INDEPENDENT AUDITOR'S REPORT

Plan Participants and Board of Trustees
Southwest States Conference Defined Contribution Fund
Lake Charles, LA

Opinion on the 2023 Financial Statements

We have audited the accompanying financial statements of Southwest States Conference Defined Contribution Fund , an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2023, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of Southwest States Conference Defined Contribution Fund as of June 30, 2023, and the changes in its financial status for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the 2023 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Southwest States Conference Defined Contribution Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Southwest States Conference Defined Contribution Fund 's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Southwest States Conference Defined Contribution Fund 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Southwest States Conference Defined Contribution Fund 's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) referred to as "supplemental information," is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been

subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

2022 Financial Statement

The accompanying statement of net assets available for benefits of Southwest States Conference Defined Contribution Fund as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended were not audited, reviewed, or compiled by us and accordingly, we do not express an opinion or any other form of assurance on them.

Notes to Financial Statements

June 30, 2023

NOTE A - DESCRIPTION OF PLAN

The following description of Southwest States Conference Defined Contribution Fund (Plan) provides only general information. Participants should refer to the Trust Documents and Plan Documents for a complete description of the Plan's provisions.

- **General**

The Plan is a defined contribution, multiemployer plan that provides additional pension benefits to all persons who work hours of covered employment under collective bargaining agreement of International Association of Heat & Frost Insulators, Local 53B. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

As of August 1, 2019, the name of the Fund was changed from Insulators Local Union No. 112 Defined Contribution Fund to Southwest States Conference Defined Contribution Fund. All participating unions agree to be bound by the provisions of the Southwest States Conference Defined Contribution Agreement and Declaration of Trust and Plan document.

Subsequently, the Southwest States Conference Defined Contribution Agreement and Declaration of Trust was amended effective April 1, 2022 after the recognition of the merger of Insulator Local Union No. 112 into Asbestos Workers Local 53B. All references to International Association of Heat & Frost Insulators, Local 112, Lake Charles, Louisiana and Orange, Texas shall be renamed to International Association of Heat & Frost Insulators, Local 53B.

Effective July 1, 2018, the Board of Trustees hired The Standard Retirement Services, Inc. to maintain all record keeping functions including allocation to participant accounts and distributions. The Plan is self-administered for the normal operations of the plan like operating payables and contribution processing.

- **Tax status**

The Plan obtained its latest determination letter on January 29, 2016, in which the Internal Revenue Service states that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan's administrator and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has evaluated the Plan's tax positions and concluded that the Plan has taken no uncertain tax positions that would require financial statement recognition or disclosure for the years ended June 30, 2023.

SOUTHWEST STATES CONFERENCE DEFINED CONTRIBUTION FUND

Notes to Financial Statements June 30, 2023

NOTE A - DESCRIPTION OF PLAN

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. With few exceptions, the Plan is no longer subject to tax examinations by tax authorities for years preceding June 30, 2019.

- **Funding**

The Plan is funded by employers' contributions in accordance with formulas set forth in the applicable collective bargaining agreement(s). Additionally, the Plan has entered into reciprocal agreements with other plans, whereby, participants working out of jurisdiction can have pension contributions remitted to the Plan at the rate effective in the jurisdiction in which the hours are worked.

- **Participant accounts**

The Plan maintains individual accounts for each participant which consists of contributions made on his or her behalf by any signatory employer and the income earned on such contributions, less the administrative charge. The participants' accounts are reconciled to the Net Assets Available for Benefits determined on the accrual basis of accounting. The participant shall have a non-forfeitable interest and be fully vested at all times in his or her account.

The Plan accepts rollover contributions if the participant establishes to the satisfaction of the Trustees that the amount tendered as a rollover amount represents a qualified distribution to the participant from a qualified plan maintained by the former employer or employers of the participant, and other requirements of the Plan are met. During the year ended June 30, 2023, no rollover contributions were received.

The plan maintains cash account not allocated to participants' accounts. The participants' accounts are maintained on a cash basis but the financial statements are reported on an accrual basis these items hereby create reconciling items as follows:

<u>Reconciliation of participant accounts.</u>	
Total Net Assets available for benefits	\$ 4,294,021
Assets not allocated to participants' accounts	(129,182)
Net Accruals- participant accounts are cash	<u>(34,242)</u>
Total Participants' accounts June 30, 2023	<u>\$ 4,130,597</u>

- **Pension benefits**

On termination of service due to death, disability or retirement, a participant may receive their account balance by (i) a transfer to another qualified plan, (ii) a transfer to an individual retirement account, or (iii) a lump-sum distribution which is subject to a 20% income tax withholding. For termination of service due to other reasons, a participant may receive the value of the account in accordance with the rules and regulations of the Plan.

SOUTHWEST STATES CONFERENCE DEFINED CONTRIBUTION FUND

Notes to Financial Statements June 30, 2023

NOTE A - DESCRIPTION OF PLAN

- **Priorities upon termination**

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of Plan assets to be used for or diverted to purposes other than the exclusive benefit of the participants. In the event the Plan terminates, participants are 100% vested in their accounts.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

- **Basis of accounting**

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and presented in a format to coincide with the Form 5500.

- **Use of estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts and disclosures. Actual results could differ from those estimates.

- **Investment valuation and income recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by its investment custodian(s) and investment advisor(s).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes gains and losses on investments bought and sold as well as held during the year.

- **Employers' contributions receivable**

Employers' contributions are recorded as income in the month the hours are worked. Employers' contributions receivable represents contributions applicable to work months prior to June 30, 2023, but collected subsequent to those dates. Plan management believes these receivables to be fully collectible. The Board of Trustees has a policy of performing agreed-upon procedures on the payroll records of contributing employers on a regular basis. Delinquencies may arise from these procedures, but due to the uncertainty of collections, no estimates of amounts due will be accrued until settlements are reached. Consequently, no allowance for uncollectible receivables is recorded.

- **Payment of benefits**

Benefit payments to participants are recorded upon distribution.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

- **Subsequent events**

Management has evaluated subsequent events through April 15, 2024, the date the financial statements were available to be issued. No subsequent events have occurred requiring accrual or disclosure.

NOTE C - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023.

Pooled Separate Accounts: Valued at estimated fair value at the end of each month. The unit values reflect the underlying mutual fund's total return net of fees. The unit value calculation incorporates the changes in the market value (NAV) of the underlying mutual funds, reinvests all dividends and capital gains paid by the equity funds back into the pool, any revenue sharing from

SOUTHWEST STATES CONFERENCE DEFINED CONTRIBUTION FUND

Notes to Financial Statements June 30, 2023

NOTE C - FAIR VALUE MEASUREMENTS (continued)

fund company and fees calculated on a daily basis based on the underlying assets in the plan. The formula to determine unit value is highlighted below:

The formula is:

$$UV(t) = [UV(t-1) \times ((NAV(t) + DIV(t))/NAV(t-1)) - Mfee(t)]$$

UV(t) = Today's Unit Value

UV(t-1) = Prior Business Day's Unit Value

NAV(t) = Today's Net Asset Value or Share Price

NAV(t-1) = Prior Business Day's Net Asset Value or Share Price

DIV(t) = Today's Dividend Rate per Share for Fund

Mfee(t) = Today's Management Fee Rate

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The Plan's investments have no unfunded commitment and can be redeemed at will by the Plan.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023:

Assets at fair value as of June 30, 2023

Notes to Financial Statements June 30, 2023

NOTE D – STABLE VALUE FUND

One of the investment options available to the Plan participants is the Standard Stable Value Fund Class A. This investment provides for the collective investment of assets of participating tax qualified plans and related trusts, in guaranteed investment contracts and in cash or other readily marketable assets. The investment seeks to preserve capital and provide stability of principal while earning current income that exceeds money market rates over the long term. This investment is comprised of guaranteed investment contracts (GICs), and separate account contracts. Traditional GICs and separate account contracts receive a guaranteed interest rate from the issuer for a specified time. The issuer for each GIC contract guarantees that all qualified participant withdrawals will occur at contract value (principal plus accrued interest). Contract value represents contributions made, less withdrawals and administrative expenses, plus interest credited. Daily liquidity at contract value is available for participant contributions and withdrawals. The contract value is a general liability against Standard Insurance company on the plan's behalf. There are no particularly segregated or identifiable assets of Standard Insurance Company ascribed to the Plan's Standard Stable Assets A. All investment contracts held by Stable Fund at June 30, 2023, are fully benefit-responsive. The average yield earned by the Stable Fund at June 30, 2023, represents the annualized earnings of all investments in the Trust divided by the period-end fair value of all investments in the Trust was 0.61%.

NOTE E - RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE F – RELATED PARTY and PARTY-IN-INTEREST TRANSACTIONS

Payments for professional services such as IT consulting, record keeping, legal, and auditing are considered reasonable and customary for such services.

The Boards of both the Plan and that of the Insulators Local 112 Pension fund determined that it will be efficient, cost effective and convenient if the Funds share resources and divide the costs proportionate to their respective usage of administrative expenses. Southwest States Conference Defined Contribution Fund will be responsible to pay administrative costs in the amount of 20% of monthly rent, employee salary, payroll taxes, fringe benefit, office supplies, etc. This allocation is reviewed annually by the Board and adjusted if needed. In addition, reimbursements are made to International Association of Heat & Frost Insulators, Local 53B for office supplies when applicable. Total reimbursements to both the Pension and Local were \$11,992 as of June 30, 2023.

SOUTHWEST STATES CONFERENCE DEFINED CONTRIBUTION FUND

Notes to Financial Statements June 30, 2023

NOTE G - OPERATING EXPENSES

The following is a detailed summary of the Plan's operating expenses for the years ended June 30, 2023:

	<u>2023</u>
Fund administrator	\$ 15,283
Record keeper fees	23,640
Legal fees	30,615
Audit fees	4,156
Insurance-bonding premiums	6,956
Office expenses	6,276
Other expenses	<u>1,683</u>
Total operating expenses	<u>\$ 88,609</u>

NOTE H - AMENDMENTS

The Board of Trustees approved amendments to the Restated and Amended Plan Document which incorporated the following changes. Participants should always refer to the Summary Plan Description and/or the Trust Documents for further information and all provisions of the Plan.

- Effective July 1, 2022, as of each valuation date, earnings shall be credited to participants' accounts and expenses shall be periodically charged to participants' accounts on a per capita basis at a fixed dollar amount.
- Effective July 1, 2022, the Plan's Eighth Amendment amended the definition of Union and the determination of benefits upon termination of employment.

NOTE I - CHANGES IN CLASSIFICATION AND RECLASSIFICATION

The presentation of certain financial statement amounts of the previous year has been changed to reflect the presentation adopted for the current year.
