Independent Auditors' Report

To the Plan Trustee
Family Service Association of Bucks County 401(k) Plan
Langhorne, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Family Service Association of Bucks County 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Trustee
Family Service Association of Bucks County 401(k) Plan
Langhorne, Pennsylvania

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Family Service Association of Bucks County 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Family Service Association of Bucks County 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Family Service Association of Bucks County 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

To the Plan Trustee
Family Service Association of Bucks County 401(k) Plan
Langhorne, Pennsylvania

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Family Service Association of Bucks County 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Trustee
Family Service Association of Bucks County 401(k) Plan
Langhorne, Pennsylvania

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Family Service Association of Bucks County 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated February 14, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**FAMILY SERVICE ASSOCIATION OF
BUCKS COUNTY 401(k) PLAN**
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF PLAN

The following description of the Family Service Association of Bucks County 401(k) Plan (the "Plan") provides only general information. The Plan covers employees of Family Service Association of Bucks County (the "Company"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan for all eligible employees of the Company, as defined in the Plan document. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants could elect to defer any amount of their salary up to the maximum contribution allowed by law, which is \$19,500 in 2021 and 2020. Certain eligible employees were allowed to make additional catch-up elective deferrals of up to \$6,500 in 2021 and 2020. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make a discretionary profit sharing contribution as determined by the Company, as a percentage of the participant's compensation. The percentage of contribution made by the employer is based upon years of service as follows; at least one year of service equals 1% of compensation, at least two years of service equals 2% of compensation, at least three years of service equals 3% of compensation and four or more years of service equals 4% of compensation. The contribution is based on compensation during the plan year in which the participant was eligible. The Company deposits discretionary contributions on a monthly basis. Participants direct the investment of participant and employer contributions.

Effective July 1, 2018, the Plan was amended to include discretionary employer match contributions. The employer match contribution will equal 25% of the participant's elective deferrals up to 4% of the participant's compensation each pay period. In addition, participants will be 100% vested in employer matching contributions. Participant contributions were \$169,524 for the year ended December 31, 2021. The Company contributions were \$93,545 for the year ended December 31, 2021.

Effective June 1, 2021, the plan was amended to include a traditional Automatic Contribution Arrangement. Unless a participant makes an affirmative election, the employer will withhold an Automatic Deferral of 1% of compensation for each payroll period. The Automatic Deferral amount will increase on the first day of each Plan year by 1% of compensation up to a maximum of 4% of compensation.

NOTE A - DESCRIPTION OF PLAN (Continued)

Participant Accounts

A separate investment account is maintained for each Plan Participant. Participants may direct the investment of their accounts into various funds specified by the Plan. Each participant's account is credited with the participant's contributions, the Company's discretionary contribution, an allocation of the Company's matching contribution and an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their own contributions to the Plan and the employer matching contributions.

Participants shall be vested in their employer profit sharing account based on their years of service in accordance with the following schedule:

Less than 2 Years	0%
Year 2	20%
Year 3	40%
Year 4	60%
Year 5	100%

Participants become 100% vested in the Company's contribution, regardless of years of service, upon death, disability or the attainment of normal retirement age.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 and a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are secured by the balance in the participant's account and bear interest at the prime rate + 1%. Loans must be repaid through payroll deductions within five years. Loans used to acquire a primary residence may exceed five years. Principal and interest are paid ratably through payroll deductions. The maximum number of loans outstanding at any one time is two.

Amounts of forfeitures available at December 31, 2021 and 2020, were \$17,734 and \$18,799, respectively. Forfeitures shall be applied to reduce administrative expenses or to reduce employer contributions of the Plan. During 2021, plan forfeitures totaling \$29,293 were used to reduce employer contributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Family Service Association of Bucks County 401(k) Plan's investments are in the custody of Mutual of America Life Insurance Company. The Plan's investments in pooled separate accounts are stated at net asset value, as practical expedient used to value investments. The pooled separate accounts are reported by the insurance company which include a mix of mutual funds and managed accounts. Net appreciation or depreciation of investments is reported on the statement of changes in net assets available for benefits and consists of realized gains and losses and the unrealized appreciation or depreciation of these investments. All underlying investment options are valued daily. This price is considered the selling price for transfers and withdrawals and is calculated each day the principal market is open and available to any participant in the plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

The Plan's investments in the guaranteed investment account are reported at contract value which represents the contributions made under the contract plus earnings less participant withdrawals and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses, excluding transaction fees, are paid by the Company.

Date of Management's Review

Management has evaluated subsequent events through July 27, 2023, the date which the financial statements were available to be issued.

NOTE C - RELIANCE ON TRUSTEES' REPORT

The Administrator of the Plan chose the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Under that section, no auditing procedures are required to be performed with respect to the investment information certified by John Hancock, the trustee of the Plan during the year ended December 31, 2020 and for the period January 1, 2021 through May 28, 2021 as well as Mutual of America Life Insurance Company, the trustee of the Plan during the period May 29, 2021 through December 31, 2021, other than comparing such information to that contained in the financial statements and supplemental schedule.

NOTE D - GROUP ANNUITY CONTRACT WITH MUTUAL OF AMERICA LIFE INSURANCE COMPANY

In 2021, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Mutual of America Life Insurance Company (Mutual of America) totaling \$17,734 for 2021. Mutual of America maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1 %. The crediting rate is reviewed on a semi-annual basis for resetting.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Mutual of America, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

**NOTE D - GROUP ANNUITY CONTRACT WITH MUTUAL OF AMERICA LIFE INSURANCE
COMPANY (Continued)**

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE E - TAX STATUS

Prior to May 2021, the Plan was designed based upon the Paragon Alliance Group, LLC Volume Submitter Plan documentation. The Volume Submitter Plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service has determined and informed Paragon Alliance Group, LLC that the Volume Submitter Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Effective in May 2021, the Plan adopted a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan sponsored by Mutual of America Life Insurance Company. The Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan obtained its latest opinion letter on November 30, 2020, in which the Internal Revenue Service has determined and informed Mutual of America Life Insurance Company that the Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan sponsor and administrator believes that the Plan, as designed, is currently being operated in compliance with the applicable requirements of the IRC. The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes.

For the year ending December 31, 2021, the Plan timely filed an incomplete Form 5500. Plan management is aware that regulators could reject the incomplete Form 5500 that was filed and assess penalties accordingly. The intention of plan management is to amend the already filed Form 5500 to include all necessary forms and attachments as soon as administratively possible.

BUCKS COUNTY 401(k) PLAN**
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE F - RISKS AND UNCERTAINTIES

The Plan provides for investments in pooled separate accounts. Pooled separate accounts are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain pooled separate accounts, it is at least reasonably possible that changes in the values of pooled separate accounts will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE G - PARTY-IN-INTEREST TRANSACTIONS

The Plan invested in units of pooled separate accounts managed by Mutual of America. Mutual of America Life Insurance Company acts as the trustee for only those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. In addition, the Plan issues loans to participants, which are secured by the balances in the participants' accounts.

NOTE H - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to un-observable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. *Level 2* inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. *Level 3* inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

BUCKS COUNTY 401(k) PLAN**
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE H - FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts: Valued at the net asset value (NAV) of units held by the Plan at year end. The NAV, as provided by Mutual of America Life Insurance Company, is used as a practical expedient to estimate fair value.

This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The following table summarizes investments measured at fair value based upon NAV per share as of December 31, 2021 and 2020:

	Net Asset Value (a)		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2021	2020			
Pooled separate accounts					
Retirement funds (1)	\$ 2,430,861	\$ 1,538,555	None	Daily	None
Asset allocation (2)	34,464	297,949	None	Daily	None
Aggressive growth (3)	7,825	277,533	None	Daily	None
Growth and equity (4)	240,686	258,012	None	Daily	None
Growth and income (5)	4,007	358	None	Daily	None
Fixed income (6)	84,393	476,208	None	Daily	None
Real estate (7)	43,467	-	None	Daily	None
	<u>\$ 2,845,703</u>	<u>\$ 2,848,615</u>			

(a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

BUCKS COUNTY 401(k) PLAN**
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE H - FAIR VALUE MEASUREMENTS (Continued)

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020:

The investment strategies of the pooled separate accounts are as follows:

- (1) Retirement funds seek high total return through its target retirement date, with a greater focus on income beyond the target retirement date.
- (2) Asset allocation funds seek returns commensurate with the amount of risk that a participant has selected.
- (3) Aggressive growth funds seek long-term growth of capital consistent with prudent investment risk.
- (4) Growth and equity funds seek long-term growth of capital.
- (5) Growth and income funds seek long-term growth of capital. Current income is also a consideration.
- (6) Fixed income funds seek high level of current income.
- (7) Real estate funds seek a high level of income and moderate long-term capital appreciation.

NOTE I - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of Employee Retirement Income Security Act. In the event of Plan termination, distribution of participants' accounts shall be in accordance with the Plan document.

NOTE J - LATE REMITTANCES

When participant payroll deferrals and participant loan repayments are not remitted within the appropriate time period by the Company, these transactions constitute prohibited transactions as defined by ERISA.

During the year ended December 31, 2021, participant loan repayments aggregating \$332 were not remitted timely by the Company. Lost earnings were determined, and the Company intends to remit the lost earnings to the plan.
