INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Urban Community School 401(k) Plan
Cleveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Urban Community School 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Voya Retirement Insurance and Annuity Company, the custodian of the Plan, a qualified institution, as of June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as identified in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule as listed in the table of contents as of June 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its' form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

URBAN COMMUNITY SCHOOL 401(K) PLAN

Notes to Financial Statements

June 30, 2023 and 2022 and Year Ended June 30, 2023

NOTE A - DESCRIPTION OF PLAN

The following description of the Urban Community School 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of Urban Community School (the Company, Plan Administrator, and Plan Sponsor) who have attained the age of 21 and who are not covered under a collective bargaining agreement. Eligible employees may participate in the Plan beginning on the first day of the calendar month following or coincident month following hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Participants may elect to defer up to 100% of their compensation as defined by the Plan on either a pre-tax or after-tax basis. The Plan also provides for catch-up contributions for participants who reach the age of 50 by the end of the Plan year. Effective July 1, 2020, the Plan was amended to include non-elective safe harbor contributions at an amount not less than 3% of a participant's compensation. In addition, the Company may make additional discretionary qualified non-elective contributions. The Plan provides for discretionary employer matching contributions, not to exceed 6% of compensation. For the year ended June 30, 2023, discretionary employer matching contributions were 1.5% of eligible compensation for participants who contributed elective deferrals to the Plan during the year. The Plan also provides for discretionary employer profit sharing contributions. There were no additional discretionary qualified non-elective contributions for the year ended June 30, 2023. For the year ended June 30, 2023, the discretionary employer profit sharing contribution was 4.6% of eligible compensation. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (the Code). Participants direct the investment of their contributions into various options offered by the Plan. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, discretionary employer profit sharing contributions, qualified non-elective safe harbor contributions, additional qualified non-elective contributions, as well as an allocation of the Company's discretionary employer matching contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon participant account earnings, compensation, specific participant transactions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

URBAN COMMUNITY SCHOOL 401(K) PLAN

Notes to Financial Statements

June 30, 2023 and 2022 and Year Ended June 30, 2023

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their deferral and rollover contributions, qualified non-elective contributions, and safe harbor non-elective contributions, plus actual earnings thereon. Vesting in discretionary employer matching and discretionary profit sharing contributions plus actual earnings thereon is based on years of vesting service at 20% per year of credited service. A participant is 100% vested upon completion of six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances subject to certain Department of Labor and Internal Revenue Service (IRS) requirements. Notes receivable terms range from 1 - 5 years or longer for the purchase of a primary residence. Notes receivable are secured by the balance in the participants' accounts and bear interest at rates that range from 4.50% to 9.25% at June 30, 2023. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits

Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, subject to Plan provisions. If the value of the vested benefits credited to the participant's account is \$1,000 or less at the time of termination, the entire amount will be distributed to a participant without the participant's consent.

Forfeited Accounts

Forfeitures are used to reduce administrative expenses or discretionary employer contributions. Unallocated forfeiture balances as of June 30, 2023 and 2022 was \$30,017 and \$15,998, respectively. Forfeitures of \$3,601 were used during the year ended June 30, 2023 to reduce employer contributions.

Unallocated Assets

The Plan holds assets in an unallocated account. Funds in the account are used at the discretion of the Plan Sponsor. Unallocated assets were \$6,132 and \$4,094 at June 30, 2023 and 2022, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

URBAN COMMUNITY SCHOOL 401(K) PLAN

Notes to Financial Statements

June 30, 2023 and 2022 and Year Ended June 30, 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodian. See Note D for discussion of fair value measurements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of June 30, 2023 and 2022. If a participant ceases to make repayments on a note receivable and the Plan Administrator deems the note receivable to be uncollectible, the balance on the note receivable from the participant is reclassified to benefits paid to participants.

Investment Income Recognition

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Participant and employer contributions are recorded and credited to each participant's account when received by the custodian from the Company. Any contributions attributable to the Plan year but not received by the custodian by the last day of the Plan year are recorded as a receivable.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments on the accompanying statement of changes in net assets available for benefits.

Income Taxes

The Company adopted a non-standardized pre-approved profit sharing plan with a cash or deferred arrangement which received an opinion letter from the IRS dated June 30, 2020 stating that the Plan was designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is currently being operated in compliance with the applicable requirements of the Code and therefore believes that the Plan is qualified and the related trust is tax-exempt.

URBAN COMMUNITY SCHOOL 401(K) PLAN

Notes to Financial Statements

June 30, 2023 and 2022 and Year Ended June 30, 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE C - CERTIFICATION

Investment information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at June 30, 2023 and 2022, and net appreciation in the fair value of investments and interest income for the year ended June 30, 2023 were obtained or derived from information certified as complete and accurate by the custodian.

NOTE D - FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy, which are based upon the inputs used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

URBAN COMMUNITY SCHOOL 401(K) PLAN

Notes to Financial Statements

June 30, 2023 and 2022 and Year Ended June 30, 2023

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

The Plan's investments accounted for at fair value as of June 30, 2023 are summarized below:

	Level 1	Level 3	Total
Money market fund	\$ 36,150		\$ 36,150
Guaranteed investment contract		\$ 51,691	51,691
Total investments in the fair value hierarchy	<u>\$ 36,150</u>	<u>\$ 51,691</u>	87,841
Investments measured at net asset value			<u>3,752,542</u>
Total investments at fair value			<u>\$ 3,840,383</u>

The Plan's investments accounted for at fair value as of June 30, 2022 are summarized below:

	Level 1	Level 3	Total
Money market fund	\$ 20,093		\$ 20,093
Guaranteed investment contract		\$ 39,340	39,340
Total investments in the fair value hierarchy	<u>\$ 20,093</u>	<u>\$ 39,340</u>	59,433

Total investments at fair value			<u>\$ 2,744,682</u>

URBAN COMMUNITY SCHOOL 401(K) PLAN

Notes to Financial Statements

June 30, 2023 and 2022 and Year Ended June 30, 2023

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

Money market fund is valued at the net asset value of shares held by the Plan at year end, as reported on the active market in which the investment is traded.

Pooled separate accounts and the collective investment trust (see Notes E and F) are valued at the net asset values of shares held by the Plan at year end. The net asset values, as provided by the custodian, are used as a practical expedient to estimate fair values. The net asset values are based on quoted market prices of the underlying investments, net of insurance company fees and expenses less their liabilities. This practical expedient is not used when it is determined to be probable that the accounts will sell the investments for amounts different than the reported net asset values.

The guaranteed investment contract (see Note G) is valued at market value which approximates fair value based on a market value formula. The market value is derived considering such factors as the weighted average of certain Barclays fixed income indices and the valuation date of the surrender of the contract. Quantitative information about significant unobservable inputs is not readily available. Because the participants transact at contract value, fair value is determined annually for financial statement reporting purposes only.

The methods described above may produce fair value calculations that may not be indicative of net realizable values or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair values of certain financial instruments could result in different fair value measurements as of the reporting date.

URBAN COMMUNITY SCHOOL 401(K) PLAN

Notes to Financial Statements

June 30, 2023 and 2022 and Year Ended June 30, 2023

NOTE E - POOLED SEPARATE ACCOUNTS

The Plan has investments in Voya Retirement Insurance and Annuity Company's (VRIAC) pooled separate accounts. As of June 30, 2023 and 2022, the fair value of pooled separate accounts was \$3,424,171 and \$2,458,981, respectively. There are no restrictions on transfers or withdrawals from these accounts. The investment strategies of pooled separate accounts with a balance in excess of 5% of net assets available for benefits as of June 30, 2023 are as follows:

American Funds American Balanced Fund - Class R-6 seeks conservation of capital by investing in a broad range of securities, including common stocks, investment-grade bonds, securities issued and guaranteed by the U.S. government and federal agencies and instrumentalities. The fund may invest a portion in common stocks, most of which have a history of paying dividends, bonds and other securities of issuers domiciled outside the United States.

American Funds New Perspective Fund - Class R-6 seeks long-term growth of capital by investing in common stocks of companies located around the world.

MFS Value Fund - Class R6 seeks capital appreciation by investing in primarily equity securities.

Vanguard 500 Index Fund - Admiral Shares seeks to track the performance of the Standard & Poor's 500 Index by investing all, or substantially all, of its assets in the stocks that make up the index, holding each stock in approximately the same proportion as its weighting in the index.

Voya Index Solution 2025, 2035, 2040, 2045, and 2055 Portfolio - Class Z seek to provide total returns consistent with asset allocations targeted at retirement by investing at least 80% of their net assets in a combination of underlying funds which are passively managed index funds.

NOTE F - COLLECTIVE INVESTMENT TRUST

The Plan has an investment in a VRIAC collective investment trust. As of June 30, 2023 and 2022 the fair value of the collective investment trust was \$328,371 and \$226,268, respectively. There are no restrictions on transfers or withdrawals from this account. The investment strategy of the collective investment trust is as follows:

JPMorgan Large Cap Growth Fund - Class R6 Shares (2023) seeks long term capital appreciation by investing at least 80% of the fund's assets in equity securities of large, well-established companies.

URBAN COMMUNITY SCHOOL 401(K) PLAN

Notes to Financial Statements

June 30, 2023 and 2022 and Year Ended June 30, 2023

NOTE F - COLLECTIVE INVESTMENT TRUST (CONTINUED)

Voya Large Cap Growth Fund - Class 8 (2022) is an actively managed fund that relies on fundamental research and analysis to identify companies with strong and accelerating business momentum, increasing market recognition, and attractive valuations to outperform the Russell 1000 Growth Index before management fees over full market cycles.

NOTE G - GUARANTEED INVESTMENT CONTRACT

The Plan has a traditional guaranteed investment contract with VRIAC with a fair value of \$51,691 and \$39,340 at June 30, 2023 and 2022, respectively. Contributions from the Plan are maintained in VRIAC's general account. Under the contract, the Plan owns a promise by the issuer to repay the principal and to pay interest at crediting rates which are announced in advance and declared on an annual basis. All benefit payments prior to contract liquidation are made at contract value; however, the contract restricts participant-directed transfers from the contract based on a percentage determined by Voya at that point in time which will not be less than 10% of the current value held in the fixed account as of January 1 of the calendar year. Contract value represents deposits made to the contract, plus earnings at crediting rates, less withdrawals and fees. The crediting rate is based on a formula established by the contract issuer but may not be less than 1% percent. The crediting rate is reviewed on an annual basis for resetting. If the Plan Sponsor terminates the contract, a market value adjustment may apply. At June 30, 2023 and 2022, the market value adjustment that would have been applied to the contract value if the contract were terminated as of that date was a decrease of \$6,843 and \$-0-, respectively.

Contract value is the relevant measure for fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan's investment contract with VRIAC is not considered to be fully benefit-responsive due to the restrictions on fund transfers and therefore the investment is included in the statement of net assets available for benefits at fair value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations to the Plan may be affected by future economic and regulatory development.

Net income (loss) per the Form 5500	<u>\$ 1,364,752</u>

The guaranteed investment contract is reported at fair value in the financial statements as it is not fully benefit-responsive.

NOTE I - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants shall receive a full distribution of the balances in their respective accounts.

URBAN COMMUNITY SCHOOL 401(K) PLAN

Notes to Financial Statements

June 30, 2023 and 2022 and Year Ended June 30, 2023

NOTE J - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE K - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include the investment in the funds of VRIAC, and related dividend income, interest, and the payment of administrative expenses by the Plan. Such transactions are exempt from being prohibited transactions.

VRIAC provides certain administrative services to the Plan. VRIAC receives revenue for these services at crediting rates per investment ranging from 0.84% to 1.31% of the funds' balance. These fees reduce the rate of return credited to the Plan for these investments and are netted within net depreciation in fair value of investments on the statement of changes in net assets available for benefits.

NOTE L - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through April 9, 2024, the date which the financial statements were available to be issued.

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023, which included SECURE 2.0 Act of 2022 (SECURE Act 2.0). SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2023 financial statements.
