REPORT OF INDEPENDENT AUDITORS

Board of Directors / Plan Sponsor
Community Mental Health Center, Inc. 401(k) Plan
Lawrenceburg, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Community Mental Health Center, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Board of Directors / Plan Sponsor
Community Mental Health Center, Inc. 401(k) Plan
Lawrenceburg, Indiana

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMMUNITY MENTAL HEALTH CENTER, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2023 AND 2022

1. DESCRIPTION OF THE PLAN

The following description of Community Mental Health Center, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Community Mental Health Center, Inc. d/b/a INcompass Healthcare (the Plan Sponsor). Under the terms of the Plan, employees are eligible to participate in the Plan after completion of four months of employment, as defined by the plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions and Funding Policy

The Plan Sponsor contributes a fixed percentage match of 100% of participant deferrals up to 4.5% of compensation.

Participants may authorize deferral contributions for a maximum allowed by regulations. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various pooled separate accounts and insurance investment contracts as investment options for participants.

Participant contributions are permitted up to a percentage of the employees' gross wages with an annual limitation. Amounts forfeited by terminated participants are used immediately to reduce the total amount the Plan Sponsor contributes to the Plan. In the event a plan participant is re-employed prior to incurring five consecutive one-year breaks in service, the Plan Sponsor would be responsible for contributing back to the Plan the previously forfeited amount.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Plan Sponsor's contribution and plan earnings (net of certain fund management expenses).

Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of their accounts plus actual earnings thereon is based on years of continuous services.

COMMUNITY MENTAL HEALTH CENTER, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2023 AND 2022

A participant is 100 percent vested after three years of credited service. Once obtaining 55 years of age, the participant automatically becomes 100% vested in the Plan Sponsor's contribution portion of their accounts. The following represents the vesting schedule:

Less than 3 years	0%
3 or more years	100%

Notes Receivable from Participants

The Plan was amended to allow participants to borrow from their accounts. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance, whichever is less. Loan terms shall not exceed 5 years except in the case of the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined quarterly by the Plan administrator, which was between 4.25% and 9.25% as of June 30, 2023 and 2022. Principal and interest are paid ratably through monthly payroll deductions or as a lump sum. The individual loan balances range from approximately \$300 to \$9,300. The loans are due through 2028.

Payment of Benefits

In general, on termination of service a participant may elect to receive their vested interest in the form of a lump-sum amount, an account rollover, an annuity or leave the account in the Plan, subject to certain limitations and conditions as defined by the Plan.

Upon termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount or leave the remainder of the account in the Plan. Participants must take the lump-sum distribution if the account has less than \$1,000 upon the date of termination.

Compensation

Participant compensation is defined by the Plan as wages, tips and other compensation reported on the Federal Form W-2, Wage and Tax Statement, excluding reimbursements, expense allowances, fringe and welfare benefits, moving expenses and certain deferred compensation.

Forfeited Accounts

On termination of service, a participant who is not 100% vested will forfeit the portion of his or her account balance which is not vested. All forfeitures are used to reduce the Plan Sponsor's contribution. Forfeited nonvested accounts totaled approximately \$-0- and \$10,600 as of June 30, 2023 and 2022, respectively. During 2023, the Plan used forfeitures of approximately \$10,600 to offset Plan Sponsor contributions.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2023 AND 2022

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of net assets and changes in net assets available for benefits. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except the interest accumulation fund, which is recorded at contract value, which approximates fair value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Each individual investment offered to the participants has varying investment objectives. Participants should refer to the trustee for a more complete description of the investment objectives.

Concentration of Credit Risk

Financial instruments that potentially subject the Plan to concentrations of credit risk are part of the holdings in the Plan's investments. Management believes that the trustee maintains the Plan's investments with high quality institutions and attempts to limit the credit exposure to any particular investment.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of June 30, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

COMMUNITY MENTAL HEALTH CENTER, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2023 AND 2022

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan Sponsor provides certain administrative and accounting services to the Plan at no cost. Most administrative expenses are paid directly by the Plan Sponsor and generally include audit fees and legal fees. Administrative expenses incurred by the Plan typically include fees charged directly to the participants' accounts.

Subsequent Events

The Plan has evaluated events or transactions through April 12, 2024, the date the financial statements were available to be issued.

Reclassifications

Certain amounts in the 2022 financial statements have been reclassified to conform to the current year presentation. These reclassifications had no impact on the previously reported net assets available for benefits or the change in net assets available for benefits.

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America Life Insurance Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of June 30, 2023 and 2022, and investment related activity reported in the statement of changes in net assets available for benefits for the year ended June 30, 2023.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). However, in accordance with Subtopic 820-10, the pooled separate account investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy.

The description of the valuation methodologies used for assets measured at fair value are included in Note 2. There have been no changes in the methodologies used as of June 30, 2023 and 2022.

COMMUNITY MENTAL HEALTH CENTER, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2023 AND 2022

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of June 30, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2023	2022			
Pooled separate accounts	\$ 13,842,829	\$ 12,183,194	Not applicable	Daily	None

5. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Parties-in-interest are defined under DOL Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Plan Sponsor and certain others.

Transactions with parties-in-interest include administrative fees paid to the Plan's trustee, Mutual of America Life Insurance Company. Additionally, the Plan held party-in-interest investments with the trustee as of June 30, 2023 and 2022. Blue & Co., LLC is the independent auditor for the Plan and receives payment for their services.

The Plan Sponsor pays the majority of expenses of the Plan, including administrative and accounting fees. These expenses qualify as party-in-interest transactions. Notes receivable from participants are payable to the trustee and qualify as party-in interest transactions.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

7. INCOME TAX STATUS

The Plan operates under a nonstandardized adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by Mutual of America Life Insurance Company. The Plan has not submitted to the Internal Revenue Service (IRS) for an individual determination letter because the nonstandardized prototype document has received a favorable opinion letter from the IRS. However, the Plan sponsor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan sponsor believes that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities.

COMMUNITY MENTAL HEALTH CENTER, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2023 AND 2022

Management has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements.

The Plan is subject to routine audits by taxing jurisdictions. However, as of the date the financial statements were available to be issued, there were no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for year prior to 2021.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks and overall market volatility. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
