INDEPENDENT AUDITOR'S REPORT

April 5, 2024

To the Plan Administrator of the
Pathfinder Village, Inc. Deferred Annuity Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Pathfinder Village, Inc. Deferred Annuity Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Life & Annuity Insurance Company of New York and Empower Trust Company, LLC for the period July 1, 2021 to August 18, 2021 and from Advisor Trust, Inc. as of June 30, 2023 and 2022 and for the year ended June 30, 2023 and the period August 18, 2021 to June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PATHFINDER VILLAGE, INC. DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2023 AND 2022

1. DESCRIPTION OF THE PLAN

The following brief description of the Pathfinder Village, Inc. Deferred Annuity Plan (the Plan) is provided for general purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan available to employees of Pathfinder Village, Inc. (the Village) who meet certain eligibility requirements. Empower Retirement, LLC (Empower) was the recordkeeper of the Plan's assets through August 18, 2021. Empower Life & Annuity Insurance Company of New York was the insurance company and issuer of the annuity contracts of the Plan from July 1, 2021 through August 18, 2021. Empower Trust Company, LLC was the directed custodian of certain assets of the Plan recordkept by Empower from July 1, 2021 through August 18, 2021. AdvisorTrust, Inc. is the custodian and recordkeeper of the Plan's assets from August 19, 2021 through June 30, 2023. Strategic Pension Services, LLC is the third-party administrator of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

All employees of the Village are eligible to immediately begin salary deferrals pursuant to a properly completed and valid salary reduction agreement. Participants are eligible for the Village's contribution on the first day of the Plan year after they have attained age 18 and have completed one year of service with at least 1,000 hours.

Contributions

Active participants may make voluntary contributions in the form of salary reductions and applicable rollovers from other qualified plans, subject to certain limitations of the Internal Revenue Code (the Code) under Section 403(b). Each year the Village may elect to make non-elective contributions as determined by its Board of Directors. These contributions may be in the form of an additional match of all or part of the employee deferrals, or the Village may make a profit-sharing contribution.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Village's contribution and Plan earnings/losses on all contributions. Allocations of earnings/losses and administrative expenses are based on participant account balances, according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account balance.

Vesting

Participants are immediately vested in their contributions and rollovers, plus actual earnings/losses thereon. Vesting in the Village's non-elective contributions plus earnings/losses thereon is based on years of continuous service. A participant is fully vested after five years of credited service. A participant is considered fully vested in the event of death or disability.

1. DESCRIPTION OF THE PLAN (Continued)

Funding Vehicles

Plan contributions are invested in one or more of the funding vehicles offered by the Plan. The Plan does not permit plan-to-plan transfers or contract exchanges with any annuity contract or custodial account that is not a funding vehicle specifically approved by the Plan Administrator for use under the Plan.

Payment of Benefits

The Plan provides benefit payments upon either termination of employment or the attainment of age 59½. Benefits may be paid out in a single lump sum, partial payments, installment payments or an annuity contract (if assets are held in a custodial account).

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from a participant's account. All hardship withdrawals must comply with Internal Revenue Service rules relating to hardships, which are uniformly applicable to all participants.

Forfeited Accounts

As of June 30, 2023 and June 30, 2022, forfeited non-vested accounts available totaled \$2,433 and \$18,569, respectively. These accounts are used to reduce future employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

Investments

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases or sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. All investments are participant directed.

Fair Value Measurement

Accounting Standards Codification (ASC) Section 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement (Continued)

The three levels of the fair value hierarchy under ASC Section 820 are described below:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value.

Registered investment companies: Valued at the net asset value of shares held at year end based on quoted prices in active markets.

There were no changes in the valuation methodologies used during 2023 or 2022.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market currency and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the financial statements.

Benefits Paid to Participants

Benefits paid to participants are recorded when paid.

Administrative Expenses

Substantially all administrative expenses associated with the Plan, except for audit fees, are paid by participants. The Village pays the audit fees, which amounted approximately \$10,500 and \$10,000 for the years ended June 30, 2023 and 2022. Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. INVESTMENT INFORMATION

Empower Life & Annuity Insurance Company of New York was the insurance company and issuer of the annuity contracts of the Plan for the period July 1, 2021 through August 18, 2021. Empower Trust Company, LLC was the directed custodian of certain assets for the period July 1, 2021 through August 18, 2021. AdvisorTrust, Inc. is the custodian of the Plan's assets from August 19, 2021 through June 30, 2023. The following information was certified as complete and accurate by the custodians and insurance company and issuer of the annuity contracts of the Plan, and is included in the financial statements and accompanying schedule as of and for the years ended June 30:
