## Independent Auditor's Report

The Plan Administrator and Participants  
Ingenico, Inc. 401(k) Plan  
Atlanta, Georgia

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements*

We have performed audits of the financial statements of Ingenico, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedules, Schedule H, Line 4a - schedule of delinquent participant contributions for the year ended December 31, 2022, and Schedule H, Line 4i - schedule of assets (held at end of year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### 1. Description of the Plan

The following description of the Ingenico, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### ***General***

Ingenico, Inc. (the Company) established the Plan effective January 1, 1992. The Plan is a defined contribution plan covering substantially all eligible employees of the Company. Employees can enroll in the Plan on the first day of the month after they have become eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was restated effective January 1, 2022, and was based on the Non-Standardized Pre-Approved Profit Sharing/Money Purchase Plan with CODA of Merrill Lynch, Pierce, Fenner, & Smith, Inc. (Merrill Lynch). The Plan was again restated effective December 9, 2022, upon which the Plan made Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively, Empower) the combined recordkeeper, trustee, and custodian of the Plan with respect to all investments. Additionally, the participating employers, Global Collect Services, USA, Ingenico Retail Enterprise US Inc., and Worldline SMB US Inc., spun off from the Plan, with Ingenico Inc. and Ingenico Latin America Inc. as the remaining participating employers. In association with the spinoff, assets totaling \$6,035,130 were transferred out of the Plan and into the Worldline US 401(k) Plan.

#### ***Contributions***

Participants are permitted to make pre-tax or after-tax (Roth) salary deferral contributions to the Plan up to 100% of annual compensation, as defined by the Plan document. Participants age 50 and older are also allowed to make catch-up contributions. Participant contributions are subject to certain limitations of the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified plans or individual retirement accounts (rollovers). The Plan does not accept rollovers of after-tax employee contributions.

The Company makes a discretionary matching contribution equal to 50% of each participant's salary deferral contributions up to 5% of the participant's eligible annual compensation. As of each calendar year-end, the Company may elect to make additional discretionary non-elective contributions for eligible employees. Eligible employees are those active members who were employed during the Plan year. Such contributions, if any, will be allocated to the participants' accounts in the same ratio as each participant's compensation bears to the total compensation of all participants. During the year ended December 31, 2022, no such additional discretionary contributions were made.

#### ***Participant Accounts***

Each participant's account is credited with participant and Company contributions and an allocation of the Plan's earnings and losses. Allocations are based on account balances, deferrals or compensation as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

#### ***Vesting***

Participants are immediately vested in their contributions plus actual earnings thereon.

**Notes to Financial Statements**

---

**1. Description of the Plan (cont.)**

***Vesting (cont.)***

Vesting in the Company's discretionary matching and non-elective contribution portions of their accounts plus actual earnings (losses) thereon is determined by years of service, defined as the twelve-month periods ending December 31, wherein an employee has completed 1,000 or more hours of service. Company contributions are vested ratably at 20% per year over a five-year period, or upon death, disability, or attainment of age 65, if earlier. The non-vested portion of the participant's account will generally be forfeited after a one-year break in service.

***Forfeitures***

Forfeitures of terminated participants' non-vested accounts may be used to reduce Company matching contributions, to pay certain Plan expenses, or for reallocation to participants. The balance of forfeited accounts was \$92,136 and \$60,245 at December 31, 2022 and 2021, respectively. For the year ended December 31, 2022, \$103,150 of forfeitures were used to reduce Company matching contributions.

***Notes Receivable from Participants***

A participant may borrow from his or her account up to an amount equal to the lesser of 50% of the participant's vested account balance or \$50,000. Such notes receivable bear interest at a rate determined by the Plan administrator, which approximates a rate commensurate with prevailing market rates. The notes receivable from participants is collateralized by the remainder of the participant's account and is due over a period not to exceed five years, unless the note receivable is for the purchase of a primary residence. Principal and interest are paid ratably through monthly payroll deductions.

***Payment of Benefits***

Upon termination of service due to death, disability, retirement or other reasons, a participant or beneficiary can elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, roll the money into a qualified account, or if the value of the account exceeds \$5,000, may leave the money in the Plan.

***Administrative Expenses***

Accounting fees of the Plan are primarily paid by the Company. Certain administrative expenses of the Plan are primarily paid by the Plan. A proportionate share of expenses paid by the Plan is charged to each participant's account.

The Plan participates in a revenue sharing program. Revenue sharing income is allocated to the Plan expense account and can be used to pay Plan administrative expenses. The Plan expense account totaled \$30,253 and \$52,748 at December 31, 2022 and 2021, respectively. During the year ended December 31, 2022, \$23,157 of funds were used to pay administrative expenses.

**2. Summary of Significant Accounting Policies**

***Basis of Accounting***

The financial statements of the Plan were prepared using the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets accounting principles generally accepted in the United States of America (GAAP).

**Notes to Financial Statements**

---

**2. Summary of Significant Accounting Policies (cont.)**

***Use of Estimates***

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

***Investment Valuation and Income (Loss) Recognition***

The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price).

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

***Payment of Benefits***

Benefit payments to participants are recorded upon distribution.

**3. Certified Information**

The Plan's administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower provided a certification that the financial information included in the financial statements as of December 31, 2022, and for the period from December 9, 2022, through December 31, 2022, provided to the Plan is complete and accurate. Bank of America, N.A., provided a certification that the financial information included in the financial statements as of December 31, 2021, and for the period from January 1, 2022, through December 8, 2022, provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income (loss) included in the accompanying financial statements and supplemental schedule as of December 31, 2022 and 2021, and for the year ended December 31, 2022, is covered by such certifications.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

**4. Fair Value Measurements**

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements).

Notes to Financial Statements

---

**4. Fair Value Measurements (cont.)**

*Basis of Fair Value Measurements*

The three levels of the fair value hierarchy under GAAP are as follows:

*Level 1* - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

*Level 2* - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

*Level 3* - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual Funds* - Mutual funds represent investments with various investment managers. The fair values of these investments are determined by reference to the fund's underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds traded on national securities exchanges are valued at the net asset value (NAV) as of December 31, 2022 and 2021. It is not probable that the mutual funds will be sold at amounts that differ materially from the NAV of shares held.

*Money Market Fund* - A money market fund is valued using the amortized cost or penny rounding method as permitted by Rule 2a-7 under the Investment Company Act of 1940, which approximates their fair value.

*Self-Directed Brokerage Accounts* - The self-directed accounts are comprised of money market funds and common stocks. Money market funds are valued using the amortized cost or penny rounding method as permitted by Rule 2a-7 under the Investment Company Act of 1940, which approximates the fair value. Common stock is valued at the quoted market prices as obtained from the New York Stock Exchange.

*Common/Collective Trust Funds* - Valued at the net asset value using NAV as the practical expedient based on the last reported sales price of the underlying investments held. The Plan's interest in the collective trust funds is based on information reported using the audited financial statements of the collective trust funds at year-end. The investment income (loss) is allocated to participants based on their proportionate share of the net assets of the funds.

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while management believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

\* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the amounts presented in the statements of net assets available for benefits.

Fair value of investments in certain entities that calculate NAV per share (or its equivalent) is as follows:

| <b>Investment</b>             | <b>Fair Value<br/>December 31,<br/>2022</b> | <b>Fair Value<br/>December 31,<br/>2021</b> | <b>Unfunded<br/>Commitments</b> | <b>Redemption<br/>Frequency</b> | <b>Redemption<br/>Notice<br/>Period</b> |

### 5. Guaranteed Interest Fund

The guaranteed interest fund is a fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of America (Empower Annuity). Empower Annuity maintains the contributions in a general account. The account is credited with earnings (losses) on the underlying investments and charged for participant withdrawals and administrative expenses. Empower Annuity is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

## Notes to Financial Statements

---

### 5. Guaranteed Interest Fund (cont.)

As described in Note 2, because the guaranteed interest fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Empower Annuity, represents contributions made under the contract, plus earnings (losses), less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The crediting interest is based on a formula agreed upon with the issuer. The actual average yield earned by the Plan can be derived by averaging the Plan's quarterly interest rates. The average for 2022 is 1.23%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provision, (3) bankruptcy of the Company or other Plan sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include a) an uncured breach of the Plan's investment guidelines, b) a material amendment to the contract without the issuer's consent, c) a violation of a material obligation under the contract, or d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

### 6. Income Tax Status

The Plan was based on the Non-Standardized Pre-Approved Profit Sharing/Money Purchase Plan with CODA of Merrill Lynch (Merrill Lynch Pre-Approved Plan), which received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the Merrill Lynch Pre-Approved Plan was designed in accordance with the provisions of the IRC. Therefore, the Plan was qualified, and the related trust was tax exempt during that period.

Effective December 9, 2022, the Plan that was based on the Merrill Lynch Pre-Approved Plan moved to a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA sponsored by Empower Retirement, LLC (Empower Pre-Approved Plan). The IRS has opined and informed Empower Retirement, LLC by letter dated November 11, 2022, that the Empower Pre-Approved Plan is designed in accordance with the applicable sections of the IRC. The Plan administrator believes that the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, participants will become, or remain, 100% vested in their accounts.

## Notes to Financial Statements

---

### **8. Related Parties and Party-In-Interest Transactions**

Certain Plan investments were managed by Merrill Lynch Trust Co., which owns a stake in Blackrock and is a subsidiary of Bank of America, N.A., or by Empower, during the Plan's time engaging each entity. Transactions with these entities, as defined by the Plan, qualify as party-in-interest transactions. Notes receivable from participants and participant self-directed brokerage accounts are also defined by ERISA as party-in-interest transactions.

### **9. Risks and Uncertainties**

The Plan's investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

### **10. Delinquent Participant Contributions**

During 2022, employee withholdings of \$9,274 were not remitted within the appropriate time period by the Company. The Company remitted the employee withholdings in 2023 and plans to remit lost earnings on the amount during 2024. These transactions constituted prohibited transactions as defined by ERISA.

### **11. SECURE Act 2.0**

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

### **12. Subsequent Events**

Management has evaluated subsequent events through February 19, 2024, the date the financial statements were available to be issued.
