## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants  
of the SBA Defined Contribution Plan for  
C&F Finance Company

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed the audit of the financial statements of the SBA Defined Contribution Plan for C&F Finance Company (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 29, 2023, and the related statement of changes in net assets available for benefits for the period ended June 29, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 29, 2023, and for the period ended June 29, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Emphasis of Matter-Plan Merger***

As discussed in Note 1 to the financial statements, the Board of Directors of C&F Financial Corporation, the parent of Citizen and Farmers Bank, who is the parent of C&F Finance Company, the Plan's sponsor, voted on June 20, 2023, to merge the Plan into the SBA Defined Contribution Plan for Citizens & Farmers Bank effective June 29, 2023. All plan assets were transferred to the control of SBA Defined Contribution Plan for Citizens & Farmers Bank on June 29, 2023. Our opinion has not been modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

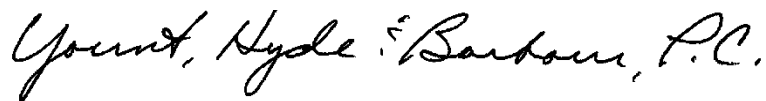

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**SBA DEFINED CONTRIBUTION PLAN FOR  
C&F FINANCE COMPANY**

**Notes to Financial Statements**

**Note 1. Plan Description**

The following description of the SBA Defined Contribution Plan for C&F Finance Company (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

**General**

The Plan is a defined contribution plan sponsored by C&F Finance Company (the “Company” or the “Plan Sponsor”), a wholly-owned subsidiary of Citizens and Farmers Bank (the “Bank”) whose parent is C&F Financial Corporation (the “Corporation”), pursuant to the provisions of Section 401(k) of the Internal Revenue Code (the “Code”). The Plan was established for the benefit of substantially all employees of the Company electing to participate in the Plan. Employees are eligible to participate in the Plan on the first day of the calendar quarter after completing three months of service and must be eighteen years old or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Compensation Committee of the Corporation’s Board of Directors is responsible for oversight of the Plan. The executive officers of the Bank determine the appropriateness of the Plan’s investment offerings based upon input from their investment advisors, monitor investment performance, and report to the Compensation Committee.

**Contributions**

Each year, participants may contribute from 1% to 90% of covered compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Each new employee automatically becomes a participant in the Plan after satisfying the eligibility requirements and is deemed to have elected to make a pre-tax contribution of 2% of compensation unless an election is made for a different contribution amount or no contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company matches 100% of the first 5% of compensation that a participant contributes to the Plan. The Company may also make a discretionary profit sharing contribution, determined annually by the Board of Directors of the Bank. This discretionary contribution is allocated in proportion to a participant’s covered compensation in relation to the covered compensation of all participants. There were no discretionary profit sharing contributions approved by the Board of Directors during the period ended June 29, 2023. Contributions are subject to certain limitations as established by the Code.

### **Participants' Accounts**

Each participant's account is credited with the participant's contributions, the Company's matching contributions and allocations of the Company's discretionary contribution (if any), and Plan earnings (based upon each participant's investment elections), and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Forfeitures are used to reduce contributions required to be made by the Company. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **Vesting**

Participants are vested immediately in their own contributions plus actual earnings thereon. Vesting in the portion of their accounts contributed by the Company is based on years of vested service. Participants vest 20% when credited with two years of vested service, and vesting then increases by 20% for each additional year of vested service until participants are 100% vested in the portion of their accounts contributed by the Company after six years of vested service.

### **Investment Options**

Investment of all assets in the Plan is directed by individual participants. Participants are given the option to direct account balances and all contributions made into various investment options consisting of managed, indexed or individual equity or fixed income funds. Participants may change their investment options daily.

The Plan also includes a qualified Roth 401(k) contribution feature whereby participants may elect to designate some or all of their elective deferral contributions as Roth 401(k) contributions. Roth 401(k) contributions are made in after-tax dollars and the decision to characterize the deferral as a Roth 401(k) contribution is made at the time the contribution is made. This decision is irrevocable.

### **Participant Loans**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Maximum loan terms are limited to 30 years for the purchase of a primary residence or 5 years for all other purposes. The loans are fully secured by the balance in the participant's account and bear interest at 0.25% over the Company's prime rate at the time the loan is made, which rate will remain unchanged for the life of the loan. Principal and interest is paid ratably through monthly payroll deductions.

## **Payment of Benefits**

With regard to traditional 401(k) pre-tax account balances, on termination of service due to death, disability, or retirement, a participant or beneficiary, as the case may be, may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, periodic installments for a period of up to 10 years or a combination of both. A written election must be made by the participant and filed with the administrator at least 30 days before the benefit payment date. A vested account balance greater than \$1,000, but not over \$5,000, for a participant who has not reached age 65 at the time of termination of service will automatically be transferred or rolled over into an individual retirement account (IRA) selected by Voya Investments LLC ("Voya"), unless the participant affirmatively elects to have the amount paid to an IRA that he or she selects or to another employer's eligible retirement plan, or the participant affirmatively elects to receive the amount in cash, subject to applicable state and Federal tax withholding. A vested account balance of \$1,000 or less for a participant who has not reached age 65 or a vested account balance of \$5,000 or less for a participant who has reached age 65 will automatically be distributed to the participant in cash, subject to applicable state and Federal income tax withholding, unless the participant affirmatively elects a rollover to an IRA that he or she selects or to another employer's eligible retirement plan.

With regard to Roth 401(k) account balances, distributions can begin without penalty after the participant's Roth 401(k) account has remained in the Plan for at least five years and the participant has reached age 59½. A participant's death or disability also qualifies for a tax-free distribution. If a distribution is made prior to satisfying the five-year holding period and age 59½ and not as a result of death or disability, the earnings on the Roth 401(k) account become taxable and are subject to penalty.

## **Plan Merger**

On June 20, 2023, the Corporation's Board of Directors approved the Plan to be merged into the SBA Defined Contribution Plan for Citizens and Farmers Bank (the C&F Bank Defined Contribution Plan). On June 29, 2023, all plan assets were transferred into the C&F Bank Defined Contribution Plan.

## **Note 2. Summary of Accounting Policies**

### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between

market participants at the measurement date. The Plan's management determines the Plan's investment valuations utilizing information provided by the investment advisors, trustee and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gain and losses on investments bought and sold as well as held during the period.

### **Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded in the Plan's financial statements as a liability with a corresponding reduction to contributions. There were no excess contributions as of June 29, 2023.

### **Benefit Payments**

Benefit payments are recorded when paid.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the plan document.

### **Expenses**

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's accounts and are included in administrative expenses. Investment related expenses are included in net appreciation/depreciation of fair value of investments.

## **Note 3. Investments**

During the period ended June 29, 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the period) appreciated in value by \$615,074.

**Note 4. Information Certified by Plan Trustee**

The following is a summary of the Plan's asset information as of June 29, 2023, and for the period ended June 29, 2023, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the trustee and furnished to the Plan administrator. The Plan administrator has obtained certifications from Voya that information provided to the Plan administrator by the trustee related to the following financial information is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements related to the following financial information:

	<u>June 29, 2023</u>
Investments	\$ -
Investment income:	
Net appreciation in investments	\$ 615,074
Interest and dividends	16,999

**Note 5. Tax Status**

The Plan has received a determination letter from the Internal Revenue Service (IRS) stating that the Plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan was designed in compliance with the applicable requirements of the Code and therefore, believes that the Plan was qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions.

**Note 6. Related-Party Transactions and Party in Interest Transactions**

The Plan utilized Voya as its trustee and recordkeeper during the period ended June 29, 2023.

Certain Plan investments are managed by the Plan Trustee, and, therefore, these transactions qualify as party-in-interest transactions.

The Plan Trustee provides certain administrative services to the Plan pursuant to an agreement between the Company and the Plan Trustee under which the Plan Trustee receives revenue from mutual fund and collective trust fund service providers for services the Plan Trustee provides to the funds. This revenue is used to offset certain amounts owed to the Plan Trustee for its administrative services to the Plan.

If the revenue received by the Plan Trustee from such mutual fund or common trust fund service providers exceeds the amount owed under the agreement, the Plan Trustee remits the excess to the Plan's trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During the period ended June 29, 2023, there were no excess amounts. The Plan or Plan Sponsor may make a payment to the Plan Trustee for administrative expenses not covered by revenue sharing.

The Virginia Bankers Association Benefits Corporation receives fees from the Plan for serving in its capacity as the plan administrator and co-fiduciary of the Plan. These fees are included as a component of administrative expenses on the Statement of Changes in Net Assets Available for Benefits.

**Note 7. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances.

**Note 8. Subsequent Events**

There are two types of subsequent events: (1) recognized events, which are events that provide additional evidence about conditions that existed at the date of the financial statements, including the estimates inherent in the process of preparing the financial statements, and (2) nonrecognized events, which are events that provide evidence about conditions that did not exist at the date of the financial statements but arose after that date.

The Plan has evaluated subsequent events through April 12, 2024, the date the financial statements were available to be issued. Based on this evaluation the Plan did not identify any recognized or nonrecognized subsequent events that would have required adjustment to or disclosure in the Plan financial statements.

## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants  
of the SBA Defined Contribution Plan for  
C&F Finance Company

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed the audit of the financial statements of the SBA Defined Contribution Plan for C&F Finance Company (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 29, 2023, and the related statement of changes in net assets available for benefits for the period ended June 29, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 29, 2023, and for the period ended June 29, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Emphasis of Matter-Plan Merger***

As discussed in Note 1 to the financial statements, the Board of Directors of C&F Financial Corporation, the parent of Citizen and Farmers Bank, who is the parent of C&F Finance Company, the Plan's sponsor, voted on June 20, 2023, to merge the Plan into the SBA Defined Contribution Plan for Citizens & Farmers Bank effective June 29, 2023. All plan assets were transferred to the control of SBA Defined Contribution Plan for Citizens & Farmers Bank on June 29, 2023. Our opinion has not been modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

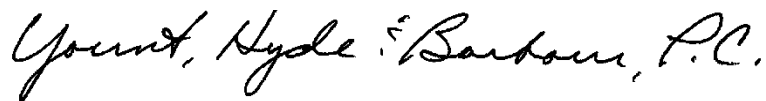

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Notes to Financial Statements**

**Note 1. Plan Description**

The following description of the SBA Defined Contribution Plan for C&F Finance Company (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

**General**

The Plan is a defined contribution plan sponsored by C&F Finance Company (the “Company” or the “Plan Sponsor”), a wholly-owned subsidiary of Citizens and Farmers Bank (the “Bank”) whose parent is C&F Financial Corporation (the “Corporation”), pursuant to the provisions of Section 401(k) of the Internal Revenue Code (the “Code”). Contributions are subject to certain limitations as established by the Code.

### **Participants' Accounts**

Each participant's account is credited with the participant's contributions, the Company's matching contributions and allocations of the Company's discretionary contribution (if any), and Plan earnings (based upon each participant's investment elections), and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Forfeitures are used to reduce contributions required to be made by the Company. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **Vesting**

Participants are vested immediately in their own contributions plus actual earnings thereon. Vesting in the portion of their accounts contributed by the Company is based on years of vested service. Participants vest 20% when credited with two years of vested service, and vesting then increases by 20% for each additional year of vested service until participants are 100% vested in the portion of their accounts contributed by the Company after six years of vested service.

### **Investment Options**

Investment of all assets in the Plan is directed by individual participants. Participants are given the option to direct account balances and all contributions made into various investment options consisting of managed, indexed or individual equity or fixed income funds. Participants may change their investment options daily.

The Plan also includes a qualified Roth 401(k) contribution feature whereby participants may elect to designate some or all of their elective deferral contributions as Roth 401(k) contributions. Roth 401(k) contributions are made in after-tax dollars and the decision to characterize the deferral as a Roth 401(k) contribution is made at the time the contribution is made. This decision is irrevocable.

### **Participant Loans**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Maximum loan terms are limited to 30 years for the purchase of a primary residence or 5 years for all other purposes. The loans are fully secured by the balance in the participant's account and bear interest at 0.25% over the Company's prime rate at the time the loan is made, which rate will remain unchanged for the life of the loan. Principal and interest is paid ratably through monthly payroll deductions.

## **Payment of Benefits**

With regard to traditional 401(k) pre-tax account balances, on termination of service due to death, disability, or retirement, a participant or beneficiary, as the case may be, may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, periodic installments for a period of up to 10 years or a combination of both. A written election must be made by the participant and filed with the administrator at least 30 days before the benefit payment date. A vested account balance greater than \$1,000, but not over \$5,000, for a participant who has not reached age 65 at the time of termination of service will automatically be transferred or rolled over into an individual retirement account (IRA) selected by Voya Investments LLC ("Voya"), unless the participant affirmatively elects to have the amount paid to an IRA that he or she selects or to another employer's eligible retirement plan, or the participant affirmatively elects to receive the amount in cash, subject to applicable state and Federal tax withholding. A vested account balance of \$1,000 or less for a participant who has not reached age 65 or a vested account balance of \$5,000 or less for a participant who has reached age 65 will automatically be distributed to the participant in cash, subject to applicable state and Federal income tax withholding, unless the participant affirmatively elects a rollover to an IRA that he or she selects or to another employer's eligible retirement plan.

With regard to Roth 401(k) account balances, distributions can begin without penalty after the participant's Roth 401(k) account has remained in the Plan for at least five years and the participant has reached age 59½. A participant's death or disability also qualifies for a tax-free distribution. If a distribution is made prior to satisfying the five-year holding period and age 59½ and not as a result of death or disability, the earnings on the Roth 401(k) account become taxable and are subject to penalty.

## **Plan Merger**

On June 20, 2023, the Corporation's Board of Directors approved the Plan to be merged into the SBA Defined Contribution Plan for Citizens and Farmers Bank (the C&F Bank Defined Contribution Plan). On June 29, 2023, all plan assets were transferred into the C&F Bank Defined Contribution Plan.

## **Note 2. Summary of Accounting Policies**

### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between

market participants at the measurement date. The Plan's management determines the Plan's investment valuations utilizing information provided by the investment advisors, trustee and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gain and losses on investments bought and sold as well as held during the period.

### **Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded in the Plan's financial statements as a liability with a corresponding reduction to contributions. There were no excess contributions as of June 29, 2023.

### **Benefit Payments**

Benefit payments are recorded when paid.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the plan document.

### **Expenses**

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's accounts and are included in administrative expenses. Investment related expenses are included in net appreciation/depreciation of fair value of investments.

## **Note 3. Investments**

During the period ended June 29, 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the period) appreciated in value by \$615,074.

**Note 4. Information Certified by Plan Trustee**

The following is a summary of the Plan's asset information as of June 29, 2023, and for the period ended June 29, 2023, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the trustee and furnished to the Plan administrator. The Plan administrator has obtained certifications from Voya that information provided to the Plan administrator by the trustee related to the following financial information is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements related to the following financial information:

	<u>June 29, 2023</u>
Investments	\$ -
Investment income:	
Net appreciation in investments	\$ 615,074
Interest and dividends	16,999

**Note 5. Tax Status**

The Plan has received a determination letter from the Internal Revenue Service (IRS) stating that the Plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan was designed in compliance with the applicable requirements of the Code and therefore, believes that the Plan was qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions.

**Note 6. Related-Party Transactions and Party in Interest Transactions**

The Plan utilized Voya as its trustee and recordkeeper during the period ended June 29, 2023.

Certain Plan investments are managed by the Plan Trustee, and, therefore, these transactions qualify as party-in-interest transactions.

The Plan Trustee provides certain administrative services to the Plan pursuant to an agreement between the Company and the Plan Trustee under which the Plan Trustee receives revenue from mutual fund and collective trust fund service providers for services the Plan Trustee provides to the funds. This revenue is used to offset certain amounts owed to the Plan Trustee for its administrative services to the Plan.

If the revenue received by the Plan Trustee from such mutual fund or common trust fund service providers exceeds the amount owed under the agreement, the Plan Trustee remits the excess to the Plan's trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During the period ended June 29, 2023, there were no excess amounts. The Plan or Plan Sponsor may make a payment to the Plan Trustee for administrative expenses not covered by revenue sharing.

The Virginia Bankers Association Benefits Corporation receives fees from the Plan for serving in its capacity as the plan administrator and co-fiduciary of the Plan. These fees are included as a component of administrative expenses on the Statement of Changes in Net Assets Available for Benefits.

**Note 7. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances.

**Note 8. Subsequent Events**

There are two types of subsequent events: (1) recognized events, which are events that provide additional evidence about conditions that existed at the date of the financial statements, including the estimates inherent in the process of preparing the financial statements, and (2) nonrecognized events, which are events that provide evidence about conditions that did not exist at the date of the financial statements but arose after that date.

The Plan has evaluated subsequent events through April 12, 2024, the date the financial statements were available to be issued. Based on this evaluation the Plan did not identify any recognized or nonrecognized subsequent events that would have required adjustment to or disclosure in the Plan financial statements.
