Independent Auditors' Report

The Plan Administrator
Tri Star Services, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Tri Star Services, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended June 30, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report,

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of June 30, 2023 and the schedule of delinquent participant contributions for the year then ended are presented for the purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRI STAR SERVICES, LLC 401(K) PLAN

Notes to the Financial Statements

June 30, 2023 and 2022

(1) Description of plan

The following description of the Tri Star Services, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution Plan which was adopted on November 1, 1984 to provide retirement benefits for employees of Tri Star Services, LLC (the "Plan Sponsor"). The Plan covers substantially all employees who are age twenty-one or older and have completed thirty days of service with the Plan Sponsor ("participants"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

(b) Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which are deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC"). Participants may elect to make after-tax contributions in the form of a Roth deferral. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. In order to participate, employees must make a minimum contribution of 1% of compensation. Participants may contribute up to 100% of compensation to the Plan.

Prior to July 1, 2022, the Plan Sponsor made a safe harbor matching contribution equal to 100% of each participant's contributions up to 3% of each participant's compensation plus 50% of each participant's contributions from 3% to 5% of each participant's compensation. Effective July 1, 2022, the Plan Sponsor amended the Plan whereby the safe harbor matching contribution becomes equal to 100% of each participant's contributions up to 4% of each participant's compensation plus 50% of each participant's contributions from 4% to 6% of each participant's compensation.

The Plan also provides that the Plan Sponsor may contribute each year a discretionary profit sharing amount authorized by the Plan Sponsor's Board of Directors; however, an annual discretionary profit sharing contribution by the Plan Sponsor is not required. Participants must be employed with the Plan Sponsor at the end of each Plan year or must have more than 500 hours of service for the Plan year to be eligible for discretionary contributions. No discretionary profit sharing contribution was made by the Plan Sponsor during 2023 or 2022.

Plan Sponsor and participant contributions may not exceed the maximum amount allowable for federal income tax purposes.

TRI STAR SERVICES, LLC 401(K) PLAN

Notes to the Financial Statements

June 30, 2023 and 2022

(c) Participant accounts

Each participant's account is credited or charged with the participant's and Plan Sponsor's contributions, investment earnings (losses) and administrative expenses. Contributions and allocations are based on participant compensation or account balances as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

(d) Vesting

Participants are immediately vested in their elective salary deferral and Plan Sponsor safe harbor matching contributions plus actual earnings (losses) thereon. Vesting in the Plan Sponsor's discretionary profit sharing contributions is based on years of continuous service. Participants hired prior to October 1, 2001 are 100% vested; participants hired after October 1, 2001 vest ratably in 20% increments beginning in the second year of credited service and are fully vested after six years of credited service.

(e) Payment of benefits

On termination of service due to death, permanent disability, or retirement, a participant may elect to receive a lump-sum payment equal to his or her vested account balance.

(f) Forfeited accounts

Forfeitures are created when participants terminate employment prior to becoming fully vested in the Plan Sponsor contribution portion of their accounts. Such forfeitures may be used to reduce Plan administrative expenses and to reduce the Plan Sponsor's contributions to the Plan.

(g) Administrative expenses

Certain Plan administrative expenses, not covered by forfeitures in the Plan or paid from Plan assets, are paid by the Plan Sponsor. Fees related to the processing of distributions are included in administrative expenses and charged directly to the participant's accounts. Investment related expenses are netted within net appreciation (depreciation) in fair value of investments on the statements of changes in net assets available for benefits. Certain fees incurred by the Plan for investment management services are included in administrative expenses on the statements of changes in net assets available for benefits.

(h) Hardship withdrawals

The Plan permits distributions in the event of a financial hardship, as defined in the Plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59 1/2. Hardship withdrawals are limited to the participant's vested elective account balance and Plan Sponsor safe harbor matching contribution account balance.

TRI STAR SERVICES, LLC 401(K) PLAN

Notes to the Financial Statements

June 30, 2023 and 2022

(i) Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

(b) Investment valuation and income recognition

Investments are stated at fair value or contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers. See Notes 4 and 5 for discussion of investment balances.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Payment of benefits

Benefits are recorded when paid.

(d) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(e) Events occurring after reporting date

The Plan's management has evaluated events and transactions that occurred between June 30, 2023 and April 15, 2024, which is the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

TRI STAR SERVICES, LLC 401(K) PLAN

Notes to the Financial Statements

June 30, 2023 and 2022

(3) Certified information

Certain information related to investments reported and disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), including the fair and contract value of investments held at June 30, 2023 and 2022, and net appreciation (depreciation) in fair value of investments for the years ended June 30, 2023 and 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Transamerica Financial Life Insurance Company ("Transamerica").

(4) Investments measured at net asset value using the practical expedient

The Plan's pooled separate accounts are measured at net asset value ("NAV") as a practical expedient to estimate fair value, and therefore, have not been classified in the fair value hierarchy.

The following table summarizes investments for which fair value is measured using the NAV practical expedient as of June 30, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments.

<u>Description</u>	<u>Fair Value</u> <u>June 30, 2023</u>	<u>Fair Value</u> <u>June 30, 2022</u>	<u>Unfunded</u> <u>Commitments</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice Period</u>
Pooled Separate Accounts	\$ 17,262,612	\$ 13,914,213	N/A	Daily	None

(5) Investment contract with insurance company

The Plan is party to a benefit-responsive investment contract with an insurance company, Transamerica, totaling \$816,021 and \$473,539 at June 30, 2023 and 2022, respectively. The insurance company maintains the Plan's contributions in a pooled account which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. There is no stated minimum or maximum rate. Such interest rates are reviewed on a quarterly basis for resetting.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan which approximates fair value. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

TRI STAR SERVICES, LLC 401(K) PLAN

Notes to the Financial Statements

June 30, 2023 and 2022

The terms of the contract require all permitted participant initiated transactions to occur at contract value. Since the contract is the obligation of Transamerica, the Plan Sponsor believes the occurrence of an event that limits the ability of the investment to transact at contract value is not probable. The contract allows participants reasonable access to their assets. The contract has no restrictions on the use of Plan assets and there are no valuation reserves recorded to adjust contract amounts.

(6) Income tax status

The Plan Sponsor adopted a pre-approved profit sharing plan which received a favorable opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020, in which the IRS stated the pre-approved plan was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter, and the Plan itself has not received a determination letter from the IRS stating the Plan is qualified under Section 401(a) of the IRC. However, the Plan Sponsor believes the Plan, as amended, is designed and is currently being operated in compliance with the applicable provisions of the IRC and is therefore, qualified and exempt from taxation.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Untimely remittance of participant contributions

The Plan Sponsor is required by the Department of Labor regulation to remit participant contributions as soon as practicable, but by no later than the fifteenth business day following the end of the month in which the amounts were withheld from wages. For certain contributions withheld during 2021, the funds were not remitted timely and were remitted in December 2022. The Plan Sponsor expects to calculate imputed lost earnings applicable to these contributions and remit the lost earnings to the Plan during 2024.

(8) Related party and party-in-interest transactions

Certain Plan investments are units of pooled separate accounts and an investment contract managed by Transamerica and, therefore, these transactions qualify as party-in-interest transactions under ERISA. As described in Note 1, the Plan paid expenses to various service providers which qualify as party-in-interest transactions.

TRI STAR SERVICES, LLC 401(K) PLAN

Notes to the Financial Statements

June 30, 2023 and 2022

(9) Risks and uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
