Independent Auditor's Report

To The Board of Trustees of
Mid-Bronx Senior Citizens Council, Inc. 403(b) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Mid-Bronx Senior Citizens Council, Inc. 403 (b) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2023, is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

**To the Board of Trustees of Mid-Bronx Senior
Citizens Council, Inc. 403(b) Profit Sharing Plan
Page 4**

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

June 30, 2023

1. Description of Plan

Mid-Bronx Senior Citizens Council, Inc. ("the Council") established the Mid-Bronx Senior Citizens Council 403(b) Profit Sharing Plan ("the Plan") which became effective as of July 1, 1994. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time and part-time employees of the Council who are age twenty-one or older and have completed one year of service with the Council and worked at least 1,000 hours during the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions and Vesting

The Council makes discretionary non-elective contribution to the Plan. Participants may also contribute amounts representing distributions from certain other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into investment options offered by the Plan. The investment options are limited to mutual funds purchased through a custodial account. Participants are fully vested in their employee contributions and earnings thereon.

Payment of Benefits

Benefits are paid upon retirement (age 65), death, disability, or termination of employment. Participants may elect to receive lump-sum, partial payments, installment payments, annuity contracts or income option conversion, subject to the terms of the individual agreements governing the participants' investment selections. The Plan does not allow participants to borrow from the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the modified cash basis of accounting. Under this method, investments are stated at fair value and all other transactions are recorded on the cash basis of accounting. The modified cash basis of accounting is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

**Mid-Bronx Senior Citizens Council, Inc.
403(b) Profit Sharing Plan**

Notes to Financial Statements - Continued

2. Summary of Significant Accounting Policies (*continued*)

Fair Value of Financial Instruments

The Plan follows Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Investment Valuation and Income Recognition

Investments in registered investment companies are stated at fair value as determined by quoted market prices, which represents the net asset value of shares held by the Plan at year end. There have been no changes in the methodologies used at June 30, 2022 and 2021.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income which is reinvested. Realized gains and losses on investments are recognized upon the sale of the related investments, and unrealized appreciation or depreciation is recognized at year end when the carrying values of the related investments are adjusted to their estimated fair value.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the employer discretionary contributions, plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan's adoption agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their employee contributions and share of employer contributions into investment options offered by the Plan.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Investment-related expenses are included in net appreciation in fair value of investments. Administrative expenses of the Plan are allocated to participant accounts.

2. Summary of Significant Accounting Policies (continued)

Accounting for Uncertainty in Income Taxes

The Plan recognizes the effect of income tax positions only if those positions are more-likely-than-not be sustained upon examination by taxing authorities. Management has determined that the Plan had no uncertain tax positions that would require financial statement recognition. The Plan is no longer subject to audits by the applicable taxing jurisdictions for tax periods prior to 2019.

Subsequent Event Evaluation by Management

Management has evaluated events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is April 12, 2024.

3. Information Certified (Unaudited)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid-Atlantic Trust Company, the current custodian has certified to the completeness and accuracy of all the investments reflected on the accompanying statements of net assets available for benefits as of June 30, 2023 and 2022, the supplemental Schedule H, Part, IV, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2023 and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended June 30, 2023.

4. Investments

The Plan's investments in registered investment companies amounting to \$999,857 and \$930,807 as of June 30, 2023 and 2022 are classified as Level 1, within the fair value hierarchy.

	2023			
	Level 1	Level 2	Level 3	Total
Registered investment companies	<u>\$ 999,857</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 999,857</u>
	2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies	<u>\$ 930,807</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 930,807</u>

The asset's or liability's fair value measurement level within the fair-value hierarchy is based on the lowest level of any input that is significant to the fair-value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

403 (B) Profit Sharing Plan**

Notes to Financial Statements - continued

5. Plan Termination

Although it has not expressed any intention to do so, the Council has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

6. Tax Status

The Company believes that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan Administrator (and the Plan's tax counsel) believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

7. Party-in-Interest

The Plan is managed by Benefit Consultants Group, Inc., the Plan's record keeper. Mid-Atlantic Capital Group, Inc. is the Plan's custodian of funds. Accordingly, these transactions qualify as party-in-interest transactions. Certain employees of the Plan Sponsor, who may also be participants in the Plan, perform administrative services to the Plan at no cost to the Plan.

8. Risks and Uncertainties

The assets of the Plan are primarily financial instruments which are monetary in nature. Accordingly, interest rates have a more significant impact on the Plan's performance than the effects of the general levels of inflation. Interest rates generally do not move in the same direction or with the same magnitude as prices of goods and services as measured by the consumer price index. Investments are subject to risk conditions of the individual investment's objectives, stock market performance, interest rates, economic conditions and world affairs. Due to the level of risk associated with the Plan's investments, it is reasonably possible that changes in the values of the Plan's investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

9. COVID-19 Financial Statement Impacts

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 (COVID-19) as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, the market price of Plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted. Accordingly, the extent to which COVID-19 may impact the Plan's assets, net assets available for benefits, contributions, investment income, and benefits paid to participants is uncertain and the financial statements include no adjustments relating to the effects of this pandemic.

10. CARES and SECURE Act

In 2021, the Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within these acts have been implemented. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.
