INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants
Concord RNY Management 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Concord RNY Management 401(k) Plan (the "Plan") an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and the for the year ended December 31, 2022 stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2022 financial statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these Financial Statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of Financial Statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the Financial Statements.

In preparing the Financial Statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for the Financial Statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the Financial Statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the Financial Statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the Financial Statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the Financial Statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the Financial Statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2022 and Schedule H, Line 4a – Schedule of Delinquent Participation Deposits for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

The 2021 financial statements of the Plan were audited by a predecessor auditor. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the 2021 audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated November 16, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed to or is derived from the certified information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Concord RNY Management 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more detailed and complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all eligible employees of Concord RNY Management, LLC and its participating employers (collectively, the "Company"), as defined in the Plan, excluding non-resident aliens, employees covered by a collective bargaining agreement, and owner employees. The provisions of the Plan provide for entry into the Plan on the first day of each calendar month upon attaining 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The recordkeeper and insurance company of the Plan is Voya Retirement Insurance and Annuity Company ("Voya").

The Plan was established effective January 1, 2021 and has been adopted by Concord Management of NY, LLC as a participating employer effective January 1, 2021.

CONTRIBUTIONS

Participants may contribute up to 100% of pre-tax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. In addition, participants may contribute up to 100% of after-tax compensation, as defined by the Plan. In no event may participant pre-tax and after-tax contributions exceed any statutory limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans ("rollovers").

Discretionary employer matching and profit-sharing contributions may be made at the option of the Company. To be eligible for discretionary employer matching and profit-sharing contributions, a participant must work 500 hours in the given Plan year or be employed on the last day of the Plan year. During the year ended December 31, 2022, no discretionary matching or profit-sharing contributions were made by the Company. Participants direct the investment of participant and employer contributions into various investment options offered by the Plan.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

PARTICIPANTS' ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, (b) Plan earnings, and may be charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's matching and profit sharing contribution portion of their accounts, plus actual earnings thereon, is as follows:

Years of Service	Vested Percent
0 - 1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

PAYMENT OF BENEFITS

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period of years that does not exceed the life expectancy of the participant or, if applicable, the beneficiary. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

HARDSHIP WITHDRAWALS

The Plan provides for hardship withdrawals not to exceed an amount required to meet the immediate need created by the hardship, and then only to the extent such immediate need cannot be satisfied by other sources reasonably available to the participant. Permissible circumstances for hardship withdrawals include medical expenses not reimbursed by insurance, purchase of a principal residence, amounts necessary to prevent foreclosure or eviction from the participant's principal residence, post-secondary education for the next 12 months, burial or funeral costs, expenses and losses incurred for the repair of damage to the principal residence and such other circumstances as the plan administrator may determine.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

USE OF ESTIMATES

The plan administrator uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets, reported changes in net assets available for benefits and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of $1,000, up to a maximum equal to the lesser of $50,000, reduced by the difference between the participant's highest outstanding loan balance from the Plan during the past twelve months and the outstanding balance of loans from the Plan on the date on which the loan is made, or 50% of their vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by a maximum of 50% of the vested balance in the participant's account and bear interest at a rate of prime plus 1.5%, as defined. The interest rate applicable to outstanding loan balances was 7.75% at December 31, 2022. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

EXCESS CONTRIBUTIONS PAYABLE

The Plan is required to return contributions received during the plan year in excess of Internal Revenue Code limits. Excess contributions at December 31, 2022 were returned to respective participants in March 2023. There were no excess contributions payable at December 31, 2021.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INCOME RECOGNITION

Net (depreciation) in the fair value of investments includes both realized and unrealized gains and losses on investments bought and sold, as well as held during the year, based on the value of assets at the beginning of the year or at the time of purchase during the year. Purchases and sales of investments are recorded on a trade-date basis. Interest on notes receivable from participants is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

PLAN EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

SUBSEQUENT EVENTS

These financial statements were approved by management and available for issuance on April 10, 2024. Management has evaluated subsequent events through this date.

Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

NOTE 3 - FAIR VALUE MEASUREMENTS

GAAP defines fair value, provides guidance for measuring fair value and requires certain disclosures. GAAP discusses valuation techniques, such as the market approach (comparable market prices), the income approach (present value of future income or cash flow), and the cost approach (cost to replace the service capacity of an asset or replacement cost). GAAP provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels.

The following is a brief description of those three levels:

Level 1: Observable inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets and quoted prices for identical or similar assets or liabilities in markets that are not active.

Level 3: Unobservable inputs that reflect the Company's own assumptions.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

Pooled Separate Accounts - Valued at net asset value ("NAV"), as a practical expedient, based on the market value of the underlying investments. The practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables summarize investment assets measured at fair value at December 31, 2022 and 2021:

December 31, 2022		
Pooled Separate Accounts	$	236,888
Total investments, at NAV (a)	$	236,888

December 31, 2021		
Pooled Separate Accounts	$	196,858
Total investments, at NAV (a)	$	196,858

(a) Certain investments that are measured at fair value using the NAV per share practical expedient have not been classified in the fair value hierarchy. The NAV amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the accompanying statements of net assets available for benefits.

The Plan level redemption notice period for pooled separate accounts reported as NAV investments is 30 days. Once eligible for redemption, these pooled separate accounts can be redeemed on a daily basis. There are no unfunded commitments or other redemption restrictions.

The following describes the investment strategies for investments measured at NAV held by the Plan for the years ended December 31, 2022 and 2021:

Voya Index Solution 2025, 2030, 2035, 2040, 2045, 2050, 2055, 2060 - Portfolios - Class Z - These investments seek to provide capital appreciation and current income consistent with their current asset allocations. Under normal market conditions, these portfolios invest at least 80% of their net assets (plus borrowings for investment purposes) in a combination of underlying funds which are passively managed index funds. The underlying funds invest in U.S. stocks, international stocks, U.S. bonds, and other debt instruments and the portfolios use an asset allocation strategy designed for investors expecting to retire around the respective target dates. The aggregate fair value of these investments was $143,581 and $109,566 as of December 31, 2022 and 2021, respectively.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Voya Index Solution Income Portfolio - Class Z - The investment seeks to provide a combination of total return and stability of principal consistent with an asset allocation targeted to retirement. Under normal market conditions, the portfolio invests at least 80% of its net assets (plus borrowings for investment purposes) in a combination of underlying funds, which are passively managed index funds. The underlying funds invest in U.S. stocks, international stocks, U.S. bonds, and other debt instruments and the Portfolio uses an asset allocation strategy designed for investors expecting to retire soon or are already retired. The fair value of this investment was $93,307 and $87,292 as of December 31, 2022 and 2021, respectively.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan will be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE 5 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation, recordkeeping and financial reporting of the Plan. The Company pays the salaries of these individuals and also pays other administrative expenses. Certain fees, to the extent not paid by the Company, are paid by the Plan. The Plan paid administrative fees related to the TPA and record keeper of $455 for the year ended December 31, 2022.

The Company provides certain accounting and administrative services to the Plan for which no fees are charged.

Audit services provided to the Plan are paid by the Company, the plan sponsor, and are not charged back to the Plan.

NOTE 6 - TAX STATUS

The Plan has adopted a prototype profit sharing plan with CODA sponsored by CCH Incorporated d/b/a FTWilliam.com. On June 30, 2020, the Internal Revenue Service ("IRS") stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (“IRC”) and therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods pending or in progress.

NOTE 7 - INFORMATION CERTIFIED BY PLAN’S TRUSTEE

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Voya, the trustee of the Plan. This information has not been audited by the Plan’s independent auditors.

NOTE 8 - RISKS AND UNCERTAINTIES AND CONCENTRATION

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks, as well as risks related to the financial strength of the insurance company. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - RISKS AND UNCERTAINTIES AND CONCENTRATION (CONTINUED)

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2022 may not necessarily be indicative of amounts that could be realized in a current market exchange.

NOTE 9 - OPERATIONAL FAILURES

In various pay periods during the year, The Company deposited employee deferrals into the trust within a number of days that exceeds the time period it has demonstrated it is able to. In addition, The Company never deposited employee withholdings into the trust for one pay period in September 2022 which amounted to $1,600. The Company self-corrected this operational failure outside of the Voluntary Correction Program ("VCP"). This amount, along with lost earnings of $131 was deposited into the employees' respective accounts in 2023 and is included in Employees Contributions receivable on the Statement of Net Assets Available for Benefits at December 31, 2022. Late contributions to the trust are as follows:

Late contributions corrected	$	16,362
Late contributions not corrected		1,600
Total per Schedule H, Part IV, Line 4a	$	17,962

There were instances in 2022 where employees elected to change their withholding percentages but due to an operational failure, these changes were not reflected. The Company self-corrected outside of the VCP and made a qualified nonelective contribution ("QNEC") in 2024 of $2,131, which includes $88 in lost earnings and is included in Employer QNEC contribution receivable on the statement of Net Assets Available for Benefits at December 31, 2022.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 and the net increase in net assets available for benefits for the year ended December 31, 2022 to the Form 5500:
