing contributions for the period ended June 30, 2023 and year ended December 31, 2022. Contributions are subject to certain limitations.

The Plan Document also includes an automatic deferral feature whereby a participant is treated as electing to defer 3% of eligible compensation, unless the participant made an affirmative election otherwise.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing contributions into any of the investment options and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and Company contributions, plus earnings thereon.

Payment of Benefits

Upon termination of service, a participant may elect to receive a lump-sum amount or periodic installment payments equal to the value of his account. Withdrawals other than for termination, such as hardship withdrawals, are permitted under circumstances provided by the Plan.

Notes Receivable From Participants

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. The minimum amount of a loan shall be \$1,000. The maximum amount of a participant's loans is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings unless the participant is paying the loan in full. Interest on the loans is based on local prevailing rates as determined by the Plan Administrator.

Notes receivable from participants are reported at the amortized principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Plan Termination

Although the Plan did not terminate, the Plan merged into the Hitachi Employee 401(k) Retirement Plan effective July 1, 2023.

Notes to Financial Statements June 30, 2023 and December 31, 2022

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual method of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contracts, which are reported at contract value). Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end. The pooled separate accounts are valued at estimated fair value as provided by Empower (formerly Prudential Retirement Insurance and Annuity Company). The Plan's interest in the common collective trust is valued based on information reported by the investment advisor using the audited financial statements of the collective trust at year end.

The fully benefit-responsive investment contract is valued at contract value. Contract value represents contributions made under the contract, plus interest at the contract rate, less participant withdrawals and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan Tax Status

The Plan operates under a 401(k)/profit sharing non-standardized plan agreement sponsored by Empower Retirement, LLC (formerly The Prudential Insurance Company of America). This prototype plan document has been filed with the appropriate agency. The Plan has not obtained an individual determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Hitachi Astemo Indiana, Inc. Savings & Retirement Plan

Notes to Financial Statements

June 30, 2023 and December 31, 2022

Investment Contract With Insurance Company

The Plan entered into a fully benefit-responsive group annuity insurance product with Prudential Retirement Insurance and Annuity Company (PRIAC). PRIAC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Principal Preservation Separate Account (PPSA) issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan.

As described in the basis of accounting disclosure, because the PPSA is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity insurance product. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise.

Effective October 3, 2022, PRIAC was renamed Empower Annuity Insurance Company.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The group annuity insurance product is a traditional investment contract and permits the insurance company or Plan to terminate the agreement prior to the scheduled maturity date under certain circumstances.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the employers or the Plan, at the Company's discretion.

Notes to Financial Statements

June 30, 2023 and December 31, 2022

Note 3: Certification of Plan Trustees

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company, Prudential Bank & Trust, FSB, and Prudential Retirement Insurance and Annuity Company, qualified institutions, have certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits and related disclosures as of June 30, 2023 and December 31, 2022
- Investment income (loss) and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the period ended June 30, 2023 and year ended December 31, 2022

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4: Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

Hitachi Astemo Indiana, Inc. Savings & Retirement Plan

Notes to Financial Statements June 30, 2023 and December 31, 2022

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level with the fair value hierarchy in which the fair value measurements fall at December 31, 2022.

	Fair Value	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2022				
Mutual funds	\$ 77,657,095	\$ 77,657,095	\$ -	\$ -
Pooled separate accounts	7,982,361	-	7,982,361	-
Common collective trust	6,809,086	-	6,809,086	-
	<u>\$ 92,448,542</u>	<u>\$ 77,657,095</u>	<u>\$ 14,791,447</u>	<u>\$ -</u>

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the period ended June 30, 2023 and the year ended December 31, 2022. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Hitachi Astemo Indiana, Inc. Savings & Retirement Plan

Notes to Financial Statements June 30, 2023 and December 31, 2022

The methods of valuation described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 5: Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

Certain Plan investments are shares of mutual funds and a group annuity insurance contract managed by Empower (formerly Prudential and PRIAC), which are the trustees as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of investments.

The Plan invests in certain funds of the Plan trustee. The Plan paid \$146,336 and \$296,293 of recordkeeping and investment advisory fees to parties-in-interest during the period ended June 30, 2023 and the year ended December 31, 2022, respectively. The Company provides certain administrative services at no cost to the Plan.

Note 6: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7: Subsequent Events

Subsequent events have been evaluated through March 15, 2024, which is the date the financial statements were available to be issued.

Independent Auditor's Report

Plan Administrator
Hitachi Astemo Indiana, Inc. Savings & Retirement Plan
Greenfield, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hitachi Astemo Indiana, Inc. Savings & Retirement Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and December 31, 2022, and the related statements of changes in net assets available for benefits for the period January 1, 2023 through June 30, 2023 and the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and December 31, 2022, and for the periods then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Hitachi Astemo Indiana, Inc. Savings & Retirement Plan

Notes to Financial Statements

June 30, 2023 and December 31, 2022

Note 1: Description of the Plan

General

The following description of the Hitachi Astemo Indiana, Inc. Savings & Retirement Plan (Plan) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

The Plan is a defined-contribution plan sponsored by Hitachi Astemo Indiana, Inc. (Company) for the benefit of its employees who have attained the age of 18 and met eligibility requirements. There is no service requirement for participation in the Plan, but there is a one-year service requirement to receive employer contributions. Participating employers in the Plan include Hitachi Astemo Greenfield, LLC and Hitachi Astemo Capac, LLC. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Effective January 1, 2022, the Plan was amended to change its name from Keihin North America, Inc. Savings and Retirement Plan to Hitachi Astemo Indiana, Inc. Savings and Retirement Plan. This amendment did not change any provisions of the Plan. Due to the Capac plant no longer existing, Hitachi Astemo Capac, LLC was also removed from being a participating employer.

Through April 1, 2022, Prudential Bank & Trust, FSB (Prudential) served as the trustee of the Plan and Prudential Retirement Insurance and Annuity Company (PRIAC) served as trustee for the Principal Preservation Separate Account. Effective April 1, 2022, Empower Annuity Insurance Company of America (Empower) acquired Prudential Bank & Trust, FSB and Prudential Retirement Insurance and Annuity Company and became the trustee of the Plan.

Effective July 1, 2023, the Plan merged into the Hitachi Employee 401(k) Retirement Plan. Assets were valued as of June 30, 2023 before the transfer. The blackout period was from June 27, 2023 to July 23, 2023. During this period, participants were unable to direct, diversify, or withdrawal the assets held in their accounts. No assets were left in the Hitachi Astemo Indiana, Inc. Savings & Retirement Plan after this merger. The final period of reporting for the Plan is the period January 1, 2023 through June 30, 2023.

Contributions

The Plan permits eligible employees through a salary deferral election to make annual contributions of up to 90% of eligible compensation. Employee rollover contributions are also permitted.

The Company makes matching contributions of 100% of the employees' salary deferral up to 3% of employees' compensation and 50% of the next 3% of the employees' salary deferral. Company profit-sharing contributions are discretionary as determined by the Company's Board of Directors.

Hitachi Astemo Indiana, Inc. Savings & Retirement Plan

Notes to Financial Statements June 30, 2023 and December 31, 2022

There were no profit-sharing contributions for the period ended June 30, 2023 and year ended December 31, 2022. Contributions are subject to certain limitations.

The Plan Document also includes an automatic deferral feature whereby a participant is treated as electing to defer 3% of eligible compensation, unless the participant made an affirmative election otherwise.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing contributions into any of the investment options and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and Company contributions, plus earnings thereon.

Payment of Benefits

Upon termination of service, a participant may elect to receive a lump-sum amount or periodic installment payments equal to the value of his account. Withdrawals other than for termination, such as hardship withdrawals, are permitted under circumstances provided by the Plan.

Notes Receivable From Participants

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. The minimum amount of a loan shall be \$1,000. The maximum amount of a participant's loans is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings unless the participant is paying the loan in full. Interest on the loans is based on local prevailing rates as determined by the Plan Administrator.

Notes receivable from participants are reported at the amortized principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Plan Termination

Although the Plan did not terminate, the Plan merged into the Hitachi Employee 401(k) Retirement Plan effective July 1, 2023.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual method of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contracts, which are reported at contract value). Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end. The pooled separate accounts are valued at estimated fair value as provided by Empower (formerly Prudential Retirement Insurance and Annuity Company). The Plan's interest in the common collective trust is valued based on information reported by the investment advisor using the audited financial statements of the collective trust at year end.

The fully benefit-responsive investment contract is valued at contract value. Contract value represents contributions made under the contract, plus interest at the contract rate, less participant withdrawals and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan Tax Status

The Plan operates under a 401(k)/profit sharing non-standardized plan agreement sponsored by Empower Retirement, LLC (formerly The Prudential Insurance Company of America). This prototype plan document has been filed with the appropriate agency. The Plan has not obtained an individual determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Hitachi Astemo Indiana, Inc. Savings & Retirement Plan

Notes to Financial Statements

June 30, 2023 and December 31, 2022

Investment Contract With Insurance Company

The Plan entered into a fully benefit-responsive group annuity insurance product with Prudential Retirement Insurance and Annuity Company (PRIAC). PRIAC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Principal Preservation Separate Account (PPSA) issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan.

As described in the basis of accounting disclosure, because the PPSA is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity insurance product. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise.

Effective October 3, 2022, PRIAC was renamed Empower Annuity Insurance Company.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The group annuity insurance product is a traditional investment contract and permits the insurance company or Plan to terminate the agreement prior to the scheduled maturity date under certain circumstances.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the employers or the Plan, at the Company's discretion.

Note 3: Certification of Plan Trustees

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company, Prudential Bank & Trust, FSB, and Prudential Retirement Insurance and Annuity Company, qualified institutions, have certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits and related disclosures as of June 30, 2023 and December 31, 2022
- Investment income (loss) and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the period ended June 30, 2023 and year ended December 31, 2022

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4: Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

Hitachi Astemo Indiana, Inc. Savings & Retirement Plan

Notes to Financial Statements June 30, 2023 and December 31, 2022

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level with the fair value hierarchy in which the fair value measurements fall at December 31, 2022.

	Fair Value	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2022				
Mutual funds	\$ 77,657,095	\$ 77,657,095	\$ -	\$ -
Pooled separate accounts	7,982,361	-	7,982,361	-
Common collective trust	6,809,086	-	6,809,086	-
	<u>\$ 92,448,542</u>	<u>\$ 77,657,095</u>	<u>\$ 14,791,447</u>	<u>\$ -</u>

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the period ended June 30, 2023 and the year ended December 31, 2022. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Hitachi Astemo Indiana, Inc. Savings & Retirement Plan

Notes to Financial Statements

June 30, 2023 and December 31, 2022

The methods of valuation described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 5: Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

Certain Plan investments are shares of mutual funds and a group annuity insurance contract managed by Empower (formerly Prudential and PRIAC), which are the trustees as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of investments.

The Plan invests in certain funds of the Plan trustee. The Plan paid \$146,336 and \$296,293 of recordkeeping and investment advisory fees to parties-in-interest during the period ended June 30, 2023 and the year ended December 31, 2022, respectively. The Company provides certain administrative services at no cost to the Plan.

Note 6: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7: Subsequent Events

Subsequent events have been evaluated through March 15, 2024, which is the date the financial statements were available to be issued.

Independent Auditor's Report

Plan Administrator
Hitachi Astemo Indiana, Inc. Savings & Retirement Plan
Greenfield, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hitachi Astemo Indiana, Inc. Savings & Retirement Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and December 31, 2022, and the related statements of changes in net assets available for benefits for the period January 1, 2023 through June 30, 2023 and the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and December 31, 2022, and for the periods then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Hitachi Astemo Indiana, Inc. Savings & Retirement Plan

Notes to Financial Statements

June 30, 2023 and December 31, 2022

Note 1: Description of the Plan

General

The following description of the Hitachi Astemo Indiana, Inc. Savings & Retirement Plan (Plan) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

The Plan is a defined-contribution plan sponsored by Hitachi Astemo Indiana, Inc. (Company) for the benefit of its employees who have attained the age of 18 and met eligibility requirements. There is no service requirement for participation in the Plan, but there is a one-year service requirement to receive employer contributions. Participating employers in the Plan include Hitachi Astemo Greenfield, LLC and Hitachi Astemo Capac, LLC. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Effective January 1, 2022, the Plan was amended to change its name from Keihin North America, Inc. Savings and Retirement Plan to Hitachi Astemo Indiana, Inc. Savings and Retirement Plan. This amendment did not change any provisions of the Plan. Due to the Capac plant no longer existing, Hitachi Astemo Capac, LLC was also removed from being a participating employer.

Through April 1, 2022, Prudential Bank & Trust, FSB (Prudential) served as the trustee of the Plan and Prudential Retirement Insurance and Annuity Company (PRIAC) served as trustee for the Principal Preservation Separate Account. Effective April 1, 2022, Empower Annuity Insurance Company of America (Empower) acquired Prudential Bank & Trust, FSB and Prudential Retirement Insurance and Annuity Company and became the trustee of the Plan.

Effective July 1, 2023, the Plan merged into the Hitachi Employee 401(k) Retirement Plan. Assets were valued as of June 30, 2023 before the transfer. The blackout period was from June 27, 2023 to July 23, 2023. During this period, participants were unable to direct, diversify, or withdrawal the assets held in their accounts. No assets were left in the Hitachi Astemo Indiana, Inc. Savings & Retirement Plan after this merger. The final period of reporting for the Plan is the period January 1, 2023 through June 30, 2023.

Contributions

The Plan permits eligible employees through a salary deferral election to make annual contributions of up to 90% of eligible compensation. Employee rollover contributions are also permitted.

The Company makes matching contributions of 100% of the employees' salary deferral up to 3% of employees' compensation and 50% of the next 3% of the employees' salary deferral. Company profit-sharing contributions are discretionary as determined by the Company's Board of Directors.

Hitachi Astemo Indiana, Inc. Savings & Retirement Plan

Notes to Financial Statements June 30, 2023 and December 31, 2022

There were no profit-sharing contributions for the period ended June 30, 2023 and year ended December 31, 2022. Contributions are subject to certain limitations.

The Plan Document also includes an automatic deferral feature whereby a participant is treated as electing to defer 3% of eligible compensation, unless the participant made an affirmative election otherwise.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing contributions into any of the investment options and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and Company contributions, plus earnings thereon.

Payment of Benefits

Upon termination of service, a participant may elect to receive a lump-sum amount or periodic installment payments equal to the value of his account. Withdrawals other than for termination, such as hardship withdrawals, are permitted under circumstances provided by the Plan.

Notes Receivable From Participants

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. The minimum amount of a loan shall be \$1,000. The maximum amount of a participant's loans is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings unless the participant is paying the loan in full. Interest on the loans is based on local prevailing rates as determined by the Plan Administrator.

Notes receivable from participants are reported at the amortized principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Plan Termination

Although the Plan did not terminate, the Plan merged into the Hitachi Employee 401(k) Retirement Plan effective July 1, 2023.

Hitachi Astemo Indiana, Inc. Savings & Retirement Plan

Notes to Financial Statements June 30, 2023 and December 31, 2022

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual method of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contracts, which are reported at contract value). Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end. The pooled separate accounts are valued at estimated fair value as provided by Empower (formerly Prudential Retirement Insurance and Annuity Company). The Plan's interest in the common collective trust is valued based on information reported by the investment advisor using the audited financial statements of the collective trust at year end.

The fully benefit-responsive investment contract is valued at contract value. Contract value represents contributions made under the contract, plus interest at the contract rate, less participant withdrawals and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan Tax Status

The Plan operates under a 401(k)/profit sharing non-standardized plan agreement sponsored by Empower Retirement, LLC (formerly The Prudential Insurance Company of America). This prototype plan document has been filed with the appropriate agency. The Plan has not obtained an individual determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Hitachi Astemo Indiana, Inc. Savings & Retirement Plan

Notes to Financial Statements

June 30, 2023 and December 31, 2022

Investment Contract With Insurance Company

The Plan entered into a fully benefit-responsive group annuity insurance product with Prudential Retirement Insurance and Annuity Company (PRIAC). PRIAC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Principal Preservation Separate Account (PPSA) issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan.

As described in the basis of accounting disclosure, because the PPSA is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity insurance product. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise.

Effective October 3, 2022, PRIAC was renamed Empower Annuity Insurance Company.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The group annuity insurance product is a traditional investment contract and permits the insurance company or Plan to terminate the agreement prior to the scheduled maturity date under certain circumstances.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the employers or the Plan, at the Company's discretion.

Note 3: Certification of Plan Trustees

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company, Prudential Bank & Trust, FSB, and Prudential Retirement Insurance and Annuity Company, qualified institutions, have certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits and related disclosures as of June 30, 2023 and December 31, 2022
- Investment income (loss) and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the period ended June 30, 2023 and year ended December 31, 2022

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4: Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level with the fair value hierarchy in which the fair value measurements fall at December 31, 2022.

	Fair Value	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2022				
Mutual funds	\$ 77,657,095	\$ 77,657,095	\$ -	\$ -
Pooled separate accounts	7,982,361	-	7,982,361	-
Common collective trust	6,809,086	-	6,809,086	-
	<u>\$ 92,448,542</u>	<u>\$ 77,657,095</u>	<u>\$ 14,791,447</u>	<u>\$ -</u>

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the period ended June 30, 2023 and the year ended December 31, 2022. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Notes to Financial Statements June 30, 2023 and December 31, 2022

The methods of valuation described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 5: Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

Certain Plan investments are shares of mutual funds and a group annuity insurance contract managed by Empower (formerly Prudential and PRIAC), which are the trustees as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of investments.

The Plan invests in certain funds of the Plan trustee. The Plan paid \$146,336 and \$296,293 of recordkeeping and investment advisory fees to parties-in-interest during the period ended June 30, 2023 and the year ended December 31, 2022, respectively. The Company provides certain administrative services at no cost to the Plan.

Note 6: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7: Subsequent Events

Subsequent events have been evaluated through March 15, 2024, which is the date the financial statements were available to be issued.
