Plan Administrator

Eastern Colorado Services for the Developmentally Disabled, Inc. Tax Deferred Annuity Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Eastern Colorado Services for the Developmentally Disabled, Inc. Tax Deferred Annuity Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H – Line 4i – Schedule of Assets (Held at End of Year), as of June 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE A – DESCRIPTION OF PLAN

The following description of the Eastern Colorado Services for the Developmentally Disabled, Inc. Tax Deferred Annuity Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. *General*

The Plan was established effective October 1, 1991 by Eastern Colorado Services for the Developmentally Disabled, Inc. dba Eastern Colorado Services (the Company or Employer). It is a defined contribution plan covering all employees of the Company, or any affiliated company that adopts the Plan. Employees who work more than twenty hours per week can make elective deferrals. Employees are eligible for employer contributions who are age eighteen or older, have completed 1,000 hours of service in a twelve month period, and do not receive services from Eastern Colorado Services. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Prior to January 1, 2010, all annuity contracts were held at The Variable Annuity Life Insurance Company (VALIC). Starting January 1, 2010, all contributions were invested in annuity contracts with Talcott Resolution Life Insurance Company (formerly named Hartford Life Insurance Company). Each participant had the option to move their funds held at VALIC.

Effective January 1, 2013, Massachusetts Mutual Life Insurance Company (Mass Mutual) acquired The Hartford's Retirement Plan Group (RPG) business. MassMutual assumed, through a reinsurance agreement, the obligations of Talcott Resolution Life Insurance Company (formerly named Hartford Life Insurance Company) that were part of the RPG business including the group variable annuity contract held by the Plan.

On December 31, 2020, Empower acquired Mass Mutual and effective February 19, 2022 Empower took over the obligations from Mass Mutual. Empower refers to the products and services offered by Empower Annuity Insurance Company of America and its subsidiaries, including Empower Retirement, LLC.

2. *Annuity Contracts*

Plan assets are invested in annuity contracts with VALIC and Empower. The contracts offer a combination of fixed and variable investment options in which a participant may invest.

NOTES TO FINANCIAL STATEMENTS
June 30, 2023 and 2022

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

3. *Contributions*

Each year, participants at a minimum must contribute \$200 and may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, subject to Internal Revenue Code limitations. Participants may also contribute amounts representing distributions from other defined contribution plans. Participants direct the investment of their contributions into various investment options under an annuity contract offered by the Plan. The Plan provides for employer discretionary contributions at a rate equal to a uniform percentage of compensation. The Company at its sole discretion may vary the rate and percentage. The employer contributions are invested as directed by the participant. For 2023 and 2022, the Company's contribution rate was 5% of the employee's eligible compensation.

4. *Participant Accounts*

All of a participant's salary reduction and employer contributions are credited to his or her account, as directed by the participant. The value of each of the separate funds is determined by VALIC and Empower daily. VALIC and Empower then value and increase or decrease each participant's account to reflect his or her proportionate interest in each of the funds, as adjusted for fund activity, since the preceding valuation date.

5. *Vesting*

Participants are immediately 100% vested in both their contributions and employer discretionary contributions.

6. *Notes Receivable from Participants*

Participants may obtain loans that are secured by the participants' accounts. Effective February 3, 2011, no new loans are permitted. Interest rates on outstanding loans at June 30, 2023 was between 4.0% and 5.0%.

7. *Eligibility for Payment of Benefits*

Upon termination of service, death, or reaching normal retirement age, the participant may receive benefits as allowed by the Plan equal to the value of the account. Normal retirement age is sixty-five; however, participants continue to share in the benefits of the Plan if employment continues past normal retirement age. The lump-sum amount may be paid directly to the participant or rolled over into a qualified IRA or another qualified plan. Effective July 1, 2018, the plan was restated to allow involuntary cash-out threshold of \$5,000.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. *Basis of Accounting*

The accompanying financial statements have been prepared on the accrual basis of accounting.

2. *Use of Estimates*

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

3. *Subsequent Events*

The Plan has evaluated events and transactions occurring subsequent to the end of the fiscal year for potential recognition or disclosure through April 15, 2024, the date on which the financial statements were issued. The Plan did not identify any events or transactions that would have a material impact on the financial statements.

4. *Investment Valuation and Income Recognition*

The Plan's investments, except for the fully benefit-responsive contract, are stated at estimated fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fully benefit-responsive contracts held by a defined contribution plan are required to be reported at contract value. The General Account, held at Empower, is considered fully benefit-responsive.

5. *Payment of Benefits*

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS
June 30, 2023 and 2022

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

6. *Notes Receivable from Participants*

Notes receivable from participants represent participant loans that are recorded at their unpaid principal plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses has been recorded as of June 30, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, and thus a distribution, the participant loan balance is reduced and a benefit payment is recorded.

7. *Administrative Expenses*

Administrative expenses can be paid by the Plan, by the Company, or by the participant. For the year ended June 30, 2023, the Plan incurred \$3,522 for administrative expenses.

NOTE C – FAIR VALUE MEASUREMENTS

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date.

A fair value hierarchy is established to prioritize the inputs used to measure fair value. This hierarchy requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs used to measure fair value are as follows:

Level 1 – Quoted market prices in active markets for identical assets or liabilities.

Level 2 – Inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of assets or liabilities.

The Plan used the following methods and significant assumptions to estimate fair value of the Plan's annuity contracts held with VALIC.

Eastern Colorado Services for the Developmentally Disabled, Inc. Tax Deferred Annuity Plan
NOTES TO FINANCIAL STATEMENTS
June 30, 2023 and 2022

NOTE C – FAIR VALUE MEASUREMENTS (CONTINUED)

Annuity Contract Variable Account Options are valued by a purchase unit of interest owned by participants. The units of interest are revalued daily to reflect that day's performance of the underlying mutual fund minus any applicable fees and charges.

Annuity Contract Fixed Account Options are valued by the following calculation on a given business day:

- All purchase payments made to the Fixed Account Options, plus
- Amounts transferred from Variable Account Options to the Fixed Account Options, plus
- All interest earned, minus
- Amounts transferred or withdrawn from Fixed Account Options (including applicable fees and charges).

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include transferring funds to another funding entity. There is a charge at the time of surrender or withdrawal equal to 5% of (i) the amount withdrawn, or (ii) the amount of any purchase payments received during the most recent 60 months prior to the surrender or withdrawal, whichever is less.

The Plan used the following methods and significant assumptions to estimate fair value of the Plan's annuity contracts held with Empower.

The value of an Annuity Unit for each Sub-Account in the Separate Account was set at an initial fixed value on the date the Sub-Account was initially established and for each day thereafter is determined by multiplying the value of the Annuity Unit for that Sub-Account on the preceding day by the product of (a) 0.999892 and (b) the net investment factor for that Sub-Account of the Separate Account for the day for which the annuity value is being calculated.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D – INVESTMENT CONTRACT

The General Account, held at Empower, is considered fully benefit-responsive. The General Account value is determined by crediting interest to amounts allocated to the General Account under the Contract. The General Account is credited with interest at a rate guaranteed for the entire year which will never be less than 3%. The declared interest rate for a calendar year is determined at the end of the preceding calendar year. The Contract can be terminated by the Company or by the contract owner. The contract value would not be paid in the case of termination, but would be based on a calculation that would result in net surrender value which would be paid. The Company has no plans to terminate the contract.

Eastern Colorado Services for the Developmentally Disabled, Inc. Tax Deferred Annuity Plan
NOTES TO FINANCIAL STATEMENTS
June 30, 2023 and 2022

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated for any reason, the Plan administrator is to distribute immediately each participant's interest to the participant or beneficiary.

NOTE F – INCOME TAX STATUS

Effective July 1, 2018, the Plan adopted a pre-approved plan document which has obtained a determination letter from the Internal Revenue Service. The Plan has not received its own determination letter. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. The Plan administrator believes it is no longer subject to income tax examinations for the years prior to 2020.

NOTE G – INFORMATION PROVIDED BY THE CUSTODIAN (UNAUDITED)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, VALIC and Empower, the custodians of the Plan, have certified that the following unaudited data included in the accompanying financial statements and supplemental schedules is complete and accurate:

Statements of net assets available for benefits

- All investment information

Statement of changes in net assets available for benefits

- Dividends and interest and net appreciation in fair value of investments

Supplemental schedule

- All information except participant loans contained on the schedule of assets (held at end of year)

Eastern Colorado Services for the Developmentally Disabled, Inc. Tax Deferred Annuity Plan
NOTES TO FINANCIAL STATEMENTS
June 30, 2023 and 2022

NOTE H – RELATED PARTY TRANSACTIONS

Certain Plan investments represent units or options for which the custodians are advisors or sub-advisors, therefore, these investments and investment transactions qualify as party-in-interest transactions. Fees charged to the Plan for investment or management services by VALIC and Empower were \$3,522 in 2023.

NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
