INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Coleman Auto Group 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Coleman Auto Group 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of June 30, 2023, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Coleman Auto Group 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Coleman Auto Group 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coleman Auto Group 401(k) Profit Sharing Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coleman Auto Group 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coleman Auto Group 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended June 30, 2023, and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Their report dated April 14, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agreed to, or was derived from, in all material respects, the information prepared and certified by an institution that management determined met the requirements of ERISA Section 103(a)(3)(C). The Plan was established effective July 1, 1990, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Board of Trustees is responsible for oversight of the Plan. The Board of Trustees determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Effective July 1, 2022, the Plan adopted a pre-approved non-standardized plan document sponsored by Retirement Planners & Administrators, Inc. With the adoption of the new plan document, the Plan was amended for certain regulatory changes. Plan provisions remained substantially unchanged.

Contributions

Each year, participants may contribute any amount of pre-tax or after-tax annual compensation, including bonuses, as defined by the Plan and subject to Internal Revenue Service (“IRS”) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Additional amounts may be contributed by the Company at the discretion of the Company’s Board of Trustees as matching and/or profit-sharing contributions. The Company approved an employer matching contribution of \$50,000 for the year ended June 30, 2023. There was no employer profit sharing contribution for the year ended June 30, 2023.

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their allocations on a daily basis. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Company’s contributions, and earnings/losses from the participant’s investment accounts and charged with an allocation of Plan expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company’s contribution portion of their accounts is based on years of continuous service. Participants vest 20% after the first year of service and 20% each year thereafter until reaching 100% after 5 years of service.

Coleman Auto Group 401(k) Profit Sharing Plan
Notes to Financial Statements
June 30, 2023 and 2022

Any employer discretionary profit sharing or matching contributions which are not vested are forfeited upon termination as of the earlier of (a) the last day of the Plan year in which the former participant incurs five consecutive one-year breaks-in-service or (b) the distribution of the entire vested portion of the participant's account. A participant shall be fully vested in their entire account upon the attainment of age 65 while employed, death, or if the Plan is terminated.

Forfeited Accounts

At June 30, 2023 and 2022, forfeited non-vested accounts totaled \$3,154 and \$2,812, respectively. Forfeitures of terminated participants' non-vested accounts are used to pay Plan expenses, offset employer contributions, or are allocated to participants. During the year ended June 30, 2023, no forfeited non-vested accounts were used.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reason, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. If the benefit is \$1,000 or less, it will be paid in a single lump-sum as soon as administratively practicable after the employment terminates. If the benefit is more than \$1,000, it is at the discretion of the participant to have the distribution made in a lump sum cash payment or remain in the Plan.

Hardship distributions are permitted if certain conditions are met.

The Plan also provides for in-service distributions for participants who have attained age 59 ½ and/or have met certain other conditions as provided by the Plan.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisors and John Hancock Life Insurance Company (U.S.A.) ("John Hancock"). See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Notes to Financial Statements
June 30, 2023 and 2022

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Fees related to administration and the processing of distributions are charged directly to the participants' accounts and are included in administrative expenses. Certain investment related expenses are included in net appreciation in fair value of investments.

3. INFORMATION CERTIFIED BY JOHN HANCOCK LIFE INSURANCE COMPANY (U.S.A.)

The following is a summary of the Plan's information as of June 30, 2023 and 2022, and for the year ended June 30, 2023, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by John Hancock Life Insurance Company (U.S.A.), the certifying entity of the Plan. The Plan Administrator has obtained certifications from the certifying entity that information provided to the Plan Administrator by the certifying entity related to the following assets and income is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL's") Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

	<u>2023</u>	<u>2022</u>
Investments, at fair value		
Pooled separate accounts	\$ 9,435,909	\$ 9,421,346
Guaranteed interest contracts (non-benefit responsive)	5,096	4,525
Cash	3,154	2,812
Net appreciation in fair value of investments	1,012,589	**
Interest	47	**

** Information not required to be presented.

4. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, provides a framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Coleman Auto Group 401(k) Profit Sharing Plan
Notes to Financial Statements
June 30, 2023 and 2022

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Substantially all of the Plan's investments are held in pooled separate accounts that are measured at fair value using the net asset value ("NAV") per share (or its equivalent) as a practical expedient. In accordance with Subtopic 820-10, these investments are not classified in the fair value hierarchy.

The Plan's investment in guaranteed interest contracts uses a crediting interest rate (composite interest rate) based on a formula agreed upon with the issuer. Such interest rates are not reset annually, but rather a composite rate is established at the end of the reporting year and contributions in these guaranteed interest contracts continue to earn this calculated composite interest rate for the duration of the guaranteed term. The guaranteed interest contracts are considered to be Level 2 within the fair value hierarchy. The balance is \$5,096 and \$4,525 as of June 30, 2023 and 2022, respectively.

There have been no changes in the methodologies used at June 30, 2023 and 2022.

The following table presents the Plan's investments for which fair value is measured using the net asset value ("NAVs") per share practical expedient by investment category as of June 30:

	<u>2023</u>	<u>2022</u>
Pooled separate accounts		
Aggressive growth	\$ 1,542,158	\$ 2,156,600
Asset allocation - Lifestyle	3,951,005	3,763,089
Asset allocation - Target date	2,447,144	1,951,307
Conservative	93,154	48,877
Growth	618,752	748,181
Growth and income	17,040	15,689
Income	<u>766,656</u>	<u>737,603</u>
	<u>\$ 9,435,909</u>	<u>\$ 9,421,346</u>

Following are additional disclosures for the investments whose fair value is estimated using NAV per share (or its equivalent) as a practical expedient as of June 30, 2023 and 2022:

Aggressive Growth: Rapid growth and appreciation are the key objectives by utilizing domestic, international or emerging country equity markets and market capitalizations, including heavier concentrations or through riskier techniques than core growth strategies.

Asset Allocation - Lifestyle: A series of funds that seek a stable balance of risk-and-return potential. Each fund invests in a different combination of underlying funds, which are continually adjusted to capture opportunities and manage risks.

Coleman Auto Group 401(k) Profit Sharing Plan

Notes to Financial Statements

June 30, 2023 and 2022

Asset Allocation - Target Date: A series of funds designed to provide high total returns until the target retirement date. Each fund invests in various asset classes using an asset allocation strategy designed for the investors expected to retire in the designated retirement year.

Conservative: Seeks to preserve capital and provide stability of principal while earning current income that exceeds money market rates over the long term.

Growth: Pursues capital appreciation foremost by investing in equity securities across domestic and international markets and across certain market capitalizations; may be exposed to all market risks.

Growth and Income: Seeks a balance between a high level of income and the growth of capital, with a higher degree of emphasis on growth from exposure to various equity allocations.

Income: A high level of current income is sought by broadly investing in fixed income securities through various sectors of the bond market and gaining exposure to various types of credit and interest rate risk.

Participants should refer to each pooled separate account's individual prospectus on the John Hancock website for a more complete description of the fund's investment strategy.

The following table summarizes investments for which fair value is measured using the NAV per share as a practical expedient as of June 30, 2023 and 2022:

	<u>Fair Value</u>		<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
	<u>2023</u>	<u>2022</u>			
Pooled separate accounts	\$ 9,435,909	\$ 9,421,346	N/A	Daily	None

Pooled separate accounts represent ownership of units of participation (units), rather than ownership of specific assets. The value of any one pooled separate account is determined by aggregating the value of all of the units held by the Plan. The value of a single unit is the total value of the pooled separate accounts underlying investments plus other assets less liabilities divided by the total number of units outstanding. The fair values of the investments in this class have been estimated using the NAV per share (or its equivalent) as a practical expedient. There are no participant redemption restrictions for these investments.

5. INSURANCE CONTRACTS

The Plan has guaranteed interest contracts, which are not fully benefit-responsive, with John Hancock. Contributions to the contracts are maintained in a general account. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contracts are included in the financial statements at fair value, as reported to the Plan by John Hancock. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value if held to maturity or at fair value if prior to maturity.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rates ranged from 0.30% to 2.20% for the year ended June 30, 2023. The crediting interest rate (composite interest rate) is based on a formula agreed upon with the issuer. Such interest rates are not reset annually, but rather a composite rate is established at the end of the reporting year and contributions in these guaranteed interest contracts continue to earn this calculated composite interest rate for the duration of the guaranteed term.

6. EXCESS CONTRIBUTIONS PAYABLE

Certain participants contributed amounts in excess of Internal Revenue Code ("IRC") limitations. The excess contributions are refunded to these participants in the subsequent year as corrective distributions. At June 30, 2023 and 2022, the corrective distributions payable totaled \$61,290 and \$126,130, respectively.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. TAX STATUS

The Plan has adopted a defined contribution volume submitter plan sponsored by Retirement Planners & Administrators, Inc. The defined contribution volume submitter plan received an advisory letter from the IRS as to the defined contribution volume submitter plan's qualified status. The defined contribution volume submitter plan advisory letter has been relied upon by the Plan. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of pooled separate accounts and guaranteed interest contracts managed by John Hancock, the certifying entity of the Plan, and, therefore, these transactions qualify as party-in-interest transactions for which a statutory exemption applies. The Plan also paid John Hancock fees of \$27,169 during the year ended June 30, 2023.

Lincoln Financial Advisors, Corp. ("Lincoln") is the broker for the Plan, and therefore, a party-in-interest. During the year ended June 30, 2023, the Plan paid administrative fees of \$30,943 to Lincoln.

Retirement Planners & Administrators, Inc. is the third-party administrator for the Plan and, therefore, a party-in-interest. During the year ended June 30, 2023, the Plan paid administrative fees of \$8,270 to Retirement Planners & Administrators, Inc.

10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with such investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

12. TIMELY REMITTANCE OF PARTICIPANT CONTRIBUTIONS

During the year ended June 30, 2020, the Plan Sponsor inadvertently remitted \$2,237 of participant deferrals outside of the required timeframe as stated by the DOL. The DOL considers late deposits to be prohibited transactions. The Plan Sponsor remitted lost earnings to the Plan, filed Form 5330, and paid applicable excise taxes during the year ended June 30, 2024. The lost earnings and excise tax payments were made from the Plan Sponsor's assets and not from assets of the Plan.

13. SUBSEQUENT EVENTS

Effective February 12, 2024, the Plan was amended to recognize prior service with Atlantic Coast Automotive and to adopt a loan program. The loan program provides for a minimum loan amount of \$1,000 up to a maximum of the lesser of 50% of the participant's vested account balance or \$50,000. Loans will accrue interest at prime rate plus 1% and are payable through payroll deductions.

The Plan has evaluated subsequent events through April 15, 2024, the date the financial statements were available to be issued.
