INDEPENDENT AUDITOR'S REPORT

Board of Trustees
PECA-HEW Annuity Fund
Honolulu, Hawaii

Opinion

We have audited the accompanying financial statements of PECA-HEW Annuity Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2023 (date of termination) and August 31, 2022 (in liquidation) and the related statements of changes in net assets available for benefits for ten-month period ended June 30, 2023 and the year ended August 31, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of PECA-HEW Annuity Fund as of June 30, 2023 (date of termination) and August 31, 2022 (in liquidation), and the changes in net assets available for benefits for the ten-month period ended June 30, 2023 and the year then ended August 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conduct our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of PECA-HEW Annuity Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United

States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PECA-HEW Annuity Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that include our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of PECA-HEW Annuity Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PECA-HEW Annuity Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, amount other matters, the planned scope and timing of the audit, significant audit finding, and certain internal control-related matters that we identified during our audit.

NOTES TO FINANCIAL STATEMENTS
June 30, 2023 and August 31, 2022

NOTE A – DESCRIPTION OF PLAN

The following description of the PECA-HEW Annuity Fund (The Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General. The Plan was established on March 15, 1989 in accordance with an Electrical Worker's Agreement dated December 1, 1988, between Pacific Electrical Contractors Association (PECA) and the Hawaii Electrical Workers Union (HEW). The first plan year runs from September 1, 1988 through August 31, 1989, and covers all compensation earned since May 1, 1988 by the plan participants.

The Plan is a defined contribution plan covering all eligible employees of employers who are either a signatory to the Electrical Workers Agreement or are a signatory to a Participation Agreement between the employer and the Plan's trustees. Eligible employees enter the plan after completion of 240 hours of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Employer's contributions to the Plan are made in accordance with the formula set forth in the collective bargaining agreement. With the consent of the plan administrator, employees may transfer from other qualified plans, provided that the plan from which such funds are transferred permits the transfer to be made and the transfer will not jeopardize the tax exempt status of the Plan or create adverse tax consequent for the employer. No other employee contribution is allowed.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocation of the employer's contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting. Participants are 100% vested in their account after completion of 240 hours of service.

Payment of Benefits. On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account or a life annuity.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Method. The accounting records the Plan are maintained on the accrual basis.

The Plan collects employer contributions based on a collectively bargained contractual agreement. Although the majority of these employers are located in Hawaii, the Plan does not believe that it is exposed to any significant credit risk in connection with the collection of contributions from these employers.

Use of Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Contributions. Employer's contributions receivable represents amount due as of August 31, under the terms of the collective bargaining agreement. The amount shown is net of amounts estimated to be uncollectible.

Payment of Benefits. Benefit payments to participants are recorded upon distribution.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE C – TAX

The Internal Revenue Service has determined and informed the Plan Administrator by a letter dated August 30, 2012 that the Plan is qualified and the Trust established under the Plan is tax-exempt, under Section 401(a) of the Internal Revenue Code. The Plan Administrator does not anticipate that changes in the Plan after the date of the amendments covered by the Internal Revenue Service determination letter will affect the qualified and tax-exempt status of the Plan and the Trust, respectively.

NOTE D – INVESTMENTS

The Plan has no investment as of June 30, 2023 and August 31, 2022.

NOTE E – PLAN TERMINATION

On June 9, 2022, the Board of Trustees of the PECA-HEW Annuity Fund adopted the resolution to terminate the PECA-HEW Annuity Fund effective August 31, 2022 and provide the notice of Plan termination to all plan participants. As a result, the Plan changed its basis of accounting to the liquidation basis used in presenting the August 31, 2022 financial statements. The Plan termination is completed on June 30, 2023.

NOTE F – SUBSEQUENT EVENTS

Management has evaluated subsequent events through the audit opinion date of the financial statements. No material subsequent events have occurred since June 30, 2023 that required recognition or disclosure in the financial statements.

NOTE G - RELATED-PARTY TRANSACTIONS

The Plan has several service providers. These transactions are party in interest transaction under ERISA.
