Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of GPA Global and its US Subsidiaries 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022 and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of GPA Global and its US Subsidiaries 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of GPA Global and its US Subsidiaries 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about GPA Global and its US Subsidiaries 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the GPA Global and its US Subsidiaries 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about GPA Global and its US Subsidiaries 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedules of assets (held at year end) and delinquent participant contributions as of or for the year ended June 30, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GPA GLOBAL AND ITS US SUBSIDIARIES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN

The following description of GPA Global and its US Subsidiaries 401(k) Plan (formerly Hub Folding Box Company 401(k) Savings Plan prior to July 1, 2022) (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established to provide retirement benefits for employees of Hub Folding Box Company, Inc., (Hub Folding Box) GPA USA LLC (GPA USA) and GPA Printing CA, LLC (GPA Printing) (collectively, the Company) who have at least one month of service and have reached the age of 18. Collectively bargained employees and employees designated as independent contractors are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to 100% of compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers). The Company may make a discretionary matching contribution. For the year ended June 30, 2023, the plan sponsor made a discretionary matching contribution equal to one-half of employee deferrals up to 6% of compensation for employees of Hub Folding Box and GPA USA. Employees of GPA Printing started receiving the same discretionary matching contribution effective January 1, 2023. In addition, the Company may make additional profit-sharing contributions at the discretion of the Board of Directors. There were no profit-sharing contributions for the year ended June 30, 2023. All contributions are subject to certain limitations imposed by the Plan and the Internal Revenue Code (the IRC).

Participant Accounts

Each participant's account is credited with the participant's contributions and Company contributions, and allocations of plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations of Company contributions, investment income (loss) and administrative expenses are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested accounts.

Investment Options

Participants may direct their contributions into any of the funds offered by the Plan, which are held at Empower Trust Company LLC and Empower Annuity Insurance Company of America (collectively, Empower). These funds include a variety of investment options with various objectives and degrees of financial risk.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their deferral and rollover contributions, including the earnings on those amounts. Vesting in the Company contributions portion of their accounts is based on years of continuous service. Participants are fully vested in Company contributions upon the completion of five years of service. Participants are also fully vested upon reaching normal retirement age, death or total disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, as determined by the plan administrator. The notes currently bear interest from 4.25% to 9.25%. Participants may only have one loan outstanding at any given time. Generally, principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon retirement, disability, death or termination of employment, the participant shall become entitled to the total value of his or her vested account. Distributions will be paid in a lump sum as defined in the Plan or the IRC. If a participant terminates employment for any reason and his or her vested account balance does not exceed \$1,000, the plan administrator may distribute such amount in a lump-sum payment to the participant without the consent of the participant. If the participant's balance is between \$1,000 and \$5,000, the plan administrator may roll the amount into an individual retirement account on behalf of the participant without the consent of the participant.

The Plan also provides for in-service withdrawals as defined by the Plan. In-service withdrawals are allowed as follows: 1) upon obtaining 37 years of employment with the Company or 2) reaching normal retirement age, as defined in the Plan. Once eligibility has been met, the in-service withdrawal can be taken from any vested account the participant has in the Plan.

Forfeited Accounts

Forfeitures of Company contributions can be used to reduce future Company contributions or pay eligible plan expenses. Forfeited nonvested discretionary Company contributions totaled \$9,820 and \$14,893 at June 30, 2023 and 2022, respectively. During the year ended June 30, 2023, the Company used forfeitures totaling \$21,014 to reduce Company matching contributions.

JUNE 30, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Revenue Sharing

The Plan holds assets in a plan expense account which receives deposits as a result of a revenue sharing arrangement with Empower. During 2023, deposits to the account totaled \$57,473. Funds in the account are used to pay qualified plan expenses. For the year ended June 30, 2023, revenue sharing credits totaling \$103,140 were used to pay plan expenses. The revenue sharing account totaled \$22,184 and \$67,584 as of June 30, 2023 and 2022, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution retirement plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued, unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

GPA GLOBAL AND ITS US SUBSIDIARIES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Benefit Payments

Benefits to participants are recorded when paid.

Plan Expenses

The Plan will pay certain administrative expenses from an expense allowance provided by the Plan by Empower as noted in Note 1. Fees related to the administration of notes receivable from participants, distributions and participant accounts are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Risks and Uncertainties

The Plan provides for various investment options. These investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and those changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

Subsequent events were evaluated through April 8, 2024 , the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Information presented in the accompanying statements of net assets available for benefits as of June 30, 2023 and 2022, the statement of changes in net assets available for benefits for the year ended June 30, 2023, and the supplemental schedule of assets (held at end of year) as of June 30, 2023 for investments, notes receivable from participants, investment income (loss), and interest income on notes receivable from participants was derived from information certified to be complete and accurate by Empower Trust Company LLC (formerly Great-West Trust Company LLC) and Empower Annuity Insurance Company of America (formerly Great-West Life and Annuity Insurance Company), the qualified institutions, as permitted by the election made by the Plan administrator under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

NOTE 4 FAIR VALUE OF INVESTMENTS

Accounting principles generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds: Mutual funds are valued at the quoted price of shares held by the Plan at year-end.

There have been no changes in the methodologies used at June 30, 2023 and 2022.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

GPA GLOBAL AND ITS US SUBSIDIARIES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30:

2023			
	Level 1	Level 2	Level 3
Mutual Funds	\$ 13,739,525	\$ -	\$ -
	<u>\$ 13,739,525</u>	<u>\$ -</u>	<u>\$ -</u>
			<u>\$ 13,739,525</u>

2022			
	Level 1	Level 2	Level 3
Mutual Funds	\$ 11,413,572	\$ -	\$ -
	<u>\$ 11,413,572</u>	<u>\$ -</u>	<u>\$ -</u>
			<u>\$ 11,413,572</u>

There were no transfers between levels of investments during the year ended June 30, 2023.

NOTE 5 GUARANTEED INVESTMENT CONTRACT

The Plan has entered into a benefit-responsive guaranteed investment contract with Empower. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Empower is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract is a traditional investment contract. The contract value of the investment contract at June 30, 2023 and 2022 was \$2,835,076 and \$2,446,550, respectively.

The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 0%. The investment contract was credited with an interest rate of 2.05% for the year ended June 30, 2023. Such interest rates are reviewed on a quarterly basis for resetting.

GPA GLOBAL AND ITS US SUBSIDIARIES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 5 GUARANTEED INVESTMENT CONTRACT (CONTINUED)

Certain events limit the ability of the Plan to transact at contract value with Empower. Such events include the following: 1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), 2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, 3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or 4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

NOTE 6 PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Empower or its affiliates. Empower is the custodian and trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Other parties-in-interest include recordkeepers and professional service firms who provide services to the Plan. Administrative expenses paid by the Plan to parties in interest totaled \$164,663 for the year ended June 30, 2023. Certain employees of the Company perform administrative services to the Plan at no cost to the Plan. Notes receivable from participants are also party-in-interest transactions.

NOTE 7 INCOME TAX STATUS

The Plan has adopted a preapproved plan document that received a favorable opinion letter from the IRS that it was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their accounts.

JUNE 30, 2023 AND 2022

NOTE 9 PROHIBITED TRANSACTIONS

During 2023 and 2022, the Company failed to remit certain employee contributions totaling \$19,182 and \$9,268, respectively, within the period prescribed the Department of Labor regulations. Delays in remitting contributions were due to administrative errors and system conversions. The Company will work with the Plan's third party administrator to determine the lost earnings associated with the late deposits and will allocate those amounts to the affected participants' accounts.
