403(b) Thrift Plan for Employees of MacPhail Center for Music
Minneapolis, Minnesota

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We were engaged to perform audits of the accompanying financial statements of 403(b) Thrift Plan for Employees of MacPhail Center for Music, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have audits of 403(b) Thrift Plan for Employees of MacPhail Center for Music's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2023 and 2022, and for the years then ended stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements referred to above of 403(b) Thrift Plan for Employees of MacPhail Center for Music. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

As described in Note 4 to the financial statements, the 403(b) Thrift Plan for Employees of MacPhail Center for Music has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. If the identified contracts, as reported by the custodian, were included, net assets available for benefits would increase by approximately \$1,622,000 and \$1,680,000 at September 30, 2023 and 2022, respectively. Investment income (loss) of approximately \$223,000 and \$(263,000) and distributions of approximately \$281,000 and \$44,000 related to such accounts have also been excluded in the accompanying statements of changes in net assets available for benefits for the years ended September 30, 2023 and 2022, respectively. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the financial statements referred to above.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Employees of MacPhail Center for Music's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of 403(b) Thrift Plan for Employees of MacPhail Center for Music's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of 403(b) Thrift Plan for Employees of MacPhail Center for Music and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of September 30, 2023 and the schedule of delinquent contributions for the year ended September 30, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedules.

403(B) THRIFT PLAN FOR EMPLOYEES OF MACPHAIL CENTER FOR MUSIC
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN

The following description of 403(b) Thrift Plan for Employees of MacPhail Center for Music (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan originally effective December 1, 1994. The Plan has been amended and restated throughout the years to comply with tax legislation. The Plan was most recently amended and restated effective September 1, 2022. The Plan is subject to the provisions of ERISA, as amended.

Eligibility

The Plan covers substantially all employees of MacPhail Center for Music (Employer), as defined in the Plan. Employees are eligible to participate in the salary reduction arrangement of the Plan on the first day of the payroll period coinciding or immediately following date of hire. Employees must generally complete one year of service to be eligible for Employer matching contributions and enter the Plan for Employer matching purposes on the first day of the month coinciding or immediately following satisfaction of this eligibility requirement. Highly compensated employees (HCE's) are excluded from receiving the Employer matching contribution.

Contributions

Participants may contribute to a salary reduction account on a pre-tax or post-tax basis up to the maximum permitted by the Internal Revenue Code (IRC). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation, and their contributions invested in the designated default fund until changed by the participant. Participants who are age 50 or older as of the end of the Plan year are eligible to make catch-up contributions. Additionally, employees who have completed 15 years of service are eligible to make a special catch-up contribution.

The Employer will make a matching contribution to the Plan equal to 100% of salary deferral contributions up to 1% of compensation prior to September 1, 2022. Effective September 1, 2022, the Employer will make a matching contribution to the Plan equal to 100% of salary deferral contributions up to 2% of compensation.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans or conduit IRAs (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer matching contribution, an allocation of Plan earnings or losses, and administrative expenses. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's account.

Vesting

Participants are immediately vested in all contribution sources, plus actual earnings thereon.

Plan Loans

Participants may borrow amounts from the Mutual of America Life Insurance Company, the insurance company and third-party administrator. The loan amount cannot be less than \$1,000, or more than the excess of 50% of the interest accumulation account over the outstanding loan balance for any other loans. In no event can the amount of the loan, when added to the outstanding balance of all other loans from any of the Employer's plans, exceed the least of the following:

(A) \$50,000 reduced by the excess (if any) of:

- a. The highest outstanding balance of loans from any of the Employer's plans during the one-year period ending on the day before the date on which the loan is to be made; over
- b. The outstanding balance of loans from any of the Employer's plans on the date on which the loan is to be made;

(B) 50% of the present value of the vested accrued benefit under any of the Employer's plans that are funded exclusively through group annuity contracts issued by Mutual of America.

The loans are secured by the balance in the participant's interest accumulation account and bear a reasonable rate of interest that may not exceed the legal limit, may reflect fees or charges made by a service provider engaged to provide assistance in the administration of the loan, and is commensurate with interest rates charged by persons in the business of lending money. At September 30, 2023, the interest rate on outstanding loans was 4.6%.

Loan terms are up to five years, except for loans to fund the purchase of a principal residence, for which the loan may be repaid over a reasonable period that may not exceed 10 years. Upon establishment of the loan, the amount of the loan is transferred to the participant's interest accumulation account from the participant's separate account, if the amount in the participant's interest accumulation account is not adequate to cover the full collateral requirements of the loan. As principal is repaid, the collateral becomes available once again for participant use. The amount of outstanding Plan loans with Mutual of America Life Insurance Company at September 30, 2023 and 2022 totaled \$6,477 and \$9,427, respectively.

SEPTEMBER 30, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Benefit Payments

Upon termination of service, death, disability, or retirement (age 65), the participant will receive the value of the vested interest in his or her account in the form of an annuity or lump sum distribution. The Plan allows for in-service distributions if a participant reaches age 59½ and for hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan administrator will authorize the benefit payment without the participant's consent.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation (depreciation) of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through April 26, 2024, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023 AND 2022

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Mutual of America Life Insurance Company, the insurance company, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of September 30, 2023 and 2022, the statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of September 30, 2023.

NOTE 4 EXCLUDED CONTRACTS

The Plan has excluded from investments in the statements of net assets available for benefits the investments held at Teachers Insurance and Annuity Association – College Retirement Equities Fund (TIAA and CREF) issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor’s Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. If the identified contracts were included, the net assets available for benefits as of September 30, 2023 and 2022 would increase by approximately \$1,622,000 and \$1,680,000, respectively. Investment income of approximately \$223,000 and investment loss of approximately \$263,000, and distributions of approximately \$281,000 and \$44,000, have been excluded in the statements of changes in net assets available for benefits for the years ended September 30, 2023 and 2022, respectively.

For the years ended September 30, 2023 and 2022, \$2,712 and \$2,698 of assets from excluded contracts were transferred to included contracts, respectively.

NOTE 5 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

403(B) THRIFT PLAN FOR EMPLOYEES OF MACPHAIL CENTER FOR MUSIC
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023 AND 2022

NOTE 5 FAIR VALUE OF INVESTMENTS (CONTINUED)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at September 30, 2023 and 2022.

Insurance Company General Account: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer.

Pooled Separate Account: Valued at the net asset value (NAV) of units as determined by the insurance company. NAV is a readily determinable fair value and is the basis for current transactions.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30:

2023				
	Level 1	Level 2	Level 3	Total
Insurance Company General Account	\$ -	\$ 349,308	\$ -	\$ 349,308

SEPTEMBER 30, 2023 AND 2022

NOTE 6 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan maintains a group annuity contract with Mutual of America Life Insurance Company (Mutual of America). As part of the contract, Mutual of America maintains a portion of the contributions in a "guaranteed account." The account is credited with interest, as determined by Mutual of America, and charged for Plan withdrawals and administrative expenses. The guaranteed account is included in the financial statements at fair value, (which represents contributions made under the contract, plus earnings, less withdrawals, and administrative expenses), because it is nonfully benefit responsive. Upon termination of the investment contract, the lump sum liquidation value of the general account portion of the participant's accumulation value shall be equal to the product of the participant's general account accumulation value on the liquidation date. The average yield and crediting yield was approximately 1.30% and 0.45% for the years ended September 30, 2023 and 2022, respectively, for the group annuity contract held at Mutual of America. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 9 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter received from the IRS on the prototype plan indicating that the Plan is qualified under Section 403b of the IRC and is, therefore, not subject to tax under current income tax law. The prototype plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

SEPTEMBER 30, 2023 AND 2022

NOTE 10 PARTY-IN-INTEREST TRANSACTIONS

The Plan investments are managed by Mutual of America Life Insurance Company, the insurance company, therefore, the investment transactions qualify as party-in-interest transactions.

NOTE 11 NONEXEMPT TRANSACTIONS

During 2023, the Company failed to remit employee 403(b) deferral contributions for certain individuals within the timeframe prescribed by the Department of Labor. These are deemed prohibited transactions in accordance with ERISA and the IRC. The Company is in the process of taking corrective action by remitting lost earnings.

NOTE 12 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Certain Plan assets are invested in the Mutual of America Pooled Separate Account #2. This is a pooled separate account that invests in shares of mutual funds. Mutual of America has chosen not to complete and submit an Annual Report (Form 5500) reporting the pooled separate account as a "direct filing entity" with the Department of Labor. Therefore, the underlying assets have been reported on Form 5500, Schedule H, as mutual funds.
