INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of

Sunbelt Modular, Inc. Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of ***Sunbelt Modular, Inc. Profit Sharing Plan*** ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated December 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SUNBELT MODULAR, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(1) Description of the Plan

The following description of Sunbelt Modular, Inc. Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A. **General** – The Plan is a prototype defined contribution plan, which is designed to be a safe harbor plan and covers all employees who meet specified service requirements of Sunbelt Modular, Inc. (the "Sponsor"). The Plan covers all employees of the Sponsor, Indicom Buildings, Inc., Amtex Holdings, LP, MR Steel Acquisition Corp., Phoenix Modular Acquisition Corp., Southeast Modular Manufacturing, Specialized Structures, and Southeast Modular dba PROMOD, who have completed one year of service, as defined in the Plan agreement, and have attained age 21. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective as of September 23, 2021, Southeast Modular Manufacturing, Specialized Structures, and Southeast Modular dba PROMOD began participating in the Sunbelt Modular, Inc. Profit Sharing Plan. In October 2021, the assets of Southeast Modular 401(k) Plan were merged into the Plan.

Beginning in April 2020, the Plan enacted several provisions from the Coronavirus Aid, Relief, and Economic Security ("CARES") Act, specifically, allowing CARES Act distributions and loan deferments throughout the remainder of 2020. The CARES Act distribution provisions allowed Plan participants to withdraw up to \$100,000 due to adverse financial consequences from COVID-19. CARES Act loan deferments allowed impacted participants to freeze their 401(k) loan repayments through the remainder of 2020, with loans being re-amortized, and loan repayments restarting in 2021. Finally, the processing of minimum required distributions was suspended for 2020, except upon participant request and in cases where a participant's first minimum required distribution was for 2019 and deferred until 2020.

The Plan also implemented provisions of the CARES Act allowing borrowings up to a maximum equal to the lesser of \$100,000 or 100% of a participant's vested account balance.

- B. **Contributions** – Contributions to the Plan are made as directed by the participants. Participants may contribute from their compensation up to certain limits on a pre-tax basis, as defined by the Plan, subject to certain limitations prescribed by the Internal Revenue Service ("IRS"). Participants may also contribute amounts representing distributions from other qualified pension plans. Roth elective deferrals are permitted under the Plan. Roth elective deferrals are treated in the same manner as elective deferrals for all Plan purposes. The Sponsor makes a safe harbor contribution equal to 100% of the first 3% of compensation deferred and 50% of the next 2% of compensation for a total potential match of 4% of compensation deferred if an employee contributes 5%. In addition, the Sponsor may make discretionary matching contributions not exceeding 6% of elective deferrals and profit sharing contributions to the Plan. There were no discretionary matching or profit sharing contributions made to the Plan for 2021.
- C. **Participant accounts** – Each participant's account is credited with the participants' contributions, Sponsor's matching contributions, and an allocation of the Sponsor's profit-sharing contributions, Plan earnings, and forfeitures. Allocations are based on participant contributions or account balances. Allocations of the Sponsor's profit-sharing contributions are made to participants employed on the last day of the Plan year. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**SUNBELT MODULAR, INC.
PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(1) Description of the Plan (continued)

- D. **Vesting** – Participants are immediately vested in their voluntary and rollover contributions and the employer safe harbor match. Participants vest in the Sponsor's discretionary match in excess of safe harbor and profit-sharing contributions, plus actual earnings thereon, based on years of service as follows:

<u>Years of Service for Vesting</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

- E. **Payment of benefits** – In general, distributions from the Plan will be made in one lump-sum payment in cash. If the value of a participant's vested benefit is more than \$1,000 upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum payment amount equal to the value of his or her account, or annual installments over a certain period, and in no event exceeding the life expectancy of the participant as determined at the time of distribution. If the value of a participant's vested benefit is \$1,000 or less, a lump sum payment will be made to the participant.

The Plan provides for the payment of benefits in amounts up to the entire vested balance in a participant's account upon one of the following:

- a. Termination of employment
 - b. Death or disability of participant
 - c. Attainment of age 62
 - d. Demonstrated hardship
- F. **Termination of the Plan** – Although it has not expressed any intent to do so, the Sponsor has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event the Plan is terminated, participants become 100% vested in the Sponsor's discretionary match in excess of safe harbor and profit-sharing contributions.
- G. **Forfeiture accounts** – Forfeited nonvested accounts are utilized to pay administrative expenses and offset employer contributions as required by the Plan agreement. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$0 and \$9,562, respectively. During the year ended December 31, 2021, \$9,562 of forfeited non-vested accounts were used to pay administrative expenses.
- H. **Plan expenses** – The Sponsor has elected to pay certain administrative expenses on behalf of the Plan during 2021. In the event the Sponsor does not continue to pay the Plan expenses, the Plan expenses will be paid by the Plan and charged on a pro-rata basis to the value of the participants account balances. Participant loan origination fees are charged to the account of the participant requesting the loan.

December 31, 2021 and 2020

(2) Significant accounting policies

The significant accounting policies followed by the Plan are as follows:

Basis of accounting – The accompanying financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America. Accordingly, income and contributions are recognized when earned and expenses are recorded when incurred.

Management's use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management of the Plan to make estimates and assumptions that affect the reported amount of net assets available for benefits and changes therein. Actual results may differ from those estimates.

Investment valuation and income recognition – The Plan's investments are reported at fair value, except the AUL stable value account which is reported at contract value. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. See Notes 3 and 4 for additional discussion investment valuation.

Fair value measurements – The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are described below:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. If a Level 1 input is available, it must be used.
- Level 2: Inputs other than quoted prices that are observable for assets or liabilities, either directly or indirectly. Examples include matrix pricing utilizing yield curves, prepayment speeds, credit risks, etc.; quoted prices for similar assets in active markets; and inputs derived from observable market data by correlation or other means.
- Level 3: Unobservable inputs, which contain assumptions by the party valuing those assets or liabilities. For Level 3 inputs, there is no market data or correlations with market assumptions. Examples would include limited partnership interests, closely held stock, etc.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan agreement. Interest income is recorded on the accrual basis.

Payment of benefits – Benefits are recorded when paid.

Subsequent events – Plan management has evaluated subsequent events through April 12, 2024, which is the date the financial statements of the Plan were available to be issued.

NOTES TO FINANCIAL STATEMENTS

(3) Fair value measurement

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to methodologies used as of December 31, 2021 and 2020.

Mutual funds and money market fund: Valued at the net asset value ("NAV") of shares held by the Plan at year end, which are readily determinable fair values of those shares as they are published daily and are the basis for current transactions.

Common/collective trusts: The Plan's investments in common/collective trusts are stated at unit value, or the equivalent of NAV, which is a practical expedient for estimating the fair values of those investments. The common/collective trusts have no unfunded commitments and can be redeemed daily with no redemption notice period or other redemption restrictions.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 580,799	-	\$ -	\$ 580,799
Common collective trust*	-	-	-	9,528,169
Total investments	<u>\$ 580,799</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,108,968</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 6,896,258	\$ -	\$ -	\$ 6,896,258
Money market fund	148,106	-	-	148,106
Total investments	<u>\$ 7,044,364</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,044,364</u>

* In accordance with Subtopic 820-10, certain investments that are measured using net asset value per share (or its equivalent) as a practical expedient for fair value have not been, and are not required to be, classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

(4) AUL stable value account

The AUL stable value account is backed by the general account assets of American United Life Insurance Company (AUL). Assets earn interest at the guaranteed rate in effect at the time of deposit until that guaranteed rate is changed, which typically occurs and becomes effective on January 1st of each year. At December 31, 2021, the guaranteed rate in effect was 1.00%. No redemption fees, early withdrawal charges, or market value adjustments are charged on participant transfers of assets into or out of the contract. An employer-level surrender of the Plan's interest or initiated transfer will be subject to either a 12-month advance notice or a surrender charge, whichever the plan fiduciary chooses. The AUL stable value account is stated at contract value. Contract value is the relevant measurement of this investment as it is the amount a participant would receive in a transaction, thus, it is excluded from the fair value hierarchy at December 31, 2021 and 2020.

**SUNBELT MODULAR, INC.
PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(5) Notes receivable from participants

The Plan makes loans available to all participants and their beneficiaries on a uniform and non-discriminating basis. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note receivable terms range from one to fifteen years from the date of issuance. The notes receivable are secured by the balance in the participant's account and bear interest at the U.S. prime rate plus 1.00% (4.25% and 5.25% at December 31, 2021 and 2020, respectively), on the date the note receivable is made. All notes receivable to participants are repaid through payroll deductions.

(6) Information certified by the trustee

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, Capital Bank and Trust Company, the trustee as of December 31, 2020 and for the period from January 1, 2021 through September 30, 2021, has certified that the following information included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments and notes receivable from participants as of December 31, 2020
- Interest income on notes receivable from participants, interest and dividend income and net appreciation in fair value of investments for the period January 1, 2021 through September 30, 2021

American United Life Insurance Company, the trustee as of December 31, 2021 and for the period from October 1, 2021 through December 31, 2021, has certified that the following information included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments and notes receivable from participants as of December 31, 2021
- Interest income on notes receivable from participants, interest and dividend income and net appreciation in fair value of investments for the period October 1, 2021 through December 31, 2021

The Plan's independent public accountants did not perform any auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(7) Party-in-interest transactions

Certain Plan investments were managed by the trustees of the Plan during 2021. The trustees provided the Plan with contract administration and investment management services, which qualify as party-in-interest transactions. Administrative expenses paid by the Plan to parties-in-interest for the year ended December 31, 2021 totaled \$59,727 related to investment management and record keeping services.

**SUNBELT MODULAR, INC.
PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(8) Risks and uncertainties

The Plan's exposure to loss in the event of nonperformance of investments is limited to the carrying value of such instruments. The Plan's provisions as well as those of ERISA dictate the Plan's concentrations of credit risk and market risk. Due to the level of credit risk, interest rate risk and market risk associated with certain investment securities and the level of uncertainty related to changes in the value of these investments, it is at least reasonably possible that changes in risks in the near term could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

(9) Income tax status

The Plan has adopted a prototype plan document, which obtained a favorable opinion letter dated August 19, 2020, stating that the Plan and related trust are designed in accordance with the applicable Internal Revenue Code ("IRC"). The Plan administrator and the Sponsor believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified and the related trust is tax exempt as of and for the period ended December 31, 2021 and through the date the financial statements were available to be issued.
