INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
Florence Crittenton Services 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Florence Crittenton Services 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("Qualified Institution").

Management has obtained certifications from a Qualified Institution as of June 30, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“U.S. GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of June 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FLORENCE CRITTENTON SERVICES 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Florence Crittenton Services 403(b) Plan (the “Plan”) provides only general information about the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan originally established by Florence Crittenton Services of Orange County, Inc. (a non-profit organization) (the “Organization”) on January 1, 2010 to encourage and assist eligible employees of the Organization to adopt a regular program of savings to provide additional security for retirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Administration

The Plan is sponsored by the Organization and the Organization has delegated most of the Plan administrative functions to the Plan administrator. The Plan’s retirement/investment committee has the discretion to appoint or remove any trustee or agent of the Plan. The Plan’s administrative committee has the full power to administer the Plan and apply all of its provisions on behalf of the Organization.

The Plan’s custodian and trustee is Empower Annuity Insurance Company of America (the “Custodian”).

Eligibility

All employees of the Organization, with the exception of non-resident aliens, are eligible to make contributions to the Plan upon hire. To be eligible to participate in the employer's matching contribution portion of the Plan, an employee must complete a minimum of one year of service.

Contributions

Each participant may elect to contribute a prescribed percentage of his or her compensation to the Plan. For employees who elect to participate, such deferrals shall not exceed the maximum allowed under IRC limitations, up to a maximum amount of \$22,500 and \$20,500 for the 2023 and 2022 Plan years, respectively. The Plan also allows special 403(b) catch-up contributions for employees that have more than fifteen years of service. Special 403(b) catch-up contributions are not eligible to be matched. Participants that are 50 years of age or older who have met the annual IRC deferral limit or the specified Plan limits for deferral may contribute a catch-up deferral of up to \$7,500 and \$6,500 for the 2023 and 2022 Plan years, respectively. Participants may also rollover amounts representing distributions from other qualified plans.

FLORENCE CRITTENTON SERVICES 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN, continued

All contributions to each participant's account are self-directed by the participant into one or more of the investments offered under the Plan. Participants may choose investment elections at any time via telephone or via internet access with the Custodian.

The Plan permits the Organization to make discretionary matching contributions to the participants' accounts for those eligible participants who make elective deferrals, as defined by the Plan. If the employer makes the discretionary matching contribution, the percentage is allocated proportionately to the participants' specific salary deferral accounts. For the years ended June 30, 2023 and 2022, the Organization made discretionary matching contributions of \$449,253 and \$493,997, respectively.

Vesting

Participants are 100% vested at all times in all contributions.

Forfeited Accounts

Forfeitures consist of excess employer match contributions removed from participant accounts and are used, at the discretion of the Organization, to reduce future Organization contributions. There were no forfeited balances used during the years ended June 30, 2023 and 2022 to fund discretionary matching contributions. At June 30, 2023 and 2022, there were \$3,992 and \$3,235, respectively, of forfeited amounts available to offset future Company contributions or pay Plan expenses.

Hardship Withdrawals

While still employed by the Organization, a withdrawal from a participant's account may be permitted if the participant has a financial hardship for certain specific reasons as defined in the Plan document. There were hardship withdrawals of \$7,146 and \$6,596 during the years ended June 30, 2023 and 2022, respectively.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect each participant's contributions and related employer contributions, as well as each participant's share of the Plan's income and any related administrative expenses. Allocations of the Plan income and expenses are based on the proportion that each participant's account balance has to the total of all participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

FLORENCE CRITTENTON SERVICES 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN, continued

Payment of Benefits

Upon termination of service including death, disability, or retirement, a participant/beneficiary may elect to receive an amount equal to the value of the participant's interest in his or her account. These payments may be paid in a lump sum payment or paid in installments over time. Account balances less than \$5,000 but greater than \$1,000 may be distributed in a single lump-sum payment. Account balances less than \$1,000 are distributed in the form of a direct rollover to an individual retirement account if no election is made by the participant.

At June 30, 2023 and 2022, there were no amounts allocated to participants who elected to withdraw from the Plan that had not yet been paid.

Promissory Notes from Participants (Loans)

Participants may borrow from their accounts up to 50% of their account balance up to a maximum of \$50,000 reduced by the participant's highest outstanding loan balance in the previous twelve months and the existing loan balance. The minimum loan amount is \$1,000 and participants may only have one promissory note outstanding at a time. The promissory notes are secured by the balance in the participant's account and must be repaid at a fixed interest rate, which is commensurate with local prevailing rates. Promissory notes must be repaid within five years, unless the promissory notes were for the purchase of a principal residence. In this case, the repayment period may be extended to ten years.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could materially differ from those estimates.

FLORENCE CRITTENTON SERVICES 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Investment Valuation and Income Recognition

Investments are stated at fair value based on quoted market prices of the underlying investments (except for the guaranteed investment contract, which is valued at contract value) (see Notes 3 and 4). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The Plan presents the net appreciation or depreciation in the value of its investments in the statement of changes in net assets, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid to the participant. Participants terminating employment and in certain other circumstances are entitled to a distribution of their accrued benefits.

Promissory Notes from Participants (Loans)

Promissory notes from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. There were \$5,587 and \$4,149 of deemed distributions included in benefit payments to participants during the years ended June 30, 2023 and 2022, respectively.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Organization; no such officer or employee receives compensation from the Plan for these services. Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of promissory notes from participants (loans) are charged directly to each participant's account and are included in administrative expenses. Investment-related expenses are included in net change in fair value of investments.

FLORENCE CRITTENTON SERVICES 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Administrative expenses paid by the Plan totaled \$56,365 and \$63,745 for the years ended June 30, 2023 and 2022, respectively.

NOTE 3 – FAIR VALUE MEASUREMENTS

The accounting guidance for fair value measurements defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal market, or in the absence of a principal market, the most advantageous market for the asset or liability, in an orderly transaction between market participants on the measurement date. The accounting guidance also establishes a fair value hierarchy that requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The guidance describes three levels of inputs in priority that may be used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities;

Level 2 - Observable inputs other than quoted prices included within Level 1, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; inputs other than quoted prices that are observable for the asset or liability (such as interest rates and yield curves, credit risks, and default rates) or other inputs that are principally derived from or corroborated by observable market data by correlation or by other means; and

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual Funds

The fair value of mutual funds is based upon quoted market prices in an exchange and active markets, which represent the net asset values of shares held by the Plan at year end and are classified as Level 1 investments.

FLORENCE CRITTENTON SERVICES 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

NOTE 3 – FAIR VALUE MEASUREMENTS, continued

As of June 30, 2023 and 2022, the Plan's investments measured at fair value on a recurring basis were as follows:

	June 30, 2023		
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Assets:			
Mutual funds	\$ 9,730,444	\$ -	\$ -
	June 30, 2022		
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Assets:			
Mutual funds	\$ 8,543,148	\$ -	\$ -

NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan has a benefit-responsive guaranteed investment contract (the "Fixed Account"). The Fixed Account is a stable value investment contract with a guaranteed rate of return and a guarantee of principal that is backed by the entire general account assets of the Custodian. The Fixed Account is provided through a group annuity contract issued by the Custodian to the Plan. Contributions are maintained in a general account. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly. The average yield earned by the Plan for the Fixed Account can be derived by averaging the quarterly gross interest rates for the fund over the year. The average yield for 2023 was 1.30% and for 2022 was 1.10%.

The Fixed Account meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. The contract value of the Fixed Account was \$358,881 and \$321,605 at June 30, 2023 and 2022, respectively. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

FLORENCE CRITTENTON SERVICES 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT, continued

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (e.g., divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the Fixed Account with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

NOTE 5 – TAX STATUS

The Plan is intended to comply with the applicable requirements of Section 403(b) of the IRC. A tax determination letter program is not yet available for IRC Section 403(b) plans through the Internal Revenue Service ("IRS"). The Plan administrator believes the Plan is designed, and is being operated, in compliance with the Plan document and with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. Continued qualification is dependent on the Plan's future operations.

In accordance with U.S. GAAP, the Plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that is more-likely-than not to be sustained upon audit by the IRS. An uncertain income tax position will not be recognized if it has less than a 50% likelihood of being sustained. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of June 30, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability (or asset) or disclosure in the financial statements. The Plan administrator does not foresee material changes to the gross uncertain income tax position liability (or asset) of the Plan within the next twelve months.

The Plan is subject to routine audits by the IRS; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

FLORENCE CRITTENTON SERVICES 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

NOTE 6 – SUMMARY OF UNAUDITED INFORMATION

The Plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified that the following data in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, as shown in the statements of net assets available for benefits as of June 30, 2023 and 2022;
- Investment income as shown in the statement of changes in net assets available for benefits for the years ended June 30, 2023 and 2022;
- The value of investments as disclosed in Notes 3 and 4; and
- Schedule I: Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2023, except for promissory notes from participants (loans) of \$266,819.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan agreement to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are fully vested in their account balances.

NOTE 8 – RELATED PARTY TRANSACTIONS

A party-in-interest is defined as a fiduciary or employee of the Plan, any person who provides service to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employee organization, or a relative of such persons mentioned.

Plan investments are in investments managed by the Custodian. In addition, the Plan has loans with its participants. The Custodian and the participants are considered parties-in-interest under ERISA. Administrative fees paid by the Plan to the Custodian and their affiliates amounted to \$33,665 and \$38,069 for the years ended June 30, 2023 and 2022, respectively. All of these transactions, including participant loans, are considered exempt party-in-interest transactions under ERISA.

FLORENCE CRITTENTON SERVICES 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan provides for investments in any combination of investments with different investment strategies. Those investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 10 – SUBSEQUENT EVENTS

Effective October 23, 2023, the Plan changed its trustee and custodian to Mutual of America Financial Group.

The Plan has evaluated subsequent events after the statement of net assets available for benefits date of June 30, 2023 through April 12 2024, the date the financial statements were issued. Based upon its evaluation, Other than the above, Plan management has determined that no subsequent events have occurred that would require recognition in the accompanying financial statements or disclosure in the notes hereto other than as already disclosed.
