INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Management
Rinse 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Rinse 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not required parts of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

RINSE 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Rinse 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan that was established on January 1, 2018, by Rinse, Inc. (the “Company”) to provide benefits to eligible employees as defined in the Plan document. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (IRC), and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA”), as amended.

Administration

The Company has appointed a Plan Administrator to manage the operation and administration of the Plan. Reliance Trust Company (“Reliance Trust”), custodian is responsible for the custody of the Plan’s assets. ADP Retirement Services, third-party administrator is responsible to process and maintain the records of participant data, prepare the Form 5500 and perform compliance tests.

Effective April 1, 2022, the adoption agreement was restated to bring the Plan into compliance with the legislative and regulatory changes.

Eligibility

Employees of the Company that are nonunion employees or employees not covered by collective bargaining agreements are required to be over the age of 21 to be eligible to participate in the Plan. Effective February 1, 2021, the Company amended the adoption agreement to change the minimum service requirement for the participation of eligible employees from immediately upon hire to one month. Effective January 1, 2022, the minimum service requirement was amended from one month to three months. Effective April 1, 2022, employees who are nonresident aliens and residents of Puerto Rico were excluded from being eligible to participate in the Plan.

Participant Contributions

Participants may elect to contribute, on a pretax basis or as Roth deferrals, up to 90% of their eligible contribution, in an amount not in excess of the maximum allowed by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Contributions withheld are invested in accordance with the participant’s direction.

Participants can make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant’s direction and the Plan’s provisions.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Employer Contributions

The Plan allows discretionary profit-sharing employer contributions determined by the Company on an annual basis. There were no profit-sharing contributions made to the Plan during 2022. For the year ended December 31, 2022, qualified non-elective contributions totaled \$17,210. As of December 31, 2022 and 2021, employer receivables related to these qualified non-elective contributions owed to participants was \$31,330 and \$14,120, respectively.

Vesting

Participants are vested immediately in all contributions plus actual earnings thereon.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions, rollovers, and allocations of the Plan's earnings and administrative expenses. Each participant's account is credited with the participant's contribution and the employer's contribution, if any. Plan earnings are allocated based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Benefit Payments

Upon termination of employment, normal retirement or death, the participants or beneficiaries may elect to leave their account balance in the Plan or receive their total benefits in a lump-sum amount equal to the value of the participant's interest in their account or in the form of an annuity, if subject to lifetime required minimum distribution. The Plan allows for an automatic lump sum distribution of participant vested account balances that do not exceed \$5,000. If the vested amount of a participant's account exceeds \$5,000, the participant must consent to any distribution of the account balance.

Financial Hardship Distribution

The Plan allows for hardship distributions in accordance with Internal Revenue Service ("IRS") regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes.

Investment Options

Participants must direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options any time throughout the year via the Internet website or by using the automated telephone system offered by the third-party administrator.

Forfeitures

Forfeitures are used to pay for reasonable plan expenses, to reduce or be reallocated as employer contributions and/or restore forfeitures. There were no forfeitures as of December 31, 2022 and 2021.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Administrative Expenses

Substantially all expenses incurred for administering the Plan are paid by the Company, which are excluded from these financial statements. Plan expenses not paid by the Company will be charged on a pro-rata basis to the value of the participants account balances.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of the Plan's financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits, and changes therein, and, when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought or sold as well as held during the year.

Management fees charged to the Plan for investments in registered investment companies are based on assets invested and are deducted on a daily basis. Management fees are reflected as a reduction of investment return for such investments.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 excess contributions of \$17,694 to the applicable participants prior to March 15, 2023.

Payment of Benefits

Benefit payments to participants are recorded when paid.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, overall market fluctuations and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

Subsequent Events

Effective January 1, 2023, the adoption agreement was amended to exclude part time employees (employees whose regularly scheduled service is less than 20 hours of service per computation period) from the participation in the Plan. However, if a part-time employee completes one year of service in any year of employment, they will no longer be part of this excluded class.

Effective February 1, 2023, the adoption agreement was amended to allow employer matching contribution equal to 100% of the participant's salary deferrals up to 1%.

The Plan has evaluated subsequent events through April 15, 2024, which is the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENT

The fair value measurements standard under U.S. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

NOTE 3 – FAIR VALUE MEASUREMENT (Continued)

The three levels of the fair value hierarchy under the standard are described below:

Level 1 – Inputs to the valuation methodology are unadjusted, quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets,
- Quoted prices for identical or similar assets or liabilities in inactive markets,
- Inputs other than quoted prices that are observable for the asset or liability and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Following is a description of the valuation methodology used for assets measured at fair value:

Registered investment companies (mutual funds)

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust

Units held in a common collective trust ("CCT") are valued using the net asset value practical expedient (NAV practical expedient) of the CCT as reported by the CCT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The NAV of a CCT is calculated based on a compilation of primarily observable market information. The CCT has daily redemption frequency, no redemption period or restrictions and has no unfunded commitments.

RINSE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 3 – FAIR VALUE MEASUREMENT (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	Investments at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 651,262	\$ -	\$ -	\$ 651,262
Total assets in the fair value hierarchy	\$ 651,262	\$ -	\$ -	651,262
Investments measured at NAV (practical expedient)				708
				<u>\$ 651,970</u>

	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 616,198	\$ -	\$ -	\$ 616,198
Total assets in the fair value hierarchy	\$ 616,198	\$ -	\$ -	\$ 616,198
Investments measured at NAV (practical expedient)				76
				<u>\$ 616,274</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit the reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for plan benefits.

NOTE 4 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed and held by Reliance, the custodian of the Plan. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 5 – CERTIFIED INFORMATION

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the custodian of the Plan, has certified the completeness and accuracy of:

- Investments reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2022 and 2021;
- Net depreciation in fair value of investments and dividend and interest income reflected on the accompanying statement of changes in net assets available for plan benefits for the year ended December 31, 2022;
- Assets reflected on the supplemental schedule: Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022.

NOTE 6 – PLAN TERMINATION OR MODIFICATION

The Company intends to continue the Plan indefinitely for the benefit of its participants; however, it reserves the right to terminate or modify the Plan at any time by resolution of its Board of Directors and is subject to the provisions of ERISA. Upon termination of the Plan, contributions to the Plan shall cease and all participants who are affected by such termination shall become 100% vested. Net assets available for plan benefits would be distributed to the participants based on each participant's interest in the Plan.

NOTE 7 – INTERNAL REVENUE SERVICE STATUS

Effective August 1, 2021, the Plan adopted a non-standardized form of a pre-approved plan sponsored by ADP, LLC. The pre-approved plan has received an opinion letter from the IRS as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. Although the Plan has been amended since the pre-approved plan received the opinion letter, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

NOTE 7 – INTERNAL REVENUE SERVICE STATUS (Continued)

U.S. GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS or the DOL. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in question.

NOTE 8 – NON-EXEMPT TRANSACTIONS

During 2019, the Plan sponsor failed to deposit \$44,002 of the participants' contributions within the required timeframe as stated by the United States Department of Labor's regulations. Delay in remitting the contributions to the custodian were due to an administrative error. The Company deposited the contributions with the custodian in 2019. In 2023, the Company deposited the lost earnings into the affected participant's account to correct the error outside of the Voluntary Fiduciary Correction Program ("VFCP").

During 2020, the Plan sponsor failed to deposit \$34,461 of the participants' contributions within the required timeframe as stated by the United States Department of Labor's regulations. Delay in remitting the contributions to the custodian were due to an administrative error. The Company deposited the contributions with the custodian in 2020. In 2024, the Company will deposit the lost earnings into the affected participant's account to correct the error outside of VFCP.

During 2021, the Plan sponsor failed to deposit \$11,949 of the participants' contributions within the required timeframe as stated by the United States Department of Labor's regulations. Delay in remitting the contributions to the custodian were due to an administrative error. The Company deposited the contributions with the custodian in 2022 and the lost earnings into the affected participant's account to correct the error outside of VFCP in 2023.
