Independent Auditor's Report

Board of Trustees
Amerhart Ltd. Employee Directed Investment and Retirement Plan
Green Bay, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Amerhart Ltd. Employee Directed Investment and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of July 10, 2023 (in liquidation) and September 30, 2022 (ongoing), and the related statement of changes in net assets available for benefits for the period from October 1, 2022 to July 10, 2023 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Amerhart Ltd. Employee Directed Investment and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of July 10, 2023 and September 30, 2022 and for the period from October 1, 2022 to July 10, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Amerhart Ltd. Employee Directed Investment and Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

As discussed in Note 1 and Note 5 to the financial statements, Amerhart, Ltd. and Subsidiaries approved a plan of liquidation on February 20, 2023, and management determined liquidation was imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2023 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Amerhart Ltd. Employee Directed Investment and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Amerhart Ltd. Employee Directed Investment and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Amerhart Ltd. Employee Directed Investment and Retirement Plan

Notes to Financial Statements

Note 1: Plan Description

The following description of Amerhart Ltd. Employee Directed Investment and Retirement Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

Plan Termination

On February 17, 2023, the Company communicated to all participants its intent to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), with a termination date of February 24, 2023, subject to approval of the Internal Revenue Service ("IRS"). In accordance with accounting principles generally accepted in the United States of America ("GAAP"), the Plan changed its basis of accounting to value plan assets on the liquidation basis for the period from October 1, 2022 to July 10, 2023. This change had no effect on the reported net assets available for benefits. See further disclosures relating to the Plan's termination in Note 5.

General

The Plan is a defined contribution plan covering substantially all employees of Amerhart, Ltd. and Subsidiaries (the "Company") who have one month of employment for a full-time employee, or one year of service for a part-time employee (defined as an employee whose normal work schedule is less than 30 hours per week), and are age 18 or older. Employees are also eligible to receive company discretionary matching and profit sharing contributions if they are employed on the last day of the plan year. Upon satisfying eligibility requirements, an employee is eligible to participate on the first day of the following month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions

Each year, participants may contribute up to 100% of annual compensation, as defined in the Plan, on a pretax or Roth basis. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Plan includes an automatic increase feature whereby a participant's deferral rate increases by 1% on October 1 of each plan year up to a maximum deferral rate of 10%, unless the participant affirmatively elects another deferral rate. On October 1, 2022, the maximum deferral rate as a result of annual automatic increase feature increased to 15%.

Amerhart Ltd. Employee Directed Investment and Retirement Plan

Notes to Financial Statements

Note 1: Plan Description (Continued)

Contributions (Continued)

For the period from October 1, 2022 to July 10, 2023, the Company made a discretionary matching contribution totaling \$299,189. Rollover contributions are not matched. Additional profit sharing amounts may also be contributed at the discretion of the Company. No discretionary profit sharing contributions were made in 2023. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company discretionary matching contributions, and allocations of (a) the Company's discretionary profit sharing contributions and (b) plan earnings or losses. Participant accounts are charged with withdrawals and an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully and immediately vested in all contributions and actual earnings thereon.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Participants may only have one loan outstanding at any given time. Note terms may not exceed five years, unless the note is for the purchase of a primary residence. These notes are limited to 15 years. The notes are secured by the balance in the participant's account and bear interest at 2.00% above the prime rate. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement (age 62), or termination of employment, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installments for those participants whose vested account balance exceeds \$5,000. If the participant's vested balance does not exceed \$5,000, the plan administrator will pay an involuntary cash-out distribution as a direct rollover to an individual retirement plan; otherwise, if participant elected, as a lump-sum distribution. In addition, hardship distributions out of the participant's voluntary contributions account are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59 1/2.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with GAAP. The 2023 financial statements are presented on the liquidation basis and the 2022 financial statements are presented on the going concern basis.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and the trustee of the Plan. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of July 10, 2023 and September 30, 2022. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses and Investment Advisory Fees

Certain administrative expenses of maintaining the Plan, including trustee and investment advisory fees, are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to participant distributions and the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment advisory fees paid directly by the Plan are allocated proportionately to the plan participants based on their respective account balances and are included in net investment income on the accompanying statement of changes in net assets available for benefits.

Administrative Expenses and Investment Advisory Fees (Continued)

Fees incurred by the Plan for investment management services are allocated proportionately to plan participants based on their respective account balances and are included in net appreciation in fair value of investments, as they are paid through revenue sharing rather than direct payment. All other expenses paid directly by the Plan are allocated proportionately to plan participants based on their respective balances and are included in administrative expenses.

Subsequent Events

The Plan has evaluated subsequent events through April 25, 2024, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would be used only if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of September 30, 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

There are no assets measured at fair value as of July 10, 2023, due to the plan termination during 2023, as discussed in Note 1.

Note 3: Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of September 30, 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of September 30, 2022 (Ongoing Basis)			
	Level 1	Level 2	Level 3	Total
Total investments at fair value - Mutual funds	\$ 34,072,482	\$ 0	\$ 0	\$ 34,072,482

Note 4: Information Prepared and Certified by the Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements, including investments, accrued interest and dividends, and notes receivable from participants held at July 10, 2023 and September 30, 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period from October 1, 2022 to July 10, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Associated Trust Company, N.A. ("Associated"), the trustee of the Plan.

Note 5: Plan Termination

On February 17, 2023, the Company communicated to all participants its intent to terminate the Plan, subject to the provisions of ERISA, with a proposed termination date of February 24, 2023. In order to terminate the Plan, the Company requested approval from the IRS. This approval has not yet been received. The final benefit payments and distributions occurred during 2023. The benefits of the participants in the Plan are 100% vested, and the termination did not affect the amount of benefit the participants were entitled to or the forms of payment available under the provisions for the Plan.

Note 6: Party-in-Interest Transactions

Associated serves as the trustee for the Plan and, therefore, fees paid to Associated qualify as party-in-interest transactions. Fees paid to Associated by the Plan for administrative expenses totaled \$63,363 for the period from October 1, 2022 to July 10, 2023. Morgan Stanley Smith Barney ("MSSB") serves as an investment advisor for the Plan and, therefore, fees paid to MSSB qualify as party-in-interest transactions. Fees incurred and paid by the Plan for trustee and investment advisory services were \$24,679 for the period from October 1, 2022 to July 10, 2023. Certain fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments because they are paid through revenue sharing rather than a direct payment.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Note 7: Tax Status

The Company adopted a non-standardized pre-approved plan document with an IRS notification letter dated June 30, 2020, which states the non-standardized pre-approved plan document is in compliance with the applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the notification letter, the plan administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.
