Independent Auditors' Report

Plan Trustees
Sandberg, Phoenix, & von Gontard P.C. Savings Plan
St. Louis, Missouri

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sandberg, Phoenix, & von Gontard P.C. Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of October 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended October 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required By ERISA

The supplemental schedule of assets held at end of year as of October 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sandberg, Phoenix, & von Gontard P.C. Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of October 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended October 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required By ERISA

The supplemental schedule of assets held at end of year as of October 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SANDBERG, PHOENIX, & VON GONTARD P.C. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

October 31, 2023 And 2022

1. Description Of The Plan

The following description of Sandberg, Phoenix, & von Gontard P.C. Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document for more complete information.

General

The Plan, which was adopted on November 1, 1982 and restated on November 1, 2021, by Sandberg, Phoenix & von Gontard, P.C. (the Company), is a defined contribution profit sharing plan with a 401(k) provision. The Plan covers substantially all employees of the Company. The Plan is subject to certain provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Eligible employees may participate in the Plan immediately upon hire. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan. Unless the participant elects not to participate or elects to participate earlier, the participant will be automatically enrolled 30 days after satisfying the eligibility requirements.

Contributions

Participants may contribute compensation as pre-tax deferral contributions, Roth contributions, or after-tax contributions up to a combined annual maximum of the lesser of 100% of eligible compensation or the Internal Revenue Service (IRS) limits. Participants may also contribute after-tax amounts which are subject to the limits defined below. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to the IRS limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Participants are automatically enrolled in the Plan at a default contribution rate of 6% of compensation. Participants who are automatically enrolled in the Plan, but contribute less than 14%, are subject to an automatic escalation provision each year at a rate of 2%, until the deferral rate reaches 14%. Participants may opt out of the automatic escalation at any time.

SANDBERG, PHOENIX, & VON GONTARD P.C. SAVINGS PLAN

Notes To Financial Statements (*Continued*)

The Company may make discretionary matching contributions to be determined annually based on a percentage of employee contributions. Company matching contribution for each eligible participant amounted to \$1,244,313 and \$1,111,885 for the years ended October 31, 2023 and 2022, respectively. Included in the discretionary matching contributions for the year are additional minimum contributions that are required to be made by the Company to eligible employees according to the Plan document for top-heavy minimum benefits.

In addition, the Company may make a discretionary profit sharing contribution to be determined annually by the Company. Each eligible participant will receive a portion of this discretionary profit sharing contribution based on their eligible compensation. The Company made a discretionary profit sharing contribution for the years ended October 31, 2023 or 2022 of \$0 and \$494,706, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution, if any, and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

All participant contributions and Company matching contributions are invested at the participant's direction in the investment funds offered by the Plan and selected by the participant.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant is only allowed to have two outstanding loans at any given time. The loans are secured by the balance in the participant's account and bear interest at the prime rate as published in the Wall Street Journal plus 1%. Loans must be paid within five years, or 30 years if the proceeds of the loan will be used to acquire a principal residence. Principal and interest are paid back ratably through payroll withholdings.

Vesting

Participants are vested immediately in their voluntary contributions plus actual earnings thereon. Company matching contributions and profit-sharing contributions are subject to a six-year graded vesting schedule, with 20% vesting after two years and becoming fully vested after six years. Amounts subject to vesting become 100% vested upon death or disability.

SANDBERG, PHOENIX, & VON GONTARD P.C. SAVINGS PLAN

Notes To Financial Statements *(Continued)*

Forfeitures

Participants who terminate their employment and are less than 100% vested in their account will forfeit their non-vested portion. At October 31, 2023 and 2022, forfeited non-vested accounts totaled \$171,954 and \$230,022, respectively. These accounts are eligible to be used to reduce future Company contributions. Company contributions were reduced by \$158,359 and \$4,987 for the years ended October 31, 2023 and 2022, respectively, by forfeited non-vested accounts.

Payment Of Benefits

The Plan provides for retirement benefits to begin upon either the normal retirement age of 65 or the participant's early retirement age of 55 and the completion of ten years of service. All distributions from the Plan are made in one lump-sum payment in cash.

In-Service Withdrawals

Participants may withdraw from the Plan that portion of their account resulting from pre-tax deferral and Roth contributions in the event of undue financial hardship or upon reaching age 59 1/2. Upon reaching age 59 1/2, participants can also withdraw from the plan that portion of their account resulting from employer contributions as well.

Administrative Expenses

Except for loan fees associated with notes receivable from participants and investment advisory fees, all significant administrative expenses of maintaining the Plan are paid by the Company.

2. Significant Accounting Policies

Basis Of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Estimates And Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation And Investment Income Recognition

The Plan's investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Interest income is recorded as earned on the accrual basis. Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. The net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded as earned. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses has been recorded as of October 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment Of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates subsequent events through the date the financial statements are available for issue, which is the date of the Independent Auditors' Report.

3. Certified Investment Information

The following is a summary of the Plan's asset information as of October 31, 2023 and 2022, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information certified by Vanguard Fiduciary Trust Company (Vanguard), and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Vanguard that the information provided to the Plan Administrator related to the following information is complete and accurate.

Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of October 31:

	<u>2023</u>	<u>2022</u>
Registered investment companies	\$ 67,901,956	\$ 63,343,180
Collective investment trust	2,627,148	3,493,934
Notes receivable from participants	574,650	599,219

Vanguard also certified to the completeness and accuracy related the following investment income (loss) and interest income on notes receivable from participants for the years ended October 31:

	<u>2023</u>	<u>2022</u>
Interest and dividends	\$ 2,078,586	\$ 3,159,984
Net change in fair value of investments	1,868,228	(17,510,486)
Interest income on notes receivable from participants	31,069	22,617

4. Fair Value Measurements

The Plan utilizes an established framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

SANDBERG, PHOENIX, & VON GONTARD P.C. SAVINGS PLAN

Notes To Financial Statements (*Continued*)

The three levels of the fair value hierarchy under the standards are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical investments in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar investments in active markets;
- Quoted prices for identical or similar investments in inactive markets;
- Inputs other than quoted prices that are observable for the investment;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the investment has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the investment.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The investment's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value:

Registered Investment Companies

Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

SANDBERG, PHOENIX, & VON GONTARD P.C. SAVINGS PLAN

Notes To Financial Statements *(Continued)*

Collective Investment Trust

Valued at the NAV of units of a collective investment trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at:

	October 31, 2023			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 67,901,956	\$ —	\$ —	\$ 67,901,956
Investment measured at net asset value (a)				2,627,148
Total assets at fair value				\$ 70,529,104

	October 31, 2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 63,343,180	\$ —	\$ —	\$ 63,343,180
Investment measured at net asset value (a)				3,493,934
Total assets at fair value				\$ 66,837,114

- (a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

SANDBERG, PHOENIX, & VON GONTARD P.C. SAVINGS PLAN

Notes To Financial Statements (*Continued*)

Fair Value Of Investments In Entities That Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of:

Investment Type	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2023	2022			
Collective investment trust	\$ 2,627,148	\$ 3,493,934	None	Daily	None

There have been no changes in valuation methodologies used at October 31, 2023 or 2022.

5. Tax Status Of Plan

The Plan was amended and restated effective November 1, 2021 through the adoption of a pre-approved plan document sponsored by The Vanguard Group. The Vanguard Group received an opinion letter dated June 30, 2020, which states that the pre-approved plan document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Party In Interest Transactions

Plan investments include shares of registered investment companies managed by an affiliate of Vanguard. The Plan also pays Vanguard fees for certain administrative functions. Also, certain participants have outstanding loans as of October 31, 2023 and 2022. These transactions qualify as allowable party in interest transactions.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants will become 100% vested in their accounts.

8. Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
