Independent Auditor's Report

To the Administrative Committee of
Health Care Partners of South Carolina 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Health Care Partners of South Carolina 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) Audit). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2022, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Health Care Partners of South Carolina 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subjected to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Health Care Partners of South Carolina 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Health Care Partners of South Carolina 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Health Care Partners of South Carolina 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions, or events, considered in the aggregate, that raise substantial doubt about Health Care Partners of South Carolina 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) is presented for purpose of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all materials respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Health Care Partners of South Carolina 403(b) Plan

Notes to Financial Statements

December 31, 2022

Note 1 - Description of Plan

The following description of Health Care Partners of South Carolina 403(b) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan, established by Health Care Partners of South Carolina, Inc. (the “Organization”) effective January 1, 2022 for the benefit of its employees. Employees are eligible to participate three months after the commencement of employment with the Organization. The Plan is a salary deduction plan covering all full-time employees of the Organization. It is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Contributions

Participants may contribute to the Plan via pre-tax or Roth salary deferrals and may change their contribution percentage at their discretion. The Plan includes an automatic deferral feature whereby a participant is treated as electing to defer 1% of eligible compensation unless the participant makes an affirmative election otherwise. The automatic deferral feature provides for an annual increase until the automatic deferral percentage is capped at 3%.

The maximum annual contribution allowed in a calendar year for each participant is prescribed by federal statutes (\$20,500 in 2022). Additional catch-up contributions are permitted for participants who are age 50 or older by the end of the calendar year in which the catch-up contributions are made.

The Organization makes matching employer contributions up to 4% of total compensation for eligible employees, as defined by the plan document.

Participant Account

Each participant’s account is credited with the participant’s contribution, the Organization’s contributions, and investment earnings. Each participant’s account is charged with an allocable portion of the administrative expenses paid by the Plan. Allocations of contributions are based on participant compensation, and allocations of earnings are based on each participant’s account balance. Upon retirement or termination, a participant is entitled to the vested balance in his/her account. A participant may elect to direct the investment allocation of his/her account or to allow an investment manager to direct the investments.

Health Care Partners of South Carolina 403(b) Plan

Notes to Financial Statements

December 31, 2022

Vesting

Participants are immediately vested in all elective deferrals and rollover contributions, plus actual earnings thereon. All employees hired prior to January 1, 2022 are 100% vested at all time in all accounts. For employees hired January 1, 2022 and after, vesting in the Organization's contributions, plus earnings thereon, is based on years of continuous service. A participant is 100% vested after two years of credited service as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than one	0%
One	50%
Two	100%

Forfeited Non-vested Account Balances

Forfeitures of the non-vested portions of terminated participants' account balances are used to reduce administrative expenses and future contributions to the Plan by the Organization. Forfeitures were not material during the year ended December 31, 2022.

Administrative Expenses

Certain expenses incurred in the administration of the Plan are paid directly by the Organization.

Investment options

Investments are participant-directed among various mutual funds offered by the Plan.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's interest in his or her account in either a lump-sum amount or under a specified payments option which provides for a series of monthly withdrawals from the participant's account. Other withdrawals from participants' accounts balances may be made under certain circumstances, as defined in the Plan document.

Contributions receivable

Contributions receivable are recorded when determined contributions of the employer and employees are not received by the investment custodian until a subsequent reporting period. An allowance is provided when necessary to recognize potentially uncollectible receivables and amounts deemed worthless are written off. There were contributions receivable of \$22,784 at December 31, 2022. There was no allowance for uncollectible receivables deemed necessary at this reporting date.

Health Care Partners of South Carolina 403(b) Plan

Notes to Financial Statements

December 31, 2022

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser value of \$50,000 or 50% of their account balance. The loans are to be secured only by the balance in the participant's account. The term of the loan must not exceed five years, unless the loan used to acquire the participant's principal residence, in which case the loan term must not exceed 15 years. As stated in the Plan document, loan interest rates will be determined using prime plus a fixed 1% rate. Principal and interest on these loans are paid ratably through payroll deductions. At December 31, 2022, the Plan had loans receivable from participants of \$932.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") using the accrual method of accounting. U.S. GAAP is embodied in the Financial Accounting Standards Board *Accounting Standards Codification* ("FASB ASC"), which is the authoritative source of U.S. accounting and reporting standards for nongovernmental entities.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates, and such differences could be material. Significant estimates used in preparing these financial statements include those used to establish the fair values of investments.

Valuation of investments

The investments in the funds are presented at fair value. Shares of registered investment companies are valued based on quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Unrealized gains and losses are recorded for changes in the fair value of mutual fund investments during the year. Realized gains and losses are recorded when investments are sold. Realized and unrealized gains and losses for each reporting period are combined and presented as net appreciation (depreciation) in fair value of investments in the accompanying statement of changes in net assets available for benefits.

Health Care Partners of South Carolina 403(b) Plan

Notes to Financial Statements

December 31, 2022

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance.

Note 3 – Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participant accounts would continue to be held by the Plan's trustee until all vested benefits are distributed to the participants.

Note 4- Benefits Payable to Former Participants

The portion of net assets which had been processed for payment to persons who requested withdrawals but had not yet been paid by the Plan was \$0 at December 31, 2022.

Note 5 – Description of Information Certified by the Plan Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following was provided and certified by Mutual of America Life Insurance Company, the Plan's trustee/custodian:

Note 6 – Fair Value Measurements

The Plan adopted the Fair Value Measurement and Disclosure topic of the FASB ASC, which establishes a framework for measuring value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by the observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

The investments in the registered investment companies are based on quoted market prices. There have been no changes in the methodologies used during the year ended December 31, 2022.

Notes to Financial Statements

December 31, 2022

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
December 31, 2022				
Registered				
Investment Companies	\$ 1,542,190	\$ 0	\$ 0	\$ 1,542,190
Total	<u>\$ 1,542,190</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 1,542,190</u>

Note 7 – Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of differences between the financial statements at December 31, 2022 to Schedule H of Form 5500:

	<u>2022</u>
Net assets available for benefits per the financial statements	<u>\$ 1,565,906</u>
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 1,565,906</u>

Note 8 – Income Tax Status

The Plan is a prototype plan that qualifies for tax-exempt status; however it has not received a favorable determination letter issued by the Internal Revenue Service. The plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since inception, the plan administrator and the plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the plan is qualified and the related trust is tax-exempt.

Notes to Financial Statements

December 31, 2022

The Plan adheres to guidance issued by the Codification with respect to accounting for uncertainty in income taxes. This guidance clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements and prescribes a comprehensive model for recognizing, measuring, presenting, and disclosing in the financial statements tax positions taken or expected to be taken on a tax return including positions that the organization is exempt from income taxes or not subject to income taxes or unrelated business income. With few exceptions, the Plan is no longer subject to income tax examinations by federal, state, or local tax authorities for years prior to the current and two most recent tax years.

Note 9 – Related Party Transactions

Certain plan investments are shares of mutual funds and annuities managed by Mutual of America Financial Group, who is the trustee/custodian as defined by the Plan. These transactions qualify as exempt party-in-interest transactions.

Note 10 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 11 – Subsequent Events

Effective February 9, 2023, the Plan changed investment custodians and all Plan assets were transferred from Mutual of America Life Insurance Company to Empower Annuity Insurance Company of America.

The Plan has evaluated subsequent events through March 22, 2024, the date the financial statements were available to be issued, for potential recognition or disclosure in the financial statements. Management has not identified any additional items requiring recognition or disclosure.
