INDEPENDENT AUDITOR'S REPORT

To the Plan Committee
Brighton Center 403(b) Employer-Sponsored Plan
San Antonio, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Brighton Center 403(b) Employer-Sponsored Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of August 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Brighton Center 403(b) Employer-Sponsored Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended August 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditor's Responsibilities

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter

The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BRIGHTON CENTER 403(b) EMPLOYER-SPONSORED PLAN
Notes to Audited Financial Statements
August 31, 2023 and 2022

NOTE A – SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The financial statements of Brighton Center 403(b) Employer-Sponsored Plan (“Plan”) are prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

Recognition of Income: The basis of investments held by the Plan is adjusted annually to closing market values and unrealized gains and losses are recorded as part of this adjustment. Realized gains and losses on investments are computed using adjusted basis. Security transaction expenses are considered in computing realized gains and losses on investments. Interest income from the interest accumulation account is recognized as it is earned and credited to the account.

Investments: Investments in mutual funds, held in pool separate accounts, are carried at the current fair market value (net asset value), as determined by quoted prices in an active market. Purchases and sales of securities are recorded on a trade-date basis. Dividends are considered in the fair market value determination. Gains and losses (realized and unrealized) are reported in net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

Investments in the guaranteed interest accounts are held in the general accounts of American United Life Insurance (AUL) and Mutual of America (MOA), are carried at contract value. The contracts are fully benefit-responsive.

Participants' Notes Receivable: Participants' notes receivable are stated at their unpaid principal balance plus any accrued interest. Interest is recognized as accrued. An allowance was not required at either year end. If a participant ceases to make a note repayment and Plan administrator deems the participant note to be in default, the note balance is reduced and a benefit payment to the participant is recorded.

Benefit Payments: Benefits are recorded when paid.

Subsequent Events: Subsequent events have been evaluated by management through the date of the independent auditor's report. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

Use of Estimates: The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risks: The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for plan benefits. The Plan Sponsor minimizes the credit risk through the diversity of the underlying investments.

BRIGHTON CENTER 403(b) EMPLOYER-SPONSORED PLAN
Notes to Audited Financial Statements
August 31, 2023 and 2022

NOTE B – DESCRIPTION OF THE PLAN

The following description provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan, established September 1, 2003 and amended on October 15, 2013, covering virtually all employees of Brighton Center ("Sponsor"). There are no minimum age or service requirements to make salary reduction contributions. The Plan is for the exclusive benefit of its participants and their beneficiaries. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendment: The Plan operationally adopted certain provisions allowed by the Bipartisan Budget Act of 2018. Effective January 1, 2019, participants receiving hardship withdrawals were no longer required to cease their elective deferral contributions to the Plan. The Plan was formally amended for this change July 21, 2020.

Contributions: Participants may contribute up to 100% of their compensation either on a pretax or after-tax Roth basis, subject to the limitations of IRC section 402(g). Participants may also contribute amounts representing distributions ("rollovers") from other qualified defined benefit or contribution plans. The Sponsor matches 100% of the first 4% of a participant's eligible compensation.

Participant Accounts: Each participant's account is credited with their contribution and allocations of a) the Plan Sponsor contributions, b) Plan earnings, and c) charged with an allocation of administrative expenses. Allocations are based on the participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are always 100% vested in their voluntary contributions and any earnings thereon. Vesting in Sponsor matching contributions is based on years of service, with 0% vesting for employees with less than two years of service and 100% vesting for employees with over 2 years of service.

Forfeitures: Forfeited nonvested accounts totaled \$-0- at August 31, 2023 and \$6,581 at August 31, 2022. These accounts may be used to reduce future employer contributions and pay administrative expenses. Forfeitures totaling \$-0- during the year ended August 31, 2023, and \$14,191 during the year ended August 31, 2022, were used to reduce the Plan Sponsor matching contributions.

Payment of Benefits: Payment of the vested account balance is immediate when the participant reaches normal retirement age, dies, or terminates employment. If the total vested account balance is less than \$5,000, the participant will receive a single lump sum payment. If the vested account balance is equal to or greater than \$5,000, various payment options are available and are described more fully in the Plan agreement. Hardship withdrawals are available subject to certain limitations. In service distributions are available once the participant attains age 59.5.

Expenses of the Plan: The Plan's administrative expenses are paid by either the Plan or the Plan Sponsor, as allowed for in the Plan document.

BRIGHTON CENTER 403(b) EMPLOYER-SPONSORED PLAN
Notes to Audited Financial Statements
August 31, 2023 and 2022

NOTE C – INVESTMENTS CERTIFIED BY THIRD PARTY (unaudited)

As permitted by Department of Labor CFR 2520.103–8, investments and participants' notes receivable at August 31, 2023 and 2022 and the net appreciation (depreciation) on investments and earnings on participants' notes for the years then ended, were certified, and held by America United Life Insurance Company (AUL) and Mutual of America (MOA), the Custodians of the Plan, and were not audited by the independent auditor.

NOTE D – TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan includes certain investments managed by AUL and MOA, the Plan Custodians. Therefore, these transactions qualify as party-in-interest transactions. Fees paid for legal, accounting and other services rendered by parties-in-interest were based on customary and reasonable rates for such services. The Plan's administrative expenses are paid either by the Plan or the Plan Sponsor as allowed for in the Plan document.

NOTE E – INCOME TAX STATUS

Management adopted the Volume Submitter 403(b) Plan of the Custodian, AUL, which has been accepted under section 403(b) of the Internal Revenue Code. Management believes that the Plan was qualified, and the related trust was tax-exempt as of August 31, 2023 and 2022. Accordingly, no provision for Federal income taxes has been included in the Plan's financial statements. The Plan Administrator is not aware of any tax positions that would have a significant impact on the Plan's financial position. Its federal tax returns for the last five years remain subject to examination.

NOTE F – GUARANTEED INTEREST ACCOUNTS

The Plan has benefit-responsive guaranteed interest contracts, AUL Stable Value Fund and MOA Interest Accumulation Account, held in the general accounts of AUL and MOA with a balance of \$353,308 and \$49,123 at August 31, 2023 and \$456,167 and \$48,616 at August 31, 2022. The accounts are credited with earnings at the current interest rate and charged for participant withdrawals and administrative expenses. The guaranteed interest contract issuers are contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan.

Because the guaranteed interest contract is fully benefit-responsive, it is stated at contract value, the amount the participant would receive if they were to initiate permitted transactions under the Plan. There are no reserves against contract value for credit risk of the contract issuers or otherwise. Contract value represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no events that would limit the ability of the Plan to transact at contract value with the issuer.

Notes to Audited Financial Statements
August 31, 2023 and 2022

NOTE G – FAIR VALUE MEASUREMENTS

In accordance with U.S. generally accepted accounting principles, the Plan utilizes a fair value hierarchy that prioritizes the inputs for the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets
 - quoted prices for identical or similar assets or liabilities in inactive markets
 - inputs other than quoted prices that are observable for the asset or liability
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means
 - if the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, investments measured at fair value:

	Fair value Measurements Using			
	Level 1	Level 2	Level 3	Total

NOTE G – FAIR VALUE MEASUREMENTS – continued

There have been no changes in the methodologies used, nor transfers between levels. The following is a description of the valuation methodologies used for assets measured at fair value:

Pooled separate accounts: Valued at the market value of the underlying investment.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE H – SUBSEQUENT EVENT

The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates in 2023 and later.
