## INDEPENDENT AUDITOR'S REPORT

PLAN ADMINISTRATOR:  
MACH 1 AIR SERVICES, INC. PROFIT SHARING PLAN AND TRUST

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Mach 1 Air Services, Inc. Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of April 1, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the period from January 1, 2022 to April 1, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the period ended April 1, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mach 1 Air Services, Inc. Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## NOTES TO FINANCIAL STATEMENTS

### NOTES TO FINANCIAL STATEMENTS

APRIL 1, 2022 AND DECEMBER 31, 2021

---

#### **1. Description of Plan**

The following description of the Mach 1 Air Services Profit Sharing Plan and Trust (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan was formed on January 1, 1994, and amended and restated effective February 1, 2010. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Mach 1 Air Services, Inc is the Plan Sponsor and Employer.

#### **Participant Eligibility**

Participants become eligible to make elective deferrals to the Plan upon attaining age 21 and completing three months of service. Participants are eligible to receive matching and profit sharing contributions upon attaining age 21 and completing one year of service (at least 1,000 hours of service).

#### **Contributions**

Eligible participants may contribute up to 50% of their pre-tax annual compensation up to the Internal Revenue Code limits, and certain qualified individuals may make additional catch-up contributions subject to certain limitations. The Plan also allows Roth Contribution deferrals on an after-tax basis, which combined with pre-tax deferrals are limited by the Internal Revenue Code as described above.

The Employer may make a Matching Contribution, a Profit Sharing Contribution, or a Qualified Non-elective Contribution to the Plan. For the period ended April 1, 2022 the Employer made a matching contribution in the amount of \$40,480 to the Plan.

Participants direct the investment of contributions into various investment options offered by the Plan.

#### **Participant Accounts**

Each participant's account is credited with their contributions, any discretionary matching, profit sharing or qualified non-elective contributions, and an allocation of investment earnings or losses and administrative expenses. Investment earnings or losses are allocated based on the proportion that each participant's account for each investment option bears to the total of all participants' accounts for each investment option.

#### **Vesting**

Participants are 100% vested in their elective deferral contributions, rollover contributions, Qualified Non-elective contributions, and any earnings thereon. Matching and Profit Sharing contributions vest at 20% after two years, with an increase of 20% each year until fully vested after six years of service.

# MACH 1 AIR SERVICES, INC. PROFIT SHARING PLAN AND TRUST

## NOTES TO FINANCIAL STATEMENTS

### **Participant Loans**

Participant loans are not allowed under the Plan provisions.

### **Payment of Benefits**

Upon termination of service, death, disability, or retirement, the participant will have the entire value of the vested portion of their account distributed to them in a single lump sum. However, if the amount due is in excess of \$1,000, the distribution may be deferred until the participant's death, total and permanent disability, or early or normal retirement.

## **2. Summary of Significant Accounting Policies**

### **Basis of Presentation**

The financial statements of the Plan are prepared on the accrual basis of accounting.

### **Investment Valuation and Income Recognition**

The investments in pooled separate accounts are valued at the quoted market prices of the underlying securities. Investments in the guaranteed fixed account (group annuity contract) are fully benefit responsive, and therefore, are presented in the financial statements at contract value, which approximates fair value. Investment income is recorded on the accrual basis.

### **Administrative Expenses**

The employer pays substantially all administrative expenses on behalf of the Plan.

### **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Sponsor and Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### **Subsequent Events**

Subsequent events have been evaluated through April 22, 2024, which is the date the financial statements were issued.

## **3. Fair Value Measurements**

Financial Accounting Standards Board Statement ASC 820-10, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy in ASC 820 are described below:

**MACH 1 AIR SERVICES, INC. PROFIT SHARING PLAN AND TRUST**  
 NOTES TO FINANCIAL STATEMENTS

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets of liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan’s investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of April 1, 2022 and December 31, 2021:

**Assets at Fair Value as of December 31, 2022:**

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ --	\$ --	\$ --	\$ --
Money Market Accounts	--	--	--	--
Total	<u>\$ --</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ --</u>

**Assets at Fair Value as of December 31, 2021:**

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled Separate Accounts	\$ 6,554,844	\$ --	\$ --	\$ 6,554,844
Money Market Accounts	<u>158,562</u>	--	--	<u>158,562</u>
Total	<u>\$ 6,713,406</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 6,713,406</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the period ended April 1, 2022 are reported in net depreciation in fair value of investments.

**4. Certification of Investment Information**

Ascensus Trust Company, the trustee of the Plan, has supplied the Plan Administrator with a certification as to the completeness and accuracy of all investment information reflected in the accompanying financial statements as of April 1, 2022.
