Independent Auditors' Report

The Plan Administrator
Red Nucleus Solutions 401(k) Retirement Plan
Yardley, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Red Nucleus Solutions 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statement

We were engaged to audit the 2020 financial statement of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated May 3, 2024, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statement and (b) the form and content of the information included in the 2020 financial statement other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

RED NUCLEUS SOLUTIONS 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following is a summary of certain provisions of the Red Nucleus Solutions 401(k) Retirement Plan (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Participation – The Plan is a defined contribution plan, established February 1, 2008, covering certain employees of Red Nucleus Solutions LLC, Informa TP, LLC, Pyxa Solutions LLC, RN CLEARPOINT LEARNINGS SYSTEMS LLC, Red Nucleus Enterprises LLC, Daylan Digital LLC, PPM Advisory Group, LLC, and Ortleby Bio LLC (collectively the "Company") who are at least 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan is administered by the Company which is responsible for controlling and managing the operations and administration of the Plan.

Contributions – Participants may elect to make contributions of a specific percentage or dollar amount of their eligible earnings on a "pre-tax" or Roth basis subject to certain limitations of the Plan and the Internal Revenue Code ("IRC"). Participants who will attain age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). The Company has elected to make annual "safe harbor" matching contributions to the Plan equal to 100% of the first 3% of eligible compensation contributed by participants, and 50% of the next 2%.

The Company may also make discretionary non-elective contributions to the Plan; however, none were made for the year ended December 31, 2021.

Participant Accounts – Each participant's account is credited with the participant's contributions and Company contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are at all times vested in their contributions and the employer "safe harbor" contributions, plus earnings thereon. Vesting in the employer discretionary non-elective contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service (0% in year one, 20% each year thereafter) or in the event of death, disability or attaining normal retirement age as defined by the Plan.

Payment of Benefits – A participant, upon retirement, termination, disability or the attainment of age 59½ or a participant's beneficiary upon the participant's death, may elect to receive a lump-sum amount equal to the value of his or her vested account balance. In the case of a severe financial hardship, the administrator, in its sole discretion, may direct distribution of all or a portion of the participant's voluntary contributions, subject to certain restrictions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Plan Description (Continued)

Forfeitures – Forfeitures may be used to pay any plan expenses or to reduce any employer contributions. There were no forfeitures in 2021.

Notes Receivable From Participants – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest rates at prime plus 1%. Principal and interest is paid ratably through payroll deductions.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting – The Plan's financial statements are prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation and income recognition policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants – Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. An allowance for credit losses of \$7,000 and \$-0- has been recorded as of December 31, 2021 and 2020, respectively. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of the Plan are paid by the Company or the Plan at the Company's discretion. Fees related to benefit payments and the administration of notes receivable from participants are charged directly to the affected participant's account and are included in administrative expenses.

Subsequent Events – The Plan has evaluated subsequent events through May 3, 2024, the date on which the financial statements were available to be issued.

RED NUCLEUS SOLUTIONS 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 3. Unaudited Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the statements of net assets available for benefits at December 31, 2021 and 2020, the supplemental schedule at December 31, 2021, the related investment and notes receivable interest activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021 and investment related information in the accompanying notes to the financial statements. The information is unaudited by independent accountants.

Note 4. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

- Level 1 – Quoted market prices in active markets for identical assets and liabilities
- Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data
- Level 3 – Unobservable inputs in which little or no market data exists

The following is a description of the valuation methodologies used for plan assets measured at fair value:

- *Mutual funds:* The fair value of investments held in these accounts is based on their quoted closing market prices in active markets for identical investments, and is classified as Level 1.
- *Collective trust fund:* The investments in the collective trust funds are held and managed by Fidelity Investments. The fair value of investments held in these accounts is based on their reported net asset value ("NAV"). The NAV is based primarily on observable inputs and the market value of the underlying investments, and is classified as Level 2.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in the methodologies used from 2020 to 2021. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

RED NUCLEUS SOLUTIONS 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$24,470,962	\$ -	\$ -	\$24,470,962
Collective trust fund	-	255,769	-	255,769
Total	<u>\$24,470,962</u>	<u>\$ 255,769</u>	<u>\$ -</u>	<u>\$24,726,731</u>

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$17,604,992	\$ -	\$ -	\$17,604,992
Collective trust fund	-	21,136	-	21,136
Total	<u>\$17,604,992</u>	<u>\$ 21,136</u>	<u>\$ -</u>	<u>\$17,626,128</u>

Note 5. Party-in-Interest Transactions

Fidelity Management Trust Company is Trustee as defined by the Plan and is related to Fidelity Investments Institutional Operations Company, Inc. (the "Recordkeeper") and Fidelity Investments. Certain Plan investments are in a collective trust fund and mutual funds managed by Fidelity Investments, and certain administrative expenses are paid to the Recordkeeper. These transactions qualify as party-in-interest transactions.

Note 6. Plan Termination

The Company anticipates and believes that the Plan will continue indefinitely; however, the Company reserves the right to terminate the Plan at any time by an action of its Board of Directors subject to provisions of ERISA. In the event of termination of the Plan, participants would become 100% vested in their respective accounts, and the assets then remaining in the funds will be allocated and distributed to participants in accordance with the terms and provisions of the Plan.

Note 7. Income Tax Status

The Plan has adopted an approved volume submitter plan document. This plan document has obtained a determination letter dated June 30, 2020 from the Internal Revenue Service ("IRS") in which the IRS stated that the document, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since adopting the volume submitter document. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

RED NUCLEUS SOLUTIONS 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 7. Income Tax Status (Continued)

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.

The Plan is in the process of correcting a series of late Form 5500 filings and various retroactive amendments through the DOL's Delinquent Filer Voluntary Compliance Program. Any impact on the Plan's tax-exempt status is unknown at this time.

Note 8. Risks and Uncertainties

The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9. Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020 to the Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$24,962,402	\$17,686,753
