INDEPENDENT AUDITOR'S REPORT

Board of Trustees
The 403(b) Plan Thrift Plan for Roy Maas' Youth Alternatives, Inc.
San Antonio, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The 403(b) Plan Thrift Plan for Roy Maas' Youth Alternatives, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of and for the years ended June 30, 2023 and 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical

responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes on pages 11-12 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ROY MAAS' YOUTH ALTERNATIVES, INC.
NOTES TO THE FINANCIAL STATEMENTS
June 30, 2023 and 2022**

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of The 403(b) Thrift Plan for Roy Maas' Youth Alternatives, Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by Roy Maas' Youth Alternatives, Inc. (the Sponsor) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participation in the plan is entirely voluntary.

Contributions

The Plan is substantially available to all active employees immediately upon employment. Contributions to the Plan consist of employee payments at any rate up to the maximum permitted by law, which was \$22,500 in 2023 and \$20,500 in 2022. Catch-up contributions may be made for participants over age 50.

Employer contributions match employee contributions equal to 50% of the participant's contribution up to 4% of the employee's compensation during the plan year.

Mutual of America Life Insurance Company is the trustee for the Plan. All contributions were made into this Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with allocations of the employee's and the Sponsor's contributions and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participant Loans

The Plan provides that participants can borrow funds against their account balances. The minimum loan amount is set at \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested account balance. Loan terms cannot exceed five years. The loans are secured by the vested balance in the participant's account and bear interest. Principal and interest are paid ratably through payroll deductions. Loans outstanding at June 30, 2023 and 2022 amounted to \$31,812 and \$14,141, respectively.

Vesting

Participant contributions to the Plan are fully and immediately vested from the date of participation in the Plan. The Sponsor's contributions are fully vested when the participant has completed three years of vesting service.

Payment of Benefits

Upon death, disability, retirement, or termination of service, reaching age 59 1/2, or on account of hardship, a participant may elect to receive either a lump-sum amount equal to the value of the balance in their account, or partial or annual installments over a set term established by the Plan.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Forfeitures

Forfeitures are the non-vested amounts in the accounts of participants who terminate employment. Each year, if there are any forfeitures, they are used to first pay certain plan expenses. For the plan years ended June 30, 2023 and 2022, forfeitures were \$7,842 and \$7,778, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains or losses on investments bought, sold, and held during the year.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

The Plan has a number of service providers. Such parties are parties-in-interest under ERISA. There were no prohibited transactions between the Plan and these parties for the years ended June 30, 2023 and 2022.

NOTE 5 - ADMINISTRATIVE EXPENSES

Substantially all administrative expenses of the Plan are absorbed by the Plan Sponsor.

NOTE 6 - INFORMATION CERTIFIED BY TRUSTEES

The following is a summary of the Plan's asset information as of June 30, 2023 and 2022, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the trustee and furnished to the plan administrator. The plan administrator has obtained a certification from Mutual of America Life Insurance Company, the trustee of the Plan, that the information provided to the plan administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information, which appears throughout the financial statements and supplemental schedules, related to the following assets:

	<u>2023</u>	<u>2022</u>
Investments at Fair Value	\$ 3,694,360	\$ 3,263,850
Notes Receivable from Participants	<u>31,812</u>	<u>14,141</u>
Total	<u>\$ 3,726,172</u>	<u>\$ 3,277,991</u>

Mutual of America Life Insurance Company, the trustee of the Plan, also certified to the completeness and accuracy of \$343,409 of net appreciation in fair value of investments and \$685 of interest from participant loans for the year ended June 30, 2023.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment fund securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - TAX STATUS

The Internal Revenue Service has determined and informed the third-party administrator that the prototype plan used by the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 9 - FAIR VALUE MEASUREMENTS

The requirements of *Fair Value Measurements and Disclosures* of the Accounting Standards Codification apply to all financial instruments (as of June 30, 2023 and 2022) and all nonfinancial assets and nonfinancial liabilities (as of June 30, 2023 and 2022) that are being measured and reported on a fair value basis. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. *Fair Value Measurements and Disclosures* also establishes a fair value hierarchy that prioritizes the inputs used in valuation methodologies into the following three levels:

**THE 403(b) THRIFT PLAN FOR
ROY MAAS' YOUTH ALTERNATIVES, INC.
NOTES TO THE FINANCIAL STATEMENTS
June 30, 2023 and 2022**

NOTE 9 - FAIR VALUE MEASUREMENTS (continued)

- Level 1 Inputs – Unadjusted quoted prices in active markets for identical assets or liabilities.
- Level 2 Inputs – Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, or other inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 Inputs – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or other valuation techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

- *Mutual funds* – Valued at the net asset value of shares held by the Plan at year-end.
- *Interest Accumulation Account* – The general account is credited with a contractual rate of return. The general account fixed income assets are carried at amortized cost, or contract value, which is deemed to be fair value.

All of the Plan's investments are held in participant-directed brokerage accounts. The following table sets forth by level within the fair value hierarchy the Plan's assets at fair value as of June 30, 2023 and 2022:

2023				
	Level 1	Level 2	Level 3	Total
